PUBLIC COMMENT

CTA President Suzanne Gretz spoke and stated the following, "Members of the Board, You have before you tonight the resolution #14346 Recommending moving from County-wide Elections to District-wide Elections. As the president of IVC CCA/CTA/NEA, as a history department faculty member, and as a tax-payer and voter in Imperial County, I urge you to vote against or table the resolution.

While I believe that district-by-district elections are in principle a good idea, I believe that this resolution, as it is currently written, could potentially place the district in violation of state and federal voting rights legislation. I encourage you to allow further review by legal counsel of applicable provisions of California and Federal laws and regulations before moving forward with changes to electoral procedures. I believe that our Board of Trustee districts, as they currently stand, would be in violation of California Education Code, California Elections Code, the California State Constitution and the United States Constitution, particularly the equal protection clause of the 14th Amendment. The districts would be in violation of all of these because the district boundaries are not based upon population, as is required by law. The US Supreme Court's 1964 decision in the landmark case of Reynolds v. Sims ruled that electoral districts must be apportioned based upon population. Chief Justice Earl Warren said it best in his written opinion for the majority, so please indulge me as I read his words:

To the extent that a citizen's right to vote is debased, he is that much less a citizen. The fact that an individual lives here or there is not a legitimate reason for overweighting or diluting the efficacy of his vote. The complexions of societies and civilizations change, often with amazing rapidity. A nation once primarily rural in character becomes predominantly urban. Representation schemes once fair and equitable become archaic and outdated. But the basic principle of representative government remains, and must remain unchanged – the weight of a citizen's vote cannot be made to depend on where he lives. Population is, of necessity, the starting point for consideration and the controlling criterion for judgment in legislative apportionment controversies. A citizen, a qualified voter, is no more nor no less so because he lives in the city or on the farm. This is the clear and strong command of our Constitution's Equal Protections Clause.... The Equal Protection Clause demands no less than substantially equal state legislative representation for all citizens, of all places as well as of all races. [377 U.S. 533]

The Imperial Valley College Board of Trustee districts are drawn based not on population but upon high school districts. While this may have been an equitable districting scheme when the college was founded, times and the County have changed and it is no longer so. The number of registered voters per district is widely disparate. The most populous District, Area #2 has 19,935 registered voters. The least populous District, Area #7 has only 1067 registered voters. *[She stated she received the information from Dolores Provencio, Imperial County Registrar of Voters and passed out the information].* Therefore, I urge you to vote against this resolution. Please return to your legal counsel for advice and devise a plan that will bring the District into compliance with federal and state voting rights legislation. Thank you.”

Edie Harmon from Ocotillo asked that the Board consider asking Wind Zero to remove IVC's logo from its website. She had information regarding Wind Zero for any Trustee interested. Trustee Galindo requested the information be sent to her.

Dean of Instruction Frank Rapp spoke and praised Angie Ruiz from the Business Division on her presentation on how she is using Student Learning Outcomes (SLOs) in her class. He stated she is an extremely hard worker and commented her master's degree is in ESL which is a bridge between business and ESL. He stated that she does tremendous work for the students.

WRITTEN COMMUNICATION

Board President Acuña announced that the Board received sixteen written communications.

INFORMATION REPORTS

Employee of the Month (May 2009)

Associate Dean of Human Resources Gregory announced Student Services Assistant Miriam Trejo as the May Employee of the Month. He stated some of the nominations noted Miriam's ability to handle emergencies.

Miriam thanked her crew and stated she could not do her job without them.

Student Learning Outcomes (SLOs) Update – Dr. Toni Pfister, SLO Coordinator

President Gould stated that there was a presentation by Dr. Pfister on May 19th and the District is moving forward with 86% completion of SLOs.

Dr. Toni Pfister presented a PowerPoint on *Student Learning Outcomes & The Assessment Cycle*. She stated that the Student Learning Outcomes (SLOs) were a work in progress. She discussed the efforts she has made for the school year 2008-2009 and the improvement plans for 2009-2010. She stated that SLOs are identified for 83% of courses and she commended faculty for the work they had done. She presented the rubric for evaluating institutional effectiveness which consists of the following:

- Level 1 "Awareness"
- Level 2 "Development"
- Level 3 "Proficiency"
- Level 4 "Sustainable Continuous"

Trustee Galindo asked how she planned to promote involvement of part time faculty. Dr. Pfister stated that part time faculty were invited to come to a workshop or write their SLOs and receive payment for the work.

Trustee Acuña asked the reasons non instructional staff would be involved in Student Learning Outcomes. Dr. Pfister stated that the name could be changed to reflect a broader name but stated that the focus is still on education. Associate Dean Gregory gave an example of his department's SLOs.

Trustee Medina asked for the timeframe to reach Level 4. Dr. Pfister stated that the Level 3 timeframe is set for 2012. Trustee Medina asked if there was a level recommended by the Accreditation Commission that IVC should be at before the next visit. President Gould stated IVC was at the appropriate level, Level 2.

Board President Acuña asked how the Trustees could help. Dr. Pfister stated it would be helpful if the Board could write their own SLO.

Board Member Reports

Trustee Hart reported the following:

- Attended the conference in Sonoma. Announced the CCCT members and reported he was not elected. He thanked the members for their support on his nomination. He stated the main topic at the conference was the instability of budget. He stated that most people realize that the propositions were hopeful of their passage but will now wait to hear the effects on our District.

Board President Acuña reported the following:

- Traveled to Washington, D.C. to meet with different representatives. He stated there was a positive discussion regarding the amount of money that is available in the amount of \$500

million. He stated that through President Obama's administration, green projects would be funded. He stated that as the different representatives discussed grants, the targeted areas appeared to be describing Imperial Valley.

Trustee Galindo reported the following:

- Attended the Greening Energy Summit and stated it was exceptionally well planned event where issues are addressed on a round table basis. She stated she came away with the general consensus is that Imperial County is going to be the green energy capitol of the world. She stated that the workforce needs to be highly educated. She stated that representatives from the summit stated they would like to see the college gear itself towards the professional and certificate programs. She urges the college to continue with the articulation process.
- Reported that when IVC starts to provide the sound training and program, IVC will see prospective employers for the college and the foundation. She stated this is a key element.
- Publicly thanked Cardenas Market for providing \$45,000 in scholarship monies over three years to IVC.

Associated Student Government Senate Update – Chantilee Mendenhall

ASG President Mendenhall reported the following:

- Announced ASG presidential and senator elections are taking place.
- Introduced Steven Sciaky as the new ASG President and Myra Martinez as a new senator.
- Announced there was a good turnout for the ASG presidential debate with over 300 people.
- Announced that today was "Life's a Beach" and there were fun activities.
- Announced the Spring Awards would take place on June 5th at the Old Eucalyptus and invited the Trustees to attend.
- Announced it was her last meeting and stated it was a pleasure to work with everyone.

Trustee Galindo thanked her for the work and growth she had achieved over the year and stated she was proud of her.

Academic Senate Update – Dr. Bruce Seivertson

Academic Senate Secretary Dr. Bruce Seivertson reported the following:

- Attended the Plenary Session in San Francisco and stated the most important session was on online books and the cost of books. He distributed a website link.
- Reported that the Academic Senate Scholarship Fundraiser was held on April 30th, at Dr. Victor Jaime's house and stated that was incredibly generous of him. He stated last year was successful with \$3,000 raised and stated this year, \$4,000 was raised.
- Passed out a new Senate Rostrum (Academic Senate for California Community Colleges Newsletter).

College Council Update – Dr. Michael Heumann

College Council Chair Heumann reported the following:

- Reported this was his first Board meeting as College Council chair.
- Commented that Edie Harmon brought up some questions at the Academic Senate and were answered by President Gould.

- Received an update on Course Schedules and stated the schedules were being distributed differently and stated that Council did not see a problem. He stated he appreciated the cost savings to the college with the new schedule distribution.
- Announced the Council approved the new Computer Network Policy.
- Announced the appointment of the new Vice Chair as Jessica Waddell.
- Announced the Vice Presidents gave Council presentations on reorganizations.

President's Update – Dr. Ed Gould

President Gould reported the following:

- Thanked Chantilee Mendenhall for her work and stated she had done a great job as ASG President.
- Commented to newly elected ASG President Sciaky and Senator Martinez that IVC was for the students.
- Introduced Martha O. Garcia as a doctoral student at San Diego State University. He stated she is currently an Assessment Counselor for CalWORKs.

Martha Garcia thanked President Gould for the recognition. She stated that she was selected for a fellowship in Washington D.C. to seek funding sources for IVC. She stated her dissertation is on Spanish speaking adult learners and how she could help them.

President Gould presented a PowerPoint presentation and reported the following:

- Commented on Resolution No. 14346, recommending moving from county-wide Elections to District-wide Elections. He recommended a no vote or tabling the item stating that in working with Brent Watson of the Imperial County Office of Education and legal counsel there have been recent findings on the procedures for redistricting which would require new district boundaries. He stated that the District should wait until there is a better plan.
- Discussed the impact of the failure to pass the propositions. He discussed the proposed state budget and IVC. He reviewed the apportionments and categorical cuts proposed stating there was an almost \$1 billion impact. He reviewed the State Chancellor's Advice which recommended reducing course sections for the next year; and in most cases, not replacing resignations or retirements; and reduce administrative costs by having fewer administrators oversee larger areas. He discussed the consequences of not having a balanced budget.

Trustee Galindo stated that last year the District had an 18% reserve and asked how it was reduced. She stated she would like to see the amount of money totaling the administrative salaries and positions.

- Presented an overview of the Washington, D.C. trip and the follow up activities. He stated the group met with the Department of Education, Department of Labor, National Science Foundation, Senators Feinstein and Boxer's staff, and Congressman Filner and staff. He stated there are two teams already formed to go through National Science Foundation (NSF) Funding Team and the DOL Funding Team.
- Reviewed the results of the CCCT Elections. He stated there were no local or regional candidates that received enough votes to be seated on the CCCT Board of Directors.
- Announced he held a Town Hall meeting on May 19th and the meeting served to clarify issues, dispel rumors, and had a frank talk about the budget that included reorganizations. He stated that any reorganization that would take place would be cost neutral or with cost savings in order to move forward. He discussed accreditation, a CSEA memo that had circulated, and clarified First Amendment Rights versus IVC's Policy.

- Announced he was elected as the SDICCCA President for 2009-2010.
- Announced he was elected as Vice President for the Brawley Chamber of Commerce.
- Announced commencement is Saturday, June 13, 2009, and stated that everyone needs to remember the reason everyone is here – the students.

Trustee Ramirez stated to keep in mind that every school district is going through similar financial situations and possible layoffs and this has affected a lot of people. She stated this is statewide, county-wide issue, and is a learning experience and the District as a whole needs to think outside the box.

DISCUSSION

M/S/C Ramirez/Medina to discuss the item.

M/S/C Cardenas moved to TABLE. The item was TABLED unanimously.

Resolution No. 14346: Recommending moving from County-wide Elections to District-wide Elections

Discussion

Legal Counsel Oswalt spoke and commended CTA President Suzanne Gretz for her work on the redistricting issues. He stated that if IVC would move forward with the resolution it would clearly violate the rights of people to vote, stating it would not meet the one man, one vote criterion. He stated the district would have to hire a demographer to redraw the geographic boundaries so that there are seven districts with roughly the same amount of population. He further stated that the District should expect to spend millions on lawsuits that would arise from this resolution. He stated that as a single member district there would have to have boundaries redrawn every 10 years when there is a census. He stated that he has spoken to others familiar with this issue and they have learned that single member districts are not less expensive and there are fewer turnovers.

Legal Counsel recommended TABLING this item.

Trustee Ramirez stated the intent was to save money if the District went to single member election.

Trustee Galindo stated that given the financial situation the District is in, along with the ultimate cost of moving on with this, she would not want to move forward with this resolution.

Trustee Cardenas moved to table.

Resolution

WHEREAS, the Board of Trustees of the Imperial Community College District within the County of Imperial, is authorized to order elections within the District and to designate the specifications thereof, pursuant to Sections 5304 and 5322 of the Education Code of the State of California; and

WHEREAS Section 89925 of the Education Code on Election of Officers and Board Members states in part, "Each auxiliary organization shall establish, by constitution, statute, bylaws, or resolution, provisions for elections of officers and board members"; and

WHEREAS, prospective Board Members bear the expenses of elections, and those expenses are higher for County-wide elections versus District-wide elections;

WHEREAS, the Board of Trustees, represent a school district and not the county; and

WHEREAS, the Governing Board of the Imperial Community College District desires to make every effort within its power to increase participation in elections for Board Members, and it wishes to reduce expenses whenever possible; and

WHEREAS, the Governing Board of Imperial Community College District request that the School Board of Education waive the requirement that an election be held to establish the trustee areas;

NOW, THEREFORE, BE IT RESOLVED that the Governing Board of the Imperial Community College District requests that the Imperial County Board of Supervisors move all future elections for Imperial Community College District Board Members from County-wide to District-wide elections, beginning on November 3, 2009, or any approved future date.

**M/S/C Cardenas/Medina
Resolution No. 14352: Redeposit Payroll – Internal Revenue Code (IRC) Section 414(h)(2)**

Discussion

Board President Acuña asked what the implications of the resolution were.

CTA President Gretz spoke and stated this is mandated by STRS. She stated this is normally for people that want additional buy in. She stated it was standard broiler plate language for approval.

Resolution

WHEREAS, the following resolution reaffirms section 21.9 Additional Voluntary Receivable Payments to CalSTRS of the Agreement between the Imperial Community College District and the Imperial Valley College Chapter of the Community College Association/ California Teachers Association/ National Education Association for Academic Years 2007-2010 dated June 4, 2007; and

WHEREAS, Internal Revenue Code (IRC) Section 414(h)(2) permits employer "pickup" of the employee portion of contribution to a retirement plan, thereby resulting in tax deferral of employee contributions; and

WHEREAS, under the California State Teachers' Retirement System (STRS) plan conditions, members may be allowed to redeposit contributions previously withdrawn plus interest and/or purchase permissive service credit;

NOW THEREFORE, BE IT RESOLVED, that in order to permit tax deferral for these additional amounts, an employee shall enter into a binding irrevocable payroll deduction authorization and such employee shall not have the option of choosing to receive the amounts directly instead of having them paid by the employer to STRS;

BE IT FURTHER RESOLVED, that additional amounts herein specific, through payroll deduction from salary, are designated as being picked up by the employer and paid by the employer in accordance with STRS retirement plan requirements.

M/S/C Galindo/Cardenas

Resolution No. 14353: Notice of Completion for Primary Electrical Service

WHEREAS a contract was awarded on January 21, 2009 to Tom Watson, Inc. for Primary Electrical Service project in the amount of \$269,483; and

WHEREAS the work has been completed;

NOW, THEREFORE, BE IT RESOLVED that the Board directs the Vice President for Business Services to file a Notice of Completion for the Fire Alarm System Improvements project with the County Recorder's Office, with a completion date of May 20, 2009.

M/S/C Ramirez/Cardenas to recommend Executive Landscape for the landscaping and Shelburne Services Inc. for the final clean up.

Resolution No. 14354: Award of Bids

WHEREAS, the District has advertised for bids and a bid opening was held on May 7, 2009 for the following projects:

Landscaping – Science Building
Final Clean up – Science Building

WHEREAS, in accordance with the provisions of California Business and Professions Code Section 7028.15 and Public Contract Code Section 3300, the District requires that the bidder possess applicable classification(s) of contractor's license(s) at the time the bid is submitted. Any bidder not so licensed at the time of the bid opening will be rejected as non-responsive; and

WHEREAS, there will be one base bid on each bid package and all work in the base bid must be completed within the time specified on the Notice to Proceed issued by the District. Failure to complete the work within the time specified will result in the imposition of liquidated damages for each day of delay, in the amount set forth in the bid documents.

WHEREAS, the District reserves the right to reject any or all bids or to waive any irregularities or informalities in any bids or in the bidding process.

NOW, THEREFORE, BE IT RESOLVED, that the following contracts be awarded, per the plans and specifications:

Bid Package Title	Contract Awarded to:	Contract Amount:
Landscaping – Science Building	Executive Landscape, Inc., El Centro, CA	\$557,712.00
Final Clean up – Science Building	Shelburne Services, Inc., El Centro, CA	\$ 84,477.00

BE IT FURTHER RESOLVED, that the Superintendent/President and/or the Vice President for Business Services be authorized to sign all notices, contracts, change-orders, and other necessary documents related to these contracts on behalf of the District.

Fiscal Impact: All contracts to be paid from Measure L Bond Funds

**M/S/C Galindo/Cardenas
Resolution No. 14355: Citizens Oversight Committee for Measure L**

BE IT RESOLVED that upon the recommendation of the Superintendent/President, the Board appoints the following member to the Citizens Oversight Committee for Measure L:

Name:	Membership category:	Term:	Replacing:
Anne J. Mallory	<i>Member at-large (Deputy Superintendent, Imperial County Office of Education)</i>	July 1, 2009 – December 31, 2010	John Anderson

Be it further resolved that the Board expresses its thanks to John Anderson for his service to the District as a member of the Citizens Oversight Committee for Measure L.

**M/S/C Cardenas/Hart
Resolution No. 14356: Day Pass Fee**

Discussion

Board President Acuña asked if there is evidence that a semester pass would reduce congestion.

President Gould stated there is a traffic congestion to the point where the District has to shut off left turns because of the backup caused by the day pass machines. He stated the purpose was to encourage the purchase of semester passes. He stated that the District is not recommending an increase on semester passes.

Associate Dean of Human Resources Gregory stated that with a semester pass, the District has information on the vehicle that would otherwise not occur with a day pass. He stated the information is helpful when there is an emergency, towing, or accident.

Trustee Medina asked that records be kept for future use and review and so there would be statistics to compare to in the future.

President Gould stated that every car receives a warning for the first offense. He stated the decision to do one-time warnings reduced the fine/citation budget by half.

Resolution

WHEREAS currently the cost of a day pass for parking is \$1.00 and that fee has not been increased within the past 15 years;

WHEREAS day pass fees range from \$2.00 to \$5.00 at other community colleges in the San Diego area;

WHEREAS students who purchase day passes are not required to provide vehicle or contact information; and

WHEREAS in cases of emergency (i.e. vehicle fire, hit and run), the Parking Control Office is unable to locate the owner of a vehicle if the vehicle has a day pass instead of a semester parking permit; and

WHEREAS increasing the day pass fees from \$1.00 to \$2.00 would encourage students to purchase semester parking permits and decrease congestion in the parking lots due to the reduced number of student purchasing day passes.

WHEREAS the Student Affairs Committee at its May 4, 2009 meeting supported the proposed increase.

NOW, THEREFORE BE IT RESOLVED that the Board approves increasing the cost of day parking passes from \$1.00 to \$2.00 effective Summer 2009 semester.

M/S/C Galindo/Cardenas

Resolution No. 14357: Certificated 2+2 Retirement Incentive

BE IT RESOLVED that the Board accepts the Notices of Intent to Retire received from the following certificated employees in accordance with Resolution 13168 (filed between January 10 and March 10, 2009), and retiring within the window period established in Resolution No. 13168 (May 10 – August 31, 2009):

	<u>Retirement Date</u>
Dr. Dennis W. Carnes	End of Spring 2009 semester
Dr. Fred H. Fischer	End of Spring 2009 semester
Armand Orensztein	End of Spring 2009 semester

BE IT FURTHER RESOLVED that the Board directs the District to file the appropriate paperwork with STRS and the State Chancellor's Office for participation in the 2+2 Retirement Incentive Program.

BE IT FURTHER RESOLVED that for those members ages 63 and older, or ages 61.5 and older with 30 or more years of service, no additional years will be added to their age factor because those members have reached the maximum age factor per STRS regulations.

M/S/C Galindo/Cardenas

Resolution No. 14358: Acceptance of Donation

BE IT RESOLVED that the Board of Trustees accepts the art piece created by Refugio Bravo of El Centro and donated to the Science Department; and

BE IT FURTHER RESOLVED that thanks be hereby extended to Refugio Bravo for his generosity and contribution to Imperial Community College District.

Resolution No. 14380: Board Policy Revision of BP 3720 – Computer and Network Use Policy**

Discussion

Trustee Galindo commented on several grammar and sentence terms used throughout the policy. She stated some were confusing and she was unsure as to the context of others and felt that some of the excessive terms seemed arbitrary.

Associate Dean for Human Resources Gregory stated this is a standard guide and helps employees give them a realistic idea of how the District’s network should be used.

Board President Acuña asked what the policy accomplishes.

Associate Dean for Human Resources Gregory stated that in some cases of pirating, and doing non District work, this policy would give a better guideline and helps define the personal use of a District owned computer.

President Gould would recommend that this be tabled to the next meeting and get the clarifications out.

Resolution

WHEREAS, The College recognizes the need to effectively use computer technology to further enhance the educational goals of the District.

WHEREAS, the purpose of this policy is to ensure that all computer and network resources are used in a responsible, effective, ethical, and lawful manner. Users are expected to learn and follow established standards of conduct and responsible behavior in their use of computer resources.

WHEREAS, use of the District's computers and access to the network is a privilege; a user who is found to have violated any of the procedures outlined on this policy may lose his/her access and may be subject to disciplinary action.

NOW, THEREFORE, BE IT RESOLVED that the Board approves the recommendation of the Technology Committee (2-19-09) and College Council (5-11-09), with the consent of the Superintendent/President to amend the *District Board Policy 3720 Computer and Network Use* effective June 1, 2009 as follows:

BP 3720 Computer and Network Use

Reference:

17 U.S.C. Section 101 et seq.; Penal Code Section 502, Cal. Const., Art. 1 Section 1; Government Code Section 3543.1(b) ; Federal Rules of Civil Procedure, Rules 16, 26, 33, 34, 37, 45

The District Computer and Network systems are the sole property of Imperial Valley College (the district). They may not be used by any person without the proper authorization of the District. The Computer and Network systems are for District instructional and work related purposes only.

This procedure applies to all District students, faculty and staff and to others granted use of District information resources. This procedure refers to all District information resources whether individually controlled or shared, stand-alone or networked. It applies to all computer and computer communication facilities owned, leased, operated, or contracted by the District. This includes personal computers, workstations, mainframes, minicomputers, and associated peripherals, software and information resources, regardless of whether used for administration, research, teaching or other purposes.

Conditions of Use. Individual units within the District may define additional conditions of use for information resources under their control. These statements must be consistent with this overall procedure but may provide additional detail, guidelines and/or restrictions.

Legal Process. This procedure exists within the framework of the District Board Policy and state and federal laws. A user of District information resources who is found to have violated any of these policies will be subject to disciplinary action as provided in relevant employment agreements.

Copyrights and Licenses. Computer users must respect copyrights and licenses to software and other on-line information.

Copying - Software protected by copyright may not be copied except as expressly permitted by the owner of the copyright or otherwise permitted by copyright law. Protected software may not be copied into, from, or by any District facility or system, except pursuant to a valid license or as otherwise permitted by copyright law.

Number of Simultaneous Users - The number and distribution of copies must be handled in such a way that the number of simultaneous users in a department does not exceed the number of original copies purchased by that department, unless otherwise stipulated in the purchase contract.

Copyrights - In addition to software, all other copyrighted information (text, images, icons, programs, etc.) retrieved from computer or network resources must be used in conformance with applicable copyright and other law. Copied material must be properly attributed. Plagiarism of computer information is prohibited in the same way that plagiarism of any other protected work is prohibited.

Integrity of Information Resources. Computer users must respect the integrity of computer-based information resources.

Modification or Removal of Equipment - Computer users must not attempt to modify or remove computer equipment, software, or peripherals that are owned by others without proper authorization.

Unauthorized Use - Computer users must not interfere with others access and use of the District computers. This includes but is not limited to: the sending of chain letters or excessive messages, either locally or off-campus; printing excess copies of documents, files, data, or programs, beyond those needed to perform the work of the District, running grossly inefficient programs when efficient alternatives have been provided by the District; unauthorized modification of system facilities, operating systems, or disk partitions; attempting to crash or tie up a District computer or network; and damaging or vandalizing District computing facilities, equipment, software or computer files.

Unauthorized Programs - Computer users must not intentionally develop or use programs which disrupt other computer users or which access private or restricted portions of the system, or which damage the software or hardware components of the system. Computer users should take appropriate, reasonable measures to ensure that they do not use programs or utilities that interfere with other computer users or that modify normally protected or restricted portions of the system or user accounts. The intentional, malicious use of any unauthorized or destructive program will result in disciplinary action as provided in relevant employment agreements, and may further lead to civil or criminal legal proceedings.

Unauthorized Access. Computer users must not seek to gain unauthorized access to information resources and must not assist any other persons to gain unauthorized access.

Abuse of Computing Privileges - Users of District information resources must not access computers, computer software, computer data or information, or networks without proper authorization, or intentionally enable others to do so. For example, abuse of the networks to which the District belongs or the computers at other sites connected to those networks will be treated as an abuse of District computing privileges. Users who abuse these privileges and/or these procedures may lose their access and be subject to disciplinary action.

Reporting Problems - Any defects discovered in system accounting or system security must be reported promptly to the appropriate system administrator so that steps can be taken to investigate and solve the problem.

Password Protection - A computer user who has been authorized to use a password-protected account may be subject to both civil and criminal liability if the user discloses the password or otherwise makes the account available to others whom the computer user knew or reasonably should have known intend to use this information for fraudulent, malicious or illegal purposes.

Usage. Computer users must respect the rights of other computer users. Attempts to circumvent these mechanisms in order to gain unauthorized access to the system or to another person's information are a violation of District procedure and may violate applicable law.

Unlawful Messages - Users may not use electronic communication facilities to send defamatory, fraudulent, harassing, obscene, threatening, or other messages that violate applicable federal, state or other law or District policy, or which constitute the unauthorized release of confidential information.

Information Belonging to Others - Users must not intentionally seek or provide information on, obtain copies of, or modify data files, programs, or passwords belonging to other users, without the permission of those other users.

Rights of Individuals - Users must not release any individual's (student, faculty, and staff) personal information except in the circumstances allowed under law or contract.

User identification - Users shall not send communications or messages anonymously or without accurately identifying the originating account or station.

Political, Personal and Commercial Use - The District is a non-profit, tax-exempt organization and, as such, is subject to specific federal, state and local laws regarding sources of income, political activities, use of property and similar matters.

Political Use - District information resources must not be used for partisan political activities where prohibited by federal, state or other applicable laws.

Personal Use - District information resources should not be used for personal activities that interfere in any way with the use of District information resources for official district business.

Commercial Use – Electronic communication facilities may not be used to transmit commercial advertisements, solicitations, or promotions; with the exception that commercial activities that are for the exclusive and sole benefit of the District, officially sanctioned student groups or clubs, or the Imperial Valley College Foundation are allowed. Further, District employees may use the District intranet to transmit to other District employees materials of a commercial nature as long as those employees have expressed a direct interest in said materials and as long as transmission of said materials does not interfere in any way with the use of District information resources for official District business. Users also are reminded that the “.cc” and “.edu” domains on the Internet have rules restricting or prohibiting commercial use, and users may not conduct activities not appropriate within those domains.

Nondiscrimination. All users have the right to be free from any conduct connected with the use of the Imperial Valley College network and computer resources which discriminates against any person on the basis of national origin, religion, age, sex (gender), race, color, medical condition, ancestry, sexual orientation, marital status, gender preference, physical or mental disability, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics. No user shall use the District network and computer resources to transmit any message, create any communication of any kind, or store information which violates any District procedure regarding discrimination or harassment, or which is legally defined as defamatory or obscene, or which constitutes the unauthorized release of confidential information.

Disclosure

No Expectation of Privacy - The District reserves the right to monitor all use of the District network and computer to assure compliance with these policies. Users should be aware that they have no expectation of privacy in the use of the District network and computer resources. The District will exercise this right only for legitimate District purposes, including but not limited to ensuring compliance with this procedure and the integrity and security of the system.

Possibility of Disclosure - Users must be aware of the possibility of unintended disclosure of communications.

Retrieval - It is possible for information entered on or transmitted via computer and communications systems to be retrieved, even if a user has deleted such information.

Public Records - The California Public Records Act (Government Code Sections 6250 *et seq.*) includes computer transmissions in the definition of “public record” and nonexempt communications made on the District network and computer must be disclosed if requested by a member of the public.

Litigation - Computer transmissions and electronically stored information may be discoverable in litigation.

Overtime

Prior approval required. The Fair Labor Standards Act (FLSA) requires that each employee be paid appropriately for eligible overtime hours worked. These provisions do not apply to employees who are exempt from overtime compensation.

1. No time spent in any activity on the District's Electronic Communications Resources for the benefit of the District may be done outside of the employee's scheduled work hours without advance approval from their supervisor. In an emergency, employees may perform the work but must notify the supervisor as soon as possible and by the end of that same day. If the supervisor denies a request to work overtime then the employee must obey that directive.
2. All time spent outside of the employee's scheduled hours must be reported on the District's time reporting form so that they are paid appropriately. Employees may not choose to work and not request compensation. All legitimate overtime must be compensated.

Dissemination and User Acknowledgment

All users shall be provided copies of these procedures and be directed to familiarize themselves with them. A signed copy of the acknowledgement and agreement will be placed in all employee personnel files.

Resolution No. 14381: Amendment to Resolution No. 14325 Grant Another Designated Period for Two Years Additional Service Credit

WHEREAS, Imperial Community College District, under a contract administrated by Imperial County Schools, participates in the Public Employees' Retirement System, and

WHEREAS, Imperial Community College District desires to provide a designated period for Two Years Additional Service Credit, Section 20904, based on the contract amendment included in said contract which provided for Section 20904, Two Years Additional Service Credit, for eligible miscellaneous members;

NOW, THEREFORE, BE IT RESOLVED, that Imperial Community College District does seek to add a designated period, and does hereby authorize this Resolution, indicating a desire to add a designated period from May 12 19, 2009 through October 1, 2009 for miscellaneous members eligible to retire in the Imperial Community College District.

Resolution No. 14382: Memorandum of Understanding with CSEA, Chapter 472 Regarding Summer Schedule 2009

Discussion

President Gould stated that there would be a savings of about \$200,000 in the summer by closing the campus on Fridays.

Trustee Galindo asked if this MOU included the daycare. Associate Dean of Human Resources Gregory stated that the daycare, due to contractual obligations, would remain open and would be the only building open.

Resolution

BE IT RESOLVED that the Board approves entering into the following Memorandum of Understanding (MOU):

As a part of a district-wide effort to conserve resources and to provide unit members with a flexible workweek and lengthened weekends, Administration will consider CSEA unit members requests for summer schedule modifications between June 22, 2009 and August 14, 2009 under the following conditions:

- a. The campus facilities (including extended campus locations) will be closed on Fridays. Vice Presidents will monitor and determine hours of operation deemed necessary to effectively serve the public and/or students during the summer work weeks.
- b. Unit members who request to work more than eight hours per day(that is, not use any leave time) must make a written request to the area administrator for consideration *before* the requested modification may commence(sample form attached). If approved, the administrator will forward the document to the human resources office. Unit members shall have one opportunity during the summer to request a single change to the selected schedule.
- c. Unit members who do not have enough time on the books and don't want to work 10 hour days, or those who do not want to use their leave, will be compensated only for hours actually worked (a.k.a. docked for hours less than their normal contract).
- d. Schedules are not to exceed 10 hours per workday. Unit members voluntarily agree to waive daily overtime compensation amounts for schedules that they work in excess of 8 hours during this period. For example, a regular, full-time employee who requests and is approved to work Monday through Thursday will work four 10 hour days for a total of 40 hours of straight pay. Additionally, there will be no differential pay for classified employees whose normal workday is extended past 5:00 p.m. due to the increase in workday hours.
- e. For any workweek containing a holiday (i.e. June 29, 2009 –July 3, 2009) classified employees will work four eight-hour days, with a one-hour lunch break.

This MOU serves as an agreement between the District and CSEA to implement the above-referenced summer term scheduling option for 2009 only. All other previously negotiated terms and condition remain in full force and effect.

Dear Dr. Gould:

Please accept this letter of appreciation for participating in the Stimulus Recovery Roundtable discussion held at Imperial Valley College. This important discussion allowed my staff and I to gain first hand knowledge about the current economic and workforce challenges facing our communities in the immediate region.

I have utilized the venue as Chairman for the Assembly Stimulus, Economic Recovery, and Jobs Task Force, in order to assist our communities and local businesses to gain greater access to the federal stimulus process. As you know, I have convened five local economic development roundtables where I have shared current and valuable information on the status of the federal stimulus funds and have encouraged stakeholders to work collectively in order to maximize the use of our federal funds.

Moreover on March 26, I delivered my vote in order to ensure rapid deployment of \$14.3 billion in federal funding to meet the needs of California communities. These critical votes were needed in order to pass three critical measures that open the way for the allocation of federal funding for transportation, sewer and water projects, and health care. For example, Imperial County will receive \$6.7 million for local transportation projects; additional legislation is as follows:

- **AB 20 3X:** *Appropriates \$2.6 billion in federal stimulus funds for road and highway projects.*
- **SB 27 3X:** *Provides California with \$443 million in federal stimulus funds for clean drinking water and wastewater treatment projects.*
- **SB 24 3X:** *Provides the state with an additional \$10.1 million for Medi-Cal.*

Finally, I am truly honored to serve you in the California State Legislature and will continue to work diligently to represent your needs. Once again, thank for your hospitality and participation in the roundtable discussion and I will follow up with you in the immediate future.

Sincerely,

Dear Ed:

On behalf of the Self-Insured Schools of California Workers' Compensation JPA and its Board of Directors, I would like to take this opportunity to commend you and your staff for being among the top 20 districts in SISC for lowest rate modification factors this year. Your modification factor is 0.69 and the average mod factor in SISC is .96. This means your premium rate for this year is significantly below the SISC average.

The modification factor is calculated based on the claims experience of your district. A low modification factor usually indicates a district is run in a manner that promotes employee safety and satisfaction.

Please convey to your board of trustees and to your staff our appreciation for the fine performance and the understanding that keeping insurance costs down means more funds can go directly toward educational purposes.

Board of Trustees
Imperial Community College District

It is with mixed emotions that I submit to you my intent to retire, my last day of work will be September 30, 2009 and my retirement date will be effective October 1, 2009. I have been taking steps to make this transition for some time and contemplating on the final date. I find this is the right time in my life to make that move. On July 7, 2009, I will complete 29 years of service with the District. I am thankful to the District for giving me the opportunity to participate in the two years additional service credit under the Golden Handshake and also the additional retirement incentive under the Supplemental Employee Retirement Plan (SERP).

I am proud to make history at Imperial Valley College by being one of two of the first African-American females to retire from this District. As Human Resources Analyst I have enjoyed one of the most versatile positions on campus. I have seen the joy on employee's faces when they were notified that they were selected for the position they applied for and I have seen sadness and joy on the faces of employees who decided to resign for advancement or retire.

The Human Resources department which I love dearly has grown significantly over the past 23 years that I have worked in the department. When I began in Human Resources in 1986 there were two Human Resources Specialist and a Director. Today the Human Resources Office has grown to five staff employees and the Associate Dean of Human Resources. After having the opportunity to hold four different positions on campus from the Financial Aid Department, Academic Services, Athletics and then Human Resources, working under five Presidents', two Interim Presidents' and ten supervisors, seven of which were in Human Resources it's time for an extended vacation.

All joking aside, it has truly been my pleasure and a privilege to work with so many that have Imperial Valley College's best interest at heart. I thank all for their support and friendship. My best wishes to IVC and its future growth.

Respectfully submitted,

I have served 32 years at Imperial Valley College and went through a lot of changes, but it was a rewarding learning experience. Thank you to Imperial Valley College for giving me this opportunity since March 21, 1977. I never thought to see this day and I still can not believe it!

I would like to thank John Abarca & Jaime Servin for making me feel welcome the day I moved here to Reprographics Center and for appreciating my work, that meant a lot to me I haven't felt this way for a long, long time.

It was a pleasure working with wonderful co-workers such as John Abarca, Jaime Servin and recently Mike Nicholas. THANK YOU!

DATE: May 5, 2009

SUBJECT: Summer schedule

Based on your feedback from last year and in attempt to continue cost-savings efforts, the district wishes to again extend considerations for summer work schedule alternatives.

As a part of a district-wide effort to conserve resources and to provide unit members with a flexible workweek and lengthened weekends, Administration will consider CSEA unit members requests for summer schedule modifications between June 22, 2009 and August 14, 2009 under the following conditions:

Subject: Retirement,(SERP) (Golden Handshake)

To: Dr. Ed Gould Superintendent/President , Board of Trustees

I would like to inform you that my last working day will be September 30, 2009. I will be retiring on October 1, 2009. After 31 years and 5 months of service.

Thank you for the opportunities for professional and personal development that you have provided me over the years. I have enjoyed working for Imperial Valley College and appreciate the support provided me during my years of service.

While I look forward to enjoying my retirement, I will miss working for I.V.C.. If I can be of any assistance during this transition , please let me know.

Sincerely

Mickey Crosby / Grounds Maintenance Supervisor

RE: Letter of Retirement as provided in Board Resolution #13168

Though certain I will miss what has become my second family in our IVC learning community, it is my intention to retire from Imperial Valley College at the close of the Spring 2009 Semester.

In the ever-present gleam of the student's eye, whether from 33 years ago or from today's class session, I see the reflection that reveals why I chose teaching as my life's work: quite simply, the joy of sharing in the meaningful academic improvement of our learners as they progress toward their university and career goals, thereby bettering their lives and the lives of their families, and strengthening our community while serving society. In the past 33 years at the front and at the back of the classroom, there has never been a day that I did not want to go to work, never a day without urgency assigned to it, never a day without the fresh promise of what can be.

It has been my high privilege and profound honor to have served with my able friends in administration, my gifted colleagues, and especially the outstanding classified staff that works relentlessly to support our teaching and our students' learning—thank you, thank you, one and all.

With deepest gratitude and fondest regards,

Fred H. Fischer, Ed.D.

Dear Members of the Board:

It is with mixed emotions that I submit this letter of intent to retire from my position as Water Treatment Systems Specialist. I am submitting this letter with acceptance of the Golden Handshake and the Supplemental Employee Retirement Plan (SERP).

My retirement will be effective September 1, 2009, with my last day of service being on August 31, 2009.

Thank you so much for the opportunity of working for Imperial Valley College for the last 17 years.

Sincerely,

A handwritten signature in black ink, appearing to read 'Joe Cornejo', is written over a printed name. The signature is stylized and somewhat illegible due to overlapping loops and flourishes.
