2. **Redistricting Presentation and Discussion:** GCR, LLP, IVC Redistricting Counsel

   The presentation by attorney Nadia Bermudez reviewed how the IVC Board of Trustees is currently elected and concerns this raises with regard to the Federal Voting Rights Act and

the California Voting Rights Act. It was established that IVC's redistricting process is unique because the college serves different geographic boundaries than other Imperial County public agencies (e.g. Imperial County Board of Supervisors and the Imperial Irrigation District Board of Directors). The committee's role and duties as an advisory group to the IVC Board of Trustees was clarified. The power point is attached for reference.

3. **Next Steps and Schedule**: Bill Gay, IVC Director of Community/Media Relations

   A tentative timeline for the committee's work was presented. Committee members will be considering scheduling conflicts and schedules will be coordinated by staff. The schedule presented and discussed is attached for reference.

   Documents pertaining to the redistricting process will be posted to the following web page: http://www.imperial.edu/faculty-and-staff/campus-committees/advisory-and-mandated-committees/redistricting/

4. **Adjournment at 6:45 p.m.**
