Guide for Drug Cards

A card should be made for each drug you administer to your patients. You may use a 3 X 5 or 5 X 8 card. Information may be typed or neatly printed and you may be called on to produce them at appropriate times. Follow the format indicated below. IV section is an addition to the 1st semester format and must be completed.

**Classification** -

- Name of Drug - Trade
- Name of Drug - Generic

**Actions:**

**Uses:**

**Dose Range**
