ALTERNATIVE & SUSTAINABLE ENERGY SEMINAR

Friday, February 6, 2009 • 8:30 am - 3:30 pm

Imperial Valley College • College Center
380 East Aten Road, Imperial, CA

Come learn about alternative and sustainable energy from industry presenters and learn how the California Community College System is working to prepare a trained workforce for these industries.

Topics Include:

Leadership in Energy and Environmental Design (L.E.E.D.), Solar Energy, Geothermal Energy, Green Sustainable Technologies, and the Role of Education in Renewable Energy.

- **Registration is FREE.**
- **Lunch will be provided.**
- **Pre-registration is required. Capacity is limited.**
- **Register at www.imperial.edu/energysummit or by calling at (760) 353-0490.**

Presented by Imperial Valley College in partnership with Advanced Transportation Technology & Energy (ATTE)
