1. SB 1440 and Institutional Requirements under General Education:

He stated that he would like to discuss this issue with the department and make a recommendation to take back to the Curriculum Committee.

Dave asked the faculty if they felt that HE 102 and PE 100 should fall under Section D or E of the graduation requirements. The faculty members discussed this issue in great detail.

Sidne Horton suggested that the department needed to emphasize to the committee that our programs are of great benefit to the local community. She stated that she would draft a fact sheet and have it available for Dave to distribute at the Curriculum meeting.

The faculty suggested that Dave discuss with the committee the importance of not changing the graduation requirements.

Dave stated that he would like several faculty members to join him at the next Curriculum Committee meeting to answer questions and concerns that the committee may have on this issue.
