NEW****PRIORITY REGISTRATION ASSIGNMENTS ***NEW

Priority registration is available to continuing or former IVC students; assignments are based on the number of total units you have earned at IVC and at any other colleges from which we have received official transcripts and calculated total lower division transfer units (individual course evaluations may not be done yet). **Beginning in the Fall 2014 semester priority assignments will be based on the number of total degree-applicable units you have earned.** Students who have not attended IVC previously after leaving high school are considered "new" students and are not eligible for priority registration for Summer 2014, however **beginning in the Fall 2014 new students who have matriculated will be eligible for priority registration.**

How to determine your priority registration time:

1. You probably already know if you are an official participant in the Disabled Student Programs and Services (DSP&S), Associated Student Government (ASG), Athletic Program, ASPIRE & IVUP, CalWORKS or Extended Opportunity Programs and Services (EOPS). If you are uncertain, contact:

DSP&S	2100 Building	(760)355-6312 TDD (760)355-4174
ASG, Student Affairs Office	1000 Building	(760)355-6455
Athletic Office	Gym	(760)355-6235
ASPIRE & IVUP	Transfer Center, 100 Building Student Services Specialist in Admissions and Records, Administration Building	(760)355-6274 or (760)355-6206
EOPS	100 Building	(760)355-6407
CalWORKS	100	(760)355-6556 or (760)355-6129

2. Armed Forces: Current or former members of the Air Force, Army, Coast Guard, Marine Corps, National Guard, or Navy are eligible for the first priority group. A request form must be completed one time only and documentation provided (military ID card for current members, DD214 for former members). Contact the Admissions and Records office on the main campus in the Administration Building #10.

3. Foster Youth: Current or former Foster Youth are eligible for the first priority group. A request form must be completed one time only and documentation provided verifying former or current Foster Youth status. Contact the Admissions & Records Office in the Administration Building #10.

4. If you are not a member of one of these special programs and are currently attending IVC or have previously attended after leaving high school, you are a "Current or Former" student.

5. Determine how many degree-applicable units you have earned at IVC and other colleges/universities from which official transcripts have been received and evaluated. Transfer units will include lower division course work only that transfers to IVC. Upper division credit units earned at four-year colleges/universities may transfer to IVC. Check with your counselor.

   Former and continuing students may determine their total by going to the Student Portal and after signing in, clicking on the following selections: WebSTAR, Student Services & Financial Aid, Student Records, Academic Transcript. Transcript Level should be *All Levels*; Transcript Type should be *Web Transcript*. Click on "Submit." Your transcript will be displayed semester by semester. Scroll to the end and under "Earned Hours" review the degree-applicable total.

6. Find your registration day and time on the following *Priority Registration Times* chart or via the Student Portal.
