Senator Villa attended the Facilities and Environmental Improvement Committee meeting last week. The FEIC and the Environmental Health & Safety Committees are consolidated and becoming one single committee. Both committee deals with the same issues and felt that it would make sense to combine them. Senator Villa emailed his report to all the Senators. The committee discussed the lack of space in the restrooms for personal items. The district does not have the funds to cover such expense for restroom shelves. ASG will be taking this item to the Finance Committee for further discussion. An evacuation drill for a Bomb Threat is being planned for October.
