APPROVAL OF MINUTES DATED MONDAY, OCTOBER 26, 2009

M/S/C Sergio Lopez/Steven Sciaky to approve the Minutes of October 26, 2009.

Motion carried.

AREA REPORTS/UPDATES

College Council Report
Chair Michael Heumann reported the following:

- Reported that he toured the 2700 Building, and asked if there would be water accessible along that route.
- Associate Dean Lopez stated that he talked to Director Webster about putting vending machines in that area with water bottles and sodas. He indicated that the way that area was designed it does not accommodate an enclosure. He stated that Director Webster would be talking to Architect Jimmy Sanders about modifications to that area to move an enclosure and run an electrical outlet to that enclosure.

Program Review Update
Vice President for Academic Services Kathy Berry was not present. Associate Dean Aguirre reported the following:

- Announced that the 2008-09 Program Review is wrapping up and the new cycle is underway, and stated the budgeting process has been completed.

Budget Update
Vice President for Business Services John Lau was not present.

ASG Update
Associate Student Government President Steven Sciaky reported the following:

- Attended the Region X Student Rally on budget cuts on Friday, November 20, 2009, and has posted pictures on the website. He indicated the rally made the ten o’clock news and 20 students from IVC attended. Overall there were 1600 students in attendance.

President Update
Dr. Ed Gould reported the following:

- Announced that IVC has been chosen as one of five schools that could participate in a digital book experiment through the Chancellor’s Office. He indicated since the District has a contract with the bookstore, the District would look into partnering with them.
- Announced there are student protests regarding fees state wide, and indicated it is very likely the fees would go up to $40.00 or more and this would likely continue to be an issue.
• Announced a Special Board meeting is scheduled for Tuesday, November 24, 2009 in response to both unions concern over the way that the District presented the sunshine letters to the unions. He stated that at the Special Board Meeting the District would resunshine and the 30 days would be effective immediately thereafter.
• Reported that there is word that the state budget recovery would not begin until 2012-13 and may go as far as 2014-15.
• Reported that there was a Student Town Hall meeting on November 14, 2009 and one of the issues which arose was program cuts. He stated the District out of necessity would be looking at programs that are undersubscribed and making recommendations through the shared governance process to begin to phase out these programs.

MINUTES FROM STANDING AND AD HOC COMMITTEE

1. IVC Academic Senate, 11/4/09
3. Student Affairs Committee, 11/04/09
4. Technology Planning Committee Meeting, 10/20/09

DISCUSSION AND INFORMATION ITEMS

1. Formation of the Continuous Accreditation Readiness Team (CART) - Kathy Berry

• Explained the purpose of the CART committee would be to meet the ongoing Accreditation needs of the institution. She stated currently the Education Master Planning Committee oversees the accreditation process. She indicated that this would be an Ad Hoc Committee that would report to Academic Services. She stated she would like to start the committee after the first of the year and needs representatives from College Council, Academic Senate, Administrators, Faculty, etc., she indicated she would like a broad representation from across campus.
• Reported the Progress Report was submitted on October 15th, and on March 1st the Accreditation Self Study Report is due.
• Reported that there is still no word when the Accreditation Team would be visiting.

2. College Council Meeting in January - Michael Heumann

• Asked College Council members what their thought were on meeting December 14th.
• The consensus was that there be a meeting on December 14, and a tentative meeting scheduled on January 25, 2009.
• He stated that one of the issues in the summer and the reason why there were no meetings was compensation paid to faculty. He stated if this is the case, he would volunteer to not receive compensation to attend, but he could not speak for all faculty.

3. Campus Reorganization - Michael Heumann

• Chair Heumann stated the topic was placed on the agenda for continued discussion on the attached organizational charts.
• VP Berry stated that there had been some changes to the Academic Services reorganization chart and there would be more changes to come. She stated she has
heard from faculty, but has not heard from division chairs yet. VP Berry stated that some of the responses that she has received are that the structure needs to be a natural fit, and the other is the structure should meet FTES. She explained the different versions that are up for discussion.

- Chair Heumann asked what the difference is between a Vice President of Human Resources and an Associate Dean of Human Resources and whether there would be any change in salary.
- President Gould stated that Dean is an academic title, and the change to Vice President has more to do with who they would report to and there is no intended increase in salary.
- VP Jaime explained that Student Services structure is being used across the state, and his department is using existing deans.

4. All User Email Update - Michael Heumann

- Chair Heumann stated the all users email would be used as a moderated announcement tool, limited to a number of individuals. He indicated this was the recommendation of Technology Planning Committee and College Council. He asked if there was an update from Executive Council on how these recommendations would be implemented.
- President Gould stated that the Executive Committee would be discussing this topic at the next scheduled committee meeting.

5. Signage Subcommittee - John Lau

- VP Lau was not present at this meeting. Chair Heumann reported that VP Lau would like to form a subcommittee to discuss the placement of signage throughout campus. He indicated that he thought that this would be the job for the Facilities and Environmental Improvement Committee.
- President Gould informed College Council that this committee had already been formed.

6. Strategic Social Media Presentation - Bill Gay

- Communication Director Gay gave a PowerPoint presentation on Strategic Social Media which was presented to the Board of Trustees at the November 18, 2009 meeting. The mission of the marketing committee is to conform to the IVC Education Master Plan (i.e., to advance the college’s visibility and highlight the excellent educational opportunities it provides to the community.) and the Strategic Plan Goal #5 (i.e., strengthen our Internal and external organizational communications practices...).
- Rosanna Lugo continued with the presentation and gave an overview of IVC’s Facebook, Twitter and the new IVC MySpace pages.

ACTION ITEMS

M/S/C Sergio Lopez/ Kevin White

1. Approval of the Staffing Plan - Travis Gregory

"IMPERIAL VALLEY COLLEGE
STAFFING PLAN"

The purpose of this Staffing Plan is to outline the Department’s strategies and processes for identifying, analyzing, and retaining the human capital levels needed to effectively support all
current and future District activities. It includes the development, implementation, and evaluation of staffing-related processes. These processes require a continuous examination of organizational structures, position functions, recruitment sourcing, hiring and orienting, internal communications, and training/succession planning. Effective staffing management practices will help objectively identify the District’s needs and guide future human capital decision making. This plan is not simply a snapshot in time, but is meant to be a living document that aligns with the District’s goals and educational master plan.

**STAFFING PLAN (FY 2008-2011)**

<tr>
<th>GOALS</th>
<th>OBJECTIVES</th>
</tr>
</thead>
</table>
| Recruitment                       | • Establish an objective method to assess the need for replacement and recruitment of vacant positions based on the District’s needs.  
• Acknowledge the shrinking talent pool from which to recruit, and be prepared for increasing pressure to retain current employees.  
• Develop cost-efficient and innovative recruitment strategies to meet the increasing demand and dwindling budget resources. |
| Forecasting the Recruitment Needs | • Assess potential employee retirement dates.  
• Review facilities and programs plans. |
| Compliance with EEO and other regulations | • Recognize diversity in much broader concepts beyond age, ethnicity, and gender to new dimensions, which include education, family status and work experience.  
• Complete an internal employee file Audit.  
• Develop a procedure that forms a pool of potential screening committee employees. |
| Safety                            | • Improve the District’s Crisis Management Plan, including emergency preparedness and training for Administrators and staff.  
• Coordinate a preemptive H1N1 information plan and have contingency plans in place. |
| Integration of Technology         | • Web Time Entry: electronic timesheet submission process.  
• Maximize the use of Banner and other applications: applicant tracking data collect and analyze statistical data to identify trends and assist during the decision making process.  
• Completion of a Business Process |
Analysis to fully assess current processes, to support a wide range of process development, reengineer, and training.

STAFFING LEVELS

Imperial Valley Community College (IVC) employs a well-qualified staff dedicated to meeting the needs of our students and our community. In October 2009, there were 150 full-time faculty members and 197 part-time faculty members. Thirty-two full time and 21 part-time faculty members are non-instructional. Non-instructional faculty members are counselors and librarians. College management, office, technical, and grounds support functions are filled by 153 classified employees, 11 confidential employees, and 9 Classified Managers. The College also employs 13 Administrators. Approximately 440 student employees provide additional office and lab assistance.

A declining economy and a historic high unemployment rate spiked the College’s enrollment and demand for services. In order to meet the growing demands without compromising the financial stability of the institution, the District initiated a systematic process to prioritize attrition or replacement of critical positions only. As a result, an ad hoc participatory governance task force was formed known as “Thaw.” The thaw group met and reviewed requests to fill vacant positions and ranked the vacancies in order of importance. Those recommendations were presented to the Superintendent/President who directed the Human Resources department to initiate a recruitment campaign. During the 2009-2010 fiscal year, the Department hired 12 full time faculty members to help meet the increasing student enrollment demands.

STAFFING CHANGES

Turnover Rates

For the first time in at least a decade there was no turnover in the district’s administration. However, IVC will experience some changes in administrative positions due to reorganizations and retirements during the next year. Also impacting the organizational structure will be the number of anticipated faculty and staff retirements that will occur over the next five years and beyond.

District demographics indicate that 57% of the full-time faculty and 27% of the classified workforce are over 50 years of age; during the period of June 2009 to October 2009, a total of 14 classified employees announced their retirement. An additional 4 faculty members retired this year. The district will need to consider having an independent assessment to determine if future supplemental retirement incentives would result in cost savings and should be offered.

Reduction in Services

Due to a State budget shortfall and deficit budget spending, the district reviewed, assessed, and recommended service reductions via closure of the Brawley Extended Campus. The closure impacted 1 full-time faculty position, 1 full-time classified position and 1 part-time classified position. The district transferred the faculty member to another location and was able to reassign the full-time classified employee. The part-time classified position was not able to be absorbed and resulted in a layoff.
Additionally, Imperial County Department of Social Services informed the district that they were cutting funding to the CalWORKS program. This program elimination resulted in position elimination of 5 full-time, temporary Counselor positions and 1 full-time classified position. This elimination came as a surprise since the program had been continuously contracted since 1987. The district has signed a Memorandum of Understanding to allow certain reemployment privileges.

Reorganization

In order to efficiently meet the staffing-level demands with less money, the Executive Council was directed to conduct an extensive review of their area organizational structures and functions. As a result, the organizational realignment has changed the functionality and reporting structures of several departments in an effort to optimize services to students while better controlling processes and costs.

One example is the establishment of a “Grants team”, which grouped three previously isolated positions and combined them. The goal is to provide better review, communications, and recommendations regarding potential grant options for the District.

HIRING PROCESS

Facility and Classified Prioritization Process

The intent of the faculty and staff prioritization process is to identify the most critical vacant positions and to expedite the recruitment process of vital positions. The current faculty prioritization process includes a justification of the position’s impact on the program, strength of the program, and the ability to meet student needs. The Curriculum and Instruction (C&I) committee is the formal constituent group authorized to make recommendations on this subject matter.

As mentioned in the Staffing Levels section, the District formed an ad hoc Thaw task force to recommend prioritization of all vacant open positions. To ensure consistency, a ranking criterion was developed to determine the criticality of any position. The crucial factors included:

<table>
<thead>
<tr>
<th>Vacancies Prioritization Criteria</th>
</tr>
</thead>
<tbody>
<tr>
<td>1. Funding Source</td>
</tr>
<tr>
<td>2. Justification/Criticality</td>

</tr>
</tbody>
</table>
During 2009, the taskforce evaluated a total of 12 faculty positions, 4 classified management, and 5 classified positions. Their final recommendations for prioritization are attached (Attachment A).

The District plans to continue using this standard criterion as an objective way for the executive council to make vacancy hiring decisions. This will assist in eliminating the previous practice that automatically replaced vacated positions (due to resignation, retirement, etc.). Each vacancy will need to be assessed for need and/or alternatives along with specific justification in writing. Request to hire form will be updated to reflect this process and will include a section linking the position to the Educational Master Plan and District mission (Attachment B). Emergency situations will be handled on a case-by-case basis and be presented to the Executive Council for consideration by the area Vice President.

Employee Recruitment

Imperial Community College District adheres to equal employment opportunity guidelines, job-related criteria determined by position qualifications, institutional objectives, for hiring.

Certificated and classified employees’ hiring and recruitment processes are outlined in Board approved policies and respective collective bargaining agreements.

All employees must meet specific criteria established to perform essential duties of the classification or job. These include minimum qualifications for both certificated and classified positions, which the college lists in position descriptions. Minimum qualifications and equivalency procedures for faculty members are established through Minimum Qualifications for Faculty and Administrators in California Community Colleges.

The College develops certificated job announcements in conjunction with the Superintendent/President, the area Vice President, and the Chief Human Resources Officer (CHRO). Position announcements are then published through the Human Resources Office.

Selection Process

The Board has approved hiring policies and procedures to monitor all District selection processes. The Human Resources Department in partnership with the Policy and Procedure Committee is currently developing HR Departmental procedures.

The CHRO, assigned HR staff, and the designated committee chair review all applications to determine pool diversity and minimum qualification requirements prior to forwarding applications to the screening committee. Human Resources staff members provide committee chairs with a variety of tools (e.g. checklist) to assist in appropriately guiding the chairperson and designated administrator through the entire process.

To assist in ensuring equal opportunity for certificated positions, each screening/selection committee designates a six member committee from which three come from the specific division/department/office and the other three members are from another area. Larger even-numbered committees may be approved by the EEO Officer when community membership on
the committee is solicited from representation base of Imperial Valley for certain positions (e.g. agriculture positions, music positions, management positions, etc.). The committee shall have an equal balance of both ethnic representation (majority and non-majority) and gender diversity (half women and half men) on each certificated and classified screening/selection. The Human Resource office will be developing draft procedures to form a pool of employees who want to volunteer to serve on a screening committees. Once a committee chair is determined by the area Vice President then members of the volunteer pool list will be asked if they want to participate and be assigned. The requirements for ethnic and gender representation remain and this pool should facilitate a larger percentage of employees participating in screening. The goal is to increase the employee knowledge level and trust in the process, while increasing the District’s legal posture when responding to any process complaints.

**EMPLOYEE, STUDENT AND PUBLIC SAFETY**

Student and staff safety is a high priority for the District. A Director of Evening College to oversee District operations during the evening hours is being recruited. In addition, the Thaw team recommended a Director of Campus Safety and Security to oversee the patrolling of District properties, manage the response to call for service including crimes in progress and reports of crimes or suspicious activities, enforce applicable laws on District premises, and administer other security operations and activities.

The Environmental Health and Safety Committee updated bylaws (Attachment C) and has several critical issues to consider including: on-site campus emergency booths (with direct lines to security, alarms, flashing lights, etc.), a preemptive plan for H1N1, and accident prevention that addresses reconstructed parking lots and a new building.

The District also implemented an Employee Assistance Plan (EAP) on August 1, 2009. This plan allows employees and their qualifying family members free access to a variety of mental health / counseling professionals. The EAP is a 24 hours a day/7 days a week program that also gives employees information and referrals to address legal, financial, and personal health issues. Administrators and Managers can also work with the Human Resources office to make mandatory EAP referrals under special circumstances where there is a belief that the employee may harm themselves or others.

**INTEGRATION OF TECHNOLOGY**

The use of technology and modernization of processes is necessary to increase efficiency and productivity. The Human Resources office, in partnership with the Business Office and the Information Systems department, are currently conducting a business process analysis (BPA). The goal is to identify the current processes and any rework or duplication associated with the processes. When deficiencies or duplicative efforts are identified then a recommendation to streamline will be made and include options for automation. The Human Resource office plans to launch a test group for an automated timesheet in early 2010. Besides recording time electronically, employees will be able to request time off and see their work hours and leave balances at anytime via the internet.

The Human Resources office is also absorbing the Benefits coordination from the Business office. An online self-service type of option is currently being developed with a scheduled launch happening in late 2009. This “Benefit Bridge” will allow employees 24 hour /7 days a week access to important benefit information, including: their current coverage, access to health-
related information and contacts, costs/expenditures, open enrollment periods, forms, and a variety of health/wellness related information.

**HUMAN CAPITAL: EMPLOYEE PROFESSIONAL DEVELOPMENT**

Although the budget may have never looked worse, the District plans to continue with a third year of a program that allows all employees to obtain professional development training for no cost. G.L.E.A.M. (Gaining Leadership Expertise, Aptitude, and Mentoring) is a program that exposes participants to a variety of community college and general leadership knowledge.

G.L.E.A.M. was created in 2007-2008 to help provide continuity in leadership and to avoid extended and costly vacancies in key positions. Besides monthly educational topics, mentoring partnerships, and an ability to present innovated projects to administration, G.L.E.A.M. is used to identify and prepare candidates for high-level management positions that will likely become vacant due to retirement, resignation, or new opportunities. With a growing number of administrators and managers becoming eligible for retirement, programs like G.L.E.A.M. are essential in proactively preparing staff to continue meeting the needs of the community. Graduates have been responsible for some extremely innovate program concept ideas, including: The Student Mental health Office, 1st S.T.E.P. parent orientation, Bike Patrol, a Financial Aid computer lab, Employee Zumba dance classes, Automation of student request forms, etc.

As part of IVC’s reorganization, the Technology Technician has been reassigned to the Human Resources office. A needs assessment survey and thorough review of the District’s strategic plan (goal #3) along with the technology training goals will be conducted. One example of how IVC has reexamined professional development is the use of Sexual Harassment and Discrimination Awareness training that non-supervisors can now attend on-line.

Finally, the District has joined a legal consortium which will be providing 5 days of training, within the county, for Administrators, Managers, and certain Confidential positions for no additional costs. Topics include: Privacy Issues in the Public Workplace, Performance Management, etc. (Attachment D).”

2. Approval of Administrative Procedure AP 4225 Course Repetition - Victor Jaime

“**AP 4225 Course Repetition**

*Reference:*

Title 5, Sections 55040, 55041, 55042, 55253, 55253, 56029; Education Code Section 76224

**SUBSTANDARD GRADES (D, F, NC, NP)**

Students who have earned one grade of D, F, NC, or NP may take the course one additional time and registration will be allowed automatically. No petitioning process is required.

- Grades earned for both attempts will remain on the student’s transcript.
- After the second grade is earned, the first grade will no longer be included in the cumulative GPA and will be annotated in the computer (Banner) with an “E” for excluded from the computation of the GPA.
- The second grade will be included in the calculation of the cumulative GPA.
Students who have earned two grades of D, F, NC, or NP in a course will be blocked from registering for the course again. Students may petition for permission to take the course again.

Students who have earned three grades of D, F, NC, or NP in a course may petition to take the course again due to extenuating circumstances up to a maximum of two times. Extenuating circumstances are verified cases of accidents, illness, or other circumstances beyond the control of the student.

All grades will be reflected on the student’s transcript with the most recent included in the calculation of the GPA.

**GRADES OF C OR HIGHER EARNED PREVIOUSLY**

Students will be blocked from registering for a course in which they have previously earned a grade of A, B, C, CR, or P.

Through the petitioning process, students may request consideration to be allowed to take the course one additional time under one of the following conditions:

1. Significant length of time has passed since the course was first taken (usually 5 years or more) and students can verify their need to take the course again for a specific purpose. Students will not automatically be granted permission to take the course again simply because five or more years have passed.

2. A policy requiring recency for a specific course as a prerequisite to another course or program (such as microbiology for the nursing program) has been established by the IVC or another institution of higher education to which the student seeks to transfer has established a recency requirement which the student will not be able to satisfy without repeating the course in question.

If the request is approved, additional credit will not be awarded and the highest grade earned will be included in the computation of the cumulative GPA. All grades will be reflected on the student’s transcript.

Students who have earned three grades of C or higher in a course may petition to take the course again due to extenuating circumstances up to a maximum of two times. Extenuating circumstances are verified cases of accidents, illness, or other circumstances beyond the control of the student.

**Repetition for Legally Mandated Training Requirement**

When students must repeat courses to meet a legally mandated training requirement as a condition of continued paid or volunteer employment, they may repeat the course without petitioning.

They will automatically be blocked from registration, however, and will need to complete a form requesting permission to repeat. The form is required in order to verify their need and to separate such requests from those for which the petitioning process is required.
After completing the form, a staff member in the Admissions and Records Office on main campus, or at one of the extended campuses, will register the student manually.

All grades will be reflected on the student’s transcript and included in the calculation of the GPA.

Apportionment may be claimed each time students need to repeat courses for this reason.

**Maximum Number of W Symbols** – See Administrative Procedure 5075 (Course Adds and Drops)

Students may not earn more than four symbols of W in any single course. They will be blocked from registering after three Ws have been earned and will be required to petition to take the course a fourth time. If they earn a fourth W, and have not earned three substandard grades in the course, through the petitioning process, they may be allowed to take it again. Apportionment will not be claimed for enrollments subsequent to the student having earned 4 Ws.

**Repeatable Courses** – See Administrative Procedure 4227 (Repeatable Courses)

Each time students repeat a repeatable course the grade or symbol will be included in the maximum number of times allowed for the course. If a student repeats a repeatable course in which a substandard grade has previously been earned, the previous grade and credit may be excluded from the computation of the GPA, but the repeat will count toward the number of times the student may take the course. No more than two substandard grades may be alleviated in this way.

If a significant lapse of time has occurred (usually 5 years or more), through the petitioning process students may be allowed to take a repeatable course one more time. Students will be required to verify their need to take the course again for a specific purpose. Permission will not be granted automatically simply because five or more years have passed.

If a repeat is permitted due to a significant lapse of time, each grade will be calculated in the GPA.

**Courses for Disabled Students** - See Administrative Procedure 4227 (Repeatable Courses)

**Work Experience** - See Administrative Procedure 4227 (Repeatable Courses)

**Variable Unit – Open Entry/Open Exit**

Students may enroll in such a course as many times as necessary to complete one time the entire curriculum of the course. They may repeat a portion of the curriculum to alleviate substandard work or may petition to take the course again due to extenuating circumstances of verified cases of accidents, illness, or other circumstances beyond the control of the student.

A maximum of two repeats will be allowed to alleviate substandard work. The previous grade earned will be replaced in the calculation of the GPA by the most recent grade earned.

A maximum of two repeats will be allowed for extenuating circumstances. The highest grade earned for the portion of the course repeated will be used in calculating the student’s GPA.
Students may petition to repeat a course of this type one time due to a significant lapse of time (usually 5 or more years). Students will be required to verify their need to take the course again for a specific purpose. Permission will not be granted automatically simply because five or more years have passed.

All grades will be reflected on the student’s transcript.”

3. Approval of BP 2000 Setting Policy - Vikki Carr

“BP 2000 Setting Policy

Reference:
Legal reference: Title 5 sections 51023.5-51023.7 and 53200-53204

The Imperial Community College District Board of Trustees believes that a major Trustee role is to set policy for the District. In setting policy, the Board wants to create and work within a participatory environment with respect for students and all employee groups.

For developing policies regarding the academic and professional matters numbered a, b, and c, the Board will consult collegially with the faculty by relying primarily on the advice and judgment of the Academic Senate (per previous agreement with the Senate).*

For developing policy regarding the other five academic and professional matters (d through j), the Board will consult with the faculty through the mutual agreement process previously agreed upon.

At Imperial Community College District, the mutual agreement process is the use of the shared governance structure consisting of councils, committees, and the Coordinating Board.

Further, representatives of staff and student groups are encouraged to work within the established processes to address the issues of the District.

The Board of Trustees values consensus building; however, it realizes its legal responsibility to make final decisions regarding policy.

Legal reference: Title 5 sections 51023.5-51023.7 and 53200-53204

*For the following items the Board of Trustees will rely primarily upon the advice of the Academic Senate:
 a. Curriculum, including establishing pre-requisites and placing courses within disciplines.
 b. Degree and Certificate requirements.
 c. Grading policies.

For the following items, the Board of Trustees will come to mutual agreement with the Academic Senate:
 d. Educational program development.
 e. Standard of policies regarding student preparation and success.
f. District and college governance structures, as related to faculty roles.
g. Faculty roles and development in accreditation processes.
h. Policies for faculty professional development activities.
i. Processes for program review.
j. Processes for institutional planning and budget development.”

The term of office of each trustee shall be four years, commencing at the first Board
meeting in December following the general election in November.

Elections shall be held every two years, in odd numbered years. Terms of trustees are staggered so that, as nearly as practical, one half of the trustees shall be elected at each trustee election.

The election of a Board member residing in and registered to vote in the trustee areas he or she seeks to represent shall be by the registered voters of the entire community college District.

The Superintendent/President CEO shall submit recommendations to the Board regarding adjustments to be made to the boundaries of each trustee area, if any adjustment is necessary, after each decennial federal census. The Superintendent/President CEO shall submit the recommendation in time for the Board to act as required by law. (Education Code Section 5019.5)

The Board of Trustees has provided for the election of Trustees by Trustee areas as follows:

Area 1  Calexico
Area 2  El Centro
Area 3  Imperial
Area 4  Brawley
Area 5  Holtville
Area 6  Calipatria
Area 7  San Pasqual

Motion carried.

9. Approval of BP 2110 Vacancies on the Board - Vikki Carr

“BP 2110 Vacancies on the Board

Reference:
Education Code Sections 5090, et seq., Government Code 1770 (Old BP 1.6.2)

Vacancies on the Board may be caused by any of the events specified in Government Code Section 1770 or any applicable provision in the Elections Code, or by a failure to elect.

Resignations from the Board shall be governed by Education Code 5090.

Within sixty (60) days of the vacancy or filing of a deferred resignation, the Board shall either order an election or make a provisional appointment to fill the vacancy.

If an election is ordered, it shall be held on the next regular election date not less than 130 days after the occurrence of the vacancy.

If a provisional appointment is made, it shall be subject to the conditions in Education Code 5091. The person appointed to the position shall hold office only until the next regularly scheduled election for District governing Board members, when the election shall be held to fill the vacancy for the remainder of the unexpired term.

The provisional appointment will be made by a majority public vote of the Board members at a public meeting.

The Superintendent/President CEO shall establish administrative procedures to solicit applications that assure ample publicity to and information for prospective candidates.

The Board will determine the schedule and appointment process, which may include interviews at a public meeting.”

Motion carried.
