LAUNCH PAD

Your quick-start guide to choosing a path,
applying, and becoming an IVC Desert Warrior.

WELCOME TO IVC

Find Your Why

"Your path doesn't have to look like anyone else's. It only has to move you forward."

College is more than choosing classes; it's a chance to discover what motivates you, build skills for the future, and connect with people who believe in your potential. At IVC, you can begin close to home while preparing to **transfer, enter a career, earn a degree or certificate**, or strengthen skills for your next step. Explore. Ask questions. Try something new — your story starts here.
