Agenda

- 1- Check SLO on curricUNET for accuracy. As a group, we went through all the SLOs on curricUNET. There was much discussion on the topic of the wording of some of the SLOs as they sound more like course objectives. While no changes to the wording was decided upon, it is a topic the faculty would like to revisit. In reviewing the SLOs, it was found that the SLOs for ESL 25 were not correct (Ed Schuerelle).
- 2- Check assessment tools for consistency with SLO. Josefina Ponce noted that the SLO assessment for ESL 002 SLO #2 was not consistent with the SLO and so the assessment will need to be redone.
