MLA (Modern Language Association) Paper Format

First Page:

- In the upper left-hand corner of the first page, list your name, your instructor's name, the course, and the date. Be sure to use double-spaces.
- Double space again and center the title. *Do not underline your title* or put it in quotation marks; write the title in Title Case, not all in capital letters.
- Use quotation marks and underline or italics when referring to other works in your title, just as you would within your text, e.g.,
  - *Fear and Loathing in Las Vegas* as Morality Play
  - Human Weariness in "After Apple Picking"
- Double space between the title and the first line of the text.
- Create a header in the upper right-hand corner that includes your last name, followed by a space with a page number; number all pages consecutively with Arabic numerals (1, 2, 3, 4, etc.), one-half inch from the top and flush with the right margin. (Note: Your instructor or other readers may ask that you omit last name/page number header on your first page. Always follow their guidelines.)
