Imperial Valley College welcomes you and wishes to take this opportunity to congratulate you on your decision to accept the challenge of further education. This catalog is your guide to and through this college and the many educational programs which it offers. You will find the information which you must have to succeed and those rules and regulations which govern the college and each student. It is your obligation to become thoroughly familiar with the content of the catalog. It has been prepared with your success in mind!
Imperial Valley College is committed to providing students with the most accurate, current information available regarding the College’s programs, courses, regulations, and policies. However, there may be times when course changes concerning prerequisites, content hours, or units of credit are determined after publication of the catalog or when district policy or state regulations dictate a change in current practice. When such a circumstance arises, every effort will be made through the college website (www.imperial.edu), class schedules, public media, and at the time of registration to notify students of any changes in the course descriptions or college policies, as presented herein. Students with questions or concerns about a specific course need to contact a counselor at (760) 355-6246 or contact the appropriate division office as noted with the “List of Courses.” Questions or concerns regarding standard practice and process can be directed to the Office of Admissions and Records at (760) 355-6201.

Imperial Valley College President’s Message

Welcome to Imperial Valley College (IVC). You are attending IVC at a very exciting and challenging time and it’s hard to believe that 50 years have passed since the first class was held on this campus in September 1962.

We are continuing to work through one of the most serious budget crises that have ever impacted our state and unfortunately student access has been hurt. At the same time, our state’s community college system has been reevaluating its role in California’s education master plan to focus more on core areas such as transfer, career training and basic skills.

As our campus celebrates this 50th Anniversary, it comes at a time when IVC’s mission is evolving away from its historical contributions of providing continuing “lifelong” education for adults into more of a traditional higher education role.

But even with all of the changes—as well as those yet to come—we pledge to you that we will do everything possible to make your time and Imperial Valley College a fulfilling educational experience.

This 50th year also marks major facility changes as well. Our college is in the midst of one of the most historic transformations in its history, perhaps second only to the actual construction of this beautiful campus on Aten Road in 1962.

All of this expansion has been funded by two major bond measures that have been passed since 2004: the $58.6 million Measure L bond adopted in November 2004 and the $80 million Measure J approved by the voters in 2010.

It may seem odd this work is continuing during a budget crisis, but these bond funds can only be used for construction. And this construction is desperately needed to help us prepare for the future.

In early 2010, we opened our new 70,000 square foot science building, and in a partnership with the county, new transportation facilities. We added the Juanita Lowe Art Gallery in the spring of 2011, work has continued Fall and Spring 2011-2012 to transform the 400 building—our old science building—into modern state of the art classrooms.

As the Fall Semester 2011 closed, we broke ground on our new Career Technical Education (CTE) building which is under construction just to the west of the science building. This CTE building will be home to classrooms that will be training our residents for the careers of the future, including alternative energy development as well as law enforcement, emergency medical technician and automotive technology.

IVC, though, is more than buildings and high-tech classrooms. IVC is about people. Our college—and its accomplishments—is really the sum of the work of more than 300 employees, 8,000 students and countless parents and other supporters in the community. Over the past half-century, thousands of students have graduated from Imperial Valley College. They have transferred to four-year colleges and universities or distinguished themselves in their chosen professions.

Thank you for entrusting us with your education. And please let IVC empower you and empower your career.

Victor M. Jaime, Ed.D.
Superintendent/President
Board of Trustees

Imperial Valley College is part of the Imperial Community College District. In December 2011, new trustee areas were formed. Now residents will vote for candidates in their trustee area.

The Imperial Community College District’s Board of Trustees is an independent policy-making body that reflects the public interest in board activities and decisions. A seven-member Board of Trustees is elected by trustee area.

It is the responsibility of each Board member to represent the interests of his or her respective area. Board members take seriously their obligation to represent the overall public interest and to maintain continuity in the leadership of the Imperial Community College District.

COLLEGE HISTORY

The main campus of Imperial Valley College will be celebrating its 50th anniversary in 2012. It opened in September 1962, three years after voters of Imperial County approved formation of the Imperial Community College District and followed up with a bond measure to fund the campus on Aten Road.

As an institution of higher education, IVC has its foundations in two junior colleges that were formed on high school campuses in El Centro and in Brawley in the 1920s. They were consolidated into Central Junior College in 1947, located on the campus of Central Union High School in El Centro. It was renamed Imperial Valley College in 1951 and in 1959 became an independent district.

Over time, IVC has grown and altered itself to meet the circumstances and challenges of a changing region. Serving the post-secondary educational needs of the community has remained the core responsibility through this half century.

IVC today serves 175,000 residents over a large rural area comprised of more than 4,600 square miles. The college serves approximately 8,000 students each semester. It is a major provider of healthcare workers to area hospitals and other medical providers, through its Health Technologies education program that uses sophisticated mannequins and other high tech equipment to train future nurses.

Through its transfer education, computer science, administration of justice, business and other career programs, IVC has trained generations of local professionals and technicians. Studies have shown that graduates holding Associates Degrees generally earn $8,150 more per year than those with just a high school diploma and twice as much than a worker without a high school diploma.

The 2010 economic analysis shows that the total economic impact of IVC on the Imperial Valley region over the next decade will exceed $5.9 billion with an average annual economic impact over the same period of $456.6 million. This includes new construction projects to build out the 10 year facilities plan. One in 7 jobs in Imperial County has some connection to IVC, including direct college employees, student workers and graduates of IVC who are in the local workforce.

IVC is located east of the city of Imperial on a 160 acre plot next to Highway 111, the main route from the border at Mexicali, Baja California to the United States. The location of the main campus on Aten Road is in the heart of Imperial County and is within reasonable commuting distance of all communities in the Valley. The college serves seven feeder high school districts, which yield approximately 2,000 graduates a year. Approximately 62 percent of the graduating seniors enroll at IVC immediately after graduation. This impressive community college enrollment is due to a very effective high school outreach program for regular and special populations that consist of counselor visits, orientation, basic skills assessment, advising, and financial aid application assistance, all made available on the high school campuses.

IVC Roots Run Deep

The opening of the IVC campus in 1962 was the culmination of years of hard work by the citizens of this county to finance and build a freestanding Imperial Valley College.

Construction had been approved in 1960 when Imperial Community College District residents set an all-time state record, voting by a ratio of thirteen to one in favor of bonds to finance the new IVC campus.

But even though the grand opening of the main campus in 1962 signaled a new era for higher education in the Imperial Valley, IVC’s roots run even deeper into the county’s heritage. Exactly 40 years before the opening of the new campus, classes of Central Junior College began on the grounds of Central Union High School in El Centro—in September 1922. Two years later, in the fall of 1924, instruction began at the Brawley Junior College, located at Brawley Union High School.

Central Junior College first conferred the Associate in Arts degree in 1934. Enrollments increased in both schools until World War II, when attendance dropped sharply. Brawley Junior College was forced, by lack of attendance, to discontinue classes at the close of the 1947 school year.
In the fall of 1951, students petitioned the Board of Trustees for a more representative name for the college. It was now serving students from all of the Imperial Valley. By action of the Board, the name was officially changed to Imperial Valley College.

The school, under the administration of the Central Union High School District, gained recognition as an accredited institution of higher education. As the institution grew with the community, this growth was reflected in the steady rise in enrollment and in the diversity of courses and curricula that was offered.

A recommendation that a countywide community college district be established in Imperial County was submitted to the State Department of Education and was approved on July 10, 1959. The Imperial County Superintendent of Schools then set a date for an election at which all qualified voters residing within the boundaries of the seven high school and unified school districts were eligible to vote. The election was held on October 6, 1959; and by an overwhelming vote, the Imperial Valley Junior College District was established. This was followed by the election of the members of the Junior College District Board of Trustees, one of whom comes from each of the seven high schools or unified school districts represented in the area served by the Imperial Junior College District.

This District includes all of Imperial County except a small area in the northwest corner of the County, which is a part of the Desert Community College District.

The following Superintendents/Presidents have served the District and College since its formation:

- Milo P. Johnson 1960-1963
- Dr. Terrel Spencer 1963-1978
- Dr. Dan Angel 1978-1981
- Dr. John A. DePaoli 1981-1995
- Dr. Gilbert M. Dominguez 1996-2002
- Dr. Paul Pai 2003-2007
- Dr. Ed Gould 2008-2011

Like most community colleges, IVC has experienced rapid growth coupled with declining fiscal resources since 2004. In 2009, a Strategic Plan was developed that prioritized short-term and long-term goals of the institution. The plan stated priorities and the college resources for achieving those priorities. The strategic planning process also updated the IVC Facilities Master Plan. This all inclusive framework enabled the college to identify the most critical and campus-wide priorities and strategic goals for IVC.

Strategic Plan

In 2008, IVC formed a strategic planning committee that included representatives from all shared governance constituencies including faculty, classified staff, students, and administration. The purpose of the committee was to develop the IVC’s Strategic Plan after receiving input from the Educational Master Plan on the prioritized short-term and long term goals of the college. The committee assessed the stated priorities and the college resources for achieving those priorities.

In 2009, a Strategic Plan was developed which synchronized the goals of the Educational Master Plan. This all inclusive framework enabled the college to identify the most critical and campus-wide priorities and strategic goals for the college as follows:

- Strengthen and expand support services to respond to changing student needs
- Increase access to continuing and higher education opportunities for all
- Enhance professional development
- Adapt to a changing fiscal environment with a sound fiscal strategy
- Strengthen internal and external organizational communications practices

The Strategic Plan addresses how the college can best implement planned improvements based on the institutional resources, required and desired timeframes, and final recommendations and strategies of the Educational Master Plan, all in line with IVC’s mission and vision. Specific objectives were also identified under each of the five goals listed above.

Educational Master Plan

The Educational Master Plan was developed in collaboration with the members of the Imperial Community College District Board of Trustees, faculty, staff, students, and administration. This Plan provides a sense of vision and a guide for multi-year planning. A comprehensive analysis of both internal and external environments influencing future development of the College, and an examination of the present and anticipated development of both the instructional and support services areas is outlined in the Master Plan. The plan may be found on our website at www.imperial.edu or by contacting the President’s office at (760) 355-6219.

Accreditation

Imperial Valley College is officially accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, which is recognized by the Council for Higher Education Accreditation and the U.S. Department of Education; California Association of Alcohol and Drug Educators; California Board of Registered Nursing; California Board of Vocational Nurse and Psychiatric Examiners; Commission on Accreditation of Allied Health Education Programs (CAAHEP); Commission on Peace Officers Standards and Training; and the California State Department of Education. Accreditation reports are available and may be reviewed at the office of the Superintendent/President.

College Mission

The mission of Imperial Valley College is to foster excellence in education that challenges students of every background to develop their intellect, character, and abilities; to assist students in achieving their educational and career goals; and to be responsive to the greater community.
Institutional Student Learning Outcomes

The graduates of Imperial Valley College will demonstrate communication skills, critical thinking skills, personal responsibility, information literacy, and global awareness as a result of their educational experience at this institution.

Types of Courses and Programs

In order that Imperial Valley College may achieve its goal of serving all students who desire to learn, a variety of courses are offered. Some equip a student with job entry-level skills, and other courses provide a general education for all students to assist them in living meaningful and productive lives in a complex society. Still other types of courses provide the basis for professional training offered by four-year colleges and universities. Regardless of the interests of the students, the first two years of college work normally can be completed at Imperial Valley College. Thus, students have an opportunity to begin their advanced education while still residing at home. Not only can this opportunity be of great financial assistance, but it offers an excellent transition between the high school campus and the large, often impersonal, four-year college campus. The intimate, though scholarly, atmosphere of the college, the opportunity for each student to know instructors personally, and the chance to participate in the counseling program, all offer invaluable opportunities to the student. Not only can the student receive excellent personal assistance with work, but the opportunities for leadership in student affairs are increased.

Through the counseling program, a close scrutiny is given to the courses in which a student enrolls. The student plans ahead, sets up goals and systematically includes those courses of study that will be of the greatest benefit.

Many of the needs of the student who seeks employment at the end of the sophomore year can be met by a variety of occupational courses. In addition to offering a breadth of education, these courses meet specific needs in the shortest possible time to prepare the student for a field of employment.

These courses also offer a well-organized general education program to meet the needs of the individual who has only two years to devote to post-high school education. The community college program also includes courses of study which may be taken by adults who can demonstrate their ability to do college work but who have not had the opportunity to complete high school. Evidence of success in classes of college level will permit these adults to continue their educational endeavors.

Coordinated with the general divisions of courses at the college are programs designed with specific types of students in mind: students who can devote only evenings to school; students who cannot fully participate in regular classes on the main campus; students who can coordinate their college study with a program of employment; the outstanding high school 11th and 12th grade students who can profit by special work at the college level; and students with disabilities.

Degrees

The Board of Trustees, on recommendation of the Superintendent/President and faculty of the college, is authorized in accordance with Article 12, Section 102, of the State Administrative Code, Title 5, to confer the Associate in Arts (A.A.), the Associate in Science (A.S.), the Associate in Arts for Transfer (A.A.-T), and the Associate in Science for Transfer (A.S.-T) degrees. Conditions under which the degrees are granted are outlined in the section on graduation requirements.

The community college degree is awarded to a student who fulfills a two-year organized program of work, either occupational-vocational-technical or lower-division four-year college. A student who wishes to transfer to the upper division of a four-year college must satisfy the course, unit, and grade requirements of the college he/she wishes to enter.
ADMISSION AND REGISTRATION
ADMISSION

Eligibility

Admission to Imperial Valley College is governed by the laws of the State and such supplementary regulations as prescribed by the Board of Trustees. Students who register for eight or more units of work in a given semester or upon an accumulation of eight or more units, are requested to (1) ensure that an official transcript of all work taken in high school and/or institutions of higher education are on file in the Registration Office; and (2) complete the college assessment tests (unless they have completed regular college courses in both English and mathematics).

All students are admitted under one of the following classifications:

1. High school graduates or equivalent certificates (General Educational Development or California High School Proficiency Examination).
2. Non-graduates of high school who are eighteen years of age and no longer enrolled in high school.
3. High school students who are recommended by the high school principal for one to nine units of work. A Special Student Application for Concurrent Enrollment must be submitted.
4. College transfers who submit official transcripts may be granted advanced standing.
5. International students on F-1 student visas may be admitted. The International Student Application Packet must be completed and submitted to the Admissions and Records Office by June 1 for fall semester admission, and November 1 for spring semester. Students must have a local sponsor and provide documentation that sufficient funding is available for at least one year of tuition and fees as well as living expenses.

Application

Students who are enrolling in Imperial Valley College for the first time and those who are former students returning after an absence of a semester or more (not including summer) must submit an application for admission online. The Online Application may be found by logging into the IVC website: www.imperial.edu. Click on the “Apply Now” box located on the top right corner of the home page.

Applications for admission will be processed beginning on the following dates:

- **Summer/Fall**: March 15
- **Spring**: October 15

Attendance of Local High School Students

Local high school students attending the college are restricted to a spectator’s role in college student activities, and extracurricular participation is to be confined to the high school. Counseling is available at the college, but every effort will be made to leave this responsibility to the high school counseling staffs.

Students must attend high school for the minimum school day.

The attendance of a student at a community college as a special student pursuant to this section shall be credited to the district maintaining the community college for the purposes of allowances and apportionments from the State School Fund and the student shall receive credit for community college courses completed, in the same manner as if a regularly enrolled community college student. (E.C. 76001)

Admission of Special Students in Grades 11-12

A principal of a high school may recommend a high school student as a special part-time student pursuant to rules and regulations which may be adopted by the governing board of the district maintaining the high school. (Refer to the section on “Admission” in this catalog for more information.)

Each semester, prior to being allowed to register, students who wish to attend IVC as special part-time college students must complete and submit the “Special Student in Grades 11-12” application (available online). Application deadlines for each term are noted on the application. Special Students must also meet all course prerequisites and assessment tests must be completed for subjects such as math and English.

Residency

Under the Education Code, the general rule is that a student must pay nonresident tuition unless the student can qualify as a resident of California or meet the requirements of certain special provisions. Since the concept of residence involves subjective intent, this catalog cannot anticipate every question that will arise in connection with determining whether such intent exists.

Each person enrolled in or applying for admission to a California Community College is, for the purposes of admission and tuition, classified as a “resident” or a “nonresident”. Students classified as a “resident” will be admitted without payment of nonresident tuition. Students classified as “nonresident” will be required to pay tuition in an amount set by the Governing Board.

“Resident students” are those who have resided within California for at least one year prior to the residence determination date and have met the residency standards stipulated in Title 5 of the California Administrative Code. The “residence determination date” is the day immediately preceding the opening day of instruction each semester or summer session during which the student proposes to attend college in the Imperial Community College District.

“Nonresident students” are those who have not established California residency status in the state for at least one year prior to the residence determination date or those who hold certain non-immigrant visas which preclude them from establishing residency. Foreign students admitted to the United States under student visas are classified as nonresidents.
The Admissions and Records Office determines the residency status of all new and former students for tuition purposes, using responses provided in the college application for admission and, if necessary, other evidence furnished by the student.

Note: Students should bring any and all immigration documents—including visas, passports, and I-688 information—to the Admissions and Records Office at the time they apply to assist in determining their residency status.

Exemptions:
The California Education Code and provisions in state law allow certain nonresidents the opportunity to pay in-state tuition. Eligibility criteria are noted below.

Students who believe they are eligible for an exemption based on any one of the following criteria should consult the Admissions and Records Office when they apply.

1. Students who are members of the armed forces of the United States who are stationed in this state on active duty, except those assigned to California for educational purposes.
2. Spouses and dependents (natural or adopted children or stepchildren) of active members of the armed forces.
3. Parents who are federal civil service employees and have moved to California as a result of a military realignment action that involves the relocation of at least 100 employees. This exemption also applies to the natural or adopted children or stepchildren of such employees.
4. Students who have completed at least three years of high school in California and have graduated from a California high school. Students must fill out and submit the “AB 540 Affidavit for Exemption” for consideration.
5. Students who live in Yuma, Arizona are eligible for an exemption (Colorado River Compact). Students need to complete a Student Petition to request this exemption.

Establishing Residency
Legal residency may be established by an adult who is physically present in the state and who, at the same time, intends to make California his or her permanent home. The prospective resident must take steps at least one year and one day prior to the residence determination date to show an intent to make California a permanent home and, concurrently, relinquish legal residency in the state of his or her prior home. There are various steps that one may take to demonstrate the intent to become a California resident. The Admissions and Records Office will assist any student who wishes to establish residency, providing recommendations for each individual case.

For general purposes, the following are some, but not the only ways to show one has taken the necessary steps toward becoming a California resident:

1. Registered to vote and voted in elections in California.
2. Filed resident California state income tax forms.
3. Owned and resided in a residential property or consistently occupied or rented an apartment on a lease basis.
4. Maintained licensing from California for professional practice.
5. Maintained California vehicle registration and driver’s license.
6. Maintained active savings and checking accounts in California banks.
7. Maintained permanent military address and home of record in California, if in the military service.

Note: No single item listed above may establish a case for California residency. It is up to the applicant to offer as many documents as possible to prove validity of the change to California resident.

Reclassification to Resident Status
The request for reclassification to resident status must be initiated by the student. Students who are interested in changing their classification should consult the Admissions and Records Office. Evidence of presence in and intent to reside in California—for at least one year and one day prior to a coming semester’s start date is required for consideration of a change in status and must be submitted for a residency review. Students should allow up to ten working days after submitting their documents for a decision.

Residency reclassification must be completed no later than the first two weeks of the semester. Since some petitions require additional documentation to prove a residency case, students should be sure to submit reclassification requests early in an academic term.
International Students
Imperial Valley College defines an “international student” as a student attending college full time while on an F-1 visa. Applications for admission in IVC’s International Student Program are available online at www.imperial.edu on the Admissions and Records website under “Forms.” Prospective students may contact the Admissions and Records Office by calling (760) 355-6101 or by visiting the college website: www.imperial.edu.

All international students must maintain full-time enrollment (12 or more units each semester) and demonstrate academic progress in order to maintain their F-1 visa status. Students with other types of visas (not F-1) may apply and enroll online through the Admissions and Records Office at www.imperial.edu.

Other requirements for admission include the following:
1. International Student Application—paper application.
2. Application for admission to Imperial Valley College – online.
3. An official affidavit of support and current bank certification or bank statement that prove the student has sufficient financial support to pay tuition and living expenses to study at Imperial Valley College.
4. Local Sponsor.
5. Health insurance coverage. Imperial Valley Community College District require that all international students have a valid health insurance plan that provides coverage during their course of study. Students must have health insurance coverage in order to enroll in classes. Health insurance information is available in the Admissions and Records Office.
6. A transfer clearance form completed by the institution the student presently attends that verifies his or her eligibility to transfer to IVC (when applicable).
7. Students under 18 years of age must be living with a legal guardian as stated in the admission requirements.

Upon acceptance, students will be administered assessment testing. During the assessment session, students are given tests in writing, mathematics, and/or English as a Second Language to determine their skill levels in these areas. Based on the results of English proficiency, students will be advised as to the recommended level of enrollment in English, math, and other courses. Students will receive their results from their assessment session immediately following the assessment.

REGISTRATION
Open Enrollment Policy
In conformity with the provisions of Title 5 of the California Administrative Code, the governing Board of the Imperial Community College District affirms a policy of open enrollment. Imperial Valley College does not discriminate in the admission nor in the offering of programs and activities because of ethnic group identification, national origin, religion, age, gender, race, color, medical condition, Vietnam era status, ancestry, sexual identification, marital status, or physical or mental disability, or because he or she is perceived to have one or more of those characteristics.

New Students and Returning Students
New students are those who have never enrolled in classes at Imperial Valley College.

Returning students are those who have previously attended either Imperial Valley College but have been absent from the college for a semester or more, excluding summer.

Returning students are given a registration date and time for Priority Registration each semester.

Returning students registration times are based on the total units completed along with other factors (i.e., Athlete, EOPS, Veteran, Disabled Students Program, etc.).

New students are given a date and time and are the last group to participate in registration.

Continuing Students
Continuing students are those who have been registered during the immediately preceding semester and have received at least one letter grade or “W.” Those who were registered during the semester but did not complete a course with a letter grade or “W” will have forfeited their continuing student status.

Student Portal and WebSTAR
Student Portal is the IVC web portal that enables students to view their registration times. WebSTAR enables students to view their class schedules, grades, and academic history; add or drop classes; and access a variety of useful resources. Students need an ID number and a Personal Identification Number (PIN) to use the Student Portal. For more information about the Student Portal, please refer to the IVC website: www.imperial.edu.

Maintaining Student Contact Information
It is important for students to maintain current contact information, including the phone number and address in their college record. An address and phone number may be updated through the student’s their WebSTAR account under “My Information” or through the Admissions and Records Office, located in the Administration Building. Mail returned from the U.S. Postal Service with a new forwarding address will be used as the basis for updating a student record.
Registration Times
Students will find their registration times on the Student Portal once they login at least two to three weeks before priority registration begins.

The registration time established for each student is the date and time the student can start using the online registration system for a given semester or summer session. Once that date has passed, students may continue to use the online system until it becomes unavailable near the end of the semester or summer session.

Registration appointments for continuing students are determined by the number of units the student has completed at the college.

Students are encouraged to register as early as possible using the online registration system for the best possible course selection.

Community Education:
For registration information, please contact Community Education by phone at (760) 355-6303 or by email at: communityservices@imperial.edu. Students may also register online at: http://community.imperial.edu.

Registration Restrictions
A hold may prevent students from registering for classes. If that is the case, there will be a brief statement provided during the online registration process indicating the restriction, if applicable. Students must clear all restrictive holds prior to registration. Contact the indicated office for information on how to get the hold released. Outstanding debts must be resolved before registering for classes.

Students are required to clear all prerequisites and matriculation requirements prior to registration. Students who are required to complete an assessment, or those who need to clear a prerequisite prior to registration, should contact the Assessment Office or Admissions and Records.

Wait Lists
Students who attempt to register in a class that is closed may select the option to have his/her name placed on a Wait List. Students cannot be added to a wait list IF: (1) it is prior to a student’s registration appointment; or (2) the student is already enrolled, or on a wait list for another section of the same class; or (3) the wait list is full; or (4) the class has started. Students are added to the wait list for a class on a first-come, first-served basis. As seats become available, students are automatically added to the class in which they are wait-listed. When a student has cleared the Wait List and is able to register for the class they will receive an email. Once cleared from the Wait List the student will have 24 hours only to register for the class.

Students will not be added to a class IF: (1) the class will cause a time conflict with another class on the student schedule; or (2) the class will cause the student to go over the maximum number of units allowed; or (3) another section of the same course is already on the student schedule; or (4) the student has a HOLD which prohibits registration. The student will be billed immediately once the student has been successfully moved from the wait list into the class and an email notice will be sent to the IVC student email address. Students are responsible for all fees generated from added classes.

The Wait List is only active up to the first day of the semester, after this point an Add Authorization Code from the instructor is required.

Adding Classes
Full-Term Classes – Fall and Spring
Registration starts several weeks prior to the beginning of a semester. Registration after a semester begins can be difficult due to limited class availability. Decisions to cancel classes may be made early in the registration cycle. Students are encouraged to register early to avoid disappointing situations.

Beginning dates for priority registration each semester are available online on the admissions page of the college’s website. The student’s specific registration time is available online through the Student Portal.

Registration is not complete until all fees—including enrollment, material, health and, when appropriate, nonresident tuition fees—have been paid. Registration after the semester begins will be handled as follows:

During the first two weeks of instruction: All classes are officially closed when their start date has occurred, and students are required to contact the course instructor for permission to enroll.

Instructor’s use their discretion in issuing Add Authorization Codes for closed classes. If the instructor grants permission to enroll, the student will be able to register online for the class using the unique Add Authorization Code issued by the instructor. Students must pay all required course fees at the time of enrollment, or they may be dropped for non-payment.

Instructors may issue add authorization codes up until the day before census (the 20% point) for the class. Add codes must be acted on prior to the Deadline to Register date noted in the class schedule.

8-Week, Summer Session and Short-Term Classes
Students may enroll in eight-week, summer session, short-term, and other late-starting classes only until the day before the first class meeting, and then only if the class is open. Starting the first day of class, instructor permission is required for all add activity. The deadline for adding such classes is noted on the class roster.

Students must enroll prior to the deadline noted on the class roster.
Late Adding
A “late add” is defined as enrollment that occurs between the census date (the 20% point) and five instructional days following census. For short-term classes (any class less than six weeks in length), the census date is usually the first day of class. For this type of class, registration should occur before the class begins, or it must be handled using the late add process. The late adding of classes is considered only with the dean’s approval.

Submission of the late add form with the instructor’s authorization is required for late registration. The late add process may be accomplished only in person at the Admissions and Records Office. Late adding of classes is not available five instructional days after the census date.

Auditing Classes
Imperial Valley College does not permit auditing of classes.

Student Photo ID
Once students have enrolled and paid their fees, they may obtain their permanent student photo ID card in the Casbah Room located in the College Center (Building 600) during posted hours. Students must present a driver’s license or other photo identification card along with a copy of their current class schedule. The student photo ID is required to utilize many services on campus.

Dropping Classes
It is the student’s responsibility to officially drop or withdraw from classes. Students are only able to drop or withdraw from classes online via WebSTAR. Note: Only those drops completed prior to the refund deadline are eligible for refund consideration. (See “Fees and Refunds” for information regarding refunds.)

Deadlines for Dropping Classes
In accordance with state regulations and district policy, the deadlines used for grading purposes are as follows:

• Drop without a transcript annotation: Drop must be completed prior to the first 20% of the course based on the individual class.

• Drop with a “W” annotation: All courses dropped at the 20% point and up until the 75% point will be recorded on the transcript as a “W.”

Drops after the 75% point are not allowed except under narrowly defined extenuating circumstances. These situations must be due to substantiated illness, accident; or events beyond the student’s control that prohibit continuation in classes. By law, all classes remaining on the student’s record after the 75% point require that a grade be issued. For important deadlines for specific classes, students should log on to the IVC web site and locate their classes in the index of the current semester’s class schedule. It is the student’s responsibility to drop a class. However, every instructor is required by Education Code to drop a student who misses the first class meeting.

Repeating Courses
Courses may be repeated only under the following circumstances (Title 5, CCR Sections 55040–55045).

1. SUBSTANDARD GRADES AND “W’s”
   • Most courses may be repeated twice when the student has earned a substandard grade (“D,” “F,” or “NP”) and/or a “W.”
   • Students who have earned two grade symbols (D, F, NC, NP or W) in a course must petition to take the course a third time.
   • Students who have withdrawn for verified military service (“MW”) may repeat course(s) from which they have withdrawn. The “MW” grade does not affect GPA, nor does it count toward the permitted number of repetitions.

2. LAPSE OF TIME
   Most courses completed with a satisfactory grade may be repeated one additional time after a period of five years. However, this exception is considered only by petition. Students should contact the Admissions and Records Office for more information. If the repeat is allowed, the grade earned when the class is repeated will be used for the GPA computation, and the previous grade will be annotated as a repeat and will not be counted in the GPA computation.

3. EXTENUATING CIRCUMSTANCES
   If a student has experienced extenuating circumstances (documented evidence of illness, accident, or other circumstances beyond the student’s control), an additional repeat may be considered. Consult the Admissions and Records Office for information about the appeals process.

4. LEGALLY MANDATED TRAINING
   A student may repeat certain courses, “if necessary to meet legally mandated training requirements as a condition of paid or volunteered employment.” [55041(b)]

Any student registering to repeat a course not identified as repeatable or repeating a course more often than permitted may be dropped from the course.
MATRICULATION

Imperial Valley College recognizes students as individuals who have the right to make educational choices based on a clear and sensitive appraisal of their skills, needs, and interests. To this end, the college provides new students with an online orientation to introduce the college’s programs and services, an assessment to evaluate their basic skills and identify their interests and goals.

The primary goal of the matriculation process is to increase the extent to which students complete their educational objectives by providing information about their skills and abilities; by identifying support services; and by offering students the opportunity to plan their educational program in consultation with counselors. The orientation, assessment, and advisement components of this program have been designed to satisfy the requirements of the California State Board of Governors legislation governing student access to and successful completion of programs in the community college.

Matriculation Process
In order to enroll in classes at Imperial Valley College, new students must go through the matriculation process. There are five important steps to this process:
1. Application
2. Orientation
3. Assessment
4. Advisement
5. Registration for Classes

Orientation
After completing their application to Imperial Valley College, students are directed to complete an online orientation. The orientation introduces the programs, services, policies, and expectations of the college. Once students have applied to IVC and received their student ID number they can access the on-line orientation. Successful completion of the online orientation satisfies the second step of the matriculation process.

Assessment
English and math are basic skills that students use in nearly all of their college classes. Assessment, the third step in the matriculation process, helps to determine students’ skill levels in these areas. English and math assessments are available on a first-come, first-served walk-in basis. Students should go to www.imperial.edu/matic for available test times or call the Assessment Center at (760) 355-6450.

Advisement
After taking the Assessment Placement Test students need to make an appointment with a counselor to receive their recommended classes. Advisement is specific to each individual student and is based on recommended classes identified through the student’s assessment results, educational goal, and personal interests. After advisement, the fourth step in the matriculation process, students can register for their first-semester classes on their assigned registration date and time.

Challenges
Students who believe that they have cause to challenge assessment placement should read the challenge procedure outlined on the following page under “Challenge Process.”

Retest Policy
Students who want to re-test need to make an appointment with a counselor and go through a petition process. Re-tests are allowed on a case by case basis.

The college may suspend or terminate services to any student who fails to fulfill his/her responsibilities. However, the college may never suspend or terminate any service for which a student is otherwise entitled under any other provision or law. In addition, students may challenge any matriculation requirement or regulation using the student petition process.

Exemptions
Students who have previously earned an associate degree or bachelor’s degree from an accredited American college or university will be exempted from matriculation.

Prerequisite, Corequisite, Advisories
On Recommended Preparation And Limitations On Enrollment

The Imperial Community College District has adopted a policy in order to provide for the establishing, reviewing and challenging of prerequisites, corequisites, recommended preparation advisories, and certain limitations on enrollment in a manner consistent with law and good practice. The board recognizes that, if these prerequisites, corequisites, recommended preparation advisories, and limitations are established unnecessarily or inappropriately, they constitute unjustifiable obstacles to student access and success. Therefore, the board adopts this policy and calls for caution and careful scrutiny in establishing prerequisites, corequisites, and advisories. The board also recognizes that it is as important to have prerequisites in place where they are a vital factor in maintaining academic standards, as it is to avoid establishing prerequisites where they are not needed. For these reasons, the board has sought to establish a policy that fosters the appropriate balance between these two concerns. (See Board Resolution 10665 for the complete policy.)

Definitions:
Prerequisite means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. Courses used to satisfy a prerequisite must be completed with a grade of “C” or better.

Corequisite means a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course.
**Recommended Preparation Advisory** means a condition of enrollment that a student is *advised, but not required*, to meet before or in conjunction with enrollment in a course or educational program.

**Limitations on Enrollment** means a condition of enrollment which may include the following:

a. Auditions or tryouts for courses which include public performance and intercollegiate competition, such as a band, orchestra, theater, competitive speech, chorus, journalism, dance, and intercollegiate athletics.

b. Demonstrations of skill or knowledge for enrollment in an honors course or an honors section of a course.

c. The creation of blocks of 2 or more courses in which enrollment is limited in order to create a cohort of students.

Imperial Valley College does not establish prerequisites in communication or computational skills that apply to all courses across the curriculum. Basic skills prerequisites and corequisites are offered in sufficient numbers to accommodate students or the requirement is waived. Any prerequisite may be challenged by a student using the following process:

### Challenge Process

Any student who does not meet the prerequisite or corequisite or who is not permitted to enroll in a class due to a limitation on enrollment may file a student petition to challenge the requirements. The grounds for challenge as specified in Section 55003 (m) of Title 5 include the following:

1. The prerequisite or corequisite has not been established in accordance with the district policy.

2. The prerequisite or corequisite is in violation of Title 5

3. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.

4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite.

5. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or the corequisite has not been made reasonably available.

The student has the obligation to provide satisfactory evidence that the challenge should be upheld. Where facts essential to a determination of whether the student's challenge should be upheld are, or ought to be, in the college's own records, then the college has the obligation to produce that information. Students who wish to challenge a prerequisite or corequisite or any limitations on enrollment should:

1. Make an appointment with the Matriculation Director at the Hector L. Lopez Student Services Center, (760) 355-6246, to file the petition to challenge a Prerequisite/Corequisite form, which spells out the grounds for challenge along with any evidence in support of the challenge. The student shall be allowed to remain in class or, if the student is not enrolled in the class but space is available at the time the challenge is filed, the college shall reserve a seat for the student until the challenge is resolved.

2. The Department Chairperson will review the petition and resolve the challenge in no more than 5 working days. If the challenge is upheld, or the college fails to resolve the challenge within the 5 day period, the student will be allowed to remain in the course. If no space was available in the course when the challenge was filed, the student shall be permitted to enroll for the subsequent term.

3. If the challenge is denied by the Department Chairperson, the student may appeal that decision. Upon receipt of notification to the appropriate Vice President, the decision by the appropriate Vice President is final.

4. Upon resolution of the challenge, the Department Chairperson shall forward the student petition and all attachments to the Director of Admissions for institutional approval and filing in the student’s permanent record.

Unless specifically exempted by statute, every course, section or class, the average daily attendance of which is to be reported for state aid, wherever offered and maintained by Imperial Community College District, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites as my be established pursuant to Chapter II, Division 2, Part VI, Title 5 of the California Administrative Code commencing with Section 51820 (Board of Trustees Resolution No. 10665).
FEES AND REFUNDS

All fees are subject to change without advance notice by the State of California. The information published below reflects legislation, policies and fees in effect at the time of publication. Students who fail to pay enrollment fees, health fee, instructional materials fee, or nonresident fees in a timely manner risk not being eligible to register and/or being dropped for non-payment.

NOTE: If you participate in priority registration you will have five (5) business days from the first point of enrollment to pay all fees generated as of that day or you will be dropped from all classes and wait lists. If you sign up for a payment plan (FACTS/e-cashier) you will not be dropped from your classes.

Enrollment Fee - Resident Student
The Enrollment Fee is mandated by the California State Legislature, with the approval of the Governor and requires all California Community Colleges to charge students a Tuition/Enrollment Fee each term. The Legislature has also provided for financial assistance and fee waivers for low income students who cannot afford to pay this fee and who qualify according to State guidelines. Information for financial assistance and fee waivers can be obtained from the IVC Financial Aid Office.

Enrollment Fee $46.00 per unit

Enrollment Fee - Nonresident and International Students
Nonresidents and international students are required to pay tuition charges of $200.00 per unit in addition to the fees outlined above. The college will accept payment from nonresident and international students in cash, Western Union money orders, traveler’s checks, credit cards, debit cards, and bank drafts. Personal checks cannot be accepted. Payment of nonresident and international student tuition cannot be deferred.

Foreign and Non-Resident Enrollment Fee $200.00 per unit

Student Health Fee
The Student Health Fee provides a full-range of health services to IVC students including immunizations, physical exams, basic first aid, health education programs, TB testing, HIV testing, cholesterol screening, blood pressure screening, mental health services and other health services to be determined.

Fall/Spring $18.00 per term
Winter/Summer $14.00 per term

Instructional Materials Fee
Required of all students enrolled in certain courses. Courses may carry a nominal fee for instructional materials provided to students throughout the semester.

Parking Fee
Required of all students who park on campus, at the following rates. Note: Students enrolled solely in off-campus classes are not required to pay the parking fee.

Fall/Spring $20.00 per vehicle
$15.00 each additional vehicle
Winter/Summer $10.00 per vehicle
$7.00 each additional vehicle

Student Representation Fee
The Student Representation Fee is expended by the college solely for the purpose of student advocacy efforts to Federal, State, and local governments. Students have the right to refuse to pay the fee for religious, moral, political, or financial reasons.

Student Representation Fee $1.00 per term
Other Fees/Charges

Insufficient Funds Check Charge – There will be a charge of $25.00 for checks returned to the college because of insufficient funds.

IVC Debit Card Replacement Fee – There is a $20.00 fee to replace an IVC Debit Card.

Refund Policy
There is no need to apply for a refund. All eligible refunds will be processed automatically every week, except for periods of registration or late registration. All refunds are made to the IVC Debit Card.

Credit Card Refunds – Students may request a credit card refund if their original payment was made by a credit card. Refunds may be requested by called (760) 355-6368.

Transcript Fee
All outstanding financial and other obligations to the College must be met prior to the issuance of transcripts.

Imperial Valley College is able to offer to our current and alumni students Secure Transcript from Docufide – the secure, electronic way to request and send transcripts. It’s easy to use, it’s secure, and it’s available 24/7. Docufide will deliver your official transcript anywhere you need it to go - other colleges and universities, scholarship funds, employers, even to yourself if you need it. Instructions and the form for requesting transcripts are available on the College website at www.imperial.edu/docufide.

Transcripts Fee(s) $8.00 to $10.00 per transcript destination

NOTE: The College cannot accept transcript requests by email, fax or phone.
STUDENT SUPPORT SERVICES
AND SPECIAL PROGRAMS
WHO QUALIFIES FOR FINANCIAL AID?

To receive aid, you must:

1. Prove financial need based on federal and state guidelines.
2. Have a high school diploma or GED or pass the Ability to Benefit Test. Note: Students who do not pass the test may also be eligible under certain circumstances.
3. Be enrolled as a regular student working toward a degree or certificate.
4. Be a U.S. citizen or eligible non-citizen.
5. Be making satisfactory academic progress.
6. Not be in default on any educational loan or owe a refund on an educational grant.
7. Have a social security number.
8. Register with the Selective Service System (applies to male students only).

Free Application for Federal Student Aid (FAFSA)

To apply for financial aid, students must complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov. The FAFSA is used to determine eligibility for all state and federal financial aid.

FINANCIAL AID

Location: Hector L. Lopez Student Services Center, Building 100, (760) 355-6266

Financial Aid exists to help students who might otherwise be unable to complete their education because of financial problems. This aid comes in the form of grants, scholarships and work study.

Financial aid funds are administered in accordance with a nationally established policy of financial assistance for education. The basis of the policy is that students and their parents have the primary responsibility for meeting educational costs. The amount of the expected contribution from students and their family is determined by careful analysis of family financial strength, taking into consideration net income, number of dependents, allowable expenses, indebtedness and assets. The US Congress has established procedures which are used in making an evaluation of how much families can be expected to contribute.

The Free Application for Federal Student Aid (FAFSA) is available online at www.fafsa.ed.gov. The filing period for the next academic year begins January 1 of each year. Students who wish to receive aid in the fall should have their applications complete and their verification documents submitted by at least 3 months prior to enrollment.

Grants form the basis of the financial aid available at Imperial Valley College. Grants, unlike loans, do not have to be paid back. Through the single FAFSA application, students will be considered for eligibility for Pell, FSEOG Grants (federal funds), Cal Grants B and C (state funds), Work Study and Board of Governors Fee Waivers (state waiver of enrollment fees). Scholarship applications are available in the Financial Aid Office.

NEED HELP TO PAY FOR COLLEGE?

The Imperial Valley College Foundation offers numerous scholarships to students throughout the school year.

Please contact the Financial Aid or Foundation Offices for a current list of all the scholarships that are available or visit www.imperial.edu/scholarships

Imperial Valley College Foundation • P.O. Box 158 • Imperial, CA 92251 • (760) 355-6113
Financial Aid Programs at IVC

STATE PROGRAMS

- **Board of Governors Fee Waiver**: A program for California residents attending a community college. The fee waiver pays for enrollment fees for eligible students. It does not cover parking, lab, material, health fees, or the student representation fee.

- **Cal Grant**: A state-funded grant program for California residents. All Cal Grant award offers are subject to the approval of the final state budget. [www.csac.ca.gov](http://www.csac.ca.gov)

FEDERAL PROGRAMS

- **Federal Pell Grant**: A grant program for students who have not earned a bachelor’s or professional degree. Students must file a FAFSA and demonstrate financial need.

- **Federal Supplemental Educational Opportunity Grant (FSEOG)**: A program that funds grants based on demonstrated exceptional financial need. Priority is given to Pell Grant recipients. Funding at IVC is limited.

- **Federal Work Study (FWS)**: A program that funds part-time job opportunities to students with financial need. Students must be enrolled in at least 6 units. Funding is very limited and is awarded on a first-come, first-served basis.

Imperial Valley College does not currently participate in any of the federal student loan programs; however, general information regarding private education loans is available upon request.

Scholarships

Imperial Valley College offers scholarships through the college’s foundation and generous donors. Students may be awarded scholarships on the basis of academic achievement, financial need, and campus or community service. Recipients are determined by the Scholarship Selection Committee, which reviews student scholarship applications and, for some scholarships, conducts an oral interview.

Scholarship applications are available at www.ivc.edu/finaid in December of each year. Scholarship recipients are selected each spring, with award monies disbursed the following fall upon verification of the student’s enrollment in a minimum of six units. Applicants are notified in May.

Scholarships are also available from sources beyond Imperial Valley College. The following sites may be helpful:

Satisfactory Academic Progress

Continued eligibility for financial aid at Imperial Valley College is dependent upon academic success. Students must maintain a 2.0 GPA or better and complete at least 67% of all coursework attempted, and complete their program within maximum timeframe standards. Failure to meet these standards will result in the loss of all federal and state aid. The BOG Fee Waiver is not subject to this academic progress standard.

Financial Aid Repayment

Federal law requires that all students who receive federal Title IV aid and leave school before completing 60% of the term may be required to pay back some or all of the aid received. Detailed information regarding the return of federal aid is available in the IVC Financial Aid Office or on the college website.
COUNSELING SERVICES
Location: Hector L. Lopez Student Services Center, Building 100, (760) 355-6543

Imperial Valley College counseling services help students with a variety of educational, career, vocational, as well as personal issues/concerns. Students clarify their needs, make decisions, set goals and deal effectively with personal obstacles with the help of counseling faculty. Confidentiality is paramount in the relationship between student and counselor. An individual appointment is necessary for students who wish to meet with a counselor for academic planning, transcript evaluation and career counseling. It is advisable for students to make an appointment to allow sufficient time to have their questions answered on a one-to-one basis. Call (760) 355-6543 for information or to schedule an appointment.

Academic Counseling
Counselors evaluate transcripts from other colleges and explore transfer options/requirements based on a declared major. Counselors work in conjunction with students to develop a personalized comprehensive Student Educational Plan (SEP) via the Internet-based DegreeWorks program.

Career Counseling
Imperial Valley College counselors are trained to provide students with career counseling, but if students wish to perform a comprehensive research, they can enroll in Counseling 100, Personal and Career Development (COUN 100). The course will provide students with personal and career guidance, which includes interest inventories and referrals to off-campus websites to supplement their research.

Personal Counseling
Personal counseling is provided to students upon request; students may also receive psychological services in the Health and Wellness Center. In addition, Imperial valley College offers Counseling 100, College Success Skills (COUN 120), which includes: interpersonal communication, self-awareness, stress management, behavior change, and referral to off-campus resources.

Drop-in Counseling
Drop-in counseling provides students with the opportunity to meet with a counselor on a “first-come, first-served” basis for answers to quick questions. The duration of a drop-in counseling session is a maximum of 30 minutes. The counseling reception will inform you what can be done during a drop-in session (i.e. forms).

Transfer Center
Location: Hector L. Lopez Student Services Center, Building 100, (760) 355-6543

The IVC Transfer Center strives to make your transfer to the university system as smooth and seamless as possible. The Transfer Center provides information and services and sponsors special events for students who are preparing to transfer to four-year colleges and universities. The center provides information about transfer programs and general education requirements and arranges appointments with representatives from four-year colleges and universities. Assistance with online applications for admission to California State University (CSU), University of California (UC), California's Private/Independent and Out-of-State Colleges and Universities is available in the Transfer Center. The Transfer Center sponsors a Spring Semester mini-fair each semester, a College and University Day in the fall semester with representatives from colleges and universities throughout California and out-of-state universities, and conducts workshops on the transfer process.

The Transfer Center also provides counseling and resources for students that include college catalogs, articulation agreements, online computer resources, and transfer counseling.

Disabled Student Programs and Services (DSPS)
Location: Mel Wendrick Access Center, Health Sciences Building, Rm. 2107 (760) 355-6434/6313

The function of the Disabled Student Programs and Services (DSPS) unit is to accommodate for students disabilities regardless of a person’s educational limitations, enabling that individual to participate in the educational experience at Imperial Valley College to achieve their academic and vocational goals.

The students are eligible for accommodations related to their disability under Section 504 of the Rehabilitation Act and the American with Disabilities Act. Any student interested in receiving services must contact the DSPS well before classes start to establish eligibility to insure timely provisions of services. Information can be found on our website: http://www.imperial.edu/students/dsp. Participation in the program is voluntary.

Eligible students who have a verifiable disability may qualify for support services through DSPS. Services are provided to students with physical, learning, vision, hearing, communication, psychological disabilities and other health impairments.

Educational accommodations arranged through the DSPS office include priority registration; counseling, testing accommodations, note takers, interpreters for deaf students, LD assessment, equipment such as print enlargers, tape recorders and other alternate media, adapted computer lab and instruction. Liaison with community agencies is also an important component of the DSPS program. The Workability III program, in collaboration with the Department of Rehabilitation (DOR) offers pre-employment workshops, as well as direct job placement, and post employment follow-up for clients of DOR. The campus is physically accessible.
Extended Opportunity Program and Services (EOPS)
Location: Hector L. Lopez Student Services Center, Building 100, (760) 355-6407

Extended Opportunity Programs and Services (EOPS) is a state funded program designed to provide academic support services to low income and educationally disadvantaged students. EOPS is composed of a group of professionals ready to assist you with the resolution of both academic and personal issues. Our staff is set up to understand the problems of our culturally diverse population and strives to meet student needs that are as diverse as our student population. EOPS services include academic, personal, and career counseling, priority registration, tutoring, book grants, EOPS grants, EOPS work-study positions, assistance with the transfer process, and referrals to campus resources as well as referrals to community agencies that provide resources beneficial to EOPS students. You may submit your application online (located in the college’s website under EOPS) or pick up an application at the EOPS office beginning May 1 for the fall semester and November 1 for the spring semester.

Cooperative Agencies Resources for Education (CARE)
Location: Hector L. Lopez Student Services Center, Building 100, (760) 355-6407

The primary goal of the CARE program is to provide additional support services that ensure the academic success of single parents who also are CalWORKs participants. There is a heavy emphasis on personal counseling and on referrals to community agencies that provide services beneficial to CARE students. The CARE program also provides academic and career counseling, childcare stipends, priority registration as well as all of the services provided to EOPS students. Students applying to the CARE program must also apply to the EOPS program. Further information may be obtained at the EOPS office.

Website: http://www.imperial.edu/students/eops/

CalWORKs Program (CalWORKs)
Location: Hector L. Lopez Student Services Center, Building 100, (760) 355-6407

Imperial Valley College’s California Work Opportunities and Responsibilities to Kinds (CalWORKs) program partners with Imperial County Department of Social Services to provide a number of supportive services to CalWORKs cash aid recipients. Services include college work-study, child care, transportation assistance, help to pay for books and other costs related to the approved Educational Plan along with specialized counseling.

CalWORKs recipient students are encouraged to meet with the IVC CalWORKs Counselor as soon as possible when they come to IVC.

Website: http://www.imperial.edu/students/calworks/

Student Support Services (SSS)
Location: Hector L. Lopez Student Services Center, Building 100, (760) 355-6379

Student Support Services is a federally funded program designed for students who possess the potential and motivation to succeed in college. The primary goal of the program is to provide support and to ensure students the opportunity for the best possible education. Services include, but are not limited to, academic, career and personal counseling; cultural and educational field trips; and workshops.

Website: http://www.imperial.edu/students/eops/
VETERANS SERVICES

Veterans Services are located within the Hector L. Lopez Student Services Center, Building 100, (760) 355-6543

Montgomery G.I. Bill Education Benefits
Imperial Valley College (IVC) is approved by the Veterans’ Administration to offer eligible veterans and their dependents military service connected benefit programs leading to an Associate degree or transfer to a four-year institution. The Department of Veterans Affairs (DVA) administers several educational assistance programs for which basic eligibility may vary. Generally, only the DVA can determine an applicant’s eligibility for educational assistance.

All persons receiving educational benefits must personally contact the Veterans Counselor after enrollment every semester to continue benefits. In addition, a Student Educational plan (SEP) must be on file by the end of the first semester. This plan must be developed and reviewed by an academic counselor.

Priority Registration
As our way of saying thanks for serving our country, Veterans receive priority registration by completing the Priority Registration Form. This form is available by contacting the Veterans’ Counselor or on IVC’s Veterans’ website: http://www.imperial.edu/index.php?pid=4884.

Military Credit
Veterans can receive credit for HE 100 (2.0 units) and PE 110 (2.0 units) by presentation of the DD214 to the Veterans Counselor and registering for the courses.

Veterans can also receive up to 16 units for education experience in the Armed Services. For more information please refer to this website: www.militaryguides.acenet.edu or see the Veterans’ Counselor.

Disabled Veterans
Veterans who qualify for educational benefits as disabled veterans may be entitled to special educational benefits. Veterans should visit the DVA Regional office, 8810 Rio San Diego, CA 92108 to determine their eligibility for disabled status. Veterans with disabilities are encouraged to investigate services offered through IVC’s Disabled Students Programs and Services.

Veterans’ Dependents – War Orphans
Students who are children or widows of veterans who died as a result of military service or are dependents of veterans who were totally disabled as a result of war service (or peacetime military service since September 16, 1940) may be eligible for assistance from the Veterans Administration or the State of California. Inquiries regarding these benefits should be made through the DVA Regional Office.

Student Liability
The veteran/dependent student assumes full liability for any overpayment of veteran’s education allowance benefits. The final responsibility for monitoring the process of qualifying for educational benefits rests with the individual applicant. Failure to take the proper classes can result in the reduction or termination of benefits.

Veteran/Dependent Student Lack-of-Scholastic Progress
Students will not be certified for enrollment if placed on Scholastic or Lack-of-Progress Dismissal status. If you have previously been placed on Scholastic Probation and have a cumulative grade point average of less than 2.0 in the last two consecutive semesters of enrollment and are eligible for certification of Veteran Benefits, you will be dismissed at the end of each semester as a veteran student (lose veteran certification) as required under Veterans Administration approval criteria regulations.

Students who have previously been placed on Lack-of-Progress Probation and have 50% or more enrollment grades of “W”, “I”, or “NP” recorded in the last two consecutive semesters of enrollment will be dismissed at the end of each semester as a veteran student (lose veteran certification) as required under Veterans Administration approval criteria regulations.

Tutorial Services
Tutorial services are available to all veterans who meet established VA criteria.

Transcripts
All official transcripts of prior college work and military schools must be on file in the Records Office by the end of the first semester of attendance at this college. Certification for benefits for the second semester will be withheld if transcripts are not received. See the Veteran’s Counselor for necessary forms.

Units Required for Entitlement of Benefits
The following number of units are required each semester to certify students for educational and training allowances. Short-term courses are computed proportionately for payment purposes. Please see the Veterans Counselor for more information. *Chapters 32 and 106 only.

12 units or more full allowance
9 - 11.5 units three-fourths allowance
6 - 8.5 units one-half allowance
2 - 5.5 units one-fourth allowance*
Post 9/11 (Chapter 33) entitlements differ. Please see the Veteran’s Counselor for more information.

Repeated Classes
By district policy, the veteran is eligible to repeat courses in which a “D” grade has been received; however, the course may be certified for benefits only if a grade of “C” or better is earned towards a degree or other necessary prerequisites are met.

Winter/Summer Sessions
Veteran benefits are also available for the winter/summer sessions. Contact the Veterans Counselor for more information.

Withdrawal/Change of Classes
Veterans are required to notify the campus Veteran’s Counselor when they stop attending class, withdraw from the college or add or drop a class. Such changes should be reported immediately after filing an official withdrawal. Failure to comply with this regulation will be grounds for decertification.
ONLINE SERVICES AND DISTANCE EDUCATION

Student Email
Students are automatically provided a username@students.imperial.edu email account shortly after submitting their CCCApply application to the college. Usernames are assigned automatically (customized names are not provided), and accounts will remain available even after the student has completed their studies at the college. When the account is created, the password will automatically be synced with your current WebSTAR password. Students can change their email password by updating their WebSTAR password (your email password should be updated in 5 minutes or less automatically).

You can login to your account by visiting: www.outlook.com. Once a student has logged into their student email account, they can setup email forwarding so that copies of their student email can also be sent to a personal email address.

For the most current information about how to use your student email account, please log on to: my.imperial.edu/student-email (your Student ID and WebSTAR password will be required).

Important Notice: This address will be the primary email address we’ll use to contact you while you are studying at Imperial Valley College (this includes all Financial Aid contacts). You will also be required to use this account for a number of new services we will be launching in the near future for students. Students are expected to check their email on a frequent basis in order to stay current with college-related communications. Students have the responsibility to recognize that certain communications may be time-critical. The best strategy is to get accustomed to checking your student email account at least once a day while you are a student at IVC, especially during critical times such as registration.

Distance Education

Distance Education: Online Courses
Offering an alternative to the traditional classroom environment, the Distance Education program at Imperial Valley College provides students the option to earn college credits via online or hybrid courses. Delivered through the Internet, these courses are either fully online (with class meetings scheduled only for an orientation and for midterm and final exams); or, they are hybrid courses (with a combination of online work and classroom activities). IVC uses the Etudes course management system (CMS) to deliver online classes. All students interested in taking online classes should have access to a computer connected to the Internet, and they should be comfortable navigating online. On-campus computers are available in the library and in various other labs on the main campus. Students enroll in online courses through the regular registration process. Fees and academic credits are the same as they are for traditional face-to-face courses. Please consult the Schedule of Classes for additional details, or visit the Distance Education website at www.imperial.edu/de.

Online Classes
We’ve been building IVC’s DE program since 2005 and we are quite pleased with what we’ve accomplished. Starting out with only 60 online students our first time around—we’ve grown to a massive online community. We are pleased to bring you several online courses and we are working hard to provide our students with even more quality online classes. IVC’s Distance Education Team welcomes you to the future of online learning!

Distance Education Counseling
Online counseling is available for IVC students taking online courses. Services are provided by: Ralph Marquez, Distance Education Counselor, email: ralph.marquez@imperial.edu, Office/Phone: Hector L. Lopez Student Center, Building 100, (760) 355-6253.
ADDITIONAL RESOURCES AND CENTERS FOR STUDENTS

Athletics
Intercollegiate competition is held in a variety of sports. IVC competes in the Pacific Coast Athletic Conference. The Pacific Coast Athletic Conference includes Grossmont, Mira Costa, Palomar, San Diego City, San Diego Mesa, San Diego Miramar, Cuyamaca, and Southwestern Colleges.

Bookstore and College Center
The college bookstore is maintained by the district through a lease arrangement with a private company. All college textbooks and necessary supplies are available. The College Center building contains an eating and social venue. It also has a snack and coffee bar that sells refreshments and meals to students, staff and the general public.

Child Development Centers
The Preschool and Infant/Toddler centers are demonstration lab programs that meet the educational, research, and service needs of the institution and community at large. The Preschool program (children 3.5-5 years of age) and the Infant/Toddler program (newborn-three years of age) is located in buildings 2200 and 2300. Service is available to families who meet the California Department of Education qualifications for enrollment. The centers are open Monday-Friday from 7:15-5:30. Breakfast, lunch and snack are provided through the California Adult and Child Food Program.
Location: Buildings 2200 and 2300. Phone: (760) 355-6528 or (760) 355-6232.

Community Service Classes
Community service classes are offered as fee-based courses in areas of public and community interest including on-line classes. Community service classes include traffic school, motorcycle safety, foreign language, computers and other general areas of interest. Community service classes are open to everyone and are supported by class fees. See the current Imperial Valley College Class Schedule for community service courses or go online at www.imperial.edu/community.

Exercise Science, Wellness, and Sport Program
IVC strongly believes in the efficacy of health education for all despite age, sex, or physical condition, a class is available and appropriate to the physical performance level of each student.

Exemptions may be granted for:
• Physical condition (medical excuse required).

Upon petitioning for graduation, a student must show a minimum proficiency in the following:
• Successful completion of PE 100 plus one elective PE activity unit (3.0 units required).

Students in physical education activity classes are required to dress appropriately. Appropriate dress for activity classes includes tennis shoes, shorts, sweat pants or jogging apparel, and tee shirts or a similar top for vigorous activity.

IVC Honors Program
The Imperial Valley College Honors Program is designed for a diverse community of motivated students who have a passion for learning and the desire to expand their personal and academic horizons. The Honors Program stimulates and nurtures the curiosity of its students and makes it possible for the students to examine concepts and topics beyond customary coursework and programs. Honors students have the opportunity to work closely with faculty in designated Honors courses through various independent study programs designed to enhance regular classroom objectives. The Honors Program provides an enthusiastic learning community of faculty and students.

Non-Credit Education
Non-credit education is an alternative instructional delivery system. It increases the access for students with diverse backgrounds. Non-credit instruction provides opportunities for students to improve their earning power, literacy skills, and access to higher education. Non-credit courses are designed to provide life-long learning opportunities in three primary instructional areas including:

1. Literacy: includes adult basic education and English as a Second Language.
2. Workforce Preparation: includes short-term career technical education.
3. Family and Community Education: includes instructional offerings in areas that provide family, health, and life skill development.

Non-credit courses are open to California residents over the age of 18 and are free. See the current Imperial Valley College Class Schedule for non-credit courses or go online at www.imperial.edu/community.
Student Activities
Student affairs are governed by the Associated Student Government of Imperial Valley College. Those students who are socially inclined will find an opportunity for the development of their interests in clubs and the social affairs of the year. Others who are interested in athletics will benefit from a variety of intercollegiate sports and those who are interested in music, publications, or student government will find many opportunities for participation in these activities.

Student Health Services
As an Imperial Valley College student: Your pre-paid semester health fee entitles you to Student Health Services. Pioneers Memorial Healthcare District was selected as the provider for Student Health Services and offers basic health services with an emphasis on health prevention and education programs.

To access the services offered, every student must 1) bring a current IVC Identification Card, 2) bring a current copy of WebSTAR classes, and 3) inform the healthcare staff you are a student at IVC. All students are strongly encouraged to carry outside insurance coverage for situations or issues not covered by Student Health Services. Student can receive services at the following locations:

**STUDENT HEALTH SERVICES**

Services only provided at the following locations

Student Health Center (SHC on campus)
380 East Aten Road, Building 2100 Health Science
Imperial, CA 92251
(760) 355-6310
8:30 – 4:30 Mon–Thurs. (tentatively)
8:30 – 12:30 Fri

Calexico Health Center (CHC)
450 East Birch St.
Calexico, CA 92231
(760) 768-6262
3pm until midnight Mon – Fri
1pm until midnight Sat & Sun

El Centro – Clinicas de Salud del Pueblo
651 Wake Avenue, Suite A
El Centro, CA 92243
(760) 352-2257
Normal Business Hours Mon – Fri

Occupational Health Center (OHC)
751 West Legion Road, Suite 103
Brawley, CA 92227
(760) 351-4400

Pioneers Memorial Hospital
Emergency Room (ER)
207 West Legion Road
Brawley, CA 92227

**Times of operation are subject to change.**

IN CASE OF EMERGENCY
If you have a life-threatening illness or injury that requires an ambulance, call 911 immediately. Emergency costs are not covered by Student Health Services.

The Student Health Fee allows students to receive health services on campus and at various health centers in the community. The fee is not related to health insurance and is required whether or not students choose to use the Center. The Board of Governors (BOG) fee waiver will not cover this fee. Students receiving a BOG will need to pay the fee. Exemptions from the fee may be granted for the following:

- Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization.
- Students who are attending IVC under an approved apprenticeship training program.

Work Experience
Work Experience is a cooperative educational program between Imperial Valley College and community employers. The college provides the organization, the coordination of class facilities, and the personnel for the program. The employers provide places to work (workstations) and on-the-job training which has educational value for the students. The unit of credit earned may be used to meet some of the graduation requirements in selected programs.
Spencer Library and Media Center

Location: Building 1500.
Circulation Desk: (760) 355-6490.
Reference Desk: (760) 355-6445.

Spencer Library
The Imperial Valley College Spencer Library provides students, faculty, and staff a wealth of information resources including books, e-books, and databases including many full-text journals, as well as print newspapers and journals. A web-based public access catalog allows users to search for book and e-book holdings. Printers and copy machines area available for student use for a reasonable fee. Students and faculty must present a valid IVC ID card to borrow materials. Reference librarians are available to help students locate the information they need for their classes.

Library Computers
Computer workstations in the library provide currently enrolled students access to the Internet, student email, research database, and Microsoft software. The computer facilities in the library are for education and research purposes only.

Library Policies
Spencer Library policies, services, and hours are described in detail on the library website at: http://www.imperial.edu/library.

Media Center
Location: Building 1500, (760) 355-6378
The Spencer Library Media Center offers resources in a variety of formats - print, web-based, microfilm, video, and CD. Over 50,000 books, 425 periodicals and newspapers, web-based subscription article databases, historical runs of periodicals on microfilm, and several hundred video tapes and musical CDs are available. Computers are available to access the Library’s online catalog, databases, the web, and eBooks. Librarians and staff members are available to provide students with reference assistance and other library services. The Library is a member of the Serra Library System, the San Diego and Imperial Counties Community Colleges Learning Resources Consortium (SDICCLC), and the Online Computer Library Center (OCLC), which is used to obtain library material not owned locally through interlibrary loan. Information about the Library and access to the online catalog and subscription databases are available through the Library’s link on the IVC home page.

Centers for Students

Learning and Tutoring Services Centers
Learning Services includes the Study Skills Center, the Reading/Writing Lab, the Language Lab, the Business Lab, and the Math Lab. These are open to Imperial Valley College students and faculty. The Study Skills Center provides comprehensive learning assistance programs through tutorial programs, workshops, and test proctoring. Services are available during daytime and evening hours. The tutorial program provides free tutoring for a large variety of courses to all students currently enrolled at IVC. The primary goal of the program is to encourage and assist students in the development of their potential as independent learners. The tutorial program provides individual and group tutoring, ESL conversation classes, individual and group study rooms, study skills and workshops, computer terminals, and television sets equipped with VCR and DVD. Tutoring is provided by appointment and walk-in basis. The tutors are students who have previously excelled in their own coursework and have the recommendation of their instructor. IVC faculty members also form part of our tutors.

Business Division Computer Labs
Location: Room 2610, (760) 355-6451
The Business Division maintains a multimedia computer lab for students. Room 2610 is an open lab and has 30 computer workstations. Accounting, computer information systems, programming, office administration, economics, management, and marketing courses are supported as well as other courses across campus. The lab has current software applications and Internet access.

Tutorial Services
Location: Room 1511, (760) 355-6384
If you need help in any of your classes, check with Tutorial Services for help. Free tutoring is available to all students on a walk-in basis in the Library. Tutors in various subjects are available throughout the day for small-group tutoring without an appointment. There is also one-on-one tutoring available to EOPS and SSS students. Come see us early in the semester, so we can help you. Workshops are also offered in study skills, test taking, note taking, and using the library effectively.

Learning Center
Location: Room 1511, (760) 355-6390
An individualized course of study in any discipline using classroom materials or materials available in the Spencer Library Media Center.

Pauline Benoit Rice IVC Language Lab
Location: 2600 Building, (760) 355-6292
All students enrolled in foreign languages, English as a Second Language, or speech classes can use individual multimedia learning experiences as a supplement to formal class instruction. Lab classes provide students with an intensive language exposure.

Jean Raulston Reading/Writing Lab
Location: 2600 Building, (760) 355-6391
Diagnosis of reading and writing problems by instructors and para-professional tutors is followed by programmed and individualized instruction and supervision in the remediation of these weaknesses. Grammar modules, computers, workbooks, and other resources are used under the supervision of trained staff members in order to improve vocabulary, comprehension and speed of reading, and to make the student a more competent reader and writer.

Math Lab
Location: Room 2500, (760) 355-6190
The primary purpose of the Math Lab is to help students in basic math, beginning algebra and intermediate algebra. The lab has 48 workstations equipped with multi-media learning resources: computers, DVD players, and VCRs. In addition, study rooms and reference books are available. Tutors are available to assist students during the time the Math Lab is open.
COLLEGE POLICES, RULES AND REGULATIONS
Limited English speaking students, who are otherwise eligible, will not be excluded from any vocational education program.

The coordinator for Imperial Valley College’s compliance with Section 504 of the Rehabilitation Act of 1973 is the Associate Dean of Human Resources, Mr. Travis Gregory, P.O. Box 158, Imperial, CA 92251, (760) 352-8320, Ext. 6212, TTY (760) 355-4174. The Title IX officers for Imperial Valley College are Mr. Russell Lavery, Ext. 6202, and Ms. Olga Artechi, Ext. 6264, P.O. Box 158, Imperial, CA 92251, (760) 352-8320.

Family Educational Rights and Privacy (FERPA)

Release of Information
The Imperial Community College District (ICCD) releases directory information regarding current or former students unless students have specifically requested that directory information be kept confidential.

ICCD designates the following as directory information: name, address, phone number, class schedule, dates of attendance, major field of study, awards and degrees received, most recent institution attended, participation in official college activities and sports, weight and height of members of athletic teams, part-time or full-time enrollment status, and photographs.

In completing the admission application, students are provided the opportunity to request that their directory information be maintained as confidential. Students, who wish to change their request, may do so in writing to the Admissions and Records Office at any time to become effective within five to ten working days.

Right to Inspect and Review Records
All currently enrolled or former students have a right to inspect and review all student records relating to them. Student record is defined according to the Family Educational Rights and Privacy Act (FERPA). Students must submit written requests identifying the record(s) they wish to inspect to the Admissions and Records Office.

Access shall be granted no later than 15 school days following the date the written request is received. Within the same 15 school days, the student will be notified of the location of all official student records if not centrally located and qualified personnel will be made available to interpret records where appropriate.

Right to Request Amendment of Student Records
Students may file a written request with the Superintendent/President to correct or remove information recorded in their student records which they allege to be: (1) inaccurate; (2) an unsubstantiated personal conclusion or inference; (3) a conclusion or inference outside of the observer’s area of competence; or (4) not based on the personal observation of a named person with the time and place of the observation noted.
Within 30 calendar days of receipt of such request, the Superintendent/President, or his designee, shall meet with the student and the employee who recorded the information in question, if such employee is presently employed by the District. The Superintendent/President, or his designee, shall then sustain or deny the allegations.

If any or all allegations are sustained, the Superintendent/President, or his designee, shall order the correction or removal and destruction of the information. If any or all of the allegations are denied, the student may appeal the decision in writing to the Board of Trustees within 30 calendar days of the denial.

Within 30 days of the receipt of an appeal, the Board of Trustees shall, in closed session with the student and employee who recorded the information in question, if presently employed by the District, determine whether to sustain or deny the allegation(s). If the Board sustains any or all of the allegations, it shall order the immediate correction or removal and destruction of the information. The decision of the Board shall be final.

Records of these administrative proceedings shall be maintained in a confidential manner and shall be destroyed one year after the decision of the Board, unless the student initiates legal proceedings relative to the disputed information within the prescribed period.

If the decision of the Board is unfavorable to students, or students accept an unfavorable decision by the Superintendent/President, they shall have the right to submit a written statement of their objections which shall become part of their student record until such time as the information to which the objection is made is corrected or removed.

Disclosure of Education Records
The District may permit access to student records to any person for whom the student has executed written consent specifying the records to be released and identifying the party or class of parties to whom the records may be released.

The District may not permit access to student records to any person without the written consent of the student or under judicial order except:

1. To officials and employees of the District who have a legitimate educational interest to inspect a record.
   *A school official is:*  
   ▪ A person employed by the District in an administrative, supervisory, academic, research, support staff, or security position;  
   ▪ A person elected to the Board of Trustees;  
   ▪ A student government officer conducting student elections;  
   ▪ A person employed by or under contract to the District to perform a special task, such as the attorney or auditor.

   School officials have a legitimate educational interest if they are:  
   ▪ Performing a task that is specified in their position description or by a contract agreement;  
   ▪ Performing a task related to a student’s education;  
   ▪ Performing a task related to the discipline of a student;  
   ▪ Providing a service or benefit relating to the student such as health care, counseling, job placement or financial aid.

2. To officials of another school or school system, upon request, in which a student seeks, intends, or is directed to enroll, including local, county or state correctional facilities where educational programs are provided;

3. To certain officials of the U.S. Department of Education, the Comptroller General, and state and local educational authorities, in connection with certain state or federally supported education programs;

4. In connection with a student’s request for, or receipt of, financial aid, as necessary to determine the eligibility, amount or conditions of the financial aid, or to enforce the terms and conditions of the aid;

5. To other state and local officials or authorities to the extent that information is specifically required to be reported pursuant to state law adopted prior to November 19, 1974;

6. To organizations conducting certain studies for, or on behalf of, the College;

7. To organizations conducting studies for, or on behalf of, educational agencies or institutions for the purpose of developing, validating, or administering predictive tests, student aid programs, and improving instruction;

8. To accrediting organizations in order to carry out their accrediting functions;

9. To comply with a judicial order or a lawfully issued subpoena;

10. To appropriate persons in connection with an emergency if the knowledge of that information is necessary to protect the health or safety of a student or other persons;

11. To an alleged victim of any crime of violence that results in an institutional disciplinary proceeding against the alleged perpetrator of that crime, with respect to that crime.

Right to File Complaints with the Department of Education
Imperial Valley College students have the right to file complaints with the U.S. Department of Education concerning alleged failures by the College to comply with the Family Educational Rights and Privacy Act. Written complaints should be directed to The Family Policy Compliance Office, U.S. Department of Education, 600 Independence Avenue SW, Washington, DC 20202-4605; (202) 260-3887; FAX (202) 260-9001.
Access Log
A log or record shall be maintained for each student’s record that lists all persons, agencies, or organizations requesting or receiving information from the record and their legitimate interests. The listing need not include any of the following:

- Students seeking access to their own records;
- Parties to whom directory information is released;
- Parties for whom written consent has been executed by the student;
- Officials or employees having a legitimate educational interest.

The log or record shall be open to inspection only by the student, the Chief Admissions and Records Officer or his/her designee, and to the Comptroller General of the United States, the Secretary of Education, an administrative head of an education agency, and state educational authorities as a means of auditing the operation of the system.

Changes in the Catalog
Any regulation adopted by the administration of Imperial Valley College shall have the same force as a printed regulation in the catalog and shall supersede, upon appropriate public announcement, any ruling on the same subject which may appear in the printed catalog or official bulletins of the college.

A student may be graduated under the catalog in effect at the time of initial enrollment provided a continuous enrollment status is maintained during each semester (excluding winter and summer sessions).

Campus Regulations
A speed of 10 mph on campus must be strictly observed. All non-district, self-propelled and/or any motor driven means of movement, other than wheelchairs, are prohibited from using campus sidewalks and playing courts.

Imperial Valley College is a tobacco and smoke-free campus.

Courseload Limits
An average course load of 15-16 units each semester or term is necessary for a student to graduate within a two-year period. Students may carry a maximum of 19 units without restriction. A student who wishes to exceed the 19-unit maximum limit must file a petition for “Excess Unit” form. Petitions are available in the Hector J. Lopez Student Services Center, Building 100, and must be submitted to the Admissions and Records Office.

The Imperial Community College District does not specify a minimum load except when the student must meet certain eligibility requirements for financial aid, student employment, Social Security certification, veterans enrollment certification, insurance eligibility, international student status, athletic eligibility, or other special programs. Eligibility for veteran’s benefits requires enrollment in the required units for each week of the certification period. The load requirement is as follows:

- Full-time: 12 or more units
- Three-quarter time: 9-11.5 units
- One-half time: 6-8.5 units

Basic Skills Coursework Limit
Courses in the basic skills category include those courses that are non-degree applicable in writing, special services, and mathematics. In most cases students may not enroll in more than 30 semester units of basic skills coursework.

The following courses are exempted from this limitation:
1. English as a Second Language
2. Certain DSPS courses associated with Learn Disabilities.

The college may grant a waiver to the 30-unit basic skills course limitation to any student who demonstrates significant and measurable progress toward the development of the skills needed for successful enrollment in college level courses. Waivers are given only for specified periods of time or specified numbers of units. Students who have exhausted the unit limitation will be referred to appropriate noncredit education programs. For waivers or further information regarding this policy, students should contact the Admissions and Records Office.

Class Attendance
An instructor may drop students who fail to attend the first meeting of any class for which they have officially enrolled unless prior arrangements have been made with the instructor. Instructors may also drop a student from a class for excessive absences, defined as the number of continuous, unexcused absences exceeding the number of hours the class meets per week. Be aware, it is always the student’s responsibility to withdraw officially from classes. In no case should students presume they have been dropped by the instructor.

Proficiency Enrollment
Once a student has completed a proficiency in a subject area with a satisfactory grade, he/she may not take a lower proficiency level in that subject area. For example: A student cannot enroll in English 099 (ENGL 099) after having successfully completed English 101 (ENGL 101). (This does not apply to vocational refresher courses.)

Cheating and Plagiarism
Dishonesty in the classroom is considered a very serious offense. Any form of cheating, turning in work which is not one’s own (plagiarism), is grounds for disciplinary action. The consequences of these actions are severe and may include the possibility of expulsion.
Grading System

Grades are based upon the quality of work done; that is, upon actual accomplishment in courses offered for credit. Grades are issued at the end of each term.

<table>
<thead>
<tr>
<th>Grade</th>
<th>Definition</th>
<th>Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Excellent</td>
<td>4</td>

<td>No Pass (less than satisfactory - D or F) Not included in GPA (Formerly CR prior to Fall Semester, 2009)</td>
<td></td>
</tr>
</tbody>
</table>

Grade Point Averaging

The total number of units earned for courses in which a student has earned a grade of A is multiplied by 4. The same type of calculation is done for units earned of B, C, D, and F. The grade point average is then calculated by dividing the total number of grade points earned by the total number of units attempted in which grades of A, B, C, D, and F were assigned.

Grades for repeated courses will be included or excluded as indicated in the Course Repetition policies.

In calculating students' degree applicable grade point averages, grades earned in non-degree applicable courses shall not be included.

Non-Evaluative Symbols

I Incomplete
IP In Progress
RD Report Delayed
W Withdrawal
MW Military Withdrawal

SymbolDefinitions

P/NP Some courses may be taken for P/NP grades only; others may be designated by the appropriate divisions to be taken for either standard letter grades or for grades of P/NP. Students must select this option using the online registration system by the deadline to register for the course.

1. P will reflect the student has earned the equivalent of a grade of C or higher.
2. NP will reflect the student has earned the equivalent of a grade of D or F.
3. P grades are permissible in the student's major field if permitted or allowed by the division or department.
4. Students applying for P/NP grading must adhere to the same class standards or regulations as a student receiving a standard letter grade.
5. If the course in which a P grade is earned is a prerequisite requirement for another course, the grade of P will satisfy the prerequisite requirement.
6. A maximum of 16 units taken on a P/NP basis may be applied toward a degree.

An incomplete contract may be negotiated for UNFINISHED WORK, OTHERWISE PASSING indicating that because of medical or other sufficient reason an important assignment such as a term paper, final examination, or experiment is missing.

An incomplete ("I") grade, which is not made up by the end of the sixth week of the next regular semester, shall be converted to a letter grade. The letter grade shall be used in computing grade point average.

Incomplete symbols should be assigned for academic work under unforeseeable, emergency and justifiable reasons at the end of the term.

In progress "IP" symbol is used only when a course extends beyond the normal end of the academic term. A grade will be assigned at the end of the course.

The "RD" symbol may be assigned temporarily by the Admissions and Records Office when there is a delay in reporting grades due to circumstances beyond the control of the students.

Students may withdraw (drop) courses up to 75% of the term, or the length of the course if short-term. No notation will be made on students' records for drops completed prior to census for the course. Symbols of W shall be recorded for courses dropped on census day through the 75 percent date.

Instructors may drop students for excessive absences up to the 75% date.

Letter grades shall be assigned to students who are not dropped by the 75% date.

Administrative drops may be done after the 75% date for verified extenuating circumstances which are clearly beyond the control of the student such as documented cases of serious accident, illness, or death of an immediate family member.

Drop procedures for students will be established by the Admissions and Records Office and published in the Class Schedule each term.

Military withdrawal occurs when students who are members of an active or reserve U.S. military service receive orders compelling a withdrawal from courses. The MW symbol will be assigned upon receipt of a copy of the student's official military orders.

Symbols of MW will not be used in the calculation of progress probation or dismissal.

Students will maintain "continuous enrollment" status for graduation requirements during their time of absence due to their military orders.

Refunds of fees paid, or reversal of fees still owed, will be made for the term in which military withdrawal occurs.
**Scholastic Honors**

**Graduation Honors**

"With Distinction" is granted to those graduates who, in the course of their entire college work, have achieved a grade point average of 3.5 or higher in degree applicable courses.

"With Honors" is granted to those graduates who achieve a grade point average of 3.0 in their college work in degree applicable courses.

**Credit by Examination**

The Board of Trustees of Imperial Valley College (IVC), in accordance with the provisions of Title 5, Section 55050 (IVC Board Policy BP 4235 6/15/11), authorizes the college to grant appropriate semester unit credit to any student who is currently enrolled and successfully passes an examination administered by an IVC faculty member or authorized personnel. A maximum of 15 units may be used toward graduation through this process. No more than 12 units per semester will be authorized.

Credit by Examination enables a student to receive academic credit by demonstrating mastery of subject matter, previous experience, and training or instruction equivalent to a specific Imperial Valley College course. Each academic division determines which course or courses that the "credit by examination" option may be used to earn academic credit and is responsible for developing and administering an appropriate comprehensive examination. It is the responsibility of the faculty in the discipline who normally teach the course to determine the nature and content of the examination.

Examinations will be comprehensive enough to reflect the appropriate depth and breadth of the material normally covered in the course for which credit is requested. The examination must clearly measure the student's mastery of the course content as listed in the Course Outline of Record. The examination may include oral, written, or skills tests, or a combination of all three, and will be sufficiently comprehensive to determine that the student has essentially the same knowledge and skills as a student who successfully completed the course.

Students wishing to attempt a course via "credit by examination" are encouraged to discuss the matter with a Counselor prior to initiating the formal process. Location: Hector L. Lopez Student Services Center, Building 100, Telephone: (760) 355-6543.

**Transfer Credit**

Imperial Valley College (IVC) grants credit for lower-division units earned at institutions of higher education regionally accredited by the Association of Schools and Colleges and/or hold another accreditation recognized by the Council for Higher Education Accreditation (CHEA).

To be considered for transfer credit, students must request that official transcripts be forwarded directly to the Admissions and Records Office from each institution where courses were taken, or present an official transcript in an unopened envelope sealed by the college/university. Transcripts that have been opened by anyone other than an IVC official will not be considered official and will not be evaluated.

Students should arrange for official transcripts to be received as soon as possible after they decide to attend IVC. In addition, an official evaluation to determine applicability of courses to IVC degree or certificate requirements is essential for effective advisement.

Official transcripts from all institutions attended must be on file and evaluated by the Admissions and Records Office before students apply to receive a degree, certificate, or general education certification to a California university.

Questions regarding specific courses for which a student is seeking transfer credit should be addressed to the Counseling Center or Transfer Center at IVC.

**Credit for Upper Division Course Work**

Transfer credit for upper division courses completed at a four-year college or university will not be granted unless an equivalent course is offered at IVC. To be considered, students must complete a petitioning process requiring the recommendation of a counselor and the Division Chair of the appropriate academic subject area.

**Credit for Correspondence and Extension Courses**

Students may petition to be awarded a maximum of six transfer units for courses completed through correspondence or an extension program. Only lower division courses from regionally accredited institutions will be considered. These units will be applied toward IVC degree or certificate requirements as appropriate.

**Credit for Military Service**

Students who complete at least 180 days of active duty including basic training may receive credit for HE 100 (2.0 units) and PE 110 (2.0 units). Instructions for obtaining the credit will be provided by the Veterans Coordinator in the Financial Aid Office. A copy of the DD214 is required.

Up to a maximum of 12.0 additional units may be awarded for work completed successfully in military service schools beyond basic training as recommended by the American Council on Education in the Guide to the Evaluation of Educational Experiences in the Armed Services.

Students must provide a copy of the DD214 or military service school transcript with a petition for evaluation of military service.

A maximum of 16.0 units will be granted for military service including two (2.0) units each for HE 100 and PE 110, and up to 12.0 additional units for service schools/training completed.

**Credit for Advanced Placement (AP) Examinations**

Credit will be granted for scores of 3, 4, or 5 on exams of the Advanced Placement Program of the College Entrance Examination Board (CEEB) as listed below. Official transcripts sent directly from the CEEB to the Admissions and Records Office is required.

Credit toward an IVC associate’s degree (AA/AS or AA-T/AS-T) will be granted according to the chart below. Credit will be granted only after students are enrolled in classes at IVC. After credit has been awarded, if students successfully complete the same course(s) for which they were granted AP credit, the AP credit will be removed from their transcript. Credit cannot be earned twice for the same course.

Credit for AP Exams differs with each college or university. Although IVC grants credit for AP Exams, there is no guarantee institutions to which students transfer will do the same. Students will need to have their official AP results re-evaluated by the institution to which they transfer.
### 2012-13 and 2013-14 IMPERIAL VALLEY COLLEGE (IVC) ADVANCED PLACEMENT (AP) CHART

Students may earn credit for College Entrance Examination Board (CEEB) Advance Placement (AP) tests with scores of 3, 4, or 5. AP credit can be used to meet IGETC, CSU GE and A.A./A.S. general education (GE) and/or major requirements.

Students must have the College Board send AP exam results to the IVC Admissions and Records office (hand carried copies will not be accepted) for use on the A.A./A.S. or GE patterns.

Course credit and units granted at Imperial Valley College may differ from course credit and units granted by a transfer institution.

</table>

**A.A./A.S.:** Students should be aware that AP test credit is evaluated by corresponding it to an equivalent IVC course, e.g. History 120. A student who received AP credit and then takes the equivalent IVC course will have the unit credit for such duplication deducted prior to being awarded the A.A./A.S. degree. Credit by Advanced Placement exam is noted and listed first on a student’s transcript, with units assigned and no grade.

**CSU GE:** The Advanced Placement examinations may be incorporated in the certification of CSU General Education Breadth requirements by any certifying institution. All CSU campuses will accept that minimum units shown and apply them toward fulfillment of the designated General Education-Breadth area if the examination is included as part of a full or subject-area certification. Please note that individual CSU campuses may choose to grant more units than those specified toward completion of General Education-Breadth requirements.

**IGETC:** AP exams must be used in area indicated regardless of where the certifying CCC's discipline is located.
Credit for College Level Examination Program (CLEP)

Imperial Valley College does not accept the College Level Examination Program (CLEP) as a waiver for the English Placement examination or for credit for General Examinations.

Subject Examination: Each academic department of the college may or may not recognize the Subject Examination if a single examination measures the competency associated with the successful completion of a specific Imperial Valley College course. Generally, however, specific course credit by examination will be attained through the Credit by Examination—Specific Course Credit Policy.

CLEP scores will not be used for general education certification of Intersegmental General Education Transfer (IGETC) requirements. Any credit awarded does not necessarily transfer to other colleges. Students seeking to use CLEP credit for college transfer purposes will need to consult the transfer institution regarding its policy pertaining to CLEP.

No credit will be given to CLEP in any area in which the student has earned college credit prior to completion of CLEP examinations. Credit is awarded upon completion of one semester at Imperial Valley College. Additional information regarding the College Level Examination Program may be obtained in the Counseling Office or IVC General Catalog.

CLEP tests with a minimum score of 50 can be used toward Associate degree general education and elective requirements and CSU admission and general education certification requirements.

Imperial Valley College (IVC) will grant a maximum of 15 units of credit toward the IVC associate degree or certificate for any combination of CLEP General and Subject Examinations that have been completed with an appropriate score. CLEP credit may be used to meet Imperial Valley College graduation requirements, but will not be counted toward the 15 unit residency requirement. Students intending to transfer should be aware that CLEP credits may or may not be accepted by other colleges and universities. Students are advised to meet with a counselor regarding the use of CLEP in the student’s education plan.

UC CLEP Policies: The University of California currently does not accept CLEP examinations.

</table>

1 These units count toward eligibility for admission. The units may not all apply toward certifying for the corresponding CSU GE Breadth area. See CSU Executive Orders 1033 and 1036 for details.

2 Areas of CSU GE Breadth (A-1 through E) are defined in CSU EO 1033. Areas F American Institutions (US-1 through US-3) are set forth in Sections 1A and 1B or CSU EO 405, and at www.ASSIST.org.

3 If a student passes more than one CLEP exam in the same language other than English (e.g., two exams in French), then only one examination may be applied to the baccalaureate. For each exam in a language other than English, a passing score of 50 is considered “Level I” and earns nine quarter units of baccalaureate credit; the higher score listed for each exam is considered “Level II” and earns additional units of credit and placement in area C2 or GE Breadth, as noted.
Credit from Foreign Institutions
Students seeking evaluation of course work completed at a foreign post-secondary institution must provide a transcript and evaluation completed by an approved evaluation and translation service. Information regarding recommended evaluation service companies is available in the Counseling Center and the Admissions and Records Office.

If granted, the courses and grades remain on the student's transcript, but are annotated as excluded from the calculation of the GPA due to academic renewal.

Academic renewal applies to grades of D and F only. A maximum of 30 units may be excluded.

Only courses completed at Imperial Valley College (IVC) may be academically renewed by this institution.

Grades of D which have been used to fulfill requirements for a degree or certificate already earned cannot be academically renewed.

Courses for which grades and units have been academically renewed will not be used to meet certificate or degree requirements.

Students may petition for academic renewal one time only; once granted, academic renewal may not be reversed.

Institutions to which students transfer may or may not honor academic renewal granted by IVC.

Requirements
1. Two or more years must have passed since the last grade requested for academic renewal was earned.
2. One of the following minimum cumulative GPAs must have been earned for all courses taken at all colleges or universities attended since the last grade requested was awarded. All grades and units (including repeats) earned between that term and the date of academic renewal will be used for unit and GPA calculation.
   - 15 graded semester units* 3.00 GPA
   - 20 graded semester units* 2.50 GPA
   - 30 graded semester units* 2.00 GPA

*For Academic Renewal purposes "graded" units do not include marks of W, I, MW, or grades of CR, P, NC, NP.

Foreign Transcripts
Imperial Valley College does not evaluate foreign transcripts. A student may request the foreign transcript be evaluated by:

International Education Research Foundation, Inc.
P.O. Box 66940
Los Angeles, CA 90066
www.ierf.org

By student petition, Imperial Valley College may accept lower division course work recommended by I. E. R. F. when appropriate for associate degree consideration only.

Academic Renewal
Academic Renewal is a policy to exclude grades of D or F from the calculation of a student's grade point average (GPA), without repeating the courses, because they are not reflective of the student's true academic ability.

Attendance and Administrative Withdrawals
A student who fails to attend the first meeting of a class or does not complete the first mandatory activity of an online class will be dropped by the instructor as of the first official meeting of that class. Should readmission be desired, the student's status will be the same as that of any other student who desires to add a class.

Regular attendance in all classes is expected of all students. A student whose continuous, unexcused absences exceed the number of hours the class is scheduled to meet per week may be dropped. For online courses, students who fail to complete required activities for two consecutive weeks may be considered to have excessive absences and may be dropped.

Absences attributed to the representation of the college at officially approved events (conferences, contests, and field trips) will be counted as excused absences.
Voluntary Withdrawal

A student who is required to withdraw from college because of extenuating circumstances must contact the Admissions and Records Office for the procedures to be followed. (See "Withdrawal grades")

Probation - Dismissal - Reinstatement

Probation is a system of monitoring student progress in order to identify students who are experiencing difficulty in making satisfactory progress toward an appropriate educational objective, and providing special assistance to students in reassessing their educational objectives and guiding them to accomplish these goals. Students who are placed on probation will be identified prior to the beginning of the next term and will be referred to the Counseling Center.

Scholastic Probation

Students who have attempted 12.0 or more units at Imperial Valley College (IVC) as shown on their transcript will be placed on academic probation if the cumulative grade point average is below 2.00 for all grades earned at IVC. Students will be removed from academic probation when their cumulative grade point average at IVC is 2.00 or higher.

Scholastic Dismissal

Students on Scholastic Probation will be dismissed if they earn a cumulative grade point average of less than 1.75 in all units attempted in each of three consecutive semesters of enrollment, excluding winter and summer terms. Students who are dismissed will not be allowed to take classes the following Semester. They will be required to meet with a counselor to develop a corrective plan of action as soon as they have been notified of their dismissal status.

Lack-of-Progress Probation

Students who have attempted 12.0 or more units at Imperial Valley College (IVC) as shown on their transcript will be placed on Lack-of-Progress Probation when the percentage of all units attempted for which symbols of W, I and NP (and former grade NC) are earned at IVC reaches 50 percent or more. Students will be removed from Lack-of-Progress Probation when the percentage of all units attempted at IVC for which symbols of W, I and NP (NC) are earned drops below 50 percent.

Lack-of-Progress Dismissal

Students who have earned Lack-of-Progress Probation for three consecutive semesters, excluding winter and summer terms, will be dismissed. Students who are dismissed will not be allowed to take classes the following semester. Students will be required to meet with a Counselor to develop a corrective plan of action as soon as they have been notified of their dismissal status.

Reinstatement

Students seeking reinstatement after scholastic or lack-of-progress dismissal must submit a petition for reinstatement to the Office of Admissions and Records. Petitions may be acted on by the Director of Admissions and Records or referred to the Admissions, Registration and Petitions Committee for consideration. Decisions made by the Committee are final.

Student Conduct

It is assumed that the entry of a student into Imperial Valley College constitutes the student's acceptance of the Standards of Student Conduct and the regulations published by the college.

The complete Standards and Procedures may be found in the Handbook for Faculty Advisors and Student Leaders, which is available in the Office of Student Affairs or http://www.imperial.edu/students/student-affairs/

Standards of Student Conduct

Imperial Valley College is maintained for the purpose of providing students in the community with programs of instruction in higher education. The College is concerned with the fostering of knowledge, the search for truth and the dissemination of ideas. Free inquiry and free expression are indispensable to the achievement of these goals. As members of the College community, students are encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth. Students at Imperial Valley College may rightfully expect that the faculty and administration will maintain an environment where there is freedom to learn. This requires that there be appropriate conditions and opportunities in the classroom and on campus. As members of the College community, students shall be encouraged to develop the capacity for critical judgment and to exercise their rights to free inquiry and free speech in a responsible, non-violent manner.

Students shall assume an obligation to conduct themselves in a manner compatible with the college's function as an educational institution. Students shall observe the rules and regulations of the College and shall refrain from conduct which interferes with the College's teaching and administration, or which unreasonably interferes with the rights of others. Misconduct while on the college campus or at a College-sponsored function for which students and student organizations are subject to disciplinary action includes, but is not limited to, the following:

1. Willful disobedience to lawful directions of College officials acting in the performance of their duties.
2. Violation of College rules and regulations, including those concerning student organizations, the use of College facilities, or the time, place and manner of public expression or distribution of material.
3. Dishonesty, such as cheating, or for knowingly furnishing false information to the college.
4. Willful persistent smoking where smoking has been prohibited.
5. Unauthorized entry to, or use of College facilities.
6. Forgery, alteration, or misuse of College documents, records, or identification.
7. Disruption of classes, administration, disciplinary procedures or authorized College activities.
8. Theft of, or damage to property belonging to the College, a member of the College community, or campus visitor.
9. Disorderly, lewd, indecent, or obscene conduct or expression.
10. Assault, battery, or the threat of force or violence directed toward any member of the College community or campus visitor.

11. Unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance and possession, use, or distribution of alcohol.

12. Possession, while on the College campus or at a College sponsored function, of any instrument or weapon of a kind commonly known as a blackjack, fire bomb, billy club, brass knuckles, dagger, or firearm (loaded or unloaded) such as a pistol, revolver, or rifle, or any knife having a blade longer than five (5) inches, any switch-blade longer than two (2) inches, or any metal pipe, bar, or instrument used, or intended to be used as a club, or to be used to threaten bodily harm.

13. Commission of any crime on campus, or commission of a crime off-campus, when such off-campus crime is of such a nature that the College needs to impose sanctions in addition to those imposed by the criminal authorities for the protection of other students, or to safeguard the academic process.

Violation of such rules are subject to the following types of disciplinary actions.

1. Warning.
2. Reprimand.
3. Disciplinary action.
4. Restitution, reimbursement for damage or misappropriation of property.
5. Suspension or removal by instructor.

The complete policy on Standards of Student Conduct, Disciplinary Action, and Due Process can be found in the Handbook for Faculty Advisors and Student Leaders in the Student Affairs Office or https://www.imperial.edu/students/student-affairs/policies/student-complaint-policy.

Imperial Valley College

Student Complaint Policy

The purpose of these procedures is to provide a prompt and equitable means for resolving student complaints. A complaint is defined as an actual or supposed circumstance that adversely affects the grades, status, or rights of a student. Complaints concerning course grades are permitted to the extent that such complaints allege mistake, fraud, bad faith or incompetency as set out in Education Code Section 76224 (a).

A student who contends that he/she has been treated unfairly has the right without fear of reprisal to right an alleged wrong. This complaint policy applies to unfairness as it relates to areas such as, but not limited to: assignment of grades; deviation from course content; access to classes; and, refusal of instructor to confer with a student.

This policy does not apply to:
1. Student Code of Conduct issues.
2. Allegations of discrimination based on race, color, national origin, sex (including sexual harassment), disability, or age in any of its policies, procedures, or practices, in compliance with Title VI of the Civil Rights Act of 1964 (pertaining to race, color or national origin), Title IX of the Education Amendments of 1972 (pertaining to disability) and the Age Discrimination Act of 1975 (pertaining to age). For complaints of this nature, please refer to the Discrimination Complaint Form.

For a clarification regarding student conduct issues of discrimination issues, the student may contact the Dean of Student Development and Campus Events, the Director of Disabled Student Programs and Services, or Title IX Officers.

Informal Resolution

A complaint must be initiated within twenty (20) instructional days of the alleged act or decision. If the alleged circumstance or act occurs during the last twenty (20) instructional days of the Spring semester, the complaint must be made prior to the end of the third Friday of the fall semester.

Step 1 Discuss the problem with the individual involved or his/her counselor.

Step 2 If a mutually satisfactory understanding has not been reached with the other person, the student may, within five (5) days, present the complaint to the immediate supervisor.

If Complaint is About: Contact
Classified Staff Dean of Human Resources
Faculty Instructional or Student Services Dean
Department Chair Instructional Dean
Instructor Dean, Vice President or President
Adminstrator Dean of Student Development and Campus Events
Another Student

If an informal resolution does not occur within ten (10) instructional days of the supervisor’s response, a student may submit a complaint form (form may be found at the back of the handbook) to the Vice President for Academic Services regarding academic matters, or the Dean of Student Development and Campus Events regarding non-academic matters.

Formal Resolution

Step 3 If an informal resolution does not occur within ten (10) instructional days of the supervisor’s response, a student may submit a complaint form to the Vice President for Academic Services, the Vice President for Student Services or the Dean of Student Development and Campus Events will respond in writing to the complaint within ten (10) instructional days of receipt of complaint.

Student Complaint forms are available from:
Dean of Student Development and Campus Events Bldg. 1000
Director of Disabled Student Programs and Services Bldg. 2100
Title IX Officer Bldg. 100
And Online at https://www.imperial.edu/students/student-affairs/policies/student-complaint-policy
Step 4 If a student is not satisfied with the decision made by the Vice President for Academic Services or the Vice President for Student Services or the Dean of Student Development and Campus Events, a student may request a hearing within five (5) instructional days of that decision.

Academic matters will be heard by the Admissions, Petitions and Registration Committee. Non-Academic Matters will be heard by the Student Affairs Committee.

Any committee member who has a direct involvement with the complaint shall be excluded from reviewing that complaint or participating in any manner in the determination of the ultimate outcome of that complaint.

Step 5 Hearing Procedures

a. The appropriate committee will meet within (10) instructional days of the request for a hearing. The Dean of Student Development and Campus Events shall notify all parties involved and each committee member of the date, time, and place of the hearing.

b. The student shall bear the burden of proving the allegations of his/her complaint.

c. Hearings and the investigation and gathering of evidence conducted pursuant thereto shall be considered confidential unless all parties and the committee agree to a public hearing. The proceeding shall be recorded either by use of tape recorder, or by stenographic reporter.

d. This is not a legal court proceeding, however all parties may have counsel or other representative(s) present.

e. At the conclusion of the hearing, the Committee shall meet privately to reach its decision by majority vote and prepare a written statement containing findings of fact, conclusions and its recommendation to the Superintendent/President for his/her approval, rejection or modification. The student will be instructed the hearing to be informed verbally of the Committee's recommendation. The Committee's recommendation will also be sent to the student by certified mail within two (2) instructional days after the hearing.

f. No reprisal of any kind will be taken by the Superintendent/President, any member of the Committee, faculty, staff of the administration, or the Board of Trustees against any aggrieved person, or any witness in the complaint procedure by reason of the required participation.

Step 6 Appeals

If the student desires to appeal the Hearing Committee's recommendation, this appeal must be made in writing directly to the Superintendent/President within five (5) instructional days of the hearing.

The Superintendent/President may approve, reject or modify the Hearing Committee's recommendation within (5) instructional days after the appeal is received.

If the student is not satisfied with the decision of the Superintendent/President, he/she may make a final appeal to the Board of Trustees. In order for this appeal to be placed on the Board agenda, a request must be submitted at least ten (10) instructional days prior to the next Board meeting. The Board shall then notify the student(s) of its decision within (5) instructional days of the meeting.

Definitions:
A “Student” is a person enrolled at Imperial Valley College within 30 days of the alleged act or decision.

“Instructional Days” are those when the college is in session and classes are being held, excluding Saturdays and Sundays.

Petition and Hearing Process

Formerly and currently enrolled IVC students are entitled to seek and receive responses to any questions related to their educational programs in accordance with the Imperial Community College District educational philosophy.

Petition Process

The petition process is used to request exceptions to the rules and regulations in order to meet the student's special needs or circumstances.

Petition Procedure

The student will use a petition form (available in the Admissions and Records Office and Counseling Center) and submit his/her request to the Registrar who will review the request and provide a resolution. If the student is not satisfied with the resolution, a request may be made to the Registrar for a hearing before the appropriate committee.

Hearing Process

There are three established areas which may require hearing procedures for students and campus organizations seeking responses to educational questions or issues. These are:
1. Standards of Student Conduct
2. Access to Student Records and Challenge Procedure

Hearing Procedure

Students and campus organizations are requested to summarize their concerns or issues in writing and submit them to the Registrar who is designated coordinator of the hearing procedures.
IVC Campus Safety

Imperial Valley College encourages all persons on campus to practice low risk and defensive behaviors, and to be especially alert at night. Students and others are advised to park in well lighted and frequently trafficked areas, and to always lock their vehicles. Students should not engage in high risk behaviors and are advised to not pick up strangers or accept rides from persons they do not know.

If you suspect that a crime is being committed against persons or property, call 911 or Campus Safety at (760) 483-7411.

Safety and security information published in accordance with federal, state and local crime awareness and campus safety is available at www.imperial.edu.

IVC Parking

Students must purchase and properly display an Imperial Valley College parking permit. Citations are issued by the Imperial Valley College Campus Safety and Parking Control Department. Citations are issued by Parking Control attendants. Motorcycles and motorbikes must also display proper parking permits and must park in designated areas.

Easily accessible parking lots provide parking for students’ and visitors’ vehicles. Red, Blue, Green curb markings, and designated parking signs, and emergency parking zones are to be observed at all times, day and night. Parking on or in front of ramps is forbidden day or night. Restricted parking is in effect from 7:00 AM to 11:00 PM Monday through Friday of each week. Parking regulations may be found on the college website, or obtained from the Parking Control Office. Parking for individuals with disabilities (blue curb parking) must be observed both day and evening. Permits are to be obtained from the Department of Motor Vehicles and must be displayed when parking in designated blue zone.

Imperial Valley College assumes no liability for vehicles parked on the campus.
DEGREES, CERTIFICATES AND TRANSFER PLANNING
Associate Degree Graduation Requirements

Associate in Arts (AA) or the Associate in Science (AS) Degrees
The awarding of an associate degree at Imperial Valley College represents more than an accumulation of units. The General Education program is a series of courses designed to lead students through patterns of learning experiences that will allow them to develop a breadth of knowledge to gain a command of subject areas and methods of inquiry that characterize the liberally educated person.

Through general education, students are encouraged to increase their skill level and expand their understanding of the physical world and the complex inter-relationships of individuals and groups within their social environments; understand the various modes of inquiry of the major and certificate disciplines; deepen appreciation of artistic and cultural heritages, and become aware of other cultures and times; strengthen their ability to communicate, reason, and critically evaluate information both orally and in writing; acquire a positive attitude toward learning, and develop self-understanding. As a result, they are better able to recognize, understand, and act upon the complex personal, social, scientific, and political issues that confront them daily.

After successfully completing the general education curriculum at Imperial Valley College, students will have a broad understanding of mathematics, science, social science, humanities, and the arts. In addition, students will demonstrate ability to:

• Communicate effectively and analytically in writing, listening and speaking.
• Develop critical and constructive thinking for problem solving and value discrimination.
• Understand social interaction by learning of other cultures and times and the complex inter-relationships of individuals and groups within their social environments.
• Develop the ability to adapt to new environments and technologies.
• Develop responsibility for individual actions and respect for diverse people and cultures.

Requirements for the Associate in Arts (AA-T) or Associate in Science for Transfer (AS-T)
California Community Colleges are now offering associate degrees for transfer to the CSU. These may include Associate in Arts (AA-T) or Associate in Science (AS-T) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA-T or AS-T degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their community college major. This priority does not guarantee admission to specific majors or campuses.

Students who have been awarded an AA-T or AS-T are able to complete their remaining requirements for the 120-unit baccalaureate degree within 60 semester or 90 quarter units.

To view the most current list of Imperial Valley College Associate Degrees for Transfer and to find out which CSU campuses accept each degree, please go to [http://www.sb1440.org/Home.aspx](http://www.sb1440.org/Home.aspx)

Current and prospective community college students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

Graduation from Imperial Valley College with one of the Associate degrees is based upon the completion of 60 units of lower division college work, including the requirements listed below. Effective for all students admitted to a community college for fall 2009 or thereafter, each course counted toward the unit requirement for the major or area of emphasis must be completed with a grade of “C” or better.

Certificates of Achievement
Certificates of Achievement are awarded to convey evidence that well-defined levels of proficiency have been attained in designated occupational fields. Certificate programs are available in some of the occupational areas for which the college offers the Associate Degree. To qualify for a certificate, a student must:
1. Complete all courses listed for a particular certificate;
2. Achieve a “C” grade or better in all courses used to complete the certificate;
3. Responsibility for filing a petition to receive a certificate rests with the student. This petition is to be filed with the Admissions and Records Office (see petition form for deadlines).
Career Technical Education (CTE)

Imperial Valley College has developed career programs which reflect employment opportunities of our county and region. Advisory committees work closely with the college to assure each student the best in education and real employment opportunities upon graduation.

In developing a major program, each student should plan on completing graduation requirements for the Associate in Arts or Associate in Science Degree. It is recommended that students should plan a broad educational background including general education courses.

It is most important that students consult with a counselor during their first semester in preparing programs to determine the appropriate sequence of courses. Further, it should be noted that the final responsibility for the selection of proper courses rests with the student.

Career Technical Education (CTE) Program for High School and Regional Occupational Program (ROP) Students

Imperial Valley College maintains faculty-approved formal course articulation agreements with Imperial Valley high schools and the Imperial Valley ROP (Regional Occupation Program). Courses with articulation agreements follow the California Career Statewide Pathways Templates in the areas of: Administration of Justice, Allied Health Programs, Business, Automotive Technology, Building Construction Technology, Child Development, Computer Information Systems, Health Assistant and Welding.

Students who complete an articulated class offered through a partnering high school or ROP program, receive a qualifying grade in their course, and pass the IVC Credit-by-Exam for the subject area, will be eligible to receive college credit for the articulated corresponding Imperial Valley College class posted to their official transcript. Eligible students will work with the Applied Sciences Office at IVC for the awarding of college credit.

For specific articulation agreements please contact the Applied Sciences Office or the IVC Articulation Officer.

Apprenticeship Training Programs

Apprenticeship training programs provide the participant an opportunity for formal training, consisting of a balance between on-the-job training (OJT) and the related supplemental instruction (RSI) directly associated with the particular trade or industry. OJT is coordinated through the local employer sponsor. Related supplemental instruction is provided by Imperial Valley College. Refer to the Apprenticeship section of the catalog.

NOTE: At times some of the above listed majors and certificates become inactive. If you wish to earn a degree/certificate in any of the above, please check with your counselor to be sure you will be able to earn the desired degree/certificate.
### Graduation Requirements for Imperial Valley College 2012-2013 Academic Year

#### I. Associate Degree or Area of Emphasis - Select a Degree/Major
(See Catalog or a Counselor). NOTE: Effective for all students admitted to a community college for Fall 2009 or thereafter, each course counted toward the unit requirement for the degree/major or area of emphasis must be completed with a grade of "C" or better.

#### II. Units, G.P.A., Financial Obligations, and Residence Requirements
- A. Sixty (60) degree-applicable units
- B. G.P.A. of 2.0 or better for all degree-applicable college work
- C. Settlement of all financial obligations to the college.
- D. Forty-five (45) degree-applicable units in residence or last fifteen (15) degree-applicable units at IVCC

#### III. Institutional Requirements
- A. American Institutions
  - Political Science 102
  - History 120 OR History 121
- B. Health Education: Health Education 102 OR Health Education 100 (Veterans Only)
- C. Physical Education 100 (2.0 Units) and One (1) Physical Education Activity Course (1.0 Unit)

#### IV. State Competency Requirements
- A. Math Competency: A placement score of 7006 or 2006 or higher on the ACCUPLACER™ College Level Mathematics test OR Mathematics 091 or 090 with a grade of "C" or higher or a higher level mathematics course with a grade of "C" or higher.
- B. Reading Competency: A placement score of 6010 or 2006 on the ACCUPLACER™ Reading test OR English 101 (ENGL 101) with a grade of "C" or higher.

#### V. General Education Requirements
A minimum of eighteen (18.0) semester units is required. To include a minimum of six (6.0) semester units in Area A (three [3.0] semester units for each part); a minimum of three (3.0) semester units from Area B; a minimum of three (3.0) semester units from Area C; and, a minimum of three (3.0) semester units in Area D. In Area E, three (3.0) semester units are to be selected from any of the four areas (A, B, C or D) as determined by student's option.

### E. ELECTIVE

**Units:** 3.0 semester/4.0 quarter units required.

In Area E, three (3) units are to be selected from among the four areas (A, B, C and D) identified above as determined by the student's option.

---

* + Ethnic Studies Course
* - Courses designated with an asterisk may be counted in one area only.
Transfer Planning

I. Students planning to enter a university or four-year college after attending Imperial Valley College should take note of the following suggestions:

A. Consult the catalog of the college or university to which they intend to transfer for the following:
   1. Admissions information
   2. Major course requirements
   3. General education or breadth requirements

B. Notice the difference between lower and upper division courses required by the school in which the advanced work is to be taken. Important point: Degree credit in the major can be expected only for those community college courses for which there are parallel courses designated as lower division by four year colleges or universities.

C. Note: Courses which must be taken in preparation for the major as well as those required for the major.

D. Remember that community college courses transfer to four year colleges in terms of specific or elective credit, depending upon the school and major selected. Refer to the ASSIST web site at www.assist.org which is the official California statewide database listing a selection of campus-approved transfer agreements, general education requirements, and information on UC and CSU transferable courses and major preparation. Students are advised to contact an Imperial Valley College counselor for more information, and for details regarding other transfer agreements and options not available on ASSIST for your transfer college choice.

E. Note any policies regarding the maximum number of units which may be transferable. A maximum of 70 transferable units completed at the community college level may be applied toward the total number of units required for a bachelor's degree by the University of California or the California State University. Subject credit for transferable courses in excess of 70 units may also be granted to satisfy university graduation requirements. Any courses accepted as equivalent to those offered in lower division by the university completed at the community college, even if beyond the 70 unit maximum, will be applied where needed to meet specific lower division major and/or general education/breadth requirements. Therefore, students are strongly advised to complete all courses designated as required lower division preparation for the major prior to transfer, especially where admission to the major is contingent on completion of specific courses.

II. Students should also avail themselves of opportunities to meet with representatives of colleges and universities, which are scheduled throughout the year in the Transfer Center.

III. Catalogs and information on how to apply for admission to the California Private/Independent Colleges and Universities, Out-of-State Colleges and Universities, University of California and the California State University are available in the Transfer Center. The Transfer Center maintains catalogs and applications from other institutions as well and will provide assistance in obtaining information and applications.

Transfer Preparation

Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor's degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC counselor to develop a student education plan (SEP) before beginning their program.

Transfer Resources:
- www.ASSIST.org – CSU and UC Articulation Agreements and Majors Search Engine
- www.CSUMentor.org – CSU System Information
- www.universityofcalifornia.edu/admissions/index.html - UC System Information
- www.aiccu.edu – California Independent Colleges and Universities, Association of
- http://wiche.edu/wue - Western Undergraduate Exchange Programs (institution and major search engine)

Western Undergraduate Exchange (WUE)

WUE is the Western Undergraduate Exchange, a program coordinated by the Western Interstate Commission for Higher Education (WICHE). Through WUE, students in Western states may enroll in participating four-year public college programs at a reduced tuition level: up to 150 percent of the institution's regular resident tuition. In all cases, WUE tuition is considerably less than nonresident tuition.

Programs Available: Some institutions have opened their entire curriculum on a space-available or first-come, first served basis. Others offer only designated programs at the discounted WUE rate.

Check out the search feature on the WUE website:
- http://wiche.edu/wue/students#programs
The California State University

The following information is subject to change.

Application Filing Periods* (Applications first accepted):
- Summer Semester or Quarter: February 1 (6 campuses)
- Fall Semester or Quarter: October 1 - November 30
- Winter Quarter: June 1 - June 30
- Spring Semester or Quarter: August 1 - August 30

*You are urged to file early. Applications to impacted majors must be filed during the initial filing period. The CSU designates major programs as impacted when more applications are received in the initial filing period from CSU eligible applicants than can be accommodated. If applying after the initial filing period, consult the campus admissions office or website for current information. Except for impacted majors, campuses accept applications until enrollment categories are filled. Most campuses will acknowledge receiving your application within two to four weeks. For more details refer to the CSU Mentor website at www.csumentor.edu

Definition of a Transfer Student

You are considered a transfer student if you have completed college units after the summer immediately following graduation from high school:

1. Students who have completed 60 or more transferable semester college units (90 or more quarter units) are considered upper division transfer students.

2. Students who completed college units before they graduated from high school or during the summer between high school graduation and CSU enrollment are considered first-time freshmen and must meet those admission requirements.

Transfer Admission Requirements

Upper-Division Transfer Requirements (60 or more transferable semester or 90 or more quarter units):

You are eligible for admission if you:

1. Have a college grade point average of 2.00 or better (2.40 for non-California residents) in all transferable college units completed.

2. Are in good standing at the last college or university attended (i.e., you are eligible to re-enroll).

3. Will have completed, or will complete prior to transfer thirty-nine (39) units of general education or equivalent courses, with passed at least 30 of those semester units (45 quarter units) with a grade of "C" or better. The 30 semester units must include all of the general education requirements in communication in the English language (English composition, oral communication, and critical thinking), and at least one course of at least 3 semester units (4 quarter units) is required in college-level mathematics.

Transferable Coursework

Transferable courses to the California State University system and/or the University of California system are indicated by (CSU, UC) following the catalog description. Students are advised to contact their counselor to determine which specific courses are applicable to their educational objective.

A student planning to transfer to the California State University system can, at their request, have the general education requirements certified by Imperial Valley College. In order to meet this certification, a student must complete thirty-nine (39) units of selected general education in one of five areas: English communication and critical thinking; physical universe and its life forms; arts, literature, philosophy, and foreign language; social, political, and economic institutions; and understanding life and self-development. With the certification of general education completed by Imperial Valley College, a student can transfer to a California State University assured that no further general education will be required at the lower division level.

Imperial Valley College Catalog 2012-2013

www.imperial.edu 53
GENERAL EDUCATION PATTERN FOR THE CALIFORNIA STATE UNIVERSITY (CSU) SYSTEM
(Does NOT apply to any of the campuses of the University of California [UC] System)

Executive Order 595

EFFECTIVE: For New Students, Fall 1996

To obtain a bachelor's degree from any of the California State University campuses, students are required to complete a minimum of 48 semester units in general education courses in the following areas: Area A - nine (9) units; Area B - twelve (12) units; Area C - twelve (12) units; Area D - twelve (12) units; and, Area E - three (3) units. Up to 39 lower-division units may be completed at and certified by California Community Colleges. After the student has transferred, the CSU campus will then specify a minimum of 9 more upper division units to be taken primarily in Areas B, C and D.

Students admitted to a CSU campus with full certification may not be held to any additional lower-division general education requirements; students admitted to a CSU campus with Subject-area certification may not be held to any additional lower-division general education coursework in the subject areas certified. Neither full certification nor subject area certification exempts students from unmet lower-division graduation requirements that may exist outside of the general education program of the campus awarding the degree.

Certification is not automatic. Students must request certification from IVC's Admissions Office. Completed general education courses will be reflected on this form and attached to each transcript sent to a CSU campus.

The 23 Outstanding Campuses of the CSU

[Image of a map of California showing the locations of the 23 CSU campuses]
Intersegmental General Education Transfer Curriculum (IGETC)

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education program which community college transfer students may use to fulfill lower-division general education requirements in either the California State University or University of California system. Completion of the IGETC is not a requirement for admission to CSU or UC, nor is it the only way to fulfill lower-division GE requirements.

The IGETC is recommended for students who have not made a final decision about transferring to a particular CSU or UC campus. Students may be better served by following the CSU GE requirements or those of the UC campus to which they plan to transfer.

Students pursuing majors which require extensive lower-division major preparation may not find the IGETC option to be advantageous. There are other limitations. All courses used for IGETC must be passed with a minimum grade C. (C minus is not acceptable.) A credit or pass is acceptable providing either is equivalent to a grade “C” or better.

Please make a counseling appointment to determine the most appropriate general education program for you.

Certification: All GE requirements must be completed before IGETC can be certified. Certification must take place prior to transfer to UC and/or CSU. The Admissions Office will complete the certification. To request certification, the student should file a request at the Registrar’s Office. As a general rule, the IGETC can be certified for California community college transfers who have also completed transfer units at a CSU, UC, or independent college provided that the student has completed most of the transfer units at one or more California community colleges.

Restrictions: A student who has been registered at a UC campus and wishes to return to the same UC campus is NOT eligible for IGETC. This restriction does not apply to students who have taken UC summer session or Extension classes only.
**IGETC**

**IMPERIAL VALLEY COLLEGE - 2012-2013 ACADEMIC YEAR**

**INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)**

**STUDENT’S NAME:**

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

Completion of ALL of the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University (CSU) or University of California (UC) system without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements. Approved for Northern Arizona University (NAU) Liberal Studies (General Education) Requirements (37 Units to include Speech Course) - May 5, 2003.

NOTE: Revelle and Eleanor Roosevelt Colleges at UCSD will NOT accept IGETC alone (Revelle has IGETC+). IGETC is also not recommended for some high unit majors. See a Counselor!

NOTE: California Private/Independent Colleges and Universities MAY accept IGETC. Check the college catalog, website and/or contact your institution of choice and ask if they will accept IGETC in satisfaction of their general education degree pattern.

The course requirements for ALL AREAS must be completed before the IGETC can be certified. All courses must be completed with grades of “C” or better.

Certification is not automatic. Students must request certification from IVC’s Admissions Office. Completed general education courses will be reflected on this form and attached to each transcript sent to the appropriate 4-year institution.

University of California’s 10 Campuses

The 23 Outstanding Campuses of the CSU

Northern Arizona University - Yuma Campus
Distance Learning Programs

Cross Enrollment Program at a California State University or University of California Institution

About The Program:
Undergraduate students enrolled in the California Community Colleges, California State University, or the University of California may enroll at one of the other two institutions via the Cross Enrollment Program without formal admission and without payment of additional State University fees.

Program Qualifications:
Undergraduate students must provide verification from their home campus, via the Cross Enrollment application, that they have satisfied all program qualifications:

• California resident.
• Completed at least one regular term (12.0 units) at the home campus as a matriculated student.
• Enrolled in a minimum of six units at the home campus for the current term.
• Earned a minimum grade point average of 2.0 (C average) in all college work completed.
• Paid appropriate tuition and fees at home campus for the current term.
• Completed appropriate academic preparation for the cross enrollment course you intend to as determined by the host campus.

Program Limitations:
• Enrollment is limited to one baccalaureate course per academic term on a space available basis.
• Program is open to undergraduate students only.
• Cross enrollment classes may not be audited.
• Students may not cross-enroll in a lower division course if the course has enrollment restrictions, such as by major code.
• Students may not cross-enroll in an upper division course if the department is impacted.
• Students may not cross-enroll in a graduate level course.

Enrollment Conditions:
1. Approval for cross enrollment is valid for only the one term specified and subject to space availability, deadlines, registration procedures, and priorities of the host campus. You must reapply for each term you wish to cross enroll.
2. Students are subject to all administrative procedures of the host campus. Students who wish to drop a course must follow the drop procedure of the campus.
3. Students will not be charged additional course enrollment fees. However, there is a non-refundable $10 administration fee each term.
4. Students will have to pay any additional fees required of other students (lab, materials, breakage, computer, transcripts, etc.).
5. Academic advising is available only at the home campus. Students are encouraged to obtain advising from a home campus adviser to ensure the course to be taken at the host campus will meet home campus requirements.
6. Evidence of completion of course prerequisites may be required at time of enrollment (personal transcript copy or grade reports).
7. Records of credit earned through cross enrollment will be maintained by the host campus. Students are responsible for ordering their transcript be sent to their home campus (a fee may be required).
8. Because of overlapping academic calendars, cross enrollment is possible only in certain combinations.
9. Health services on the host campus are limited to treatment of emergencies only.
10. Students are subject to all administrative procedures of the host campus.
11. Other conditions may apply depending upon the host campus. Please refer to the host institutions website for additional information.
12. San Diego State University, Imperial Valley Campus, is Imperial Valley College’s closest CSU participant. SDSU Cross Enrollment Program details, website and application form can be found at:
   http://arweb.sdsu.edu/es/registrar/CrossEnrollment.pdf

ADMINISTRATION OF JUSTICE

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
The Administration of Justice Program involves the study of the theory and practice of law enforcement, police work, and the court and corrections systems. These core and elective courses provide the student with a base of knowledge and proficiency in the general area. Law enforcement, whether as a line officer, deputy sheriff, marshal or state traffic officer, offers a rewarding opportunity to serve society. Specialized officers such as game wardens, forest rangers or criminal investigators make unique contributions throughout our state and nation. They investigate crime, present cases in court and render other service to the justice system and the people. Much of their job now consists of actively serving the many social needs of their community.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate.; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES
Of the career opportunities identified many will usually require the completion of degree requirements at 4-year colleges and universities. Some positions however require a four-year degree for which IVC’s program is a good base for transfer.

- Police Officer
- Industrial Security Officer
- Deputy Sheriff
- Evidence Technician
- Animal Control
- Computer
- Forensics
- Highway Patrol Officer
- Alcoholism Counselor
- Police Clerk
- FBI Agent
- Accident Investigator
- Polygraph Operator
- Forest Ranger
- Customs Agent
- Investigator Trainer
- Drug Enforcement
- Insurance Investigator
- Code Enforcement
- Border Patrol Agent
- Criminal Investigator
- Legal Secretary
- Fingerprint Classifier
- Store Detective
- Security Specialist
- Matron
- Police Dispatcher
- Warden
- Park Ranger
- Correctional Counselor
- Law
- Paralegal
- Probation Officer
- Parole Agent
- Counselor
- Private Detective
- Jailer
- Officer Agent Drug Abuse
- Corrections Officer

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

http://wiche.edu/wue - Western Undergraduate Exchange Programs

FINANCIAL AID
Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information: www.imperial.edu/students/financial-aid-and-scholarships/
ASSOCIATE DEGREE PROGRAM

ADMINISTRATION OF JUSTICE - A.S. DEGREE
Twenty-four (24.0) units required for the major.

ALL COURSES FOR THIS MAJOR MUST BE COMPLETED WITH A MINIMUM GRADE OF “C” OR BETTER.

I. Required courses for the major (18.0 units)
   AJ 100 Introduction to Administration of Justice 3.0
   AJ 102 Concepts of Criminal Law 3.0
   AJ 104 Legal Aspects of Evidence 3.0
   AJ 106 Principles and Procedures of the Justice System 3.0
   AJ 108 Public Safety Report Writing (Formerly AJ 120) 3.0
   AJ 110 Law Enforcement Community Relations 3.0

II. Acceptable courses for the major (6.0 units from the following courses)
   AJ 121 Law Enforcement Field Operations (3.0)
   AJ 141 Arrest and Firearms (3.0)
   AJ 222 Criminal Investigation (Formerly AJ 122) (3.0)
   AJ 223 Juvenile Control (Formerly AJ 123) (3.0)
   AJ/SOC 224 Criminology (Formerly AJ 124) (3.0)
   CSI 100 Introduction to Corrections (3.0)
   CSI 104 Concepts of Probation and Parole (3.0)

Total Major Units 24.0
IVC Graduation Requirements and GE Pattern: 24.0-30.0
Electives (as needed to reach 60 degree applicable units) ______
Total Maximum Units: 60.0

CERTIFICATE PROGRAM

ADMINISTRATION OF JUSTICE CERTIFICATE
Twenty-one (21.0) units required for the certificate.

ALL COURSES FOR THIS CERTIFICATE MUST BE COMPLETED WITH A MINIMUM GRADE OF “C” OR BETTER.

I. Required courses for the certificate (21.0)
   AJ 100 Introduction to Administration of Justice 3.0
   AJ 102 Concepts of Criminal Law 3.0
   AJ 104 Legal Aspects of Evidence 3.0
   AJ 106 Principles and Procedures of the Justice System 3.0
   AJ 110 Law Enforcement Community Relations 3.0
   AJ 223 Juvenile Control 3.0
   ENGL 101 Composition and Rhetoric 3.0

Total Certificate Units 21.0
Total Maximum Units: 21.0
AGRICULTURAL BUSINESS MANAGEMENT

DEGREES, CERTIFICATES AND AWARDS

Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION

The Agricultural Business Management major is the application of business concepts to the agricultural industry and emphasizes training in management for careers in agriculture. These careers may include the management and operations of farms as well as in the management of firms that supply the services to farms and by those engaged in processing, marketing, distribution, and sales of farm products.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS

The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES

Of the career opportunities identified many will usually require the completion of degree requirements at 4-year colleges and universities. For job seekers, it is probably the most readily available entry-level position in the agriculture industry. Numerous specialized companies throughout California require qualified persons for marketing, sales, finance, policy, government, farm ranch management, and international trade and development. For job entry and advancement, however, certain basic skills remain fundamental. These include proficiency in computers, record keeping, finance, management and marketing.

- Accountant
- Appraiser
- Bookkeeper
- Business Manager
- Business Owner
- Commodity Broker
- Community Development
- Consultant
- Elevator Management
- Farm Management/Operations
- Equipment Dealer
- Farm and Ranch Manager
- Farmland Portfolio Analysis
- Farm/Estate Sales
- Insurance Agent
- Land Appraiser
- Lending/Finance
- Livestock Buyer
- Loan Officer
- Grain Merchandising/Commodities
- Management Specialist
- Marketing/Public Relations
- Policy/International Trade
- Production/Management
- Trainee
- Produce Buyer
- Public Relations
- Retail Sales
- Sales Representative

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. **Total Maximum Units**: 60.0

### CERTIFICATE PROGRAM

**AGRICULTURAL BUSINESS MANAGEMENT**

Twenty-five to twenty-six (25.0-26.0) units required for the certificate.

**ALL COURSES FOR THIS CERTIFICATE MUST BE COMPLETED WITH A MINIMUM GRADE OF “C” OR BETTER.**

1. **Required courses for the certificate (19.0)**
   - **AG** 080 Pesticide Safety 1.0
   - **AG** 120 Soil Science 3.0
   - **AG** 130 Agricultural Economics 3.0
   - **AG/BUS** 132 Business Management 3.0
   - **AG** 134 Agricultural Bus Organization 3.0
   - **AG** 136 Agricultural Sales and Services Management 3.0
   - **AG** 160 Food and Fiber in a Chang World 3.0

2. **Acceptable courses for the certificate (select a minimum of 6.0 units)**
   - **AG** 138 Computer Applications in Agriculture (3.0)
   - **AG** 140 Principles of Plant Science (4.0)
   - **AG** 170 Principles of Entomology (3.0)
   - **BUS** 010 Practical Accounting (3.0)
   - **BUS** 126 Business and the Legal Environment (3.0)
   - **BUS** 144 Principles of Marketing (3.0)
   - **CIS** 101 Introduction to Information Systems (3.0)

**Total Certificate Units**: 25.0-26.0

**Total Maximum Units**: 25.0-26.0
AGRICULTURAL SCIENCE

DEGREES, CERTIFICATES AND AWARDS

Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION

The Agricultural Science program offers an Associate of Science degree in Agricultural Science and a Certificate of Achievement in Agricultural Crop Science for those students interested in a more general course of study. The IVC major deals with the application of the various principles of the biological and physical sciences in agriculture. The course offerings are fundamental and broad in scope so that students can prepare for transfer or seek employment in one of the hundreds of career opportunities in the agriculture field.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS

The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate, (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate, and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES

California is one of the top states in the nation in annual gross agricultural returns. The livestock industry and over 250 specialty crops provide a variety of career choices. Trained personnel are employed on ranches and farms, as well as the vast agriculture service industry. Career opportunities also exist with governmental agencies. Every year there are several openings in Agriculture Education in California as well as other states. Of the career opportunities identified many will require the completion of degree requirements at 4-year colleges and universities.

- Agribusiness Representative
- Agricultural Products Inspector
- Agronomist
- Chemical Fertilizer Sales
- College Instructor
- Cooperative Extension Agent
- Crop Consultant
- Crop Production
- Agronomic Production Manager
- County Agricultural Extension Agents
- Plant Geneticist Post secondary Teacher
- Soil Surveyor Vocational Agriculture Teacher
- Crop Scout/Consultant
- Education Specialist
- Farm Manager
- Farming Operation
- 4-H Association Youth Specialist
- Genetic Engineering Scientist
- International Agronomist
- Land Reclamation Specialist
- Land-Use Planner
- Conservation/Environmental Technician
- High School Agriculture Teacher
- Seed, Chemical and Fertilizer Consultant
- Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. CERTIFICATE PROGRAM

AGRICULTURAL CROP SCIENCE
Twenty-seven (27.0) units required for the certificate.

Agricultural Crop Sciences encompasses the study of the plant, soil, and water resources that are foundational to all agro-ecosystems. The crop sciences field can prepare you for a challenging career in many areas including: soil and crop management, plant breeding and genetics, seed science, environmental soil science, soil restoration and conservation, international agriculture, and ecosystem management.

ALL COURSES FOR THIS CERTIFICATE MUST BE COMPLETED WITH A MINIMUM GRADE OF “C” OR BETTER.

I. Required courses for the certificate (24.0)
   AG 080 Pesticide Safety 1.0
   AG 120 Soil Science 3.0
   AG 140 Principles of Plant Science 4.0
   AG 170 Principles of Entomology 3.0
   AG 230 Fertilizers & Soil Amendments 3.0
   AG 240 Field and Cereal Crops 4.0
   AG 250 Vegetable Crop Production 3.0
   AG 270 Weeds and Weed Control 3.0

II. Acceptable courses for the certificate (select a minimum of 3 units)
   AG 138 Computer Applications in Agriculture (3.0)
   AG 160 Food & Fiber in a Changing World (3.0)
   AG 200 Irrigation and Drainage (3.0)
   AG 260 Plant Protection and Integrated Pest Management (3.0)

Total Certificate Units 27.0
Total Maximum Units: 27.0
AIR CONDITIONING AND REFRIGERATION TECHNOLOGY

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
Air Conditioning and Refrigeration Technology (ACR) is a constantly changing, self gratifying program designed to satisfy the mechanically oriented person. The Air Conditioning and Refrigeration major and certificate are designed to provide instruction in manipulative skills, technical knowledge, and related trade information which will prepare the student with entry level skills for employment in the rapidly growing service industry of Air Conditioning and Refrigeration.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

http://wiche.edu/wue - Western Undergraduate Exchange Programs

FINANCIAL AID
Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information: www.imperial.edu/students/financial-aid-and-scholarships/

CAREER OPPORTUNITIES
Some of these careers may require education beyond the two year college level.

• ACR Contractor
• ACR Mechanic
• ACR Installer
• ACR and Heating Engineer

• Dispatcher
• Electrician
• Manufacturers Service Rep
• Sales Engineer

• Service Manager
• Service Technician
• Sheet Metal Technician

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. Please click on our Programs of Study link to view the information for each certificate program: http://www.imperial.edu/courses-and-programs/programs-of-study/

ALCOHOL AND DRUG STUDIES

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
The Alcohol and Drug Studies program is designed to prepare students to serve as professionals in the growing career field of chemical and behavioral addiction counseling. Imperial Valley College is an accredited CAADE (California Association for Alcohol/Drug Educators) program. The Alcohol and Drug Studies major and certificate meet state requirements. Students completing these programs can take the CATC examination and obtain the California Addiction Treatment Counselor Credential. This credential will help students obtain jobs in social service agencies, treatment programs, recovery homes, schools, DEA, and law enforcement. This program prepares students for transfer to institutions providing higher degrees with the social service majors.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES
Of the career opportunities identified many will usually require the completion of degree requirements at 4-year colleges and universities.

- Alcohol/Drug Studies Advisor
- Drug Abuse Counselor
- Health Education Instructor
- Community College Instructor
- Alcohol/Drug Studies Technician
- Outpatient Program Staff Member
- Marriage and Family Therapists
- Mental Health Counselor
- Psychologists
- Registered Nurses
- Social Workers
- Recovery Center Staff Member/Director
- Substance Abuse and Behavioral Counselors
- Teacher – All Levels
- Occupational Therapists
- Physicians/Surgeons
- Rehabilitation Counselors

ANTHROPOLOGY

DEGREES, CERTIFICATES AND AWARDS
Associate in Arts Degree (A.A.)

DESCRIPTION
Anthropology is the study of ancient and modern human beings and their ways of living. Its perspective is biological, social and comparative, encompassing all aspects of human existence from the most ancient societies to those of the present day. The courses are designed to stimulate critical thinking about existing stereotypes regarding the people around us in the world now and those who came before. Cultural Anthropology studies human behavior to understand the cultural values that guide the behaviors. Archaeology examines the material record of human activity in order to understand how ideas change over time. Physical Anthropology (also called Biological Anthropology) is the study of human evolution which includes human biological diversity.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. ART

DEGREES, CERTIFICATES AND AWARDS
Associate in Art Degree (A.A.)

DESCRIPTION
The IVC Art Department serves a diverse group of students, from those who are taking their first and only art instruction, to those who will go on to use art skills in their careers. All students are given both the technical knowledge and the emotional support needed to excel in their art. The study of art at IVC is an ideal way for students to understand their creative potential, whether they choose to work in drawing, painting, ceramics, sculpture or design. Art students learn that art requires a balance between their intellect and their emotions. The IVC Art program offers introductory and intermediate courses that blend both traditional and contemporary art values and Art History courses that satisfy requirements for Humanities credit.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS

AUTOMOTIVE TECHNOLOGY

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
The Automotive Technology program at IVC emphasizes a real world approach to diagnostic skill building and a thorough understanding of system theory and operations. This is accomplished through the use of computer programs, audiovisuals, and hands-on experience with mockups and modern vehicles. Automotive fundamentals are developed with a generalist approach emphasizing independence in self-directed learning. Professionalism, workplace skills and responsibilities are stressed along with safety and an awareness of hazardous materials control. The Automotive Department encourages both women and men to participate in this rewarding profession.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation.

To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES
Of the career opportunities identified some will usually require the completion of degree requirements at 4-year colleges and universities.

- Tune-up Technician
- Brake Specialist
- General Technician
- Alignment Specialist
- Service Management
- Engine Performance/Drivability Specialist
- Electrical Specialist
- Service Writer
- Transmission Specialist
- Quick Service Tech
- Industrial Technology
- Industrial Engineer
- Automotive Engineer
- Electrical Engineer

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. Please click on our Programs of Study link to view the information for each certificate program: http://www.imperial.edu/courses-and-programs/programs-of-study/

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

BEHAVIORAL SCIENCES

DEGREES, CERTIFICATES AND AWARDS
Associate in Arts Degree (A.A.)

DESCRIPTION
This major is highly recommended for transfer students because it provides a basic foundation for subsequent specialization in many fields of study such as criminal justice, sociology, psychology, human services, and social work to name a few. The value of the degree is now recognized by business and industry as it requires a variety of skills demanded in business, education, health, law, and government, as well as the social services. The general studies student should market educational accomplishments as a collection of career transferable skills in communication, public service, problem solving, production and personnel management.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

CAREER OPPORTUNITIES
Of the career opportunities identified many will usually require the completion of degree requirements at 4-year colleges and universities.

- All Human Service Careers
- Sociologist
- Social Worker
- Youth Counselor
- Criminalist
- Public Opinion Analyst
- Social Scientist
- Recreation Program Director
- Parole, Probation or Correctional Officer
- University and College Teachers
- Employment Counselor
- Lawyer
- Public Relations Consultant
- Statistician
- Gerontologist
- Child Care Program
- Developer
- Urban and Regional Planner
- Community Organization Worker
- Interviewer/Researcher
- Social Program Planner
- Market Researcher
- Law Enforcement Officer
- Mental Health Counselor

BUILDING CONSTRUCTION TECHNOLOGY

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement
Specialization Certificates in Carpentry, Concrete Masonry, and Project Management

DESCRIPTION
The Building Construction Technology Associate in Science degree along with the certificate and specializations in Carpentry, Concrete Masonry, and Project Management are designed to provide instruction in manipulative skills, technical knowledge, and related trade information, which will prepare the student for employment in the building construction industry. The course work for the associate degree also emphasizes subject areas that are significant to the construction worker such as engineering fundamentals, construction management, business administration, humanities and social sciences, and the development of analytical and communication skills through the general education requirements.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES
Of the career opportunities identified some will require the completion of degree requirements at 4-year colleges and universities.

- Construction Manager
- General Contractor
- Sub-Contractor
- Project Manager
- Construction Scheduler or Planner
- Construction Estimator
- Technical Salesperson
- Construction Consultant
- Architect
- Civil Engineer
- Structural Engineer
- Environmental Engineer
- Forensic Construction Specialist

BUSINESS ACCOUNTING TECHNICIAN

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
Business Administration programs at IVC, both at the associate degree and certificate of achievement levels, prepare the student by offering courses that allow students opportunities to acquire practical skills, technical knowledge and experience in a variety of fields. The fields of study available are: Business Administration for transfer, Accounting Technician, Administrative Assistant, Financial Services, Management, Marketing and Office Technician. These programs introduce the student to the world of commercial transactions, which occur in the distribution of resources in our American economic system.

The Business Accounting Technician program provides students with entry level competencies for employment as a bookkeeper or other financial clerk. Accounting Technicians can be found in settings such as banks and offices. Students who intend to pursue an accounting degree at a four-year school should follow the Business Administration major.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete all of the courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate.; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES
Of the career opportunities identified many will usually require the completion of degree requirements at 4-year colleges and universities.

BUSINESS ADMINISTRATION

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)

DESCRIPTION
Business Administration programs at IVC, both at the associate degree and certificate of achievement levels, prepare the student by offering courses that allow students opportunities to acquire practical skills, technical knowledge and experience in a variety of fields. The fields of study available are: Business Administration for transfer, Accounting Technician, Administrative Assistant, Financial Services, Management, Marketing and Office Technician. These programs introduce the student to the world of commercial transactions, which occur in the distribution of resources in our American economic system.

The Business Administration program prepares students in lower division courses required for advanced degrees in areas such as International Business, Management, Marketing, and Accounting. Since requirements vary at each four-year school, transfer students should consult with a counselor to develop a program for the specific transfer institution they wish to attend.

ASSOCIATE DEGREE PROGRAM
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

http://wiche.edu/wue - Western Undergraduate Exchange Programs

FINANCIAL AID
Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information: www.imperial.edu/students/financial-aid-and-scholarships/

CAREER OPPORTUNITIES
Of the career opportunities identified many will usually require the completion of degree requirements at 4-year colleges and universities.

• Accounting
• Appraiser
• Banking
• Business Entrepreneur
• Communications Analyst
• Database Specialist
• Escrow Officer
• Promotion
• Sales
• FBI Agent
• Finance

BUSINESS MARKETING

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
Business Administration programs at IVC, both at the associate degree and certificate of achievement levels, prepare the student by offering courses that allow students opportunities to acquire practical skills, technical knowledge and experience in a variety of fields. The fields of study available are: Business Administration for transfer, Accounting Technician, Administrative Assistant, Financial Services, Management, Marketing and Office Technician. These programs introduce the student to the world of commercial transactions, which occur in the distribution of resources in our American economic system.

The Business Marketing program provides students with education and training needed for entry level marketing positions in areas such as government, retail, banking and hospitality. These positions require students who are mature, adaptable, analytical, and who have good organizational and communication skills. Students who intend to pursue a four-year business degree should follow the Business Administration major.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

Transfer Resources:

- www.CSUMentor.org – CSU System Information
- www.universityofcalifornia.edu/admissions/index.html – UC System Information
- www.aiccu.edu – California Independent Colleges and Universities, Association of
- http://wiche.edu/wue - Western Undergraduate Exchange Programs

FINANCIAL AID
Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information:
- www.imperial.edu/students/financial-aid-and-scholarships/
- www.imperial.edu/courses-and-programs/programs-of-study/

CAREER OPPORTUNITIES
Of the career opportunities identified many will usually require the completion of degree requirements at 4-year colleges and universities.

- Account Executive
- Advertising Analyst
- Customer Relations Manager
- Direct Marketing Manager
- E-commerce Analyst
- Logistics Manager
- Manufacturers Representative
- Research/Development Director

- Marketing Analyst
- Market Research Analyst
- Marketing Manager
- Merchandising Manager
- Product Manager
- Public Opinion Specialist
- Public Relations Specialist

- Retail Store Manager
- Sales Manager
- Sales Representative
- Sports Promotion Director

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. Please click on our Programs of Study link to view the information for each certificate program: http://www.imperial.edu/courses-and-programs/programs-of-study/

BUSINESS OFFICE TECHNICIAN

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
Business Administration programs at IVC, both at the associate degree and certificate of achievement levels, prepare the student by offering courses that allow students opportunities to acquire practical skills, technical knowledge and experience in a variety of fields. The fields of study available are: Business Administration for transfer, Accounting Technician, Administrative Assistant, Financial Services, Management, Marketing and Office Technician. These programs introduce the student to the world of commercial transactions, which occur in the distribution of resources in our American economic system.

This program provides students with entry level competencies for employment in an office environment with the latest technology applications. Students will become team players, communicators, leaders, and self-starters with a high level of organizational skills and confidence. Interpersonal and analytical skills will not only help students do well in the workplace, but also provide possible career advancement opportunities.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS

The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES
This program provides for the study of a wide range of subjects related to positions and careers in the modern office. The program includes the training necessary to successfully perform in the many and varied Office Technician and Administrative Assistant positions available in the job market.

- Administrative Assistant
- Office Technician
- Executive Secretary
- Administrative Manager
- Computer Applications Specialist
- Secretary
- Bookkeeper
- Receptionist
- Word Processor
- Records Manager
- Medical Office Assistant (See Allied Health program)

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. CALIFORNIA STATE UNIVERSITY
GENERAL EDUCATION BREADTH (CSU GE-B)

DEGREES, CERTIFICATES AND AWARDS
Certificate of Achievement

DESCRIPTION
Students transferring to the California State University system have the opportunity to complete their lower division general education requirements at Imperial Valley College (IVC). This pattern of general education consists of 39 semester units. Earning a CSU/GE-Breadth Certificate of Achievement will enable IVC to officially acknowledge the significant educational achievement the student has completed at IVC. For specific course identification that clear the CSU/GE-Breadth requirements for each section please see a Counselor for assistance.

CSU/GE-Breadth is separated into 5 separate academic areas. Each area requires a specific unit/course requirement(s). A grade of “C” or higher for each course used to satisfy the CSU/GE-Breadth requirements is required. It is recommended, and at some CSU’s required, that the CSU/GE-Breadth be completed in its entirety prior to transfer. Students who do not complete the entire program before transfer could be subject to the general education requirements of the campus or college to which they transfer.

CERTIFICATE OF ACHIEVEMENT PROGRAM
The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

### AREA B – SCIENTIFIC INQUIRY AND QUANTITATIVE REASONING

Minimum: 9 semester or 12/15 quarter units with at least one lab course from either area.

| Area B1: Physical Science – One course required | 3 |
| Area B2: Life Science – One course required | 3 |
| Area B3: Laboratory Activity – One Course required (see Area B1 and B2 for a laboratory course) | 3 |
| Area B4: Mathematics/Quantitative Reasoning – One Course required | 3 |

### AREA C – ARTS AND HUMANITIES - Nine (9) semester or 12/15 quarter units

Three (3) courses, with at least one course from the Arts and one Course from the Humanities. The third course from either area.

| Area C1: Arts; Area C2: Humanities; and, one more course from either Area C1 or C2. | 9 |

### AREA D – AMERICAN INSTITUTIONS (AI) AND SOCIAL SCIENCE (Areas D0 thru D9)

Nine (9) semester or 12/15 quarter units.

A least three courses from at least two (2) academic disciplines.

| Area AI/DS (US-2/US-3): Political Science (POLS) 102 | 3 |
| Area AI/DS (US-1): History (HIST) 120 or 121 | 3 |
| Area D: Human Social, Political and Economic Institutions and Behavior – One course required | 3 |

### AREA E – LIFELONG UNDERSTANDING AND SELF-DEVELOPMENT

One Course (3 semester/4 quarter units)

| Area E: Understanding and Self Development | 3 |

**TOTAL MINIMUM UNITS REQUIRED**

39

**NOTE - CSU/GE Certification:** Earning this Certificate of Achievement will not replace the CSU/GE Certification document. The “certification” of CSU General Education Breadth is a separate process. The student must request CSU/GE Certification at the time he/she requests a final IVC transcript to be sent to the CSU or other school he/she plans on attending.
DESCRIPTION

Child Development is the study of the physical, socio-emotional and cognitive growth and development of the child from infancy through adolescence. The Child Development program provides an educational and practical foundation for students interested in working with children. In addition to theoretical principles, the curriculum offers practical skills and on-site training that will prepare students for employment in the field of education. The program leads to an associate's degree in Child Development, a certificate for the position of Associate Teacher, and specialization certificates in Infant/Toddler, School Age, and Administration. The program also fulfills the required child development course work for the state issued Child Development Permit. Information regarding this permit and/or the Child Development certificate is available from the CDE Department.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS

The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate.; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES

Of the career opportunities identified many will usually require the completion of degree requirements at 4-year colleges and universities and may require additional education beyond the baccalaureate degree.

- http://wiche.edu/wue - Western Undergraduate Exchange Programs

FINANCIAL AID

Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information: www.imperial.edu/students/financial-aid-and-scholarships/
ASSOCIATE DEGREE PROGRAM

CHILD DEVELOPMENT MAJOR – A.S. DEGREE
Twenty-nine (29.0) units required for the major.

ALL COURSES FOR THIS MAJOR MUST BE COMPLETED WITH A MINIMUM GRADE OF “C” OR BETTER.

I. Required Courses for the major (25.0 units)
   - CDEV 100 Principles & Practices of Teaching Young Children 3.0
   - CDEV 101 Health, Safety and Nutrition 3.0
   - CDEV 102 First Aid & CPR for Teachers of Young Children 1.0
   - CDEV 103 Children, Family and Community 3.0
   - CDEV/PSY 104 Child Growth and Development 3.0
   - CDEV 105 Introduction to Curriculum 3.0
   - CDEV 106 Observation and Assessment 3.0
   - CDEV 107 Teaching in a Diverse Society 3.0
   - CDEV 200 Practicum-Field Experience 3.0

II. Select four to five units from the following (4.0-5.0 units; two courses):
   - CDEV 120 Language & Literature for Early Childhood (2.0)
   - CDEV 121 Art for Young Children (2.0)
   - CDEV 122 Science and Math for Early Childhood (2.0)
   - CDEV 123 Music & Movement for Early Childhood (2.0)
   - CDEV 124 Creative Cooking for Children (2.0)
   - CDEV 125 Multilingual & Multicultural Curriculum for Young Children (3.0)

Total Major Units 29.0-30.0
IVC Graduation Requirements and GE Pattern: 30.0
Electives (as needed to reach 60 degree applicable units) ____________
Total Maximum Units: 60.0

CERTIFICATE PROGRAM

CHILD DEVELOPMENT ASSOCIATE TEACHER
Sixteen (16.0) units required for the certificate.

The Child Development Associate Teacher Certificate of Achievement is designed for students who are interested in working with young children as preschool associate teachers, daycare providers, and other child development careers in early childhood. The Early Childhood Associate Teacher Certificate provides students with a background of knowledge and skills in child growth and development. The certificate meets the requirements for the Child Development Permit Matrix: Associate Teacher Permit, requiring 12 units in early childhood, first aid and CPR, and the additional courses required by most child care providers for employment, totaling 16 units.

ALL COURSES FOR THIS CERTIFICATE MUST BE COMPLETED WITH A MINIMUM GRADE OF “C” OR BETTER.

I. Required Courses for the certificate
   - CDEV 101 Health, Safety and Nutrition 3.0
   - CDEV 102 First Aid and CPR for Teachers of Young Children 1.0
   - CDEV 103 Children, Family and Community 3.0
   - CDEV/PSY 104 Child Growth and Development 3.0
   - CDEV 105 Introduction to Curriculum 3.0
   - CDEV 106 Observation and Assessment 3.0

Note: To be eligible for the State of California Child Development Permit; Associate Teacher students must complete the following experience requirements: fifty (50) days of three or more hours per day within two years.

Total Certificate Units 16.0
Total Maximum Units: 16.0
SPECIALIZATION CERTIFICATES

The Specialization Certificate(s) demonstrates a completion of coursework in addition to the major in Child Development.

ALL COURSES FOR THESE CERTIFICATES MUST BE COMPLETED WITH A MINIMUM GRADE OF "C" OR BETTER.

CHILD DEVELOPMENT ADMINISTRATION SPECIALIZATION - Major Plus 9.0 Units

The Administration Specialization Certificate is a certificate demonstrating a completion of specialized course work above the major in the area of Administration. This specialization certificate will prepare students to supervise and manage early childhood programs.

I. The major plus nine (9.0) additional units in Administration

CISCO CCNA DISCOVERY

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
The Cisco CCNA Discovery program provides general networking theory, practical experience, soft-skills development, and opportunities for career exploration. It teaches networking based on application, covering networking concepts within the context of network environments students may encounter in their daily lives -- from small office and home office (SOHO) networking to more complex enterprise and theoretical networking models later in the curriculum. The program prepares students for two different Cisco certification exams. After completing the program, students will be prepared to take the industry-standard Cisco CCNA certification exam. In addition, students may opt to take the CCENT certification as a first step toward earning the CCNA certification. CCENT certifies the practical skills required for entry-level information and communication technology skills and demonstrates a student's aptitude and competence to work in an environment that features Cisco networking devices and software.

The Cisco CCNA Discovery curriculum is primarily designed for students who are seeking entry-level information and communication technology skills for positions such as network administrator, network engineer, network technician, computer technicians, network installer, and help desk technician.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a "C" average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES
Of the career opportunities identified many will usually require the completion of degree requirements at 4-year colleges and universities. Many will require completion of course work at 2-year community colleges.

COMMUNICATION ARTS

DEGREES, CERTIFICATES AND AWARDS
Associate in Art Degree (A.A.)

DESCRIPTION
The Communication Arts major is a broad-based discipline program that provides students with an opportunity to improve their personal, public, and professional lives. Courses focus on understanding the communication process and developing skills to communicate effectively. By studying how, why, and with what consequences people communicate, students themselves will become more competent communicators.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

COMPUTER INFORMATION SYSTEMS

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)

DESCRIPTION
Computer Information Systems are the tools that facilitate the effective and efficient transformation of data into information. Careers in today's information systems require knowledge and hands-on experience in microcomputer applications, programming, operating systems, and networking. This program provides the lower division coursework for advanced degrees and should be followed if a student's goal is to transfer to a four-year institution for continued study in computer information systems. Since requirements vary at each four-year school, transfer students should consult with a counselor to develop a program for the specific school they wish to attend. The program in Computer Information Systems offers students an opportunity to earn an associate's degree as well as coursework in general CIS electives for students in other fields of study campus-wide.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

COMPUTER SCIENCE

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)

DESCRIPTION
Computer Science is the study of computer software design, development, and programming. Computer scientists seek to advance the fundamental understanding of how information is processed, as well as the practical design of software and hardware to accomplish specific functions. This Associate in Science degree requirements are designed to satisfy core requirements for many Computer Science transfer patterns. However, students should consult a counselor and especially the catalog of the intended transfer institution for specific transfer requirements in the major. Some transfer institutions require Physics for example.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

CAREER OPPORTUNITIES
Of the career opportunities identified many will usually require the completion of degree requirements at 4-year colleges and universities.

- Systems Programmer
- Software Designer
- Computer Researcher
- Systems Administrator
- Security Systems Designer
- Database Programmer
- Consultant
- Educator
- Documentation/Technical Writer
- Technical Sales and Marketing Specialist
- Scientific Application Programmer
- Computer Services Coordinator
- Computer Graphics Specialist
- Computer Scientist
- Computer Systems Analyst
- Technical Representative
- Teleprocessing Coordinator
- Data Processing Application
- Programmer
- Database Administrator
- Data Processing Manager
- Information Specialist
- Programmer Analyst
- Software Engineer
- Systems Manager
- Systems Programmer
- Technical Control Specialist
- Engineer Security Specialist
- Data Mining Analyst
- Technical Product Support Personnel
- Management Information Specialist
- Computer Operations Manager
- Data Communications Manager

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. Please click on our Programs of Study link to view the information for each certificate program: [http://www.imperial.edu/courses-and-programs/programs-of-study/](http://www.imperial.edu/courses-and-programs/programs-of-study/)

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

Transfer Resources:

- [www.CSUMentor.org](http://www.CSUMentor.org) – CSU System Information
- [www.universityofcalifornia.edu/admissions/index.html](http://www.universityofcalifornia.edu/admissions/index.html) - UC System Information
- [www.aiccu.edu](http://www.aiccu.edu) – California Independent Colleges and Universities, Association of
- [http://wiche.edu/wue](http://wiche.edu/wue) - Western Undergraduate Exchange Programs

FINANCIAL AID
Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information: [www.imperial.edu/students/financial-aid-and-scholarships/](http://www.imperial.edu/students/financial-aid-and-scholarships/)

CORRECTIONAL SCIENCE

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
The Correctional Science program offers an Associate in Science Degree and a Certificate of Achievement. The program provides the foundational education required for an individual's career entry into the criminal justice field, specifically correctional operations and probation/parole case investigations. The courses range from concepts of criminal law, evidence, investigation and reporting to criminology, aspects of social change, and corrections investigations.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate.; (2) achieve a "C" average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES
Of the career opportunities identified some will usually require the completion of degree requirements at 4-year colleges and universities.

• Correctional Officer  • Security Guard

Related Career Opportunities
• Fire Inspectors  • Criminal Investigators
• Fire Investigators  • Special Agents
• Bailiffs  • Immigration Inspectors
• Jailors  • Customs Inspectors
• Police Detectives  • Sheriffs
• Transit and Railroad Police

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. COURT SERVICES SPECIALIST

DEGREES, CERTIFICATES AND AWARDS
Certificate of Achievement

DESCRIPTION
The Court Services Specialist Certificate of Achievement program is intended to provide an opportunity for court employees and others interested in the justice process to enhance their professional and personal skills. Students interested can acquire the skills necessary to secure employment as reporter/recorder in our courts of law and legal and business offices.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

DENTAL ASSISTANT

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
The Dental Assistant Program prepares students for the high demand field of professional dental assisting. Dental assistants are a significant and valuable member of the dental health care team. Students are trained to perform a wide variety of duties including working chairside as patients are examined and treated, taking and developing dental radiographs, removing sutures, and applying anti-cavity agents to teeth. Dental assisting students are also taught to perform laboratory duties such as taking and pouring impressions and making temporary crowns. Additionally, the Dental Assistant Program offers curriculum on executing office duties like scheduling and confirming patients, filing patient treatment records, billing, and ordering dental supplies. The Dental Assistant Program at Imperial Valley College includes patient care practice in fully-equipped, off-campus externship experiences.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

Please log onto our website for additional information: www.imperial.edu/students/financial-aid-and-scholarships/

CAREER OPPORTUNITIES
Completing students will be able to work in various dental office settings. In addition to traditional dental practices, dental assistants have the opportunity to work in specialty areas, such as:

- Oral and maxillofacial surgery
- Orthodontics and dentofacial orthopedics
- Endodontics
- Periodontics
- Prosthodontics
- Pediatric dentistry

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. EARLY CHILDHOOD EDUCATION (For Transfer)

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree in Early Childhood Education for Transfer (AS-T)

DESCRIPTION
Early Childhood Education is the study of the physical, socio-emotional and cognitive growth and development of the child from conception through adolescence. The purpose of this major is to provide a sound academic program in child development and to prepare students to work with children and families in a variety of school and community settings. Early Childhood Education students pursue careers in day care and preschool teaching and administration; parent education; elementary school teaching; community college teaching; or work with a variety of counseling, social service and community agencies. The Associate in Science in Early Childhood Education for Transfer is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) degree is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete a minimum of 60 required semester units of CSU-transferable coursework with a minimum GPA of 2.0. Students transferring to a CSU campus that does accept the AA-T or AS-T will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major). This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete this degree for more information on university admission and transfer requirements.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor's degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

FINANCIAL AID
Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information: www.imperial.edu/students/financial-aid-and-scholarships/

CAREER OPPORTUNITIES
Of the career opportunities identified many will usually require the completion of degree requirements at 4-year colleges and universities.

- Adoption Counselor
- Before and After School Teacher/Director
- Child Life Specialist
- Community College Instructor
- Counselor - Career,
  - Counselor – Community
  - Counselor – Marriage/Family/Child
  - Counselor – School
  - Early Childhood Special Education Specialist
- Elementary School Teacher
- Child Care Teacher/Director
- Infant Day Care Teacher/Director
- Parent Education Instructor
- Pediatric Psychologist
- Preschool Teacher/Administrator
- Resource and Referral Coordinator
- Social Worker

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. Please click on our Programs of Study link to view the information for each certificate program: http://www.imperial.edu/courses-and-programs/programs-of-study/
ASSOCIATE DEGREE PROGRAM

EARLY CHILDHOOD EDUCATION
Associate in Science Degree in Early Childhood Education for Transfer (AS-T) – 24.0 units.

ALL COURSES FOR THIS MAJOR MUST BE COMPLETED WITH A MINIMUM GRADE OF “C” OR BETTER.

REQUIREMENTS FOR THE DEGREE

I. Units/GPA – Must complete a maximum of 60 CSU-transferable semester units with a minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. NOTE: While a minimum of 2.0 is required for admission, some institutions and majors may require a higher GPA. Please consult with a counselor for more information.

II. General Education – Must complete one of the following general education transfer patterns:
   A. California State University General Education Breadth Pattern (CSU GE-B) – 39 units minimum
   B. Intersegmental General Education Transfer Curriculum (IGETC) – 37 units minimum

III. Associate Degree Major Core – 24.0 units

ELECTRICAL TECHNOLOGY

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement
Specialization Certificates in Electrical Wiring, Electronics, and Solar Energy

DESCRIPTION
The Electrical Technology program offers an Associate in Science degree, Certificate of Achievement and Specialization Certificates that are designed to provide students with the comprehensive understanding and manipulative skills, technical knowledge, and related trade information required to become technicians or operators in industrial technology and energy related industries or light manufacturing equipment.

This program will allow students to comply with the necessary requirements for certification up to Grade I level. Once the student becomes a state certified operator, he or she will qualify to seek employment in the industrial technology disciplines anywhere in the state.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

Electrical Technology

Specialization Certificates

The Specialization Certificate(s) demonstrates a completion of coursework in addition to the major in Electrical Technology.

All courses for these certificates must be completed with a minimum grade of “C” or better.

Electrical Technology: Electrical Wiring Specialization - Major Plus 9.0 Units

Specialization Certificate in Electrical Wiring is designed to provide students and entry level operators seeking higher grade level and specific understanding and skills, technical knowledge, and related trade information on electrical installations. It will prepare students in electrical residential installations. Once the student finishes this program, he or she will qualify to seek employment in the electrical and energy sector anywhere in the State.

I. The major plus nine (9.0) additional units in Electrical Wiring course work.

EWIR 125 Electrical Feeder Services and Circuits 4.0
EWIR 135 Electrical Equipment & Special Conditions 4.0
WE 220 Internship 1.0

Total Major Units 20.0
Electrical Technology: Electrical Wiring Specialization Units 9.0

Total Certificate Units: 29.0

Electrical Technology: Electronics Specialization - Major Plus 7.0 Units

Specialization Certificate in Electronics is designed to provide students and entry level operators seeking higher grade level and specific understanding and skills, technical knowledge, and related trade information on electronic equipment based on semiconductor devices and microchips, including data acquisition equipment and software for virtual instrumentation.

I. The major plus seven (7.0) additional units in Electronics course work.

ELTR 220 Digital Instrumentation Measurements 3.0
ELTR 240 Digital Logic Circuits 3.0
WE 220 Internship 1.0

Total Major Units 20.0
Electrical Technology: Electronics Specialization Units 7.0

Total Certificate Units: 27.0

Electrical Technology: Solar Energy Specialization - Major Plus 18 Units

Specialization Certificate in Solar Energy is designed to provide students and entry level operators seeking higher grade level and specific understanding and skills, technical knowledge, and related trade information on solar technology and installation of related equipment such as power inverters and data acquisition software.

I. The major plus eighteen (18.0) units in Solar Energy course work.

ELTR 220 Digital Instrumentation Measurements 3.0
ELTR 240 Digital Logic Circuits 3.0
EWIR 150 Solar Energy Systems 3.0

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
The Electrical Trades program offers the Associate of Science degree and a Certificate of Achievement to prepare students for continued education and training in any or all of the following electrical apprenticeship programs offered through the Imperial Irrigation District (IID): Electrical, Generation Mechanic, Lineman, Meter Technician, Systems Protection Technician, ADA/Telecommunications, and Substation. The associate degree and certificate requirements are equivalent to the first four courses of related supplemental instruction (RSI) which are part of the four-year apprenticeship certificate programs for which Imperial Valley College (IVC) is the local educational agency (LEA) and the Imperial Irrigation District (IID) is the sponsoring employer. Applicants for these apprenticeship programs should be directed to the Imperial Irrigation District located at 333 East Barioni Boulevard, Imperial, California 92251 (760-482-9640).

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES
Of the career opportunities identified some will usually require the completion of degree requirements at 4-year colleges and universities.

EMERGENCY MEDICAL SERVICES

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
The Associate’s Degree and Certificate of Achievement in Emergency Medical Services prepares the student for licensure as a Paramedic (EMT-P) and to care for the sick and injured at the scene of an emergency and/or during transport to a healthcare facility. Acceptance into the program requires successful completion of the application process, high school diploma or GED, approval by the EMS Faculty Coordinator and the EMS Medical Director, current EMT certificate with at least one (1) year experience, current American Heart Association BLS/CPR certification, successful completion of IVC’s Biology 090 or higher (or other equivalent courses from another institution), and for the applicant to be at least 18 years of age prior to any clinical experience. Contact the Nursing and Allied Health Department for more specifics.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES
The Emergency Medical Services Associate Degree and/or Certificate of Achievement prepares the student to apply for and qualify for licensure as a Paramedic (EMT-P) and to care for the sick and injured at the scene of an emergency and/or during transport to a healthcare facility.

- Paramedic

ENERGY EFFICIENCY TECHNOLOGY

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
The Energy Efficiency Technology Associate in Science Degree and Certificate are designed to provide instruction in manipulative skills, technical knowledge, and technical information from the Building Performance Institute, which will prepare the student for employment in energy efficiency, home performance and energy auditing with emphasis in green building retrofits. The course work for the associate degree also emphasizes subject areas that are significant to the construction worker such as building sciences, environmental sciences, and the development of analytical and communication skills through the general education requirements.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES
Of the career opportunities identified some will usually require the completion of degree requirements at 4-year colleges and universities. Green Careers also exist in fields such as Hydrology (Water), Solar, Geo-Science, Ecology, Wind Energy, Infrastructure/Green Building, Atmospheric Science and Geothermal.

- Green Architect
- Business Development
- Construction
- Technician
- Engineering
- Energy Optimization Specialist
- Energy Auditor/Designer
- Installer
- Solar Energy Engineer
- Manager
- Marketing
- Field Services Technician
- Sales
- Finance

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. English

DEGREES, CERTIFICATES AND AWARDS
Associate in Art Degree (A.A.)

DESCRIPTION
English is an academic discipline focusing on the development of language skills from basics through composition, critical thinking, and the study of literature. Beginning and intermediate composition courses are important for transfer students who will face many diverse writing assignments at four-year institutions and for non-transfer students who will need writing skills for the job market. Language skills provide an essential foundation for academic and career success. The study of literature enhances a wide variety of intellectual skills while exposing students to a major source of cultural enrichment. A major in English equips the student with a wide variety of intellectual skills and correlated career opportunities.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

CAREER OPPORTUNITIES
A poll of the nation’s four hundred largest firms shows that English was the predominant undergraduate major among entry-level managers. This implies a basic assumption held by employers that English students have strong analytical and imaginative abilities as well as superior skills in oral and written communications.

FIRE TECHNOLOGY

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
Fire Technology involves the study of fire behavior, protection and control techniques, including the understanding of the environment and ecology systems involved. The Fire Technology program is designed to prepare students for entry-level status in public or private fire protection agencies, to survey career options and opportunities, and to upgrade fire personnel.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor's degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

Certificate of Achievement

DESCRIPTION
The Firefighter I Certificate of Achievement program will cover the principles, procedures, and techniques of firefighting and rescue. Technical and manipulative skills and concepts of fire control, fire behavior, tactics and strategy, and emergency management will be reviewed and put into practice during this course. The student will be trained according to the National Fire Protection Association, Standard 1001. Students completing this certificate program will be qualified to test for employment with agencies and departments hiring entry level firefighters.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CERTIFICATE PROGRAM

FIREFIGHTER I CERTIFICATE
Twenty-five and one-half (25.5) units required for the certificate.

Successful completion of this certificate will meet the educational requirements for a California State Fire Marshall Firefighter I Certificate. Upon completion of the certificate program, the candidate is required to be affiliated with a fire agency for a year of part-time/volunteer or 6 month of full-time work experience as a firefighter meets the requirement of work experience. The candidate's work experience must be verified by the agency's Fire Chief with a written letter to the California State Fire Marshall.

ALL COURSES FOR THIS CERTIFICATE MUST BE COMPLETED WITH A MINIMUM GRADE OF "C" OR BETTER.

Associate in Art Degree (A.A.)

DESCRIPTION

The French program helps prepare its majors and minors for careers not only in teaching but in many other fields as well, such as business, journalism and government service. To that end it offers courses that enable students to grow intellectually and to live and work successfully in areas where the French language is spoken.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS

The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

CAREER OPPORTUNITIES

Of the career opportunities identified many will usually require the completion of degree requirements at 4-year colleges and universities.

- Trade and Commerce
- Export/Import
- Interpreter/Translator
- Banking Representative
- Buyer/Sales Representative
- Foreign/Diplomatic Service

- Airlines Personnel
- Travel Industry
- Foreign Correspondent
- Public Relations
- U.S. Immigration/Custums

- Foreign Publications/Textbook Editor
- U.S. Information Agency
- Peace Corps
- Language Teacher
- Bilingual/Foreign Secretary
- Research Assistant

GENERAL SCIENCE

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)

DESCRIPTION
The Associate of Science General Sciences degree emphasizes the role of science, scientific inquiry and technology in our world. Students will apply a problem solving strategy such as the scientific method or other systematic process of inquiry and recognize the contributions of science and technology in our world. This program provides a broad study in the fields of biological and physical sciences in preparation for transfer to a four-year program and continuation of studies in upper division science courses in fields of anthropology, astronomy, biology, chemistry, environmental science, geography, geology, engineering and physics.

The most reliable guide for appropriate course combinations in this major will be the catalog from the specific college to which the student will transfer. Please see a counselor for assistance.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS

HISTORY

DEGREES, CERTIFICATES AND AWARDS
Associate in Arts Degree (A.A.)

DESCRIPTION
History is the study of all human experience. It examines the people, institutions, ideas, and events of the past. The study of history contributes to cultural literacy, global awareness, and develops critical thinking skills, while helping students understand the present. Historical study provides a solid, fundamental preparation for careers in business, industry, government, and education. It also serves as excellent preparation for law school, Foreign Service, international work, urban affairs, and library science. History is an academic discipline offering both breadth and focus. While it can be valuable for those going into other professions, it also produces a person capable of handling many different jobs and positions where critical analytical skills are in demand.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

CAREER OPPORTUNITIES
Of the career opportunities identified many will usually require the completion of degree requirements at 4-year colleges and universities.

- Historian
- Pre-Law/Lawyer
- Foreign Service
- Teacher
- Archivist
- Researcher/Research Analyst
- Museum Curator
- State Park Historian
- Librarian
- Businessperson
- Writer
- Consultant
- Market Research
- Travel
- Historical Societies
- Journalist
- Communications

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. Please click on our Programs of Study link to view the information for each certificate program: http://www.imperial.edu/courses-and-programs/programs-of-study/

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor's degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

Transfer Resources:
www.ASSIST.org – CSU and UC Articulation Agreements and Majors Search Engine
www.CSUMentor.org – CSU System Information
www.universityofcalifornia.edu/admissions/index.html - UC System Information
www.aiccu.edu – California Independent Colleges and Universities, Association of
http://wiche.edu/wue - Western Undergraduate Exchange Programs

FINANCIAL AID
Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information: www.imperial.edu/students/financial-aid-and-scholarships/
ASSOCIATE DEGREE PROGRAM

HISTORY MAJOR - A.A. DEGREE
Twenty-four (24.0) units required for the major.

The Associate in Arts degree in history prepares students to transfer to four-year institutions for continued study in the fields of history or other social sciences. This degree program fulfills the lower division requirements for those intending to major in history at San Diego State University and is typical of requirements at other four-year schools. For specific requirements, transfer students should consult the catalog of the college or university of their choice. A history major provides useful background for students in such fields as history, education, political science, and law.

ALL COURSES FOR THIS MAJOR MUST BE COMPLETED WITH A MINIMUM GRADE OF "C" OR BETTER.

I. Required courses for the major (12.0 units)

HUMAN RELATIONS

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
Human Relations prepares you for any profession in which knowledge of human behavior, organizational behavior, social issues and change strategies, and diversity and gender issues is paramount. Human Relations graduates have used their studies to continue or embark on successful careers in the military, counseling and human services, non-profit organizations, education, government, corrections, athletic coaching and training, and in a multitude of other business and work settings. Human Relations programs can also give you the knowledge and skills to enrich your life outside of the workplace.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a "C" average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES
Of the career opportunities identified many will usually require the completion of degree requirements at 4-year colleges and universities.

Social Services/Nonprofit:
• Administration and Planning
• Case Management
• Advocacy
• Program Evaluation
• Policy Development
• Volunteer Coordination

Criminal Justice/Corrections:

HUMANITIES

DEGREES, CERTIFICATES AND AWARDS

Associate in Arts Degree (A.A.)

DESCRIPTION

The Associate of Arts degree in Humanities is an interdisciplinary program that integrates several different academic traditions. The program offers students a rare opportunity to discover the heritage of art, culture, and learning through lectures and readings of great texts; make connections between ideas in the past and issues in the present; and improve skills in critical reading, listening, writing, and discussion.

ASSOCIATE DEGREE

The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

DEGREES, CERTIFICATES AND AWARDS
Certificate of Achievement

DESCRIPTION
Completion of ALL of the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University (CSU) or University of California (UC) system without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements.

IGETC is separated into six separate academic areas. Each area requires a specific unit/course requirement(s). A grade of “C” or higher is required for each course used to satisfy IGETC requirements. It is recommended IGETC be completed in its entirety prior to transfer. Students who do not complete the entire program before transfer could be subject to the general education requirements of the campus or college to which they transfer.

CERTIFICATE OF ACHIEVEMENT PROGRAM
The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

http://wiche.edu/wue - Western Undergraduate Exchange Programs

FINANCIAL AID
Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information: www.imperial.edu/students/financial-aid-and-scholarships/

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. Please click on our Programs of Study link to view the information for each certificate program: http://www.imperial.edu/courses-and-programs/programs-of-study/
INTERSEGMENatal GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

CERTIFICATE PROGRAM

INTERSEGMENtal GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) CERTIFICATE
Students must complete a minimum of 34 units used to satisfy the IGETC requirements.

ALL COURSES FOR THIS CERTIFICATE MUST BE COMPLETED WITH A MINIMUM GRADE OF “C” OR BETTER.

NOTE – IGETC Certification: Earning this Certificate of Achievement will not replace the IGETC Certification document. The “certification” of IGETC is a separate process. The student must request IGETC Certification at the time he/she requests a final IVC transcript to be sent to the UC/CSU or other school he/she plans on attending.
DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)

DESCRIPTION
Journalism is the occupation of reporting, writing, editing, photographing, or broadcasting news or of conducting any news organization as a business. The Journalism program provides both a general academic experience and professional preparation. The IVC program emphasizes writing, editing, writing for interactive media, web design, and other courses necessary to prepare students for success in media-related jobs. The courses offered provide the basic preparation for students seeking careers in reporting, writing, and editing for newspapers and magazines.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

LEGAL ASSISTANT

DEGREES, CERTIFICATES AND AWARDS
Associate in Arts Degree (A.A.)
Certificate of Achievement

DESCRIPTION
The Associate in Arts (AA) degree and certificate program in Legal Assistant is designed to prepare students for a paraprofessional career in generalized or specialized areas of paralegal service. This program provides students with a strong foundation in communication skills and research. This program also provides students with the theoretical knowledge and practical skills necessary to enter the job market as a legal assistant in private law offices, government agencies, or business corporations. The Associate in Arts (AA) degree program provides students with an educational foundation helpful for transfer to a baccalaureate pre-law program or related field of study. A legal assistant works under the direction of an attorney in performing legal services to meet the client’s needs.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

DESCRIPTION
The Liberal Studies program is a multidisciplinary major designed for students who intend to become K-8 teachers in California. This major will provide an education experience which prepares students to think critically, write clearly and effectively, analyze evidence, and appreciate the differences between subject areas. The largest portion of the major(s) comprises the core section, with courses in reading, language and literature, mathematics, natural science, history and social sciences, visual and performing arts, physical education, human development and health. Student who complete either major presented should find opportunities in a variety of careers.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

LIFE SCIENCE

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)

DESCRIPTION
Life Science is defined as any one of the branches of science concerned with the structure and behavior of living organisms, such as biology, botany, zoology, physiology, or biochemistry. This curriculum is designed to provide the beginning basics of a two-year transfer program with emphasis on the uniformity and diversity of life. The course requirements fulfill the lower division requirements for such majors as biology, dentistry, liberal studies, medicine, nursing, pharmacy, environmental health, and microbiology. Please consult with a counselor for assistance on identifying the correct course sequencing for your field of study.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS

The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

TRANSFER PREPARATION

Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor's degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

FINANCIAL AID

Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information: www.imperial.edu/students/financial-aid-and-scholarships/

**Total Major Units**: 24.0

IVC Graduation Requirements and GE Pattern: 30.0

Electives (as needed to reach 60 degree applicable units)

**Total Maximum Units**: 60.0
**MATHEMATICS**

**DEGREES, CERTIFICATES AND AWARDS**

**Associate in Science Degree (A.S.)**

**DESCRIPTION**

The study of Mathematics concerns the nature and manipulation of numbers. The IVC mathematics program is designed to provide students with an appreciation of the nature, scope and power of mathematics, as well as an understanding of how mathematics is applied to business, engineering, science and daily life. The program consists of a clear sequence of courses which prepares students for transfer, a variety of fields of study, and career opportunities.

**ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS**

The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

**CAREER OPPORTUNITIES**

Virtually all two-year career programs in business or technology fields also require a solid foundation in mathematics. Many BA/BS level careers require extensive background in Mathematics.

- Auditor
- Actuary
- Appraiser
- Assessor
- Biology/Agriculture
- Budget Analyst
- Business/Economics
- Casualty Rater
- Chemistry
- Controller
- Education
- Engineer
- Engineering Analyst
- Finance Director
- Financial Analyst
- Industry
- Investment Analyst
- Loan Officer
- Marketing/Advertising
- Mathematician
- Mathematics
- Numerical Analyst
- Operations Analyst
- Opinion Polling
- Physical Science
- Public Health
- Sociology
- Statistician
- Systems Analyst
- Tax Collector
- Teacher
- Technical Writer

**FINANCIAL AID**

Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information: [www.imperial.edu/students/financial-aid-and-scholarships/](http://www.imperial.edu/students/financial-aid-and-scholarships/)

**Virtually all two-year career programs in business or technology fields also require a solid foundation in mathematics. Many BA/BS level careers require extensive background in Mathematics.**

**Gainful Employment:** Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. Please click on our Programs of Study link to view the information for each certificate program: [http://www.imperial.edu/courses-and-programs/programs-of-study/](http://www.imperial.edu/courses-and-programs/programs-of-study/)

MEDICAL ASSISTANT

DEGREES, CERTIFICATES AND AWARDS
Certificate of Achievement

DESCRIPTION
The Medical Assistant program prepares people to work under the direction of physicians and registered nurses in medical offices and clinics. Students who complete the certificate in medical assistant will have the knowledge which will allow them to comprehend and communicate with medical professionals effectively and may provide enhanced employment opportunities in the field once they gain relevant job experience.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a "C" average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor's degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

MULTIMEDIA AND WEB DEVELOPMENT

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
The Multimedia and Web Development program is an interdisciplinary program that combines technical knowledge with design, communication, and problem solving skills. It includes multimedia software applications and programming languages that allow a student to build dynamic Web applications. Students learn how to process information and then make this information available to audiences via electronic media. The program provides students with the entry level competencies for employment as a Web Developer or other position which requires knowledge to produce a variety of computer, Web, and/or multimedia graphics, animation, sound and video production, and/or content materials. The program provides entry level training to qualify students for collaborative projects working from within small design films or for developing web pages for small or large businesses.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. MUSIC

DEGREES, CERTIFICATES AND AWARDS
Associate in Arts Degree (A.A.)

DESCRIPTION
The associate's degree in music is for those students who have professional ambitions in music performance, public school teaching, composition, jazz studies, a music generalist, and/or for seeking foundation for graduate school for university teaching or research. This program emphasized the professional aspects of music and encourages students to continue on for a bachelor's degree.

All students are encouraged to consult with the music department to determine their placement level for starting this associate's degree and/or advisement to enroll in Music 100, Introduction to Music Foundations.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

CAREER OPPORTUNITIES
The music program is designed to promote interest and excellence in general musical knowledge and performance. The program also serves students interested in transferring to four year schools as well as offering preparation for careers in music. Of the career opportunities identified many will usually require the completion of degree requirements at 4-year colleges and universities.

- Conductor
- Soloist
- Composer
- Private Teaching
- Music Librarian
- Music Therapy
- Music Criticism
- Music Publishing
- Opera
- Accompanist
- Recreation Specialist

ASSOCIATE DEGREE PROGRAM

MUSIC MAJOR – A.A. DEGREE

Twenty-nine (29.0) units are required for the major.

ALL COURSES FOR THIS MAJOR MUST BE COMPLETED WITH A MINIMUM GRADE OF “C” OR BETTER.

I. Required courses for the major
   a. Academic courses (20.0 units)
      Units
      MUS 110 Beginning Musicianship I 2.0
      MUS 112 Beginning Musicianship II 2.0
      MUS 120 Beginning Harmony I 3.0
      MUS 122 Beginning Harmony II 3.0
      MUS 210 Intermediate Musicianship I 2.0
      MUS 212 Intermediate Musicianship II 2.0
      MUS 220 Intermediate Harmony I 3.0
      MUS 222 Intermediate Harmony II 3.0

   Note: MUS 110 and 120 must be taken concurrently and the sequence followed through MUS 212 and 222.

   b. Applied Music (5.0 units)
      Students must sign up for MUS 179 each semester (See “Notes” 1 and 2
      Requirement may be satisfied through credit-by-exam.
      MUS 140 Beginning Group Piano I 1.0
      MUS 179 Applied Music (1.0) 4.0

   c. Ensemble (4.0 units)
      Students must sign up for one performance ensemble from the following list for each semester enrolled.
      MUS 154 Chamber Singers 1.0
      MUS 156 College-Community Chorus (IV Master Chorale) 1.0
      MUS 171 Chamber Orchestra 1.0
      MUS 172 College-Community Band (IV Community Band) 1.0
      MUS 175 Instrumental Ensemble (Pacific Fire) 1.0
      MUS 177 Stage Band (Valley Jazz) 1.0
      MUS 178 Symphony Orchestra (IV Symphony) 1.0

II. Recommended electives (do NOT fulfill major requirements):
    The Music Faculty offers certain courses for students who are interested in such an elective study area for the enrichment of their
    cultural background or in satisfaction of general education for transfer requirements. Enrollment by students who
    wish to elect these courses is encouraged.
    MUS 100 Introduction to Music Foundations 3.0
    MUS 102 Introduction to Music Literature & Listening 3.0
    MUS 104 Introduction to 20th Century Music 3.0
    MUS 142 Beginning Group Piano II 1.0
    MUS 150 Beginning Voice I 1.0
    MUS 152 Beginning Voice II 1.0
    MUS 160 Beginning Guitar I 1.0
    MUS 162 Beginning Guitar II 1.0
    MUS 182 Introduction to Recording Techniques 2.0
    MUS 184 Advanced Recording Techniques 2.0
    MUS 200 History & Literature of Music I 3.0
    MUS 202 History & Literature of Music II 3.0
    MUS 240 Intermediate Group Piano I 1.0
    MUS 242 Intermediate Group Piano II 1.0
    MUS 250 Intermediate Voice I 1.0
    MUS 252 Intermediate Voice II 1.0
    MUS 260 Intermediate Guitar I 1.0
    MUS 262 Intermediate Guitar II 1.0

   Total Major Units 29.0
   IVC Graduation Requirements and GE Pattern: 30.0
   Electives (as needed to reach 60 degree applicable units)
   Total Maximum Units: 60.0

NOTES:
1. Credit for MUS 179 is obtained through “credit-by-exam.” After certifying 15 hours of private studio instruction with an approved instructor,
   the student will perform live before a jury consisting of the studio instructor and at least one member of the IVC music department faculty
   (See Note 2). The literature performed must be from the department approved sequence of literature of equivalent difficulty. Each semester,
   the literature and technique covered must advance at least one level. This exam will be taped. The grade will be recommended by the private
   instructor in concurrence with the IVC faculty member(s) serving on the jury, with the department head having the final determination in
   case of a dispute.
2. If the studio instructor is also an IVC music faculty member, no other is needed.
NURSING

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.) – Registered Nursing (R.N.)
Associate in Science Degree (A.S.) – Licensed Vocational Nurse (L.V.N.)
Certificate of Achievement - Licensed Vocational Nurse

DESCRIPTION
The Division of Health and Public Safety offers programs leading to the associate degree in Registered Nursing (R.N.) and associate degree in Licensed Vocational Nursing (L.V.N) along with an Licensed Vocational Nursing (L.V.N.) certificate.

The Registered Nursing program is designed to provide the education necessary for licensure eligibility and practice as a Registered Nursing (R.N.). Acceptance into the program requires successful completion of all prerequisites and successful competition of the application and selection processes.

The Vocational Nursing Program is designed to provide the education necessary for licensure eligibility and practice as a Licensed Vocational Nurse (L.V.N.). Acceptance into the program required successful completion of all prerequisites and successful completion of the application and selection processes.

All required prerequisites and nursing courses must be completed with a grade of “C” or better. Contact the Nursing and Allied Health Department for more specifics.

LVN to RN Student - Advanced placement options are found in the Nursing Appendix at the end of the Imperial Valley College general catalog.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

FINANCIAL AID
Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information:
www.imperial.edu/students/financial-aid-and-scholarships/

CAREER OPPORTUNITIES
Of the career opportunities identified below many will usually require the completion of bachelor degree requirements at 4-year colleges and universities.

- Registered Nurse (B.S.N.)
- Hospital Nurse
- Medical Nurse
- Surgical Nurse
- Operating Room Nurse
- Pediatrics Nurse
- Obstetrics Nurse
- Mental Health Nurse
- Critical Care Nurse
- Oncology Nurse
- Rehabilitation Nurse
- Community Health Nurse
- Home Health Nurse
- Vocational Nurse
- Extended Care Nurse
- Physician's Office Nurse
- Clinics and Industry Nurse
- Traveling Nurse

Advanced Practice (M.S.) roles: Clinical Nurse Specialist, Educator, Nurse Practitioner, Case Manager, and School Nurse

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. Please click on our Programs of Study link to view the information for each certificate program: http://www.imperial.edu/courses-and-programs/programs-of-study/

   - PSY 101 Introduction to Psychology 3.0
   - NURS 100 Medication Mathematics 1.0
   - Math Competency: A score of 7006 or 2006 or higher on the ACCUPLACER™ College Level Mathematics test OR MATH 091 OR MATH 090 (Intermediate Algebra) OR an advanced level mathematics course with a grade of “C” or higher.
   - Reading Competency: A placementscore of 5010 or 3006 on the ACCUPLACER™ Reading Test OR ENGL 101 (Composition and Rhetoric) with a grade of “C” or higher.
2. TEAS Exam: Must pass exam at the predetermined minimum cut score (or higher) as set by the college and the State of California.
3. Background: Must pass a criminal background check as a requirement of the clinical agencies.
4. Drug Screen: Must pass a drug screen as defined by the Nursing Program as a requirement of the clinical agencies.
5. American Heart BLSL/CPR Certification: Must be current.

Additional Program Requirements
1. Degree Requirements
   - SPCH 100 Oral Communication 3.0
   - PE 100 Lifetime Exercise Science 2.0
   - PE Activity Course 1.0
   - Humanities Elective 3.0
   - American Institution Requirement 6.0
2. Recommended for the majors
   - PSY 204 Developmental Psychology: Conception to Death 3.0
   Students wishing to complete a Bachelor's of Science in Nursing Program (BSN) may be required to complete such course.
3. Progression Policy
   All nursing courses must be taken in sequence and must be completed with a “C” or better with skills and clinical experience courses receiving the equivalent of “C” or “Satisfactory” or higher to progress to the next level. Nursing Program graduates must submit a transcript demonstrating successful completion of all course work and graduation prior to sitting for the National Council Licensure Examination for Registered Nurses.
4. Registered Nursing Program Specific Courses:
   **Semester 1:**
   - NURS 110 Nursing Process I 4.5
   - NURS 111 Nursing Skills Laboratory I 1.5
   - NURS 112 Nursing Process Application I 4.0
   - NURS 113 Pharmacology I 1.5
   **Semester 2:**
   - NURS 123 Pharmacology II 1.5
   - NURS 121 Nursing Skills Laboratory II 1.0
   - NURS 125 Nursing Process and Application II 8.5
   **Semester 3:**
   - NURS 211 Nursing Skills Laboratory III 1.0
   - NURS 224 Psychiatric & Mental Health Nursing 2.0
   - NURS 225 Psychiatric & Mental Health Nursing Applications (Clinical) 1.0
   - NURS 231 Nursing Process and Application III 8.5
   **Semester 4:**
   - NURS 221 Nursing Skills Laboratory IV 1.0
   - NURS 230 Nursing Trends 1.0
   - NURS 241 Nursing Process and Application IV 8.5
   **Clinical experience may include a rotation outside of county.

PHARMACY TECHNICIAN

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
The Pharmacy Technician program offers an Associate of Science Degree and the Certificate of Achievement which will prepare
the student for the national certification exam for entry level work as a pharmacy technician. A pharmacy technician helps the
licensed pharmacist prepare prescriptions, medications, provides customer services, and performs administrative duties.
Pharmacy technicians generally are responsible for receiving prescription requests, preparing the prescription, preparing sterile
solutions, counting medications, and administrative duties such as answering the phone, stocking shelves, or operating a cash
register. Career roles may be in a retail or mail-order pharmacy; a hospital or nursing home; and an assisted living facility or
penal system.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves
satisfactory completion of a minimum of 60 semester units with a C average or
higher, including grades of C in all courses required for the major, and fulfillment
of all IVC district requirements for the associate's degree along with all general
education requirements. The degree provides a sound basis for transfer to upper
division institutions for additional degrees or for higher vocational preparation.
To be eligible to receive an Associate Degree the student must complete the
requirements for the major, the District requirements for an Associate Degree,
and the General Education requirements. In addition students must maintain a
minimum grade point average and meet the minimum grade requirements of
their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal
or occupational goals who wish early employment. To qualify for the Certificate, a
student must satisfy the following requirements: (1) complete all courses listed for
a particular certificate.; (2) achieve a “C” average (2.0 GPA) for all courses used to
complete the certificate; and, (3) file a Certificate Application form with Admissions
and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES
Completing students will be able to work within a long-term care facility, hospital,
retail, or other pharmacy under the direction of a licensed pharmacist.

- Pharmacy Technician
- Pharmacy Aide

Other workers who are employed in pharmacies, work with pharmaceutical com-
ounds, or are involved in patient care include: Biological Scientists, Medical Scienc-
tists, Physicians and Surgeons, and Registered Nurses.

Gainful Employment: Federal regulations require institutions to provide students
with Gainful Employment information for specific certificate programs offered at IVC.
Please click on our Programs of Study link to view the information for each certificate
program: http://www.imperial.edu/courses-and-programs/programs-of-study/

TRANSFER PREPARATION
Courses that fulfill major requirements
for an associate degree at Imperial Valley
College may not be the same as those
required for completing the major at a
transfer institution offering a bachelor’s
degree. Students who plan to transfer
to a four-year college or university should schedule an appointment with an IVC
Counselor to develop a student education plan (SEP) before beginning their program.

FINANCIAL AID
Paying for the cost of a college education
requires a partnership among parents, students
and the college. As the cost of higher education
continues to rise we want you to know that IVC
offers a full array of financial aid programs –
grants, work study, scholarships, and fee waivers
(we do not participate in the federal loan
programs). These programs are available to
both full and part time students who are seeking
a degree or certificate. For those who qualify,
financial aid is available to help with tuition,
fees, books and supplies, food, housing,
transportation, and childcare. Please log
onto our website for additional information:

PHYSICAL EDUCATION

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)

DESCRIPTION
The Physical Education Associate of Science degree provides an educational and practical foundation for students interested in multiple professions within the area of physical education/kinesiology. Topics include introduction to physical education, care and prevention of athletic injuries, exercise leadership, first aid and CPR, psychology of coaching, nutrition, dance, fitness, and sport. Students who work closely with their counselor can use this degree to prepare for majoring in kinesiology at a four-year institution.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

CAREER OPPORTUNITIES
Of the career opportunities identified some will usually require the completion of degree requirements at 4-year colleges and universities.

- Athletic Administrator
- Athletic Trainer
- Coach
- Public/Private/Non-Profit Organization Recreation Director
- Resort Activities Director/Coordinator
- Health and Safety Director
- Health/Sport Club Manager
- Personal Trainer
- Teacher
- Sports Journalist

Students earning the Associate in Science degree in Physical Education may find employment as assist level positions in the K-12 school system, the fitness industry or recreational settings.

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. PHYSICAL SCIENCE

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)

DESCRIPTION
Physical Science is a branch of science, identified as a natural science, which encompasses the study non-living systems, in contrast to the life sciences. Physical sciences are those fields of study that analyze the natural state and properties of energy paired with any non-living matter. Physics, chemistry, geology (earth science), and astronomy are physical sciences.

Physics is the “fundamental science” because the other natural sciences (biology, chemistry, geology, etc.) deal with systems that obey the laws of physics. The physical laws of matter, energy, and the forces of nature govern the interactions between particles (such as molecules, atoms, or subatomic particles).

Astronomy is a natural science that deals with the study of celestial objects (such as stars, planets, comets, nebulae, star clusters, and galaxies) and phenomena that originate outside the atmosphere of Earth. It is concerned with the evolution, physics, chemistry, meteorology, and motion of celestial objects, as well as the formation and development of the universe. Astronomy is one of the oldest sciences.

Chemistry, built upon physical concepts, addresses phenomena associated with the structure, and composition of matter and the changes it undergoes. Often known as the central science, chemistry connects the fundamental laws of physics to engineering and other natural sciences such as biology, earth science, astronomy and material science.

Earth Science is the science of the planet Earth, the only known life-bearing planet. Its studies include some of the following: Oceanography, Geology, Weather, Soil Science, Physical Geography, etc.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

PRE-ENGINEERING

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)

DESCRIPTION
The IVC Pre-Engineering program provides a foundation of mathematics, chemistry and physics courses necessary to transfer to a four-year institution and complete a bachelor’s degree in engineering. Students should consult the institution to which they wish to transfer for specific lower division requirements.

People working in the field of engineering and related technical fields "bridge the gap" between scientific principles and the application of these principles to the needs of society. An engineer uses experience and judgment, as well as advanced training in engineering, science, and mathematics, to formulate ideas and designs, and to determine standards, specifications, work orders and schedules so that projects can be economically beneficial to mankind. Engineering offers diverse and exciting job opportunities for people with mathematical, scientific, and technical skills.

Total Major Units 29.0
IVC Graduation Requirements and GE Pattern: 30.0
Electives (as needed to reach 60 degree applicable units) ____
Total Maximum Units: 60.0
DESCRIPTION
The Psychology program at IVC is designed to benefit both the student pursuing a career in psychology or related disciplines as well as the student desiring to acquire a personal understanding of psychology as it applies to everyday living. Psychology is the scientific study of human behavior and mental processes. It is a broad discipline which involves both pure and practical application of scientific principles as they apply to human development and adjustment. Although professional level positions require a graduate degree, BA holders find satisfying careers in a growing number of fields.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate's degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

CAREER OPPORTUNITIES
Of the career opportunities identified many will usually require the completion of degree requirements at 4-year colleges and universities.

- Psychiatric Aide
- Social Services Director
- Survey Designer
- Mental Health Worker
- Sports Psychologist
- Space Psychologist
- Forensic Psychologist
- Employment Counselor
- Outreach Worker
- Human Factors Specialist
- Therapist
- Personnel Management Specialist
- Public Health Statistician Trainee
- Community College Instructor
- Marriage and Family Therapist
- Marriage, Family, Child Counselor
- Community College Counselor
- Test Validation and Development Specialist
- Personnel Analyst/Manager
- Student Affairs Officer
- Probation Officer
- Research Director
- Social Research Trainee
- Drug Abuse Counselor
- Training Officer
- Personnel Analyst
- Psychometricist
- Administrator
- University Professor
- Mental Health Worker
- Drug Abuse Counselor
- Career Counselor
- Behavior Analyst
- Training Specialist
- Research Analyst
- Research Technician
- Personnel Analyst/Manager
- Public Health Statistician Trainee
- Community College Instructor
- Marriage and Family Therapist
- Marriage, Family, Child Counselor
- Community College Counselor
- Test Validation and Development Specialist
- Personnel Analyst/Manager

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. Please click on our Programs of Study link to view the information for each certificate program: [http://www.imperial.edu/courses-and-programs/programs-of-study/](http://www.imperial.edu/courses-and-programs/programs-of-study/)

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

FINANCIAL AID
Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information: [www.imperial.edu/students/financial-aid-and-scholarships/](http://www.imperial.edu/students/financial-aid-and-scholarships/)

SOCIAL SCIENCE

DEGREES, CERTIFICATES AND AWARDS
Associate in Art Degree (A.A.)

DESCRIPTION
The Social Science major is presented with course offerings in American Indian Studies, Anthropology, Economics, Geography, History, Latino/Latina Studies, Political Science, Sociology and Religious Studies. It serves as a knowledge base for the social sciences subject areas and provides subject matter preparation for pursuit of the bachelor’s degree at a four-year institution that can lead to the Single Subject Teaching Credential in Social Science.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS

The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

**Total Maximum Units: 60.0**

Electives (as needed to reach 60 degree applicable units)
SOCIOLOGY (For Transfer)

DEGREES, CERTIFICATES AND AWARDS
Associate in Arts Degree in Sociology for Transfer (AA-T)

DESCRIPTION
Sociology is the study of the groups people build, the makeup of human groups, and changes in their makeup over time. This study of human groups assists students to learn who we are, to get closer to the truth about social work, and to become aware of ways to achieve desired social ends. Sociology, like other social science disciplines does not educate students in specialized skills. Sociology and other liberal arts majors stress the ability to observe, organize and write clearly, as well as the development of skills in the analysis of data and in collaborating with others. The Associate in Arts for Transfer (AA-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing this degree (AA-T) are guaranteed admission to the CSU system, but not to a particular campus or major.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) degree is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn one of these degrees, students must complete a minimum of 60 required semester units of CSU-transferable coursework with a minimum GPA of 2.0. Students transferring to a CSU campus that does accept the AA-T or AS-T will be required to complete no more than 60 units after transfer to earn a bachelor’s degree (unless the major is a designated “high-unit” major). This degree may not be the best option for students intending to transfer to a particular CSU campus or to university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete this degree for more information on university admission and transfer requirements.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

ASSOCIATE DEGREE PROGRAM

SOCIOLOGY
Associate in Arts Degree in Sociology for Transfer (AA-T) – 18.0-19.0 units

ALL COURSES FOR THIS MAJOR MUST BE COMPLETED WITH A MINIMUM GRADE OF "C" OR BETTER.

REQUIREMENTS FOR THE DEGREE

I. Units/GPA – Must complete a maximum of 60 CSU-transferable semester units with a minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. NOTE: While a minimum of 2.0 is required for admission, some institutions and majors may require a higher GPA. Please consult with a counselor for more information.

II. General Education – Must complete one of the following general education transfer patterns:
   A. California State University General Education Breadth Pattern (CSU GE-B) – 39 units minimum
   B. Intersegmental General Education Transfer Curriculum (IGETC) – 37 units minimum

III. Associate Degree Major Core – 18.0-19.0 units
   A. Required for the Major
      SOC 101 Introduction to Sociology 3.0
   B. Select six/seven (6-7) units from: 6.0-7.0
      * SOC 102 Contemporary Social Problems (3.0)
      * MATH 119 Elementary Statistics (4.0)
      * PSY 212 Research Methods in Psychology (3.0)
   C. Select six (6) units from: 6.0
      * SOC 110 Marriage and the Family (3.0)
      * SOC/AJ 224 Criminology (Formerly SOC/AJ 124) (3.0)
      * SOC/ADS 150 Sociology of Minority Groups (3.0)
      * SOC/PSY 206 Social Psychology (3.0)
   D. Select three (3) units from the following: 3.0
      ANTH 102 Cultural Anthropology (3.0)
      GEOG 102 Cultural Geography (3.0)
      * MATH 119 Elementary Statistics (4.0)
      PSY 101 Introduction to Psychology (3.0)
      * PSY 212 Research Methods in Psychology (3.0)
      * SOC 102 Contemporary Social Problems (3.0)
      * SOC 110 Marriage and the Family (3.0)
      * SOC/AJ 224 Criminology (Formerly SOC/AJ 124) (3.0)
      * SOC/ADS 150 Sociology of Minority Groups (3.0)
      * SOC/PSY 206 Social Psychology (3.0)
      * If not used for required courses under sections B or C, above.

SPANISH

DEGREES, CERTIFICATES AND AWARDS
Associate in Arts Degree (A.A.)
Spanish – Non-Native Speaker
Spanish – Native Speaker

DESCRIPTION
The Spanish for Non-Native Speakers Program and the Spanish for Native Speakers Program offer courses that serve as a foundation for broad liberal education. It serves as preparation for a career in education, and as supplementary preparation for many careers in diverse areas such as emergency services, the legal and medical professions, social work, business, Foreign Service, public relations, journalism, translation and interpretation. The programs provide a linguistic and grammatical study of the language and an in-depth look into the culture of Spanish Speaking countries.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

UNIVERSITY STUDIES

DEGREES, CERTIFICATES AND AWARDS
Associate in Arts Degree (A.A.)
Students must select an emphasis and may receive only one University Studies degree.

DESCRIPTION
The Associate in Arts (A.A.) degree in University Studies is a degree program designed for students who would like to earn an associate's degree while preparing to transfer to an accredited four-year university. Students planning to transfer are cautioned that this curriculum may not provide for completion of the lower division requirements for transfer to a four-year institution. See a counselor for specific transfer requirements.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

FINANCIAL AID
Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information:
www.imperial.edu/students/financial-aid-and-scholarships/

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. Please click on our Programs of Study link to view the information for each certificate program: http://www.imperial.edu/courses-and-programs/programs-of-study/
ASSOCIATE DEGREE PROGRAM
UNIVERSITY STUDIES MAJOR – A.A. DEGREE

ASSOCIATE DEGREE REQUIREMENTS

1. Graduation Requirements – ALL OPTIONS
   a. Complete all IVC Graduation and Institutional Requirements 3.0-6.0

2. General Education (GE) – Select one pattern related to your educational goal:
   All required courses must be completed with a grade of “C” of better.
   a. CSU GE-Breadth Pattern (39.0 units) 34.0-39.0
   b. IGETC Pattern (34.0-37.0 units)

3. Minimum of eighteen (18.0) units in one selected Emphasis 18.0
   All required courses must be completed with a grade of “C” of better.
   a. Emphasis – Select one:
      1) Emphasis in Arts and Humanities
      2) Emphasis in Behavioral and Social Sciences
      3) Emphasis in Science and Mathematics
   b. Within the selected Emphasis:
      1) Select a minimum of two different subject areas.
      2) Complete a minimum of six (6.0) units in one subject area.
      3) Courses selected can be used to also fulfill GE areas.

4. Electives
   Enough elective units, if necessary, to total 60.0 degree applicable units required for this degree.

Emphasis in Arts and Humanities
Select a minimum of eighteen (18.0) units from the following Arts and Humanities courses. For depth, include a minimum of two courses from a single discipline; for breadth, include course from at least two disciplines. Courses can be counted toward completion of General Education requirements.

These courses emphasize the study of cultural, literary, humanistic activities and artistic expression of human beings. Students will evaluate and interpret the way in which people through the ages in different cultures have responded to themselves and the world around them in artistic and cultural creation. Students will also learn to value aesthetic understanding and incorporate these concepts when constructing value judgments.

This area of emphasis allows students to select courses that will prepare them for possible majors at four-year colleges and universities typically within the fields of Art History, Communication Studies, Language Studies, Literature, Humanities, Philosophy/Religious Studies and other disciplines.

**Emphasis in Behavioral and Social Science**
Select a minimum of eighteen (18.0) units from the following Behavioral and Social Sciences courses. For depth, include a minimum of two courses from a single discipline; for breadth, include courses from at least two disciplines. Courses can be counted toward completed of General Education requirements.

These courses emphasize perspectives, concepts, theories and methodologies of the disciplines typically found in the vast variety of disciplines that comprise study in the Behavioral and Social Sciences. Students will learn about themselves and others as member of a larger society. Topics and discussions to stimulate critical thinking about ways people have acted in response to their societies allow students to evaluate how societies and social subgroups operate.

This area of emphasis allows students to select courses that will prepare them for possible majors at four-year colleges and universities typically within the fields of History, Ethnic Studies, Political Science, Psychology, Sociology, and other related disciplines.

**Emphasis in Science and Mathematics**
Select a minimum of eighteen (18.0) units from the following Science and Mathematics courses. **Required, one mathematics course above the level of intermediate algebra.** For depth, include a minimum of two courses from a single discipline; for breadth, include courses from at least two disciplines. Courses can be counted toward completed of General Education requirements.

These courses emphasize the natural sciences which examine the physical universe, its life forms and its natural phenomena. Courses in Math emphasize the development of mathematical and quantitative reasoning skills beyond the level intermediate algebra. Students will be able to demonstrate an understanding of the methodologies of science as investigative tools. Students will also examine the influence that the acquisition of scientific knowledge has on the development of the world’s civilizations.

This area of emphasis allows students to select courses that will prepare them for possible majors at four-year colleges and universities typically within the fields of Biology, Chemistry, Earth Science (Geography and/or Geology), Environmental Science, Education, Engineering, Kinesiology, Mathematics, Nursing, Physical Science and other related disciplines.

WATER TREATMENT SYSTEMS TECHNOLOGY

DEGREES, CERTIFICATES AND AWARDS
Associate of Science Degree (A.S.)
Certificate of Achievement
Specialization Certificate
  Wastewater Treatment

DESCRIPTION
Water Technology is a career oriented vocational program involving the study of water/wastewater theory and principles. Professionalism, workplace skills and responsibilities are stressed along with safety and an awareness of hazardous materials control. The Water Treatment Systems Technology degree and certificates are designed to provide students with the comprehensive understanding and manipulative skills, technical knowledge, and related trade information required to become State-certified operators in Water Treatment and Water Distribution. This program will allow students to comply with the necessary requirements for certification up to Grade III level. Once the student becomes a state certified operator on any or all disciplines, he or she will qualify to seek employment in the Water Treatment Systems Technology disciplines anywhere in the State.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES
- Water Treatment Plant Operator
- Wastewater Treatment Plant Operator
- Water Distribution Operator

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. Please click on our Programs of Study link to view the information for each certificate program: [http://www.imperial.edu/courses-and-programs/programs-of-study/](http://www.imperial.edu/courses-and-programs/programs-of-study/)

WELDING TECHNOLOGY

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
The Imperial Valley College Welding Technology curriculum is designed to educate, train, and prepare our students to meet the minimum knowledge and skill standards for entry level welders established by the American Welding Society. The emphasis of our teaching and learning activities is to master the theory, technology, applied science, and practical skills that are the foundation of a rewarding career in Welding Technology. All welding courses are a combination of the many skills, aptitudes, and knowledge identified as necessary competencies for welding personnel. Courses include the core competencies for welding personnel which are; Industrial Safety, Oxy-Fuel Welding and Cutting, Weld Symbols, Shielded Metal Arc Welding (“Stick”) on plate and pipe, Gas Tungsten Arc Welding (“TIG”) on plate and pipe, Plasma Arc Cutting, Air Carbon Arc Cutting, Flux Cored Arc Welding, and Gas Metal Arc Welding (“MIG”).

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS

The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

- Substation-Electrician
- Telecommunications Technician

DESCRIPTION
Apprenticeship training programs provide the participant an opportunity for formal training consisting of a balance between on-the-job training (OJT) and technical related and supplemented instruction (RSI) directly associated with the particular trade or industry. The OJT is coordinated through the Imperial Irrigation District (IID) and the RSI is provided by Imperial Valley College.

To be eligible to participate in any of the apprenticeship training programs, an individual must be an employee of the Imperial Irrigation District (IID). Applicants for these apprenticeship programs are directed to the IID office located at: 333 E. Barioni Blvd, Imperial, California 92251, telephone (760) 482-9640.

Apprentices must complete the eight courses listed below that correspond to the apprenticeship program they are in. The AP** 105-108 courses are open only to IID apprentices. Majors and certificates are available for most of the Apprenticeship programs identified below.

The ELTT (101-104) courses are open to apprentices and non-apprentices, see the Electrical Trades major and certificate listing in IVC General Catalog. While completion of the ELTT courses does not require nor assure employment with the IID, it does place an individual in a better position to seek employment.

CAREER OPPORTUNITIES
Upon completion of the apprenticeship program(s), students may find employment in the following industry sectors: government, commercial and industrial construction and maintenance, utilities, and facilities management. With the degree students may further their career as licensed contractors.

Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information: www.imperial.edu/students/financial-aid-and-scholarships/

CAREER OPPORTUNITIES
Upon completion of the apprenticeship program(s), students may find employment in the following industry sectors: government, commercial and industrial construction and maintenance, utilities, and facilities management. With the degree students may further their career as licensed contractors.

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. Please click on our Programs of Study link to view the information for each certificate program: http://www.imperial.edu/courses-and-programs/programs-of-study/
CERTIFICATE PROGRAM

APPRENTICESHIP – CONTROL OPERATOR CERTIFICATE

Thirty-two (32.0) units required for the certificate.

To be eligible to participate in any of the apprenticeship training programs, an individual must be an employee of the Imperial Irrigation District (IID). Applicants for these apprenticeship programs are directed to the IID office located at: 333 E. Barioni Blvd, Imperial, California 92251, telephone (760) 482-9640.

ALL COURSES FOR THIS CERTIFICATE MUST BE COMPLETED WITH A MINIMUM GRADE OF “C” OR BETTER.

I. Required courses for the major (32.0 units).

Total Certificate Units 32.0
Total Maximum Units: 32.0
APPRENTICESHIP – ELECTRICIAN

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
Apprenticeship training programs provide the participant an opportunity for formal training consisting of a balance between on-the-job training (OJT) and technical related and supplemented instruction (RSI) directly associated with the particular trade or industry. The OJT is coordinated through the Imperial Irrigation District (IID) and the RSI is provided by Imperial Valley College.

To be eligible to participate in any of the apprenticeship training programs, an individual must be an employee of the Imperial Irrigation District (IID). Applicants for these apprenticeship programs are directed to the IID office located at: 333 E. Barioni Blvd, Imperial, California 92251, telephone (760) 482-9640.

Apprentices must complete the eight courses listed below that correspond to the apprenticeship program they are in. The AP** 105-108 courses are open only to IID apprentices.

The ELTT (101-104) courses are open to apprentices and non-apprentices, see the Electrical Trades major and certificate listing in IVC General Catalog. While completion of the ELTT courses does not require nor assure employment with the IID, it does place an individual in a better position to seek employment.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

APPRENTICESHIP – POWER LINEMAN

DEGREES, CERTIFICATES AND AWARDS
Associate in Science Degree (A.S.)
Certificate of Achievement

DESCRIPTION
Apprenticeship training programs provide the participant an opportunity for formal training consisting of a balance between on-the-job training (OJT) and technical related and supplemented instruction (RSI) directly associated with the particular trade or industry. The OJT is coordinated through the Imperial Irrigation District (IID) and the RSI is provided by Imperial Valley College.

To be eligible to participate in any of the apprenticeship training programs, an individual must be an employee of the Imperial Irrigation District (IID). Applicants for these apprenticeship programs are directed to the IID office located at: 333 E. Barioni Blvd, Imperial, California 92251, telephone (760) 482-9640.

Apprentices must complete the eight courses listed below that correspond to the apprenticeship program they are in. The AP** 105-108 courses are open only to IID apprentices.

The ELTT (101-104) courses are open to apprentices and non-apprentices, see the Electrical Trades major and certificate listing in IVC General Catalog. While completion of the ELTT courses does not require nor assure employment with the IID, it does place an individual in a better position to seek employment.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Associate in Arts (AA) or the Associate in Science (AS) Degree involves satisfactory completion of a minimum of 60 semester units with a C average or higher, including grades of C in all courses required for the major, and fulfillment of all IVC district requirements for the associate’s degree along with all general education requirements. The degree provides a sound basis for transfer to upper division institutions for additional degrees or for higher vocational preparation. To be eligible to receive an Associate Degree the student must complete the requirements for the major, the District requirements for an Associate Degree, and the General Education requirements. In addition students must maintain a minimum grade point average and meet the minimum grade requirements of their program. Detailed information is available in the college catalog.

The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

CAREER OPPORTUNITIES
Upon completion of the apprenticeship program(s), students may find employment in the following industry sectors: government, commercial and industrial construction and maintenance, utilities, and facilities management. With the degree students may further their career as licensed contractors.

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. Please click on our Programs of Study link to view the information for each certificate program: http://www.imperial.edu/courses-and-programs/programs-of-study/

TRANSFER PREPARATION
Courses that fulfill major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

Transfer Resources:

FINANCIAL AID
Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information: www.imperial.edu/students/financial-aid-and-scholarships/

ASSOCIATE DEGREE PROGRAM

APPRENTICESHIP – SUBSTATION ELECTRICIAN – A.S. DEGREE
Thirty-two (32.0) units required for the major.

To be eligible to participate in any of the apprenticeship training programs, an individual must be an employee of the Imperial Irrigation District (IID). Applicants for these apprenticeship programs are directed to the IID office located at: 333 E. Barioni Blvd, Imperial, California 92251, telephone (760) 482-9640.

ALL COURSES FOR THIS MAJOR MUST BE COMPLETED WITH A MINIMUM GRADE OF “C” OR BETTER.

I. Required courses for the major (32.0 units).

Total Certificate Units 32.0

Total Maximum Units: 32.0
DEGREES, CERTIFICATES AND AWARDS
Certificate of Achievement

DESCRIPTION
Apprenticeship training programs provide the participant an opportunity for formal training consisting of a balance between on-the-job training (OJT) and technical related and supplemented instruction (RSI) directly associated with the particular trade or industry. The OJT is coordinated through the Imperial Irrigation District (IID) and the RSI is provided by Imperial Valley College.

To be eligible to participate in any of the apprenticeship training programs, an individual must be an employee of the Imperial Irrigation District (IID). Applicants for these apprenticeship programs are directed to the IID office located at: 333 E. Barioni Blvd, Imperial, California 92251, telephone (760) 482-9640.

Apprentices must complete the eight courses listed below that correspond to the apprenticeship program they are in. The AP** 105-108 courses are open only to IID apprentices.

The ELTT (101-104) courses are open to apprentices and non-apprentices, see the Electrical Trades major and certificate listing in IVC General Catalog. While completion of the ELTT courses does not require nor assure employment with the IID, it does place an individual in a better position to seek employment.

ASSOCIATE DEGREE AND CERTIFICATE OF ACHIEVEMENT PROGRAMS
The Certificate of Achievement program is designed for students with personal or occupational goals who wish early employment. To qualify for the Certificate, a student must satisfy the following requirements: (1) complete all courses listed for a particular certificate; (2) achieve a “C” average (2.0 GPA) for all courses used to complete the certificate; and, (3) file a Certificate Application form with Admissions and Records by the appropriate deadline(s) identified on the application.

TRANSFER PREPARATION
Courses that fulfil major requirements for an associate degree at Imperial Valley College may not be the same as those required for completing the major at a transfer institution offering a bachelor’s degree. Students who plan to transfer to a four-year college or university should schedule an appointment with an IVC Counselor to develop a student education plan (SEP) before beginning their program.

Transfer Resources:
www.ASSIST.org – CSU and UC Articulation Agreements and Majors Search Engine
www.CSUMentor.org – CSU System Information
www.universityofcalifornia.edu/admissions/index.html - UC System Information
www.aiccu.edu – California Independent Colleges and Universities, Association of
http://wiche.edu/wue - Western Undergraduate Exchange Programs

FINANCIAL AID
Paying for the cost of a college education requires a partnership among parents, students and the college. As the cost of higher education continues to rise we want you to know that IVC offers a full array of financial aid programs – grants, work study, scholarships, and fee waivers (we do not participate in the federal loan programs). These programs are available to both full and part time students who are seeking a degree or certificate. For those who qualify, financial aid is available to help with tuition, fees, books and supplies, food, housing, transportation, and childcare. Please log onto our website for additional information: www.imperial.edu/students/financial-aid-and-scholarships/

CAREER OPPORTUNITIES
Upon completion of the apprenticeship program(s), students may find employment in the following industry sectors: government, commercial and industrial construction and maintenance, utilities, and facilities management. With the degree students may further their career as licensed contractors.

Gainful Employment: Federal regulations require institutions to provide students with Gainful Employment information for specific certificate programs offered at IVC. Please click on our Programs of Study link to view the information for each certificate program: http://www.imperial.edu/courses-and-programs/programs-of-study/
CERTIFICATE PROGRAM

APPRENTICESHIP – TELECOMMUNICATIONS TECHNICIAN CERTIFICATE
Thirty-two (32.0) units required for the certificate.

To be eligible to participate in any of the apprenticeship training programs, an individual must be an employee of the Imperial Irrigation District (IID). Applicants for these apprenticeship programs are directed to the IID office located at: 333 E. Barioni Blvd, Imperial, California 92251, telephone (760) 482-9640.

**Total Certificate Units:** 32.0  
**Total Maximum Units:** 32.0
APPRENTICESHIP - COURSES OF INSTRUCTION

APPRENTICESHIP-CONTROL OPERATOR

APPL 105  (4.0 UNITS)
Power Plant Operator V
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: ELTT 104.
Instruction operating and controlling distributed control system and heat recovery steam generator, steam turbines, generators, boilers and associated mechanical and electrical equipment in the production of electrical energy. (Nontransferable, nondegree applicable)

APPL 106  (4.0 UNITS)
Power Plant Operator VI
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APPL 105.
Comprehensive review of combined cycle power generation, gas turbine benefits, heat recovery generator, cycle parameters and their impact on plant performance, fuels for combined cycle plants, steam turbine generators, and turbine auxiliary equipment. (Nontransferable, nondegree applicable)

APPL 107  (4.0 UNITS)
Power Plant Operator VII
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite(s): APPL 106.
Introduction to combined cycle principle, steam turbine generator, turbine control, generator operations, major components, heat recovery steam generator, flow paths and critical inspection. (Nontransferable, nondegree applicable)

APPL 108  (4.0 UNITS)
Power Plant Operator VIII
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APPL 107.
Advanced principles of combine cycle, steam turbine generator, turbine control, generator operations, major components, heat recovery steam generator, flow paths and critical inspection. (Nontransferable, nondegree applicable)

APPRENTICESHIP-ELECTRICIAN

APEL 105  (4.0 UNITS)
Electrician V
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: ELTT 104.
Instruction in print reading, removal and maintenance (i.e., transmission structures, transmission line installation, climbing steel poles and towers, working on de-energized lines, rigging for high voltage work, hot transmission line repair) and implementation of applied calculations. (Nontransferable, AA/AS degree only)

APEL 106  (4.0 UNITS)
Electrician VI
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APEL 105.
Comprehensive review in AC theory and advanced training in control equipment, (i.e., capacitors, reactors, and circuit breakers), review of high voltage terminations, relays and transformers. Implementation and review of safety regulations applicable to switchyards, substations and confined spaces. (Nontransferable, AA/AS degree only)

APEL 107  (4.0 UNITS)
Electrician VII
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APEL 106 - Electrician VI
Instruction in Right-of-Ways/Easements, Flash outs and Electrical Burns. Training in a broad scope of areas usual to the power utility industry (i.e., meters, cable fault location, etc.). Review of various safety issues appropriate to the power utility industry. (Nontransferable, AA/AS degree only)

APEL 108  (4.0 UNITS)
Electrician VIII
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APEL 107.
Comprehensive review of practical electrical wiring including residential and commercial wiring systems. Review of construction safety and the use of test equipment, small electrical devices and transformers. Advanced apprentice training in resistance and wire size and Title VIII Underground and overhead work. Preparation for the National Electrical Code Journey Exam. (Nontransferable, AA/AS degree only)

APPRENTICESHIP-GENERATION MECHANIC

APGN 105  (4.0 UNITS)
Generation Mechanic V
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: ELTT 104.
Comprehensive review in AC theory, application and generation line systems augmented with an introduction of hydro electric power, generation, dispatching, hydro power operations and related construction standards. (Nontransferable, AA/AS degree only)

APGN 106  (4.0 UNITS)
Generation Mechanic VI
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APGN 105.
Advanced review in AC theory, application and generation line systems augmented with an introduction of hydro electric power, generation, dispatching, hydro power operations and related construction standards. (Nontransferable, AA/AS degree only)
APPRENTICESHIP-HYDRO OPERATOR

APHY 105 (4.0 UNITS)
Hydro Operator V
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: ELTT 104.
Comprehensive review in AC theory, application and generation line systems augmented with an introduction of hydro electric power, generation, dispatching, hydro power operations and related construction standards. (Nontransferable, nondegree applicable)

APHY 106 (4.0 UNITS)
Hydro Operator VI
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APHY 105.
Advanced review in AC theory, application and generation line systems augmented with an introduction of hydro electric power, generation, dispatching, hydro power operations and related construction standards. (Nontransferable, nondegree applicable)

APHY 107 (4.0 UNITS)
Hydro Operator VII
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APHY 106.
Advanced theory in the use of rules and regulations, specialized equipment, repair and maintenance of hydro-generators, safety practices, local and state requirements, and control systems. (Nontransferable, nondegree applicable)

APHY 108 (4.0 UNITS)
Hydro Operator VIII
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APHY 107.
Comprehensive review in AC theory and advanced training in distribution line maintenance (i.e., transmission structures, transmission line installation, climbing steel poles and towers, working on de-energized lines, rigging for high voltage work, hot transmission line repair, using temporary structures, and usage of gloves and hot sticks). Preparation for the National Electrical Code Journey Exam. (Nontransferable, nondegree applicable)

APPRENTICESHIP-INSTRUMENT TECHNICIAN

APIN 105 (4.0 UNITS)
Instrument Technician V
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: ELTT 104.
Instruction in inspecting, adjusting and repairing electrically and pneumatically operated instruments used to indicate and control operating conditions of turbines, furnaces, boilers and auxiliaries, in steam, gas, and hydro generating plants. (Nontransferable, nondegree applicable)

APIN 106 (4.0 UNITS)
Instrument Technician VI
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APIN 105.
An introduction to instrument transformers and substation metering devices. Continued study in principles and application of capacitors, reactors, circuit breakers, and relays. Introduction to the basic principles in the operation of power transformers. (Nontransferable, nondegree applicable)

APIN 107 (4.0 UNITS)
Instrument Technician VII
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APIN 106.
Instruction in inspecting, adjusting and repairing electrically and pneumatically operated instruments used to indicate and control operating conditions of turbines, furnaces, boilers and auxiliaries, in steam, gas, and hydro generating plants. (Nontransferable, nondegree applicable)

APIN 108 (4.0 UNITS)
Instrument Technician VIII
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APIN 107.
Advanced instruction in inspecting, adjusting and repairing electrically and pneumatically operated instruments used to indicate and control operating conditions of turbines, furnaces, boilers and auxiliaries, in steam, gas, and hydro generating plants. (Nontransferable, nondegree applicable)
APPRENTICESHIP-METER TECHNICIAN

APMT 105  (4.0 UNITS)
Meter Technician V
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: ELTT 104.
Comprehensive review in AC theory and basic wiring for meter installations, working on de-energized lines, rigging for high voltage work, troubleshooting and testing for meter failures. (Nontransferable, AA/AS degree only)

APMT 106  (4.0 UNITS)
Meter Technician VI
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APMT 105.
The basic principles in the construction, operation, maintenance procedures and print reading associated with substations and switchyards. (Nontransferable, AA/AS degree only)

APMT 107  (4.0 UNITS)
Meter Technician VII
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APMT 106.
Theory and practicum in the procedures for completing commercial and residential connections, extensive overview of watt hour installations, and the advanced review of electrical test equipment. (Nontransferable, AA/AS degree only)

APMT 108  (4.0 UNITS)
Meter Technician VIII
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APMT 107.
Advanced theory in the use of specialized test equipment, repair and maintenance of motors, generators and pumps, safety practices, local and state requirements, and electrical mathematics. (Nontransferable, AA/AS degree only)

APPRENTICESHIP-RELAYS TECHNICIAN

APRL 105  (4.0 UNITS)
Relays Technician V
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: ELTT 104.
Comprehensive review in AC substation safety and AC theory with an introduction to troubleshooting in the field. An introduction to working on de-energized substation equipment and lines. (Nontransferable, AA/AS degree only)

APRL 106  (4.0 UNITS)
Relays Technician VI
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APRL 105 - Relays Technician V.
An introduction to instrument transformers and substation metering devices. Continued study in principles and application of capacitors, reactors, circuit breakers, and relays. Introduction to the basic principles in the operation of power transformers. (Nontransferable, AA/AS degree only)

APPRENTICESHIP-POWER LINEMAN

APLN 105  (4.0 UNITS)
Power Lineman V
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: ELTT 104.
Comprehensive review in AC theory and advanced training in distribution line maintenance (i.e., transmission structures, transmission line installation, climbing steel poles and towers, working on de-energized lines, rigging for high voltage work, hot transmission line repair, using temporary structures, and usage of gloves and hot sticks). (Nontransferable, AA/AS degree only)

APLN 106  (4.0 UNITS)
Power Lineman VI
 Term Hours: 72 Lec, 0 Lab
 Letter Grade only
 Prerequisite: APLN 105.
The basic principles in the construction, operation, and maintenance procedures associated with substations and switchyards. (Nontransferable, AA/AS degree only)

APLN 107  (4.0 UNITS)
Power Lineman VII
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APLN 106.
Theory and practicum in the procedures for completing commercial and residential connections, extensive overview of watt hour installations, and the installation and maintenance of series and multiple circuit street lighting systems. (Nontransferable, AA/AS degree only)

APLN 108  (4.0 UNITS)
Power Lineman VIII
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APLN 107.
Advanced theory in the use of “hot sticks,” specialized equipment, repair and maintenance of poles and lines (energized and de-energized), safety practices, local and state requirements, and lineman mathematics. (Nontransferable, nondegree applicable)
APRL 107 (4.0 UNITS)  
Relays Technician VII  
Term Hours: 72 Lec, 0 Lab  
Letter Grade only  
Prerequisite: APRL 106.  
Overview of switching orders, flashouts and electrical burns. Theory and practicum in the procedures for completing, testing, and troubleshooting commercial and residential connections. Review of advanced electrical systems. (Nontransferable, AA/AS degree only)

APRL 108 (4.0 UNITS)  
Relays Technician VIII  
Term Hours: 72 Lec, 0 Lab  
Letter Grade only  
Prerequisite: APRL 107.  
Advanced review in types of relays for generators, transmission applications, transformers and substation bus protection; and review of IID communication systems. Comprehensive study in the principles of disaster recovery and use of emergency generators. (Nontransferable, AA/AS degree only)

APSC 105 (4.0 UNITS)  
SCADA/Telecommunications Technician V  
Term Hours: 72 Lec, 0 Lab  
Letter Grade only  
Prerequisite: ELTT 104.  
Instruction in distribution line installation, maintenance, repair, and removal. Training in the use of hot sticks and gloves. An overview of pole top transformer, transmission and distribution line replacement, and working on de-energized transmission lines. Advanced review of high voltage AC systems and advanced mathematical review. (Nontransferable, AA/AS degree only)

APSC 106 (4.0 UNITS)  
SCADA/Telecommunications Technician VI  
Term Hours: 72 Lec, 0 Lab  
Letter Grade only  
Prerequisite: APSC 105.  
Comprehensive review in AC theory and advanced training in distribution line maintenance (i.e., transmission structures, transmission line installation, climbing steel poles and towers, working on de-energized lines, hot transmission line repair, use of special equipment, working in confined spaces and substations). (Nontransferable, AA/AS degree only)

APSC 107 (4.0 UNITS)  
SCADA/Telecommunications Technician VII  
Term Hours: 72 Lec, 0 Lab  
Letter Grade only  
Prerequisite: APSC 106.  
Introduction to Service Connections and Watthour Meters (i.e., service installation, electric meters, and cable fault location). An overview of the use and maintenance of compressors and pneumatic tools. Safety training in T & D maintenance, transmission line safety and flashouts/electrical burns. An introduction to fiber optic connections. (Nontransferable, AA/AS degree only)

APSC 108 (4.0 UNITS)  
SCADA/Telecommunications Technician VIII  
Term Hours: 72 Lec, 0 Lab  
Letter Grade only  
Prerequisite: APSC 107.  
Comprehensive review of industry standards relative to constructing microwave and telecommunication systems. Review of construction safety and the use of test equipment, small electrical devices and transformers. Advanced apprentice training in resistance and wire size and Title VIII Underground and overhead work. (Nontransferable, AA/AS degree only)

APPRENTICESHIP-SUBSTATION-ELECTRICIAN

APSB 105 (4.0 UNITS)  
Substation-Electrician V  
Term Hours: 72 Lec, 0 Lab  
Letter Grade only  
Prerequisite: ELTT 104.  
Comprehensive review in AC theory and advanced training in distribution line maintenance (i.e., transmission structures, transmission line installation, climbing steel poles and towers, working on de-energized lines, hot transmission line repair, safe usage of gloves and other safety equipment, working in confined spaces and substations). (Nontransferable, AA/AS degree only)

APSB 106 (4.0 UNITS)  
Substation-Electrician VI  
Term Hours: 72 Lec, 0 Lab  
Letter Grade only  
Prerequisite: APSB 105.  
Comprehensive review in AC theory and advanced training in substation construction and maintenance, transmission line installation, working on de-energized lines, rigging for high voltage work, appropriate use of control equipment. (Nontransferable, AA/AS degree only)

APSB 107 (4.0 UNITS)  
Substation-Electrician VII  
Term Hours: 72 Lec, 0 Lab  
Letter Grade only  
Prerequisite: APSB 106 or APLN 106.  
Theory and practicum in the procedures for recognizing easements and right-of-ways, extensive overview of watt hour installations, installation and maintenance of circuit breakers and review of basic business protocols. (Nontransferable, AA/AS degree only)

APSB 108 (4.0 UNITS)  
Substation-Electrician VIII  
Term Hours: 72 Lec, 0 Lab  
Letter Grade only  
Prerequisite: APSB 107.  
Advanced theory in the use of specialized equipment, repair and maintenance of circuit breakers and regulators, safety practices, review of local and state construction requirements. (Nontransferable, AA/AS degree only)
APPROTICESHIP-TELECOMMUNICATIONS
TECHNICIAN

APTL 105 (4.0 UNITS)
Telecommunications Technician V
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: ELTT 104.
Instruction in installation, configuration, testing, maintaining, troubleshooting and repairing the District’s SCADA, data-communication, revenue meter, and associated power plant systems. (Nontransferable, nondegree applicable)

APTL 106 (4.0 UNITS)
Telecommunications Technician VI
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APTL 105.
Instruction in installation, configuration, testing, maintaining, troubleshooting and repairing the District’s SCADA, data-communication, revenue meter, and associated power plant systems. (Nontransferable, nondegree applicable)

APTL 107 (4.0 UNITS)
Telecommunications Technician VII
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APTL 106.
Instruction in advanced installation, configuration, testing, maintaining, troubleshooting and repairing the District’s SCADA, data-communication, revenue meter, and associated power plant systems. (Nontransferable, nondegree applicable)

APTL 108 (4.0 UNITS)
Telecommunications Technician VIII
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: APTL 107.
Instruction in advanced installation, configuration, testing, maintaining, troubleshooting and repairing the District’s SCADA, data-communication, revenue meter, and associated power plant systems. (Nontransferable, nondegree applicable)
This Page Intentionally Left Blank
COURSES OF INSTRUCTION

In the following list of courses, the credit value of each course in semester units is indicated by a number in parentheses after the course number.

To make it possible for a greater number of courses to be offered to the students of Imperial Valley, many courses in specialized fields are offered in alternate years only. The student should take this into consideration when making long-range program plans.

Course descriptions followed by the notation (CSU, UC) indicate that the course is transferable to the California State University system, to the University of California system, or both. A student should contact his/her counselor to determine which courses are applicable to his/her educational objective.

COURSE NUMBERING

001-099 Non-Transferable/Non-Degree Applicable or Non-Transferable/AA-AS Degree Applicable Only
100-199 Freshmen Level Courses*
200-299 Sophomore Level Courses*
800 Community Education (Non-Credit)
900 Community Education (Fee Based)

*Courses numbered 100-299 are offered at the baccalaureate level. They meet requirements for Associate Degrees and are generally articulated for transfer with four year institutions to meet major, general education, breadth or elective credit requirements. Students should check with their counselors regarding transferability of courses to the California State University, the University of California, private/independent colleges, and out-of-state colleges and universities.

Common Courses

Honors (297) Advanced academic experiences associated with general education courses. This course provides supplemental instruction to reinforce achievement of the learning objectives of a course in the same discipline under the supervision of the instructor of the designated course. Learning activities may employ a variety of self-paced multimedia learning systems, language labs, print and electronic resources, laboratory, or field research arrangements to assist the student in reaching specific learning objectives. Recommended for students in a subject area offered by the division or students requesting study in depth in a particular area. Limited offerings. Interdisciplinary conference, with readings, discussion, and reports. Maximum credit 2.0 units.

Special Topics These are course offerings designed in specific disciplines to test new curriculum before adopting it as part of an academic program. Maximum credit 3.0 units.

Independent Study (199/299) These courses are academic opportunities for students who are capable of independent work and demonstrate the need or desire for additional study, beyond the regular curriculum. These courses are not intended to replace existing courses in the discipline. In this course, students will have a written contract with their instructor for activities such as: preparing problem analysis, engaging in primary research, preparing reports, and meeting with the instructor at specific intervals. Maximum credit 3.0 units.

COURSE IDENTIFICATION NUMBERING SYSTEM (C-ID)

The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signal that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. In other words, the C-ID designation can be used to identify comparable courses at different community colleges. However, students should always go to www.assist.org to confirm how each college's course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database, students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer.

Students may consult the ASSIST database at www.assist.org for specific information on C-ID course designations. Counselors can always help students interpret or explain this information.

Prerequisite, Corequisite, Advisories On Recommended Preparation And Limitations On Enrollment

The Imperial Community College District has adopted a policy in order to provide for the establishing, reviewing and challenging of prerequisites, corequisites, recommended preparation advisories, and certain limitations on enrollment in a manner consistent with law and good practice. The board recognizes that, if these prerequisites, corequisites, recommended preparation advisories, and limitations are established unnecessarily or inappropriately, they constitute unjustifiable obstacles to student access and success. Therefore, the board adopts this policy and calls for caution and careful scrutiny in establishing prerequisites, corequisites, and advisories. The board also recognizes that it is as important to have prerequisites in place where they are a vital factor in maintaining academic standards, as it is to avoid establishing prerequisites where they are not needed. For these reasons, the board has sought to establish a policy that fosters the appropriate balance between these two concerns. (See Board Resolution 10665 for the complete policy.)

Definitions:

Prerequisite means a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. Courses used to satisfy a prerequisite must be completed with a grade of “C” or better.
Corequisite means a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course.

Recommended Preparation Advisory means a condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

Limitations on Enrollment means a condition of enrollment which may include the following:

a. Auditions or tryouts for courses which include public performance and intercollegiate competition, such as a band, orchestra, theater, competitive speech, chorus, journalism, dance, and intercollegiate athletics.

b. Demonstrations of skill or knowledge for enrollment in an honors course or an honors section of a course.

c. The creation of blocks of 2 or more courses in which enrollment is limited in order to create a cohort of students.

Imperial Valley College does not establish prerequisites in communication or computational skills that apply to all courses across the curriculum. Basic skills prerequisites and corequisites are offered in sufficient numbers to accommodate students or the requirement is waived. Any prerequisite may be challenged by a student using the following process:

Challenge Process

Any student who does not meet the prerequisite or corequisite or who is not permitted to enroll in a class due to a limitation on enrollment may file a student petition to challenge the requirements. The grounds for challenge as specified in Section 55003 (m) of Title 5 include the following:

1. The prerequisite or corequisite has not been established in accordance with the district policy.

2. The prerequisite or corequisite is in violation of Title 5

3. The prerequisite or corequisite is either unlawfully discriminatory or is being applied in an unlawfully discriminatory manner.

4. The student has the knowledge or ability to succeed in the course or program despite not meeting the prerequisite or corequisite.

5. The student will be subject to undue delay in attaining the goal of his or her educational plan because the prerequisite or the corequisite has not been made reasonably available.

The student has the obligation to provide satisfactory evidence that the challenge should be upheld. Where facts essential to a determination of whether the student’s challenge should be upheld are, or ought to be, in the college’s own records, then the college has the obligation to produce that information. Students who wish to challenge a prerequisite or corequisite or any limitations on enrollment should:

1. Make an appointment with the Matriculation Director at the Hector L. Lopez Student Services Center, (760) 355-6246, to file the petition to challenge a Prerequisite/Corequisite form, which spells out the grounds for challenge along with any evidence in support of the challenge. The student shall be allowed to remain in class or, if the student is not enrolled in the class but space is available at the time the challenge is filed, the college shall reserve a seat for the student until the challenge is resolved.

2. The Department Chairperson will review the petition and resolve the challenge in no more than 5 working days. If the challenge is upheld, or the college fails to resolve the challenge within the 5 day period, the student will be allowed to remain in the course. If no space was available in the course when the challenge was filed, the student shall be permitted to enroll for the subsequent term.

3. If the challenge is denied by the Department Chairperson, the student may appeal that decision. Upon receipt of notification to the appropriate Vice President, the decision by the appropriate Vice President is final.

4. Upon resolution of the challenge, the Department Chairperson shall forward the student petition and all attachments to the Director of Admissions for institutional approval and filing in the student’s permanent record.

Unless specifically exempted by statute, every course, section or class, the averaged daily attendance of which is to be reported for state aid, wherever offered and maintained by Imperial Community College District, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites as may be established pursuant to Chapter II, Division 2, Part VI, Title 5 of the California Administrative Code commencing with Section 51820 (Board of Trustees Resolution No. 10665).

Summer Session

Summer session calendar and admission requirements may be found in the Summer Schedule of Classes which is published during the Spring Semester.
AJ 108  (3.0 UNITS)
Public Safety Report Writing
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 099 or ENGL 089
This course is an introductory course, dealing with all aspects of public safety communication. It will cover the techniques to effectively communicate facts, information, and ideas in a clear and logical manner for a variety of public safety systems reports, crime violations, incident reports, letters, memorandums, directives, and administrative reports. Emphasis on criminal justice terminology, use of English, and organization of information. Students will gain practical experience in note taking, interviewing, report writing, and presentation of testimony in courts. (Formerly AJ/CSI 120) (CSU)

AJ 110  (3.0 UNITS)
Law Enforcement Community Relations
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 009 or ENGL 099 and ENGL 019 or ENGL 089
Through interaction and study, the student will become aware of the relationship and role expectations among the various agencies and the public. Emphasis will be placed upon professional image, and the development of positive relationships between members in the criminal justice system and the public. Concepts of community-oriented policing as they apply to administration of justice issues, future trends, and training will be discussed. (CSU, UC)

AJ 121  (3.0 UNITS)
Law Enforcement Field Operations
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: AJ 100, ENGL 009 or ENGL 099 and ENGL 019 or ENGL 089
The development, function and techniques of patrol; observation skills; development, traffic and preliminary investigative duties, handling complaints and requests for service, public and community relations and basic crime prevention. The mechanics of field interviews, search and arrests, note taking and police report essentials. Familiarization with basic police equipment and handling of community crime incidents. (CSU)

AJ 141  (3.5 UNITS)
Arrest and Firearms
Term Hours: 64 Lec, 0 Lab
Letter Grade only
Prerequisites as required by P.O.S.T.: No felony or domestic violence convictions, able to successfully participate in physical requirements of class, U.S. Citizen or have filed for U.S. citizenship. Department of Justice fingerprint clearance. Recommended Preparation: ENGL 099 or ENGL 089
Designed to satisfy training standards set forth by the Commission on Peace Officer Standards Training (P.O.S.T.) as required by Penal Code Section 832 for Peace Officers; includes laws of arrest, search and seizure, methods of arrest, discretionary decision making, and where applicable, use and care of firearms. Supply fee may be charged. (CSU)
AJ 160 (10.0 UNITS)
Regular Basic Course Modular Format Level III
Term Hours: 180 Lec, 0 Lab
Letter Grade only
Prerequisites as required by P.O.S.T.: No felony or domestic violence convictions. Valid California driver license. Ability to successfully participate in physical requirements of course. U.S. citizen or have filed for U.S. citizenship. All students entering Reserve Officer Level III classes must acquire a DOJ Clearance letter or be employed by a sponsoring law enforcement agency prior to the first day of class. DOJ Clearance letters are invalid after 90 days. Recommended Preparation: ENGL 009 or ENGL 099 and ENGL 019 or ENGL 089
Designed to satisfy the Reserve Officer Level III training standards as set forth by the Commission on Peace Officer Standards and Training (P.O.S.T.). Includes professionalism and ethics, laws of arrest, search and seizure, vehicle operations, report writing, First Aid/CPR, traffic control, arrest and control tactics and weaponry, use of force, custody, and use and care of firearms. Supply fee may be charged. Designed to prepare students to be hired by a law enforcement agency as a Reserve Officer Level III. (Formerly AJ 142) (CSU)

AJ 162 (13.5 UNITS)
Regular Basic Course Modular Format Level II
Term Hours: 243 Lec, 0 Lab
Letter Grade or Pass/No Pass
Prerequisites: AJ 141, AJ 142 as required by P.O.S.T. before January 1, 2007 or AJ 142 after January 1, 2007, compliant with 832 PC. Successful completion, within the last three years of First Aid and CPR training for public safety personnel as prescribed by the Emergency Medical Services Authority (EMSA) and set forth in the California Code of Regulations, Title 22, Division 9, Chapter 1.5 100005-100028. No felony or domestic violence convictions. Valid California driver's license. Ability to successfully participate in physical requirements of course. All students entering Reserve Officer Level II classes must acquire a DOJ Clearance letter or be employed by a sponsoring law enforcement agency prior to first day of class. DOJ Clearance letters are invalid after 90 days. Recommended Preparation: PE 100 or PE 101, ENGL 009 or ENGL 099, and ENGL 019 or ENGL 089
Designed to satisfy Reserve Officer Level II, Module B. Training standards are set forth by the Commission on Peace Officer Standards and Training (P.O.S.T.). Includes law, patrol techniques, arrest and control, use of force, investigative report writing, cultural diversity, firearms and chemical agents, presentation of evidence, etc. and required state exams. Supply fee may be charged. Designed to prepare student to be hired by a law enforcement agency as a Level II Reserve Officer. (Formerly AJ 144) (CSU)

AJ 166 (3.0 UNITS)
Criminal Investigation
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 009 or ENGL 099 and ENGL 019 or ENGL 089
Fundamentals of investigation; techniques or crime scene recording and search; collection and preservation of physical evidence; modus operandi processes; sources of information; interview and interrogation; follow-up and case preparation. (Formerly AJ 122) (CSU)

AJ 168 (3.0 UNITS)
Juvenile Control
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 009 or ENGL 099 and ENGL 019 or ENGL 089
Techniques of handling juvenile offenders and victims; prevention and repression of delinquency; diagnosis and referral; organization of community resources; juvenile law and juvenile procedures. (Formerly AJ 123) (CSU)

AJ 169 (3.0 UNITS)
Criminology
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 009 or ENGL 099 and ENGL 019 or ENGL 089
This course explores the nature of crime, measurement and research of crime, the extent of crime, major theories of crime causation, criminal typologies, criminal justice system response to crime, and societal reaction to crime. (Same as SOC 224) (Formerly AJ/SOC 124) (CSU)

AGRICULTURAL ENGINEERING TECHNOLOGY

AGET 075 (3.0 UNITS)
Basic Shop Skills
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This is a comprehensive course in tool usage, nomenclature, and terminology of tools and equipment for the beginning student in the technologies. This course is for the student who has not developed a background in industrial technology, as well as for the bilingual student who wants to improve his/her technical vocabulary. (Same as AUT 075) (Nontransferable, AA/AS degree only)

AGRICULTURE

AG 080 (1.0 UNIT)
Pesticide Safety
Term Hours: 18 Lec, 0 Lab
Letter Grade only
Pesticide safety training for employees who handle and use chemical pesticides. (Nontransferable, AA/AS degree only)

AG 110 (3.0 UNITS)
Environmental Science
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course is designed to provide students with an overview and understanding of the relationships between human populations and the natural environment. The class will focus on basic concepts of science and ecosystem theory, human impacts on the biosphere, air, water, land, and environmental problems faced by the Imperial Valley that have regional and global consequences, and some of the proposed solutions. Field trips and activities may be included in this course. (Same as ENVS 110) (CSU, UC)
AG 120  (3.0 UNITS)
Soil Science
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: MATH 081 or MATH 080 and CHEM 100
This course provides a basic knowledge of the physical, chemical, and biological properties of soils and their characteristics. Includes fundamental soil properties, soil-plant relationships, soil formation, fertilization and soil management, salinity, pH, erosion management, soil moisture and non-agricultural uses. (CSU, UC)

AG 130  (3.0 UNITS)
Agricultural Economics
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Introduction to the economic aspects of agricultural management. The role of agricultural resources in economic growth. Survey of trade, policy, and marketing activities of agriculture. (CSU, UC)

AG 132  (3.0 UNITS)
Business Management
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: BUS 124
A study of management theories and processes as they apply in the contemporary business world. The course is based on the application of the four functions of management - planning, organizing, leading, and controlling - in the effective achievement of organizational objectives. Management activities are practiced in organizational situations using case studies, simulations, and class projects. (Same as BUS 132) (CSU)

AG 134  (3.0 UNITS)
Agricultural Business Organization
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: AG/BUS 132
Study of farm technological advance, marketing, consumer demand, and other such factors as determinants of growth, types, and forms of agricultural business organization. Farm and farm-related businesses considered from standpoint of primary functions, services, and problems, including investments, mortgage and working capital requirements, credit and collections, business with banks, failures and reorganization. Emphasis on California farm-related industries. (CSU)

AG 136  (3.0 UNITS)
Agricultural Sales and Service Management
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Supervision of people who sell agricultural products and services. Selecting, training, directing, and evaluating personnel. Methods of payment, use of advertising, promotion, incentives, and service. (CSU)

AG 138  (3.0 UNITS)
Computer Applications in Agriculture
Term Hours: 36 Lec, 54 Lab
Letter Grade or Pass/No Pass
Recommended Preparation: CIS 101
Introduces students to computerized technology relating to agriculture. Students will develop skills in: MS Office, particularly Excel; Geographic Information Systems (GIS), and how these apply to agriculture; the Internet, particularly market and scientific information. Specialized agriculture software: farm and herd management, financial, decision aiding will be presented through demonstration, student usage, or web access. (CSU)

AG 140  (4.0 UNITS)
Principles of Plant Science
Term Hours: 54 Lec, 54 Lab
Letter Grade only
An introduction to plant science that examines agricultural, forest, landscape and other significant uses of plants. Included are structure, growth processes, propagation, physiology, genetic improvement and biotechnology, ecology, soil environment, biological competitors and symbionts of plants. The production, harvest, and utilization of the principle crops grown in California and the Imperial Valley will be included. Laboratory work is required which introduces horticultural techniques. (CSU, UC)

AG 160  (3.0 UNITS)
Food and Fiber in a Changing World
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Relationship of agriculture and natural resources to society. Where do our food and fiber come from? How does agriculture affect the dynamics of our society? What are the issues and opportunities in agriculture now and in the future? (CSU)

AG 170  (3.0 UNITS)
Principles of Entomology
Term Hours: 36 Lec, 54 Lab
Letter Grade only
This course covers the principles of the classification, identification, anatomy, physiology, ecology, management, and collecting of arthropods (i.e., insects, spiders, mites, etc.), with emphasis on those of importance to agriculture. (CSU, UC)

AG 220  (3.0 UNITS)
Irrigation and Drainage
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: AG 120
This course covers the fundamental principles and practices of irrigation. History of irrigation with emphasis on the Imperial Valley, water law, plant-soil-water measurement, methods of irrigation, structures, crop water needs, problems and practices in soil reclamation, drainage systems, and drainage requirements for irrigated agriculture will be discussed. (CSU)

AG 230  (3.0 UNITS)
Fertilizers and Soil Amendments
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: AG 120
This course covers the nature of fertilizers and soil amendments, their properties, methods of application, and effects on plants, soils, and the environment. The composition, value, and use of fertilizer materials and soil amendments are discussed. Methods employed in the production, distribution, and application of fertilizers and soil amendments are described. (CSU)
AG 240  (4.0 UNITS)
Field and Cereal Crops
Term Hours: 54 Lec, 54 Lab
Letter Grade only
Recommended Preparation: AG 120 and AG 140
Principles and practices of field and cereal crops production and soil management, including study of distribution, adaptation, and utilization of the major field and cereal crops. Field laboratory work required. (CSU)

AG 250  (3.0 UNITS)
Vegetable Crop Production
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: AG 120 and AG 140.
This course addresses the principles involved in vegetable crop production, covering the world's principle vegetable crops, with emphasis on the development, production, ecology, harvesting, packaging, marking, global trade, and consumer issues of the major vegetable crops grown in California. (CSU)

AG 260  (3.0 UNITS)
Plant Protection and Integrated Pest Management
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Identification of pests (arthropods, rodents, and plant diseases) and beneficial (arthropods and diseases) in the crop system. Methods of reducing damage to acceptable levels with biological, chemical, and cultural controls. Laws and safety requirements for using spray equipment and pesticides in California. (CSU)

AG 270  (3.0 UNITS)
Weeds and Weed Control
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course covers the classification, life cycles, characteristics, and management of weeds with emphasis on common and noxious weeds of California. It looks at chemicals and equipment as well as cultural, mechanical, and biological control methods used in managing weeds on cultivated land, in irrigation ditches, on the range, and on wasteland. Poisonous weeds, their effects, and prevention are discussed. (CSU)

AIR CONDITIONING AND REFRIGERATION

ACR 101  (3.0 UNITS)
Air Conditioning and Refrigeration Systems
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: ACR 101
This course is a course of study in heating, ventilation, air conditioning, and refrigeration trade. This course includes the study of the laws of thermodynamics, the refrigeration cycle, brazing of refrigerant lines, understanding the use of and maintenance of heating, ventilation, air conditioning, and refrigeration equipment, applicable safety practices, and the proper use of refrigerants. (CSU)

ACR 102  (3.0 UNITS)
Residential Air Conditioning Systems
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: ACR 101 and ACR 103
This course of study includes the installation of residential heating, ventilation, air conditioning and refrigeration systems. This course is comprised of the study of building and electrical codes, HVAC/R installation materials, brazing of line sets, installing split systems, installing heat pumps, installing gas packs, and applicable safety practices. (CSU)

ACR 103  (3.0 UNITS)
Air Conditioning Electrical Circuits and Controls
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: ACR 101
This is a course of study in electrical circuits and controls used in the heating, ventilation, air conditioning, and refrigeration industry. This course is comprised of the study of Ohms Law, electrical meters and test equipment, wiring materials, wiring diagrams and schematics, electrical components, installation of controls, layout of electrical circuits, and safety practices. (CSU)

ACR 104  (3.0 UNITS)
Air Conditioning Heating Systems
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: ACR 101, ACR 102 and ACR 103
This course of study includes heating systems used in the heating, ventilation, air conditioning and refrigeration industry. This course is comprised of the study of natural gas, fuel oil, propane, and electric burner assemblies and ignition systems, and heat exchangers, venting, control circuits, electric coils, installation practices, applicable building codes, and safety procedures. (CSU)

ACR 105  (2.0 UNITS)
Heat Load Calculation and Measurements
Term Hours: 36 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ACR 101, ACR 102, ACR 103, and ACR 104
This course of study includes theories and factors that affect heating and cooling loads, on residential and light commercial buildings. Calculations and measurement techniques of proper capacity and unit size will be studied and applied to residential and light commercial buildings. (CSU)

ACR 106  (3.0 UNITS)
Air Conditioning Ventilation Duct Systems
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: ACR 105
This is a course of study covering duct systems used in the heating, ventilation, air conditioning, and refrigeration industry. This course is comprised of the study of designing duct systems, duct materials, layout procedures, shop and hand tools, sheet metal ducts and components, duct board and flex duct components, and safety practices. (CSU)
ALCOHOL AND DRUG STUDIES

**ADS 101 (3.0 UNITS)**
Alcoholism: Intervention, Treatment, and Recovery
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course will serve as an introduction to assessment and treatment approaches to alcoholism and drug abuse. Alcoholism will be studied in its social and clinical context. Attention will be given to the basic theoretical approaches to the disease. This course will examine the various components of intervention, treatment, recovery, and resources. (CSU)

**ADS 110 (3.0 UNITS)**
Physiological Effects of Alcohol and Drugs
Term Hours: 54 Lec, 0 Lab
Letter Grade only
The course is designed to provide the student with information on the processing systems of the body and how they react to alcohol and drugs. This course will seek to explain where and how drugs act and why. The course will bring about an understanding of how drugs influence consciousness, mood and feeling. It will enable students to understand that both the internal and external environments have important effects on the well-being of the individual. (CSU)

**ADS 120 (3.0 UNITS)**
Introduction to Counseling
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: PSY 101 and SOC 101
A study of the theory, process, and practice of interviewing and counseling in community service and other counseling situations. The course is designed to assist the student to gain knowledge and develop skills in order to help a client or interviewee in counseling situations. Theories of counseling and basic helping skills will be presented, demonstrated, and practiced. (Same as PSY 120) (CSU)

**ADS 130 (3.0 UNITS)**
Group Leadership and Group Process
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course will introduce the student to group theory and process, and how groups affect the whole social scene. It will examine membership in and leadership of various kinds of groups, emphasizing group process. Consideration will be given to goals and strategies of social change and the necessity for social change in relation to personal and social values. The factors involved in problems of communications, effective emotional responses and personal growth also will be highlighted, emphasizing the group process as a means of changing behavior. (Same as PSY 130) (CSU)

**ADS 150 (3.0 UNITS)**
Sociology of Minority Groups
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course includes the study of the theories of prejudice and discrimination of different groups within American society. It will cover an historical analysis of the problems of these groups and typical areas will include racism, sexism, ageism, and ethnic and religious discriminations. (Same as SOC 150) (CSU, UC)

**ADS 176 (1.0 UNIT)**
Sex and Gambling Addiction
Term Hours: 18 Lec, 0 Lab
Letter Grade only
This one unit course is an introduction to addictive, non-substance related disorders. Issues addressed will include sex and love addiction, gambling addiction, and compulsive spending. It will provide training in the application of appropriate therapeutic models and interventions. (CSU)

**ADS 177 (1.0 UNIT)**
Anger Management
Term Hours: 18 Lec, 0 Lab
Letter Grade only
An introduction to the theories and interventions for the management of anger and violence. This one unit class includes intimate abuse and child abuse with special emphasis on brief intervention and emotive behavioral therapies. (CSU)

**ADS 178 (1.0 UNIT)**
Life Skills
Term Hours: 18 Lec, 0 Lab
Letter Grade only
An in-depth overview of the skills to better living for those in recovery from abuse and addiction. This course compliments the curriculum for counseling students and is an enhancement for professionals. (CSU)

**ADS 200 (3.0 UNITS)**
Family Counseling Approaches to Alcohol and Drug Abuse
Term Hours: 54 Lec, 0 Lab
Letter Grade only
A course designed to present basic ideas and theories about family dynamics, particularly as they apply to the family of the substance abuser, and to explore strategies for counseling the client’s family. The approach is highly experiential in format and students will participate in exercises frequently to incorporate new skills and theory. (CSU)

**ADS 210 (3.0 UNITS)**
Crisis Intervention and Referral Techniques
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Techniques used for brief therapy crisis intervention, intake interviewing and referral will be studied and practiced. Special attention will be given to the process of intervention, admitting, and recording of information as it pertains to alcohol and drug abuse clients. Through an experiential format, participants will learn and practice skills in brief therapy, different levels of client communication and intake interviewing. (Same as PSY 210) (CSU)

**ADS 220 (3.0 UNITS)**
Practicum
Term Hours: 18 Lec, 108 Lab
Letter Grade only
Recommended Preparation: ADS/PSY 120, PSY 101 and SOC 101
A course designed to provide opportunity for the student in Psychology, Human Relations, or Alcohol and Drug Studies to gain experience under supervised conditions such as those involving mental health, child development, youth corrections, welfare, homes for the neglected, homes for the aged, youth recreation, rehabilitation centers for people with physical limitations, and educational settings. Students will be supervised by qualified instructional staff and professionally trained personnel. (Same as PSY 220) (CSU)
ALLIED HEALTH PROFESSIONS

AHP 060 (5.5 UNITS)
Health Assistant
Term Hours: 63 Lec, 108 Lab
Letter Grade only
Recommended Preparation: AHP 100.
This course will prepare the health assistant for certification by the State of California as an entry-level worker on a health care team in a long-term care facility. The course is structured to provide theory and practical application of skills needed to function as a nurse assistant. (Nontransferable, AA/AS degree only)

AHP 062 (1.5 UNITS)
Home Health Aide
Term Hours: 18 Lec, 27 Lab
Letter Grade only
Prerequisite: Certification as a Health Assistant required.
This course will prepare the student for certification by the State of California as a home health aide. The curriculum is structured to provide the theory and practice skills needed to care for individuals in the home environment. (Nontransferable, AA/AS degree only)

AHP 070 (4.5 UNITS)
Administrative Medical Assistant I
Term Hours: 81 Lec, 0 Lab
Letter Grade only
Prerequisite: AHP 100 with a grade of "C" or better.
Course of study designed to prepare for entry-level positions in clinics and doctors’ offices. Medical-legal aspects, history of medicine, interpersonal communications, confidentiality, reception environment, appointment control, records management, professionalism, and telephone communications are emphasized. (Nontransferable, AA/AS degree only)

AHP 072 (4.5 UNITS)
Administrative Medical Assistant II
Term Hours: 81 Lec, 0 Lab
Letter Grade only
Prerequisite: AHP 070 with a grade of "C" or better.
This course is designed to prepare students to operate office management equipment, prepare the patient’s medical records, understand medical care expenses, credit arrangements, bookkeeping procedures, collection on overdue accounts, health insurance, billing, banking, and general management. (Nontransferable, AA/AS degree only)

AHP 074 (2.0 UNITS)
Clinical Externship I
Term Hours: 0 Lec, 108 Lab
Letter Grade only
Prerequisite: AHP 072 with a grade of "C" or better.
Course is designed to enable the student to put all didactic information and skills together in the work setting of the "front office" of a clinic or doctor’s office. The medical assistant student is placed at a medical office, clinic, or HMO where he/she will gain hands-on experience performing "front office" medical assistant duties. Students are required to be available days to attend the externship. The externship hours are similar to the schedules normally available in industry. (Nontransferable, AA/AS degree only)

AHP 080 (3.5 UNITS)
Specimen Collection and Laboratory Procedures
Term Hours: 54 Lec, 27 Lab
Letter Grade only
Prerequisite: AHP 072 with a grade of "C" or better.
This course is designed to prepare students to comply with OSHA regulations, lab safety, bio-hazard awareness, usage of the microscope and other laboratory equipment, obtainment of capillary and venous blood samples, bacterial smears and cultures, urine, sputum, and stool specimens. (Nontransferable, AA/AS degree only)

AHP 082 (3.5 UNITS)
Exam Room Procedures
Term Hours: 54 Lec, 27 Lab
Letter Grade only
Prerequisite: AHP 080 with a grade of "C" or better.
This course is designed to prepare students in preparing patients for various types of exams, procedures of the eyes and ears, positioning and draping, assisting physician, language of charting by use of abbreviations and symbols, instrument identification and usage, aseptic technique, diagnostic tests and procedures, EKG, minor surgical procedures, medical emergencies, CPR health care provider level. (Nontransferable, AA/AS degree only)
AHP 084 (3.5 UNITS)  
Pharmacology and Administration of Medication  
Term Hours: 54 Lec, 27 Lab  
Letter Grade only  
Prerequisite: AHP 082 with a grade of "C" or better.  
This course is designed to prepare students to understand medical-legal/ethical aspects, drug classifications, medical math, usage of PDR, abbreviations and symbols, writing prescriptions, charting, pharmacy calls, storing medications, methods of administering medications: orally, sublingual, topically, vaginally, and rectally. Conversion of orders to milligrams for injection, handling of and safety in using the syringe and needle, choosing correct size, identifying correct site for injection, injection technique of intradermal, subcutaneous and intramuscular (deep and Z-track), anaphylactic reaction, considerations of drug action and interactions. (Nontransferable, AA/AS degree only)

AHP 086 (2.0 UNITS)  
Clinical Externship II  
Term Hours: 0 Lec, 108 Lab  
Letter Grade only  
Prerequisite: AHP 084 with a grade of "C" or better.  
The course is designed to enable the student to put all didactic information and skills together in the work setting of a clinic or doctor's office. The medical assistant student is placed at a medical office or clinic where he/she will gain hands-on experience performing medical assistant duties. The student is required to be available days to attend the externship. The externship hours are similar to the schedules normally available in industry. (Nontransferable, AA/AS degree only)

AHP 090 (2.0 UNITS)  
Introduction to Health Science  
Term Hours: 36 Lec, 0 Lab  
Letter Grade only  
This course is an introduction to health science professions. The course will focus on individual programs as well as how those professions collaborate and interrelate. Introduction to health care, professionalism, team building/collaboration, medical terminology, and ethical/legal issues will be explored. New and emerging professions and issues will be discussed. Major health problems will be explored and the impact of lifestyle, total environment, social and political issues analyzed. (Nontransferable, AA/AS degree only)

AHP 100 (3.0 UNITS)  
Medical Terminology  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Course of study is designed to develop competency in the accurate use of medical vocabulary to include anatomy, physiology, diseases, and descriptive terms to prepare students for entry-level positions as medical transcribers, clinical editors, health insurance processors, patient administration specialists. (CSU)

AHP 102 (3.0 UNITS)  
Medical Insurance  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Prerequisite: AHP 100 with a grade of "C" or better. Ability to type 40 words per minute.  
Health care facilities are dependent upon third party payers for financial solvency. Medical billing guidelines are rapidly changing as are complex issues which health care facilities must concern themselves with daily. The purpose of this course is to provide students with the practice and skill necessary so that billing office personnel can promptly and accurately submit insurance claims to a variety of carriers. (CSU)

AHP 108 (2.0 UNITS)  
Introduction to Pharmacy Technology  
Term Hours: 36 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: AHP 100, BIOL 090, MATH 081 or MATH 080, and CIS 101  
This course is designed to provide an introduction and overview of the Pharmacy Technician role and various related career opportunities. The course includes an overview of pharmaceutical dosage forms, drug development processes, and drug classifications. Ethical and legal aspects of pharmacy practice are explored. (CSU)

AHP 120 (3.0 UNITS)  
Pharmacy Technician Body Systems I  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Prerequisites: AHP 100.  
Recommended Preparation: BIOL 090, MATH 081 or MATH 080, and BUS 164  
This course explores the anatomy, pathophysiology, and related pharmacology treatments for diseases and conditions of the respiratory, cardiovascular, renal, integumentary, reproductive and immune systems. The classification and indication for generic and trade name medications for these systems will be explored. Accurate use of medical vocabulary and descriptive terms is expected. (CSU)

AHP 125 (3.0 UNITS)  
Pharmacy Technician Body Systems II  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Prerequisite: AHP 100 with a grade of "C" or better.  
This course explores the anatomy, pathophysiology and related pharmacology treatments for diseases and conditions of the endocrine, gastrointestinal, hematological, nervous, musculoskeletal, as well as the eyes, ears, nose and throat. The classification and indication for generic and trade name medications for these systems will be explored. Accurate use of medical vocabulary and descriptive terms is expected. (CSU)
AHP 130  (3.0 UNITS)  
Calculation and Pharmacology for Pharmacy Technicians  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: MATH 081 or MATH 080  
This course is designed to prepare students for pharmacology calculations related to dosage, measurements of strength, and safe preparation of medication. There is a focus on unit-cancellations for solving pharmacy situation problems. Principles of pharmacology are utilized with an emphasis on the classification, indication, interaction, and common side effects of major drug classes. (CSU)

AHP 140  (4.5 UNITS)  
Pharmacy Technician Operations  
Term Hours: 63 Lec, 54 Lab  
Letter Grade only  
Prerequisites: AHP 100 with a grade of "C" or better.  
Recommended Preparation: AHP 120 and AHP 125  
This course is designed to prepare the student for the technical and operational aspects of drug distribution in the ambulatory, inpatient, extended care, and ambulatory care settings. The course includes a review of Federal regulations, State regulations, codes of ethics, and standards pertaining to the practice of pharmacy. Practice site regulations, policies and procedures regarding prescriptions and medication orders will be explored. Various techniques, equipment and supplies for drug administration will be discussed and demonstrated. Mandatory maintenance and screening of equipments and packaging requirements will be reviewed. Application of aseptic techniques and use of the laminar flow hood in the preparation of sterile products is demonstrated. Pharmaceutical industry procedures for obtaining pharmaceuticals including purchasing policies, procedures and practices will be discussed and the role of the pharmacy technician in the administration and management of pharmacy practice will be explored. (CSU)

AMERICAN INDIAN STUDIES

AIS 106  (3.0 UNITS)  
Indians of North America  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
An introductory course studying native cultures of Canada, the United States, and Mexico utilizing archaeological and ethno-historical materials. The pre-historic migration of humans into the Americas and their adaptations to a diverse geography and environment. (Same as ANTH 106) (CSU, UC)

AIS 108  (3.0 UNITS)  
Indians of the Southwest  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
A course designed to study the diverse geography and ecology of the Southwest and its prehistoric Hohokam, Anasazi, and Mogollon cultures; the influence of trade and crafts from Mexico; cultural diversity of customs and traditions, languages, social organizations, healing practices and supernatural beliefs of Native Americans of Arizona and New Mexico. (Same as ANTH 108) (CSU, UC)

AMERICAN SIGN LANGUAGE

AMSL 100  (4.0 UNITS)  
American Sign Language 1  
Term Hours: 54 Lec, 36 Lab  
Letter Grade or Pass/No Pass  
An introduction to American Sign Language and fingerspelling. The course will focus on conversational skills, grammar and vocabulary as it is used in the Deaf community. Deaf culture will be examined. (CSU, UC)

AMSL 102  (4.0 UNITS)  
American Sign Language 2  
Term Hours: 54 Lec, 36 Lab  
Letter Grade or Pass/No Pass  
Recommended Preparation: AMSL 100.  
This course is a continuation of American Sign Language 1. Receptive and expressive skills will be further developed through vocabulary enrichment, grammar, practice and interactive conversational exercises. Deaf Culture norms and traditions will be studied in this class. (CSU, UC)

AMSL 104  (3.0 UNITS)  
Fingerspelling and Numbers  
Term Hours: 54 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
Recommended Preparation: AMSL 100.  
Introduction to the American manual alphabet (fingerspelling), including numbers, loan signs, acronyms, and abbreviations commonly used in the Deaf community. Extensive drills and practice in both expressive and receptive skills. (CSU)

AMSL 110  (3.0 UNITS)  
Introduction to Deaf Culture  
Term Hours: 54 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
Introduction to Deaf Culture examines the experience of a minority culture--its common past, present debates, and promise for the future. Deaf cultural values, characteristics and dynamics will be discussed as well as issues related to minority dynamics. Organizations and individual perceptions of self in relation to group identity, along with political views as examined through articles, books, and videotapes. (CSU, UC)

AMSL 112  (3.0 UNITS)  
Interpreting as a Profession  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: AMSL 100.  
This course provides a historical framework for the principles, roles, responsibilities, and standard practices of the interpreting profession. Instruction on national testing standards, preparation for certification, and the necessity of ethics as outlined in the Interpreting Code of Ethics. (CSU)
AMSL 200  (3.0 UNITS)  
**American Sign Language 3**
Term Hours: 54 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
Recommended Preparation: AMSL 102.
Continues development of American Sign Language conversational skills. Techniques of facial expression, body movement, and specialization as it relates to American Sign Language and Deaf Culture will be studied. (CSU, UC)

AMSL 202  (3.0 UNITS)  
**American Sign Language 4**
Term Hours: 54 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
Recommended Preparation: AMSL 200.
The course is a continuation of the American Sign Language skills and fluency developed in AMSL 200. The course increases or strengthens students’ expressive and receptive vocabulary competency; however, the major focus of the course continues to be on the expansion of students’ skills in the idiomatic usage of conversational ASL, awareness of ASL grammar, usage and syntax, and facility in expressive sign language at the intermediate level. The students will expand their knowledge and understanding of Deaf Culture. (CSU, UC)

AMSL 204  (3.0 UNITS)  
**American Sign Language 5**
Term Hours: 54 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
Recommended Preparation: AMSL 202.
AMSL 204 continues, at the intermediate level, the development of the American Sign Language proficiency students acquired in AMSL 202. Students continue to expand their awareness of ASL conventions, grammar, and vocabulary, including a continued review of topical signs and idioms. Students develop a greater competency in their receptive understanding of extended ASL discourse and in their expression of extended ideas, concepts and stories in ASL. Their expressive competency in discussion of ideas includes an expression of their understanding of Deaf culture. Students continue the growth of their technical awareness of Deaf culture and ASL linguistics. (CSU, UC)

AMSL 210  (3.0 UNITS)  
**Interpreting American Sign Language 1**
Term Hours: 54 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
Recommended Preparation: AMSL 204.
AMSL 210 focuses students’ sign language facility on the development of English to ASL interpreting skills. The primary focus of the training is on interpreting in medical, legal, mental health and other specialized settings, along with continued development of related idiomatic and vocabulary sign skills. Students are presented and are asked to discuss in the target language the case studies related to the interpreter code of ethics. (CSU)

ANTH 100  (3.0 UNITS)  
**Physical Anthropology**
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
The process and cause of human evolution; mankind’s place in nature and the study of primates; the biological variability of living peoples and their genetic background. (CSU, UC)

ANTH 102  (3.0 UNITS)  
**Cultural Anthropology**
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
An introduction to global cultural diversity; function and structure of social institutions such as family, kinship, gender roles; types of economic subsistence strategies, political organization, colonialism; multifariousness of supernatural belief. (CSU, UC)

ANTH 106  (3.0 UNITS)  
**Indians of North America**
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
An introductory course studying native cultures of Canada, the United States, and Mexico utilizing archaeological and ethno-historical materials. The pre-historic migration of humans into the Americas and their adaptations to a diverse geography and environment. (Same as AIS 106) (CSU, UC)

ANTH 108  (3.0 UNITS)  
**Indians of the Southwest**
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
A course designed to study the diverse geography and ecology of the Southwest and its prehistoric Hohokam, Anasazi, and Mogollon cultures; the influence of trade and crafts from Mexico; cultural diversity of customs and traditions, languages, social organizations, healing practices and supernatural beliefs of Native Americans of Arizona and New Mexico. (Same as AIS 108) (CSU, UC)

ANTH 120  (3.0 UNITS)  
**Introduction to Archaeology**
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ANTH 102 or GEOG 102.  
This is a general introductory course to the methods, goals, and theoretical concepts of archaeology. This course will explore how archaeologists use cultural remains to explain cultural change and development, and reconstruct and interpret ancient life-ways. (CSU, UC)
**ARABIC**

**ARAB 100 (5.0 UNITS)**
Elementary Arabic
Term Hours: 90 Lec, 0 Lab
Letter Grade or Pass/No Pass
This is a beginning level language course in Modern Standard Arabic. This course will be proficiency based and will develop rudimentary ability in the four basic language skills; speaking, listening, reading, and writing. Emphasis will be placed on understanding basic grammatical concepts, vocabulary building, and sociolinguistics. (CSU, UC)

**ART**

**ART 100 (3.0 UNITS)**
History of Art I
Term Hours: 54 Lec, 0 Lab
Letter Grade only
A survey of the Visual Arts from the Prehistoric period to the Renaissance, with emphasis on painting, sculpture and architecture. (CSU, UC)

**ART 102 (3.0 UNITS)**
History of Art II
Term Hours: 54 Lec, 0 Lab
Letter Grade only
A continuation of ART 100, extending from the Renaissance to Contemporary times. May be taken before or concurrently with ART 100. (CSU, UC)

**ART 104 (3.0 UNITS)**
History and Appreciation of Modern Art
Term Hours: 54 Lec, 0 Lab
Letter Grade only
A broad analytical survey of modern art with a focus on painting, sculpture and architecture. The course will emphasize the examination and comparison of art styles of the twentieth century. (CSU, UC)

**ART 106 (3.0 UNITS)**
Women Artists
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ART 100 or ART 102
A survey of the great women artists of history from the ancient times through the twentieth century. Some of the artists to be discussed include: Elizabetta Sirani, Artemesia Gentileschi, Judith Leyster, Elizabeth Vige-Lebrun, Mary Cassatt, Berthe Morisot, Camille Claudel, Kathe Kollwitz, Frida Kahlo, Georgia O'Keeffe, Helen Frankenthaler. The course will also address the special issues and problems concerning the study of women artists, past and present. (CSU, UC)

**ART 110 (3.0 UNITS)**
Design
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Fundamentals of design and composition; theory of color. Includes organization and utilization of basic elements through design problems. Additional materials fee applies. (CSU, UC)

**ART 112 (3.0 UNITS)**
Design
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Intermediate studies of elements and principles of art with emphasis on three-dimensional design theory. Additional materials fee applies. (CSU, UC)

**ART 120 (3.0 UNITS)**
Drawing I
Term Hours: 36 Lec, 72 Lab
Letter Grade only
A basic course in drawing from observation as an essential means of expression. The focus is on contour line drawing, mass and line gesture, and value structure in creating the illusion of form. Both dry and wet media are used. Additional materials fee applies. (CSU, UC)

**ART 122 (3.0 UNITS)**
Drawing II
Term Hours: 36 Lec, 72 Lab
Letter Grade only
Prerequisite: ART 120 with a grade of "C" or better. A continuation of Drawing I, a course in basic observational drawing, with the addition of color using various dry and wet media. Additional materials fee applies. (CSU, UC)

**ART 124 (3.0 UNITS)**
Painting I
Term Hours: 36 Lec, 72 Lab
Letter Grade only
Recommended Preparation: ART 110 and ART 120
Basic techniques of painting will be addressed including an introduction to color theory and basic elements of composition as applied to this medium. Subject matter includes still life and landscape, plus some imaginative subjects created through idea generation. Additional materials fee applies. (CSU, UC)

**ART 126 (3.0 UNITS)**
Painting II
Term Hours: 36 Lec, 72 Lab
Letter Grade only
Prerequisite: ART 124 with a grade of "C" or better. A continuation of Art 124. Includes further development of the understanding of contemporary art issues and topics. Additional materials fees applies. (CSU, UC)

**ART 128 (3.0 UNITS)**
Watercolor Painting
Term Hours: 36 Lec, 72 Lab
Letter Grade only
The study of watercolor painting with emphasis upon color, composition and pictorial expression. Exploration of various techniques employing the medium of watercolor. Additional materials fee applies. (CSU, UC)

</table>
### ART 262 (3.0 UNITS)
**Gallery Display**
**Term Hours:** 18 Lec, 72 Lab  
**Letter Grade only**
Theories, techniques and practices of art gallery exhibition including experience in care and preservation of art and seeing an exhibition from beginning to end; methods of locating shows, booking shows, communicating with artists, unpacking and returning exhibitions. Maximum credit nine units. (CSU)

### ART 270 (3.0 UNITS)
**Photography - Intermediate**
**Term Hours:** 36 Lec, 54 Lab  
**Letter Grade only**
Recommended Preparation: ART 110 and ART 170
This course emphasizes the continued instruction and practice required for understanding and improving B/W film exposure and development procedures, and improving the student's B/W printing skills. It covers various techniques for enhancing B/W negative and print quality. B/W composition and visual communication skills are stressed, as are the understanding and use of light and lighting control, both in the studio and on location. Additional materials fee applies. (CSU, UC)

### ART 280 (3.0 UNITS)
**Career Preparation in the Visual Arts**
**Term Hours:** 36 Lec, 54 Lab  
**Letter Grade only**
Recommended Preparation: Students should have completed two semesters from any one of the major disciplines within the art major (i.e. painting, photography, ceramics, design, sculpture). This is a course for the art majors, or those students who are planning on a career in the fine arts, graphic design, photography or other applied arts field. Students will prepare a written resume, artist's statement, a photographic portfolio of their ongoing creative work, research and prepare a marketing/exhibition plan for their creative work, approach a minimum of three venues (galleries, museums, nonprofit arts' organization) with their portfolio package, and create an on-line web site portfolio of their work. It is recommended that students take this course during the last year of their art studies at IVC. Maximum credit six units. (CSU)

### ASTRONOMY
### ASTR 100 (3.0 UNITS)
**Principles of Astronomy**
**Term Hours:** 54 Lec, 0 Lab  
**Letter Grade only**
An introduction to the principles of astronomy including physical evolution, tools of the astronomer, the sky, the solar system, the stars, the galaxies, and the universe. (CSU, UC)

### ATHLETICS
### ATHL 150 (2.0 UNITS)
**Intercollegiate Baseball and PE**
**Term Hours:** 0 Lec, 180 Lab  
**Letter Grade only**
Eligibility will be determined by Conference rules; IVC guidelines in the AS Handbook for athletics will also apply. Theory and practice of baseball. Limited to students trying out for varsity team. The student must schedule for a minimum of 10 hours per week. Maximum credit four units. (Formerly PE 150) (CSU) (UC credit limited. See a counselor.)

### ATHL 151 (2.0 UNITS)
**Intercollegiate Basketball and PE**
**Term Hours:** 0 Lec, 180 Lab  
**Letter Grade only**
Eligibility will be determined by Conference rules; IVC guidelines in the AS Handbook for athletics will also apply. Theory and practice of basketball. Limited to students trying out for varsity team. The student must schedule for a minimum of 10 hours per week. Maximum credit four units. (Formerly PE 151) (CSU) (UC credit limited. See a counselor.)

### ATHL 152 (2.0 UNITS)
**Intercollegiate Soccer and PE**
**Term Hours:** 0 Lec, 180 Lab  
**Letter Grade only**
Eligibility will be determined by Conference rules; IVC guidelines in the AS Handbook for athletics will also apply. Theory and practice of soccer. Limited to students trying out for varsity team. The student must schedule for a minimum of 10 hours per week. Maximum credit four units. (Formerly PE 152) (CSU) (UC credit limited. See a counselor.)

### ATHL 153 (2.0 UNITS)
**Intercollegiate Softball and PE**
**Term Hours:** 0 Lec, 180 Lab  
**Letter Grade only**
Eligibility will be determined by Conference rules; IVC guidelines in the AS Handbook for athletics will also apply. Theory and practice of women's softball. Limited to students trying out for varsity team. The student must schedule for a minimum of 10 hours per week. Maximum credit four units. (Formerly PE 153) (CSU) (UC credit limited. See a counselor.)

### ATHL 154 (2.0 UNITS)
**Intercollegiate Tennis and PE**
**Term Hours:** 0 Lec, 180 Lab  
**Letter Grade only**
Eligibility will be determined by Conference rules; IVC guidelines in the AS Handbook for athletics will also apply. Open to both men and women. Maximum credit four units. (Formerly PE 154) (CSU) (UC credit limited. See a counselor.)

### ATHL 155 (2.0 UNITS)
**Intercollegiate Volleyball and PE**
**Term Hours:** 0 Lec, 180 Lab  
**Letter Grade only**
Prerequisites: Eligibility will be determined by conference rules and IVC guidelines for athletics. Recommended Preparation: Prior volleyball experience in an athletic team. This class is designed for preparation and training involved with intercollegiate volleyball competition. Maximum credit four units. (Formerly PE 155) (CSU) (UC credit limited. See a counselor.)
ATHL 156 (2.0 UNITS)
Intercollegiate Cross Country and PE
Term Hours: 0 Lec, 180 Lab
Letter Grade only
Prerequisites: Eligibility will be determined by conference rules and IVC guidelines for athletics.
Recommended Preparation: Prior cross country experience in an athletic realm.
This class is designed for the preparation and training involved with intercollegiate cross country competition. Maximum credit four units. (Formerly PE 156) (CSU) (IUC credit limited. See a counselor.)

AUTOMOTIVE TECHNOLOGY

AUT 070 (3.0 UNITS)
Automotive Techniques and Applications
Term Hours: 18 Lec, 108 Lab
Letter Grade only
Recommended Preparation: AUT 125 and AUT 130
This course is designed for students that already completed classes in brakes, suspension, wheel alignment, and basic automotive electronics or students who are currently employed in the automotive field. This course consists of reviews of hands-on using worksheets related to diagnose brake repair, steering/suspension repair and four wheel alignment. In addition, the student will be using the latest diagnostic equipment and service techniques of the automotive field. (Nontransferable, nondegree applicable)

AUT 075 (3.0 UNITS)
Basic Shop Skills
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This is a comprehensive course in tool usage, nomenclature, and terminology of tools and equipment for the beginning student in the technologies. The course is for the student who has not developed a background in industrial technology, as well as for the bilingual student who wants to improve his/her technical vocabulary. (Same as AGET 075) (Nontransferable, AA/AS degree only)

AUT 085 (3.0 UNITS)
Automotive Maintenance and Repair
Term Hours: 36 Lec, 54 Lab
Letter Grade only
This course is designed for students with little or no previous automotive maintenance training. This course consists of automotive safety, demonstrations of emergency situations, such as changing a flat tire, replacing burned-out lamps, and performing general vehicle maintenance and repairs. In addition, the student will learn the correct and safe way to use basic hand tools. (Nontransferable, AA/AS degree only)

AUT 110 (4.0 UNITS)
Engine Technology
Term Hours: 36 Lec, 108 Lab
Letter Grade only
For the student with little or no internal combustion engine background. Design, construction, and mechanical function of internal combustion engines including lubricating, cooling, fuel, and electrical systems, and an understanding of the basic sciences relevant to such topics as internal combustion and energy conversion. (CSU)

AUT 112 (4.0 UNITS)
High Performance Engine Blueprinting I
Term Hours: 36 Lec, 108 Lab
Letter Grade only
Recommended Preparation: AUT 110 or two years of high school auto mechanics.
Review and advanced study of the internal combustion engine and service procedures in the use of automotive machine shop tools and machines for rebuilding the engine. (CSU)

AUT 120 (4.0 UNITS)
Automotive Machine Shop
Term Hours: 36 Lec, 108 Lab
Letter Grade only
Recommended Preparation: AUT 110 or two years of high school auto shop.
The student learns advanced set-up and operation procedures of machine shop equipment for engine blueprinting. The student will learn the procedures used to complete the machining of the engine block and component parts. The differences between standard and high performance applications will be highlighted. (Nontransferable, AA/AS degree only)

AUT 125 (4.0 UNITS)
Automotive Brakes
Term Hours: 54 Lec, 54 Lab
Letter Grade only
Recommended Preparation: Current enrollment in MATH 071 or equivalent.
This course covers the principles and instruction in disassembly, inspection, installation, and adjustments of the modern brake system. Laboratory activities stress brake system diagnosis, repair, machining, and overhaul procedures and proper use of tools and equipment utilized in the industry. Upon successful completion of this course, students are prepared to take the Automotive Service Excellence (ASE) certification examination in brakes. (CSU)

AUT 130 (3.0 UNITS)
Automotive Electronics I
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Advanced study of automotive electrical systems. Basic diagnosis and service procedures on the various systems. (CSU)
A U T 1 5 0  (4.0 UNITS)  
Automotive Electronics II  
Term Hours: 54 Lec, 54 Lab  
Letter Grade only  
Recommended Preparation: A U T 130  
Advanced troubleshooting courses for Automotive Service Technicians. This course is designed for technicians or students, certified or not, who want to service the automotive electronic circuitry. The course provides a solid core of electronics based on microprocessor technology. Students will diagnose the various systems that include: engine computer control, transmission computer control, suspension, antilock brake systems, and various automotive instrumentation. Upon successful completion of this course, students are prepared to take the Automotive Service Excellence (ASE) certification examination in electronics. (CSU)

A U T 1 5 5  (4.0 UNITS)  
Suspension and Wheel Alignment  
Term Hours: 54 Lec, 54 Lab  
Letter Grade only  
Recommended Preparation: M A T H 071 or M A T H 070 or equivalent and A U T 125  
This course covers the principles and construction of passenger vehicle and light truck steering, chassis, and suspension system. Emphasis is placed on the skill required in the diagnosis repair and adjustment of wheel alignment including two and four wheel alignment angles. Complete suspension and overhaul will be done in laboratory activities, as well as alignment using either two or four wheel sensors. Upon successful completion of this course, students are prepared to take the Automotive Service Excellence (ASE) certification examination in steering wheel suspension. (CSU)

A U T 1 6 0  (3.0 UNITS)  
Engine Performance Tune-up  
Term Hours: 36 Lec, 54 Lab  
Letter Grade only  
Recommended Preparation: A U T 150 or passing of Automotive Service Excellence (ASE) electrical test or one year trade experience in engine tune-up. This course provides operating theory and hands-on experience in the operation, diagnosis, and repair of automotive fuel systems with carburetors, basic throttle body and part fuel injection systems. Students learn to use the four gas analyzers. (CSU)

A U T 1 7 0  (3.0 UNITS)  
Engine Diagnosis and Repair  
Term Hours: 36 Lec, 54 Lab  
Letter Grade only  
Recommended Preparation: A U T 160 or one year in automotive trade with drivability experience. This course provides advanced operation and hands-on experience of electronic injection systems and their sub-assemblies. Students will learn operation and repairs of sensors and actuators or injection systems. This class emphasizes diagnostic procedure and techniques using basic and sophisticated test equipment. (CSU)

A U T 1 8 0  (4.0 UNITS)  
Manual Transmissions and Power Trains  
Term Hours: 54 Lec, 54 Lab  
Letter Grade only  
This course discusses modern manual transmissions, driveline and differential theory of method of repair, service equipment operation, and techniques of problem diagnosis procedures for import and domestic vehicles. Upon successful completion of this course, students are prepared to take the Automotive Service Excellence (ASE) certification examination in manual transmissions. (CSU)

A U T 2 1 0  (3.0 UNITS)  
Automotive Air Conditioning  
Term Hours: 36 Lec, 54 Lab  
Letter Grade only  
Recommended Preparation: A U T 130  
The course is designed to impart knowledge and information needed by the student to enter and make progress in employment on productive basis in the automotive air conditioning service industry. The use of charging station and systems will be part of A/C course. Upon successful completion of this course, students are prepared to take the Automotive Service Excellence (ASE) certification examination in air conditioning. (CSU)

A U T 2 2 0  (4.0 UNITS)  
Mechanical Automatic Transmissions  
Term Hours: 36 Lec, 108 Lab  
Letter Grade only  
Design, construction, mechanical, and hydraulic function and repairs of the automatic transmission. (CSU)

A U T 2 3 0  (3.0 UNITS)  
Emissions Control and Computer Systems  
Term Hours: 36 Lec, 54 Lab  
Letter Grade only  
Recommended Preparation: A U T 170 or two years experience in an automobile trade with drivability experience. This is an advanced engine computer and drivability course. It emphasizes diagnostic procedure and techniques using all types of equipment and procedures. This class brings together all knowledge from A U T 160 and A U T 170, and allows students to diagnose all systems of the automobile. Upon successful completion of this course students are prepared to take the Automotive Service Excellence (ASE) certification examination in electronics, engine performance, and advanced engine performance. (CSU)

A U T 2 3 1  (4.0 UNITS)  
Auto Emission Control System  
Term Hours: 36 Lec, 108 Lab  
Letter Grade only  
Recommended Preparation: A U T 170, A U T 230, or ASE Certification in Engine Performance (A8) and Automotive Electronics (A6). The Clean Air Car Course is designed to prepare students or technicians for vehicle emission diagnosis and emission control system repair. Successful completion of this course allows the students or technicians to take the state smog examination. Students enrolling in this course are expected to have a firm background in automotive engine theory and repair. This is not a beginner course; this course is divided into four sections or modules. These modules consist of reviews in: rules and regulations of the smog system, repair and maintenance of emission control devices, engine tune-up and fuel systems, electrical/electronic devices and testing, and repairing computerized engine controls. (Nontransferable, AA/AS degree only)
AUT 235  (3.0 UNITS)  
Automotive Electrical/Electronic Instruments  
Term Hours: 36 Lec, 54 Lab  
Letter Grade only  
Recommended Preparation: AUT 130  
The automotive professional uses different types of electrical/electronic instruments and equipment on a daily basis to troubleshoot and maintain various electronic circuits. This course is designed for technicians or students with little previous automotive electronic training. The testers or instruments can range from a logical test light all the way to a lab scope and anything in between. The student will learn how to use and interpret the most popular electronic equipment to diagnose and repair today's vehicle circuitry. In addition, this course covers the proper procedures for using the correct accessories to repair automotive winding computer system. Upon completion of this course, the student will have the capability to interpret all electronic signals and be prepared for the use of any electrical/electronic equipment available in the automotive field. (Nontransferable, AA/AS degree only)

AUT 240  (3.0 UNITS)  
Diesel Engine Tune-up  
Term Hours: 36 Lec, 54 Lab  
Letter Grade only  
Prerequisite: AUT 110  
This course covers the principles of tune-up and the procedures for servicing the diesel engine. Practical emphasis is placed on proper disassembling, diagnosis calibrating, and testing different types of pumps and injectors. Proper servicing procedures will be followed in servicing, testing, and analyzing the fuel system and electrical circuits. (CSU)

AUT 250  (4.0 UNITS)  
Electronic Automatic Transmissions  
Term Hours: 36 Lec, 108 Lab  
Letter Grade only  
Prerequisite: AUT 220  
Advanced study using four major domestic and foreign automatic transmissions, with emphasis on practical rebuilding of automatic transmissions, including locking torque converters and 4-speed overdrive and front wheel drive transaxles. Applied shop practices for advanced students who wish to refine technical skills prior to obtaining employment in the industry. (CSU)

BIOLOGY

BIOL 090  (3.0 UNITS)  
Anatomy And Physiology For Health Occupations  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Introducory study of the structure and function of the human organism. Class is structured for health occupation students. It is not acceptable for pre-medical, pre-dental, pre-chiropractic, pre-physical therapy, or registered nursing students, and it is not open to students who have completed BIOL 200, BIOL 202, BIOL 204, BIOL 206 with a grade of "C" or better. (Nontransferable, AA/AS degree only)

BIOL 100  (4.0 UNITS)  
Principles of Biological Science  
Term Hours: 54 Lec, 54 Lab  
Letter Grade only  
Prerequisite: MATH 091 or MATH 090 with a grade of "C" or better.  
A comprehensive one semester general biology course for non-majors. Includes life from the molecular to the organismal level of both plants and animals and their interactions within the environment. Special emphasis is put on human biology within appropriate areas of study. Appropriate for general education as well as nursing, pre-professional, and higher level biology courses. Includes laboratory component. (CSU) (UC credit limited. See a counselor.)

BIOL 120  (4.0 UNITS)  
General Zoology I  
Term Hours: 36 Lec, 108 Lab  
Letter Grade only  
Prerequisite: MATH 091 or MATH 090 or equivalent with a grade of "C" or better.  
Recommended Preparation: Any laboratory science college level course, with a grade of "C" or better.  
Introduction to basic principles of animal biology with reference to structure, functions, classification, heredity, and the environment of animals in general with special emphasis on the invertebrates. BIOL 122 may be taken before BIOL 120. (CSU, UC)

BIOL 122  (4.0 UNITS)  
General Zoology II  
Term Hours: 36 Lec, 108 Lab  
Letter Grade only  
Prerequisite: MATH 091 or MATH 090 or equivalent with a grade of "C" or better.  
Recommended Preparation: Any laboratory science college level course, including, but not limited to BIOL 120 with a grade of "C" or better.  
Introduction to comparative anatomy and physiology, development of vertebrate forms and their interrelationships. (CSU, UC)

BIOL 140  (3.0 UNITS)  
General Botany  
Term Hours: 36 Lec, 0 Lab  
Letter Grade only  
This introductory course covers the general principles of botany. The emphasis is on anatomy, morphology, life cycles, embryology, physiology, identification of plants, ecological principles, and a plant kingdom survey. Field trip(s)/activities are included with the course. (CSU, UC)

BIOL 150  (3.0 UNITS)  
Human Genetics  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Prerequisite: MATH 091 or MATH 090 with a grade of "C" or better.  
A one semester course examining genetics from a human perspective. Discussion of patterns of inheritance, human genetic diseases and disorders, and the application of genetic technologies in other organisms for human use. (CSU, UC)
BIOL 180 (4.0 UNITS)
General Biology: Molecules, Cells and Genetics
Term Hours: 54 Lec, 54 Lab
Letter Grade only
Prerequisite: MATH 091 or MATH 090 with a grade of "C" or better.
This course is one of two entry-level courses designed for life science majors, health care, and science educators intending to transfer to four-year institutions. However, the course is open to all students. This course will introduce students to molecules of cells, cell structures and functions, cell division, cellular respiration, photosynthesis, molecular biology, and genetics. (CSU, UC)

BIOL 182 (4.0 UNITS)
General Biology: Principles of Organismal Biology
Term Hours: 54 Lec, 54 Lab
Letter Grade only
Prerequisite: MATH 091 or MATH 090 with a grade of "C" or better.
This is one of two entry-level courses designed for life science, biology, health care, and science education majors intending to transfer to four-year institutions. However, this course is open to all students. This course provides students an introduction to biology and the scientific method. Additionally, properties of life leading to genetic and biological diversity are studied. The course surveys evolutionary relationships, systematics, ecology, biological diversity, population regulation, and physiology of living organisms (Protista, Fungi, Plants, and Animals). Emphasis is on structure and function at the organismal level. (CSU, UC)

BIOL 200 (4.0 UNITS)
Human Anatomy and Physiology I
Term Hours: 36 Lec, 108 Lab
Letter Grade only
Prerequisite: MATH 091 or MATH 090 and CHEM 100 and BIOL 100 or BIOL 120 or BIOL 180 or BIOL 182 with grades of "C" or better; or MATH 091 or MATH 090 with a grade of "C" or better and current California LVN/RN license.
Human anatomy and physiology. A two semester study of the structure and function of the human organism, from the molecular to the gross level. This course may require the use of human cadavers for observation and/or dissection. Preparatory for RN program and paramedical programs. (CSU) (UC credit limited. See a counselor.)

BIOL 202 (4.0 UNITS)
Human Anatomy and Physiology II
Term Hours: 36 Lec, 108 Lab
Letter Grade only
Prerequisite: BIOL 200 with a grade of "C" or better; or MATH 091 or MATH 090 with a grade of "C" or better and current California LVN/RN license.
Part two of a two semester study of the structure and function of the human organism, from the molecular to the gross level. This course may require the use of human cadavers for observation and/or dissection. Preparatory for RN program and paramedical programs. (CSU) (UC credit limited. See a counselor.)

BIOL 204 (4.0 UNITS)
Human Anatomy
Term Hours: 36 Lec, 108 Lab
Letter Grade only
Prerequisites: MATH 091 or Math 090 and BIOL 100 or BIOL 122 or BIOL 180 or BIOL 182, with grades of "C" or better; or MATH 091 or MATH 090 with a grade of "C" or better and current California LVN/RN license.
Lecture and laboratory course designed to study the fundamental principles of the human body structure at the cellular and organ level of organization, including the circulatory and nervous systems. Study of the human skeleton, structural-functional relationships, and appreciation of related human diseases and aging. This course may require the use of human cadavers for observation and/or dissection. (CSU) (UC credit limited. See a counselor.)

BIOL 206 (4.0 UNITS)
Human Physiology
Term Hours: 36 Lec, 108 Lab
Letter Grade only
Prerequisites: MATH 091 or MATH 090 and CHEM 100 and BIOL 204 with grades of "C" or better; or MATH 091 or MATH 090 with a grade of "C" or better and current California LVN/RN license.
Lecture and laboratory course designed to introduce the function of the human body from cellular through organ system levels of organization. Emphasis will be on integration of body systems and interrelationships for maintaining homeostasis. The practical applications of the basic concepts are presented. This course may require the use of human cadavers for observation and/or dissection. (CSU) (UC credit limited. See a counselor.)

BIOL 220 (5.0 UNITS)
General Microbiology
Term Hours: 54 Lec, 108 Lab
Letter Grade only
Prerequisite: MATH 091 or MATH 090 and CHEM 100 and BIOL 100 or BIOL 120 or BIOL 180 or BIOL 182 with grades of "C" or better; or MATH 091 or MATH 090 with a grade of "C" or better and current California LVN/RN license.
Provides students with fundamental concepts of the structure and physiology of nondisease and disease producing microorganisms with particular attention to bacteria. Basic techniques for culturing, staining, counting and identifying microorganisms. Designed to meet the requirement to enter one of the medical fields as well as general education. (CSU, UC)
BLDC 101  (3.0 UNITS)
Safety Standards (Cal/OSHA) 30-Hour Card
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Safety Standards is a course designed to afford the student the opportunity to earn the General and Construction Industry OSHA 30-Hour Card. The course will provide the student with essential instruction and learning allowing the student to develop and master knowledge and skills associated with safety and health recognition and prevention at a worksite. Topics include: OSHA and Cal OSHA standards, hazard analysis and identification, acceptable safety practices, proper selection and use of personal protective equipment, job hazard analysis and mitigation measures, hazard communication standards, and inspections, citations, and penalties. OSHA card processing fee will apply. (Nontransferable, AA/AS degree only)

BLDC 110  (3.0 UNITS)
Construction Blueprints, Specifications, Measurements, and Codes
Term Hours: 36 Lec, 54 Lab
Letter Grade only
This is an introduction to construction blueprint reading and specifications. Study of the methods of graphic representation of building materials, symbols, measurements, and interpretation of building codes. (Nontransferable, AA/AS degree only)

BLDC 115  (3.0 UNITS)
Energy Fundamentals
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: BLDC 110.
This course in an introductory study in home performance concepts, California Energy Codes. Instruction will be based on blower door and duct tester standards, infrared camera monitoring, shell sealing standards, duct system analysis, repair and sealing standards. Cost and benefit analysis of sealing repairing and retrofitting for energy losses. Included will be the discussion on the leading organizations that influence sustainable buildings such as energy star and LEED, their design, and efficiency. Learning opportunities will be enhanced through a combination of lecture and laboratory activities. (Nontransferable, AA/AS degree only)

BLDC 130  (4.0 UNITS)
Carpentry Layout and Framing
Term Hours: 36 Lec, 108 Lab
Letter Grade only
Recommended Preparation: BLDC 110 and BLDC 140.
This course provides instruction in building layout and structural framing systems typical to residential construction and will include: materials, fasteners, measuring, use of tools, construction safety, and hands-on applications. (Nontransferable, AA/AS degree only)

BLDC 135  (3.0 UNITS)
Residential Plumbing Applications
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: BLDC 110.
This course is an introductory study of the layout and fabrication of a residential plumbing system. Discussion will include water and waste water plumbing systems for residential applications. In addition there will be a component on residential plumbing design, with emphasis on repair and maintenance of fixture faucets and drains and water leaks. Installations will be guided by the local and national plumbing codes. Learning opportunities will be enhanced through a combination of lecture and laboratory activities. (Nontransferable, AA/AS degree only)

BLDC 140  (3.0 UNITS)
Building Construction Methods and Materials
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: Average to above average mathematics and communications skills.
This course will introduce students to construction methods and materials, the characteristics of materials, and construction processes. Methods, equipment, personnel, regulatory organizations, and safety considerations which are common factors in the construction industry will be discussed. (Nontransferable, AA/AS degree only)

BLDC 145  (3.0 UNITS)
Concrete Formwork, Layout, and Setting
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: BLDC 140.
This course will introduce students to techniques, practices, and procedure in concrete formwork, layout, and settings, which will lead to employment in the cement mason occupations within the Building Construction Trades Industry. (Nontransferable, AA/AS degree only)

BLDC 150  (4.0 UNITS)
Carpentry Methods, Materials, and Tools
Term Hours: 36 Lec, 108 Lab
Letter Grade only
Recommended Preparation: BLDC 110, BLDC 130, and BLDC 140.
Carpentry construction methods require the use of construction methods, materials, and tools to achieve a completed structure. Use and operation of hand and power tools used for a variety of construction materials will be studied and applied during this course. Application of materials and execution of construction methods will be guided by building codes and in compliance with safety regulations. (Nontransferable, AA/AS degree only)
BLDC 155  (3.0 UNITS)
Solar Thermal and Water Efficiency
Term Hours: 18 Lec, 108 Lab
Letter Grade only
Recommended Preparation: BLDC 110
This course is an introductory study in solar thermal concepts, water conservation, water efficiency retrofits, California Energy Codes. Instruction will be based on solar thermal collector installation and operation and water saving devices and equipment. Included will be the discussion on energy saving opportunities with the use of various types of collectors such as storage or tank-type and tankless systems. Cost and benefit analysis will be studied of various water heating systems along with energy conservation and conversion. Learning opportunities will be enhanced through a combination of lecture and laboratory activities. (Nontransferable, AA/AS degree only)

BLDC 160  (3.0 UNITS)
Construction Technical and Contract Documents
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: BLDC 140 and Construction Trade experience.
This course will introduce the student to the typical organization of a planning department and the responsibilities of the personnel associated with the development, review, implementation, enforcement, and approval of technical and contract documents. (Nontransferable, AA/AS degree only)

BLDC 165  (4.0 UNITS)
Concrete Materials, Methods, and Tools
Term Hours: 36 Lec, 108 Lab
Letter Grade only
Recommended Preparation: BLDC 145.
This course will continue to prepare the student in the occupational field of cement mason by including learning activities in cement manufacturing, portland cement types, aggregates, admixtures, reinforcement, material handling, placing, compacting, finishing, hand tooling, and mechanical tools. (Nontransferable, AA/AS degree only)

BLDC 170  (3.0 UNITS)
Essentials of Efficient Green Construction
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: BLDC 110.
This course is an introductory study in sustainable building resources and applications, LEED certification requirements, home performance concepts, California Energy Codes, green building, and their relationships to the environment and residential construction. Instruction will be based on types of materials, inspections, construction applications, material retrofitting, career opportunities, and analysis of retrofitting costs. Included will be the discussion on the standard setting organizations that influence sustainable building, their design and efficiency. Learning opportunities will be enhanced through a combination of lecture, laboratory activities. (Nontransferable, AA/AS degree only)

BLDC 175  (3.0 UNITS)
Home Performance Retrofits
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: BLDC 110
This course is an introductory study in home performance concepts, California Energy Codes, green building in residential construction. Instruction will be based on types of energy efficient materials, inspections, construction applications and material retrofitting. Cost and benefit analysis of retrofitting costs. Included will be the discussion on the leading organizations that influence sustainable buildings such as energy star and LEED, their design, and efficiency. Learning opportunities will be enhanced through a combination of lecture and laboratory activities. (Nontransferable, AA/AS degree only)

BLDC 180  (3.0 UNITS)
Building Planning and Cost Estimation
Term Hours: 36 Lec, 54 Lab
Letter Grade only
This course will present the subjects of planning and cost estimating to develop the knowledge of material determination, production quantities, and costs associated with construction. Included will be the understanding of the relationship between planning, estimating, and cost accounting in construction. (Nontransferable, AA/AS degree only)

BLDC 185  (4.0 UNITS)
Concrete Footings, Flatwork, and Detail Work
Term Hours: 36 Lec, 108 Lab
Letter Grade only
Recommended Preparation: BLDC 165
This course is the study of concrete construction to include the skills and understanding necessary for the entry-level cement mason to locate, layout, and complete the formwork for footings. Included will be elements of flatwork concrete construction and decorative non-traditional detail work. (Nontransferable, AA/AS degree only)

BLDC 190  (3.0 UNITS)
Carpentry Trim and Detail Work
Term Hours: 18 Lec, 108 Lab
Letter Grade only
Recommended Preparation: BLDC 150
Trim and detail work in carpentry construction require a different set of technical and skills competencies. This course is a survey of the technical knowledge, skill sets, and attention to details needed for building and residential construction finish work. Included in this course will be interior finish, doors, windows, drywall, trim, specialty tools, and construction safety. (Nontransferable, AA/AS degree only)

BLDC 201  (3.0 UNITS)
Construction Planning and Management
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: BLDC 180
This course is the study of concepts used in planning, scheduling, and controlling construction projects. Included will be traditional control models, diagrams, linear scheduling, arrow diagrams, resource allocations, time-cost analysis, contract provisions, and dispute resolution. (Nontransferable, AA/AS degree only)
BLDC 210 (3.0 UNITS)  
Construction Management and Organization  
Term Hours: 36 Lec, 54 Lab  
Letter Grade only  
Recommended Preparation: BLDC 201 and Construction Trades experience.  
This course is a study in construction firms and their fundamental techniques for operation. Discussion will be on types of materials, inspections, construction methods, project management problems, labor opportunities, construction costs, and project controls. Included will be discussion on the organizations that influence construction projects, their design, scheduling, costs, and final efficiency factor. (Nontransferable, AA/AS degree only)

BUSINESS ADMINISTRATION

BUS 010 (3.0 UNITS)  
Practical Accounting  
Term Hours: 54 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
This basic course will teach students to journalize and post transactions common to a service type business and teach them the end of the fiscal period functions on the accrual basis. (Nontransferable, AA/AS degree only)

BUS 060 (3.0 UNITS)  
Essentials in Workplace Communication  
Term Hours: 54 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
Emphasizes the basic elements and skills necessary for effective workplace communications, business vocabulary -- pronunciation, spelling, meaning, and punctuation. Standard letter writing styles will be stressed. (Nontransferable, AA/AS degree only)

BUS 061 (3.0 UNITS)  
Business English  
Term Hours: 54 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
Recommended Preparation: Concurrent enrollment in BUS 060 and/or ENGL 009 or ENGL 099  
This course will provide comprehensive instruction in the correct use of English grammar with an emphasis on business vocabulary; develop proficiency in punctuation, capitalization, and number style skills; and provide an opportunity to apply correct usage and style and effective techniques for writing in today's work world. (Nontransferable, AA/AS degree only)

BUS 124 (3.0 UNITS)  
Introduction to Business  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
A basic beginning college course that introduces U.S. business and industry. Includes the nature and importance of business, forms of business ownership, organization, management, finance, marketing, government and legal regulations, pricing and taxes. Class activities include participation in team-building concepts. (CSU, UC)

BUS 126 (3.0 UNITS)  
Business and the Legal Environment  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
An introduction to the legal environment of business. The following topics are covered: sources of law, judicial systems, administrative law, and governmental regulation, crimes and torts, protection of intellectual property, contracts, commercial paper, agency, labor law, legal forms of business organization, securities regulation, consumer and environmental law, warranties, and product liability, bankruptcy, real property law and international law. Collaborative learning and the team approach are used in doing legal research, reading and understanding court opinions and writing briefs of cases. (CSU, UC)

BUS 132 (3.0 UNITS)  
Business Management  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: BUS 124  
A study of management theories and processes as they apply in the contemporary business world. The course is based on the application of the four functions of management - planning, organizing, leading, and controlling - in the effective achievement of organizational objectives. Management activities are practiced in organizational situations using case studies, simulations, and class projects. (Same as AG 132) (CSU)

BUS 134 (3.0 UNITS)  
Management Concepts of Supervision  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
A study of supervisory management concepts that include definition of supervision and management, description of supervisory management functions and a supervisor's role in managing organizational resources, staffing, methods of performance appraisal, problem solving, and decision-making techniques, motivation, conflict resolution, compensation, leadership, communication, health and safety, training and development, labor relations, discipline, and how to cope with change. (CSU)

BUS 136 (3.0 UNITS)  
Human Relations in Management  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Study of human relations as they apply to management. Topics covered include model of organizational behavior, social systems, organizational culture, communications management, motivation, performance appraisal, employee attitudes and their effects, leadership and supervision, nature of participation, interpersonal dynamics, management of change, organizational development, ethics, social responsibility, labor relations, equal employment opportunity, stress and counseling. Collaborative learning with team building approaches are employed to enhance interpersonal skills. (CSU)

BUS 144 (3.0 UNITS)  
Principles of Marketing  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
A course of study designed to introduce students to the organization and operation of marketing activities, including the study of the marketing mix, markets, promotion and strategic planning. (CSU)
BUS 148  (3.0 UNITS)  
Personal Finance  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
This course is an introduction to planning and managing personal finances. Emphasis is on real world situations such as budgeting, credit and borrowing, money management and tax strategies, risk and insurance analysis, consumer purchasing strategies, investment instruments and alternatives to retirement and estate planning. (CSU)

BUS 152  (1.0 UNIT)  
Basic Keyboarding  
Term Hours: 18 Lec, 18 Lab  
Letter Grade or Pass/No Pass  
This course is designed to develop speed and accuracy in the use of the computer keyboard. The student will learn to operate by touch the letter, number, and symbol keys using the proper typing technique. (CSU)

BUS 154  (3.0 UNITS)  
Beginning Keyboarding and Document Formatting  
Term Hours: 36 Lec, 36 Lab  
Letter Grade or Pass/No Pass  
This course is designed to teach the student the basic operations of a computer including using alphabet, numeric and symbol keys. The course will also include the basic commands needed to format business documents. (CSU)

BUS 156  (3.0 UNITS)  
Keyboarding: Speed and Accuracy  
Term Hours: 36 Lec, 36 Lab  
Letter Grade or Pass/No Pass  
Recommended Preparation: Ability to keyboard 20 nwpm. An individualized diagnostic, prescriptive method of developing accuracy and speed. Emphasis is placed on development of keyboarding speed and accuracy ratings between 20-90 nwpm. Maximum credit nine units. (CSU)

BUS 156  (3.0 UNITS)  
Microsoft Word for the Workplace  
Term Hours: 36 Lec, 36 Lab  
Letter Grade or Pass/No Pass  
Recommended Preparation: Keyboard skills of 20 nwpm. This course stresses those competencies required of the office worker in today's business environment. It is designed to teach students production skills for today's office environment using word processing software as well as develop skills for handling business procedures. (CSU)

BUS 157  (1.0 UNIT)  
Machine Calculation  
Term Hours: 18 Lec, 18 Lab  
Letter Grade or Pass/No Pass  
Recommended Preparation: MATH 071 or MATH 070  
This course develops skills required for rapid and accurate operation of calculating machines and expand and refine business math skills. (CSU)

BUS 159  (2.0 UNITS)  
Records Management  
Term Hours: 36 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
Lecture and supervised individual and group procedural activity designed to acquaint students with progressive filing and records management rules, procedures and techniques. Alphabetic, numeric, geographic and subject filing are studied. (CSU)

BUS 162  (3.0 UNITS)  
Office Procedures for the Workplace  
Term Hours: 54 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
Recommended Preparation: BUS 164  
This course stresses all business skills and those competencies required of the office worker in today's business environment. The course provides realistic and meaningful experiences to strengthen student's administrative skills and knowledge of business procedures and technological skills. The role of the administrative assistant will be analyzed as well as the global influences that affect the way business is conducted. (CSU)

BUS 166  (1.0 UNIT)  
Office Transcription  
Term Hours: 18 Lec, 18 Lab  
Letter Grade or Pass/No Pass  
Recommended Preparation: BUS 164  
This course is designed to teach students to develop office technology skills using machine transcription equipment. (CSU)

BUS 168  (4.0 UNITS)  
Microsoft Office Suite for the Workplace  
Term Hours: 54 Lec, 36 Lab  
Letter Grade or Pass/No Pass  
Recommended Preparation: BUS 164  
This course is designed to strengthen skills needed in a business office. Students will broaden word processing skills; develop spreadsheets and databases; create documents using desktop publishing software; and search for, evaluate, and use information from the Internet. Students will also develop business documents, presentations, and web pages using multimedia. After completing the class, the student will have a foundation for integrating a variety of business applications in an office setting. (CSU)

BUS 210  (4.0 UNITS)  
Principles of Financial Accounting  
Term Hours: 72 Lec, 18 Lab  
Letter Grade only  
Recommended Preparation: MATH 081 or MATH 080 or equivalent  
Theory and practice of accounting applicable to recording and reporting of business transactions for proprietorships, partnerships, and corporations as they relate to external use. Includes the study of asset, liability, and equity accounts; revenue and expense recognition; inventory accounting; stockholder equity, earnings, and dividends; long-term bonds and investments; and statements of cash flows. (CSU, UC)
BUS 220  (4.0 UNITS)
Principles of Managerial Accounting
Term Hours: 72 Lec, 18 Lab
Letter Grade only
Prerequisite: BUS 210 or equivalent with grade of "C" or better
Covers how managers use accounting information in decision-making, planning, directing operations, and controlling. Focuses on cost terms and concepts, cost behavior, cost structure, and cost-volume-profit analysis. Examines profit planning, standard costs, operations and capital budgeting, cost control, and accounting for costs in manufacturing organizations. (CSU, UC)

BUS 230  (3.0 UNITS)
Introduction to Governmental Accounting
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: BUS 210 with a grade of "C" or better.
Theory and practice of accounting for governmental entities. Focus on recording and reporting transactions. Topics include accounting for governmental, proprietary-type, and fiduciary funds; budgetary accounting; and governmental financial statements. (CSU)

BUS 260  (3.0 UNITS)
Business Communications
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 009 or ENGL 099 and word processing skills.
This course will teach the principles of effective communication applied to business letters, memos, and analytical reports. It includes the organization, writing, and presentation of business documents and incorporates the basic principles of speaking effectively for business. (CSU)

CHEMISTRY

CHEM 100  (4.0 UNITS)
Introduction to Chemistry
Term Hours: 54 Lec, 54 Lab
Letter Grade only
Prerequisite: MATH 091 or MATH 090 with a grade of "C" or better.
Elementary principles of general and inorganic chemistry with an introduction to organic and biochemistry. Previous science background is recommended, but not required. This course is designed for non-science majors and students who need only a one-semester general chemistry course, and also for students entering a paramedical and allied health fields, and industrial applications such as power plants. This course will satisfy the prerequisite for CHEM 200. (CSU) (UC credit limited. See a counselor.)

CHEM 160  (5.0 UNITS)
Introduction to General, Organic and Biological Chemistry
Term Hours: 72 Lec, 54 Lab
Letter Grade only
Prerequisites: CHEM 100 or equivalent and MATH 091 or equivalent with grades of "C" or better.
This is a one-semester lecture and lab chemistry course covering topics from general, organic, and biological chemistry, with emphasis on organic and biochemistry, necessary to understand human biochemistry and pharmacology. It is designed for students majoring in Nursing and Allied Health Sciences. (CSU, UC)

CHEM 200  (5.0 UNITS)
General Inorganic Chemistry I
Term Hours: 54 Lec, 108 Lab
Letter Grade only
Prerequisite: CHEM 100 with a grade of "C" or better.
Basic principles and calculations of chemistry with emphasis on stoichiometry and dimension analysis applied to various problem types. Fundamental principles and theory of atomic and molecular structure as related to bonding and molecular geometry. Study of kinetic molecular theory, the first law of thermodynamics, periodic relationships of the elements, physical states of matter, solution chemistry, and oxidation-reduction. The laboratory is closely related to lecture topics and includes methods of classical experimentation as well as certain instrumental analysis. (CSU, UC)

CHEM 202  (5.0 UNITS)
General Inorganic Chemistry II
Term Hours: 54 Lec, 108 Lab
Letter Grade only
Prerequisite: CHEM 200 with a grade of "C" or higher.
This course includes a detailed study of chemical reaction rates, the equilibrium condition as it applies to acids and bases as well as solubility, thermodynamics and the properties of spontaneous reactions, electrochemistry, chemistry of the transition elements, and nuclear processes. A survey of topics in organic chemistry and biochemistry is also included. This is the second course of the chemistry series. (CSU, UC)

CHEM 204  (5.0 UNITS)
Organic Chemistry I
Term Hours: 54 Lec, 108 Lab
Letter Grade only
Prerequisite: CHEM 202 with a grade of "C" or better.
This course is a study of various reaction mechanisms and properties of hydrocarbons, alkyl halides, alcohol, thiols, and ethers. Stereochemical properties of compounds are investigated and related to structure and observed reactions. Instrumental methods of analysis such as IR, UV-VIS, NMR, and mass spectrometry are discussed. This course is intended for students majoring in chemistry, biology, and pre-medical sciences. (CSU, UC)

CHEM 206  (5.0 UNITS)
Organic Chemistry II
Term Hours: 54 Lec, 108 Lab
Letter Grade only
Prerequisite: CHEM 204 with a grade of "C" or better.
This course is a study of various reactions and properties aldehydes, ketone, carboxylic acids, aromatic compounds, amines, conjugated dienes, lipids, carbohydrates, and organic polymers. A survey of various biochemical topics such as metabolism, protein structure, and DNA is also included. This course is a continuation of CHEM 204 is intended for students majoring in chemistry, biology, and pre-medical sciences. (CSU, UC)
CHILD DEVELOPMENT

CDEV 020  (0.5 UNITS)
Selected Topics or Special Projects in Child Development
Term Hours: 9 Lec, 0 Lab
Pass/No Pass only
Selected topics in Child Development not covered by regular catalog offerings. Course content and unit credit to be determined by the Department of Child, Family and Consumer Sciences; Child Development Program. The purpose of this course is to provide students with the opportunity to attend professional conferences and to experience a variety of presentations. (Nontransferable, nondegree applicable)

CDEV 050  (1.0 UNIT)
Family Child Care Management
Term Hours: 18 Lec, 0 Lab
Letter Grade only
Instruction in operating home based childcare as a successful business. Topics covered include bookkeeping, tax laws, licensing requirements, management skills, scheduling and policies. (Nontransferable, AA/AS degree only)

CDEV 051  (1.0 UNIT)
Family Childcare Provider and Parent Relations
Term Hours: 18 Lec, 0 Lab
Letter Grade only
A study of appropriate provider and parent communication techniques and strategies. Includes problem solving, decision making, conflict resolution, methods for increasing parent involvement and participation in child’s care and education. (Nontransferable, AA/AS degree only)

CDEV 052  (1.0 UNIT)
Family Childcare Licensing and Resources
Term Hours: 18 Lec, 0 Lab
Letter Grade only
A study of California Childcare requirements, funding possibilities and community resources. (Nontransferable, AA/AS degree only)

CDEV 100  (3.0 UNITS)
Principles and Practices of Teaching Young Children
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An examination of the underlying theoretical principles of developmentally appropriate practices applied to programs, environments, emphasizing the key role of relationships, constructive adult-child interactions, and teaching strategies in supporting physical, social, creative and intellectual development for all children. This course includes a review of the historical roots of early childhood programs and the evolution of the professional practices promoting advocacy, ethics and professional identity. (CSU)

CDEV 101  (3.0 UNITS)
Health, Safety and Nutrition
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Introduction the laws, regulations, standards, policies and procedures and early childhood curriculum related to child health, safety and nutrition. The key components that ensure physical health, mental health and safety for both children and staff will be identified along with the importance of collaboration with families and health professionals. Focus on integrating the concepts into every day planning and program development for all children. (CSU)

CDEV 102  (1.0 UNIT)
First Aid and CPR for Teachers of Young Children
Term Hours: 18 Lec, 0 Lab
Letter Grade only
First Aid, CPR Module B: American Red Cross or American Heart Association certification in infant, child and adult CPR and First Aid. (CSU)

CDEV 103  (3.0 UNITS)
Child, Family and Community
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An examination of the developing child in a societal context focusing on the interrelationship of family, school community and emphasizes historical and socio-cultural factors. The processes of socialization and identity development will be highlighted, showing the importance of respectful, reciprocal relationships that support and empower families. (CSU)

CDEV 104  (3.0 UNITS)
Child Growth and Development
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course examines the major physical, psychosocial, and cognitive/language developmental milestones for children, both typical and atypical, from conception through adolescence. There will be an emphasis on interactions between maturational processes and environmental factors. While studying developmental theory and investigative research methodologies, students will observe children, evaluate individual differences and analyze characteristics of development at various stages. (Same as PSY 104) (CSU) (UC credit limited. See a counselor.)

CDEV 105  (3.0 UNITS)
Introduction to Curriculum
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course presents an overview of knowledge and skills related to providing appropriate curriculum and environments for young children from birth to age 6. Students will examine teacher’s role in supporting development and fostering the joy of learning for all young children using observation and assessment strategies emphasizing the essential role of play. An overview of content areas will include but not be limited to: Language and literacy, social and emotional learning, sensory learning, art and creativity, math and science. (CSU)
CDEV 106 (3.0 UNITS)
Observation and Assessment
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisites: CDEV 104 with a grade of "C" or better.
This course focuses on the appropriate use of assessment and observation strategies to document development, growth, play and learning in order to join with families and professionals in promoting children's success and maintaining quality programs. Recording strategies, rating systems, portfolios, and multiple assessment methods are explored. (CSU)

CDEV 107 (3.0 UNITS)
Teaching in a Diverse Society
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Examination of the development of social identities in diverse societies including theoretical and practical implications of oppression and privilege as they apply to young children, families, programs, classrooms and teaching. Various classroom strategies will be explored emphasizing culturally and linguistically appropriate anti-bias approaches supporting all children in becoming competent members of a diverse society. Course includes self-examination and reflection on issues related to social identity, stereotypes and bias, social and educational access, media and schooling. (CSU)

CDEV 120 (2.0 UNITS)
Language and Literature for Young Children
Term Hours: 36 Lec, 0 Lab
Letter Grade only
Development of language and communication skills in the first five years of life. Creating a language arts curriculum for toddlers and preschoolers with an emphasis on oral communication using storytelling, puppets, and dramatic play. Analysis of stories and literature for their value to the young child. (CSU)

CDEV 121 (2.0 UNITS)
Art for Young Children
Term Hours: 36 Lec, 0 Lab
Letter Grade only
Develop aesthetic and perceptual awareness in the toddler and preschool child through exploration of various process-oriented art media, activities, and experiences. Emphasis is placed on the development of age appropriate art curriculum activities, basic teaching skills, guidance techniques, equipment and materials. (CSU)

CDEV 122 (2.0 UNITS)
Science and Math for Young Children
Term Hours: 36 Lec, 0 Lab
Letter Grade only
Developing a science curriculum aimed at introducing the young child to physical science, simple chemistry and biological science concepts. Developing a math curriculum introducing number and math concepts. Emphasis is placed on developing an age appropriate science and math curriculum and planning a science environment that is meaningful and exciting for the young child. (CSU)

CDEV 123 (2.0 UNITS)
Music and Movement for Young Children
Term Hours: 36 Lec, 0 Lab
Letter Grade only
Music, rhythm and body movement experiences for young children. Development of teacher skills with simple music instruments and familiarity with resource materials for program planning and exploration of motor skills and movement concepts. (CSU)

CDEV 124 (2.0 UNITS)
Creative Cooking for Children
Term Hours: 36 Lec, 0 Lab
Letter Grade only
Cooking experiences for the preschool classroom. Development of effective, developmentally appropriate cooking activities. (CSU)

CDEV 125 (3.0 UNITS)
Multilingual and Multicultural Curriculum for Young Children
Term Hours: 54 Lec, 0 Lab
Letter Grade only
General introduction to life styles, values, and socioeconomic conditions of children from multilingual and multicultural families with special emphasis on ways in which these factors affect the teaching and learning process. Students are introduced to strategies, materials and resources designed to help them enhance the multilingual and multicultural experience of the children. (CSU)

CDEV 140 (2.0 UNITS)
Child Abuse
Term Hours: 36 Lec, 0 Lab
Letter Grade only
A study of abused, battered, and neglected children. Identification and prevention of abused children and of abusers. Mandated reporting responsibilities. (CSU)

CDEV 141 (2.0 UNITS)
Children with Challenging Behaviors
Term Hours: 36 Lec, 0 Lab
Letter Grade only
Effective strategies for working with children who have challenging behaviors in the early childhood classroom environment. Emphasis on teacher's role in working with parents and supporting children through emotional difficulties. (CSU)

CDEV 142 (1.0 UNIT)
What is Developmentally Appropriate?
Term Hours: 18 Lec, 0 Lab
Letter Grade only
The subject matter will vary with the needs and interests of the students. The course content is designed to meet educational requirements of Title 22 and Title 5 Professional Growth Permit requirements. The course can be taken more than once, provided the topic of the course is not the same. (CSU)
CDEV 200  (3.0 UNITS)
Practicum - Field Experience
Term Hours: 36 Lec, 160 Lab
Letter Grade only
Prerequisites: CDEV 100; CDEV 103, CDEV/PSY 104; CDEV 105; CDEV 106; CDEV 107; and 4.0/5.0 units from the following: CDEV 120, CDEV 121, CDEV 122, CDEV 123, CDEV 124, or CDEV 125; and approval from the Child Development Department.
A demonstration of developmentally appropriate early childhood teaching competencies under guided supervision. Students will utilize practical classroom experiences to make connections between theory and practice, develop professional behaviors, and build a comprehensive understanding of children and families. Child centered, play-oriented approaches to teaching, learning, and assessment; and knowledge of curriculum content areas will be emphasized as student teachers design, implement and evaluate experiences that promote positive development and learning for all young children. (CSU)

CDEV 210  (3.0 UNITS)
Administration and Supervision
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisites: CDEV 200 and its prerequisites.
This course incorporates basic management principles for preschools including curriculum development and implementation, personnel management, facility maintenance, budgeting, parent involvement, community relations, program evaluation and professional ethics. (CSU)

CDEV 211  (3.0 UNITS)
Advanced Management Functions
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Prerequisites: CDEV 210 with a grade of "C" or higher.
This course is designed for those who plan to be directors in any child care center, both public and private, in the State of California. Principles and practices of program planning, budgeting and personnel administration for agencies servicing children and families. (CSU)

CDEV 212  (3.0 UNITS)
Adult Supervision in Child Development Programs
Term Hours: 54 Lec, 0 Lab
Letter Grade only
A study of the methods and principles of adult supervision in an early childhood setting from a development perspective. Topics covered include competence in personnel management, effective interpersonal communication, how adults learn, team building. (CSU)

CDEV 220  (3.0 UNITS)
Infant Toddler Development
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course will cover the fundamental principles of prenatal and infant development from conception to age two as determined by heredity, society and human interaction. Prenatal development and the birth process are emphasized. Observations will be done on a neonate, infant and toddler. (CSU)

CDEV 221  (3.0 UNITS)
Infant Toddler Curriculum
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course will prepare students to develop and implement an infant and/or toddler curriculum including the design of a developmentally appropriate learning environment. It will examine the methods currently in practice and study teacher competencies necessary for working with infants/toddlers. Students must put in 5 Hrs. Lab TBA for the semester. (CSU)

CDEV 230  (3.0 UNITS)
School Age Child Development
Term Hours: 54 Lec, 0 Lab
Letter Grade only
A study of the developmental characteristics of the School Age child from ages five to twelve, covering physical, cognitive, social and personality development. Developmental theories will be discussed, and the influences on the basic process will be explored. This course provides preparation for employment in child development programs, and public and private School Age programs. (CSU)

CDEV 231  (3.0 UNITS)
School Age Curriculum
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course instructs students in designing a school-age program that meets the needs of children based on current theory and research. Emphasis will be on creating developmentally appropriate environments, curriculum planning, behavior management, health, safety and nutrition. (This course provides preparation for employment in child development programs, and public and private School Age programs.) (CSU)

COMPUTER INFORMATION SYSTEMS

CIS 050  (1.0 UNIT)
Online Learning - An Orientation
Term Hours: 9 Lec, 27 Lab
Pass/No Pass only
This course presents the basics of taking a course through the Internet. It is designed to acquaint students with the skills required for success in an online course. Students will learn to navigate in an online environment, to communicate electronically with the instructor and other students, to submit course assignments and take tests, and to perform other related skills. Hardware and software needs are addressed as well as characteristics of successful online learners. Students must have access to a computer that is connected to the Internet and must have an e-mail account. (Nontransferable, AA/AS Degree only)

CIS 100  (1.0 UNIT)
Computer Literacy
Term Hours: 18 Lec, 0 Lab
Letter Grade or Pass/No Pass
A course designed for students with little or no experience with computers. The course includes a review of computer terminology, system components, and software applications typically used on a microcomputer system. In a hands-on environment, the student will learn basic operating system and user interface commands, basic features in a word processing program, and basic concepts for use of Internet resources. (CSU)
CIS 101 (3.0 UNITS)  
Introduction to Information Systems  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
An introductory course designed to teach the basic understanding of computer information systems, survey computer hardware and software, and give the student hands-on experience on common business applications. (CSU, UC)

CIS 102 (1.0 UNIT)  
Computer Applications Laboratory  
Term Hours: 0 Lec, 54 Lab  
Pass/No Pass only  
Recommended Preparation: Concurrent enrollment in a course requiring computer support.  
A hands-on lab class which supports those courses requiring computer completed assignments. The student may be involved using word processing, programming, integrated software programs or decision support applications. Maximum credit three units. (CSU)

CIS 104 (3.0 UNITS)  
Introduction to Telecommunications  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: CIS 101  
An introduction to the concepts of telecommunications, data communications and networks. This course gives an overview of connectivity options for local and wide area networks including the Internet, common network protocols and the OSI model. Students learn how to access and utilize networked resources such as file servers, remote printers, e-mail, the Internet and networked applications. (CSU)

CIS 106 (3.0 UNITS)  
PC Maintenance, Repair, and Upgrading  
Term Hours: 36 Lec, 36 Lab  
Letter Grade or Pass/No Pass  
Recommended Preparation: CIS 101 and CIS 110  
A practical course in installing and upgrading common PC hardware, software and peripherals. The student learns computer troubleshooting and repair techniques; other topics include electrical principles, safety and customer relation skills. This course includes preparation in CompTIA A+ certification exam. (CSU)

CIS 107 (3.0 UNITS)  
Computer Networking  
Term Hours: 36 Lec, 36 Lab  
Letter Grade only  
Recommended Preparation: CIS 101 and CIS 110  
A practical course in computer network support and administration. The student learns networking standards, architecture and hardware; other topics include TCP/IP, troubleshooting and security. This course includes preparation for the CompTIA Network+ certification exam. (CSU)

CIS 108 (3.0 UNITS)  
Computer Accounting  
Term Hours: 36 Lec, 36 Lab  
Letter Grade or Pass/No Pass  
Prerequisite: BUS 210 or BUS 010 with grades of "C" or better. Recommended Preparation: CIS 101  
A practical course in which students will have an opportunity to utilize computerized financial software that is currently being used in the business field. A "case study" will be completed by the students which will help them to gain computer skills. (CSU)

CIS 120 (1.0 UNIT)  
Microsoft Word I  
Term Hours: 18 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
Recommended Preparation: CIS 120 or CIS 101  
Hands-on practice with the Microsoft Word word processing software using a windows environment. The course is designed for beginners and will focus on document creation including multipage documents; basic editing and text enhancement; line and page formatting; cut, copy, and paste, spell check and thesaurus. (CSU)

CIS 121 (1.0 UNIT)  
Microsoft Word II  
Term Hours: 18 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
Recommended Preparation: CIS 120 or CIS 101  
Hands-on practice with the Microsoft Word word processing software using a windows environment. The course is a continuation of CIS 120, Microsoft Word, and will focus on editing and formatting features including multiple windows and documents, managing files, tables, columns, merge, labels, sort, and graphics. (CSU)

CIS 124 (1.0 UNIT)  
Excel I  
Term Hours: 18 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
A beginning course in the creation and use of spreadsheet applications including templates, spreadsheets, and beginning graphic presentations. (CSU)

CIS 125 (1.0 UNIT)  
Excel II  
Term Hours: 18 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
A sequence to the CIS 124 course. The course develops expertise in worksheet applications, teaches use of graphic presentations, develops data base use and includes macros. (CSU)

CIS 128 (1.0 UNIT)  
ACCESS  
Term Hours: 18 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
A course designed to present the basic database concepts. The student will become acquainted with a windows based business database application and its implementation. (CSU)
CIS 130 (1.0 UNIT)
PowerPoint I
Term Hours: 18 Lec, 0 Lab
Letter Grade or Pass/No Pass
A beginning course in PowerPoint including text formatting, slides, charts, slide shows, embedded and linked objects and hyperlinks. (CSU)

CIS 131 (1.0 UNIT)
PowerPoint II
Term Hours: 18 Lec, 0 Lab
Letter Grade or Pass/No Pass
Recommended Preparation: CIS 130
A continuation of CIS 130 that includes customizing presentations, enhancing charts, embedding objects, using multimedia and other advanced features. (CSU)

CIS 137 (3.0 UNITS)
Web Development Tools
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: CIS 101
Planning, designing and building professional quality Web pages taking into account customers’ needs. Includes text formation and selection; use of tables, layers, sounds, images, and video to be placed in the Web sites; use of templates; use of Cascading Style Sheets (CSS); use of color and color combinations; development and use of rollovers, behaviors and automating repetitive tasks; creating forms for visitor surveys, guestbooks, online shopping, and other types of data collection. Also includes basic of Scripts and Scripting languages such as JavaScript and skills for managing Web sites. Covers core objectives for industry certification. (CSU)

CIS 149 (3.0 UNITS)
Photoshop
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: CIS 101
The course includes an introduction to the basic working environment of Photoshop; basic photo corrections; retouching and repairing; working with selections; layer basics; masks and channels; correcting and enhancing digital photographs; advanced layer techniques; advanced compositing; and web publishing techniques. The student will create an integrated project that simulates a real-world graphic design job, drawing on the skills learned. (CSU)

CIS 155 (3.0 UNITS)
Flash
Term Hours: 54 Lec, 0 Lab
Letter Grade only
CIS 155 provides a comprehensive yet concise introduction to Flash. The course begins with a discussion of fundamental concepts, which provides a context for learning and sets the stage for specific Flash skill development. A series of step-by-step tutorials follows, covering the range of basic to intermediate skills, including creating animations, using special effects, drawing objects, incorporating sound and video, and using ActionScript. Ultimately, advanced skills will be explored along with coverage of the updated features of Flash - such as enhancements to the workspace, positioning and working with objects in 3D spaces, producing interactive movies and navigation systems, importing Photoshop and Illustrator files, the Flash planning and workflow processes, and the Help feature - make this course an indispensable experience for anyone who wants to take full advantage of the program. (CSU)

CIS 155 (3.0 UNITS)
Cisco CCNA Discovery 2: Working at a Small-to-Medium Business or ISP
Term Hours: 54 Lec, 54 Lab
Letter Grade only
Prerequisite: CIS 160 and CIS 162 with grades of “C” or better.
This course prepares students for jobs as network technicians and helps them develop additional skills required for computer technicians and help desk technicians. It provides a hands-on introduction to networking and the Internet using tools and hardware commonly found in home and small business environments. (Nontransferable, AA/AS degree only)
CIS 164  (4.0 UNITS)
Cisco CCNA Discovery 3: Introducing Routing/Switching in the Enterprise
Term Hours: 54 Lec, 54 Lab
Letter Grade only
Prerequisite: CIS 163 with a grade of "C" or better.
This course familiarizes students with the equipment applications and protocols installed in enterprise networks with a focus on switched networks, IP Telephony requirements, and security. It also introduces advanced routing protocols such as Enhanced Interior Gateway Routing Protocol (EIGRP) and Open Shortest Path First (OSPF) Protocol. Students benefit from hands-on exercises, including configuration, installation, and troubleshooting. (Nontransferable, AA/AS degree only)

CIS 165  (4.0 UNITS)
Cisco CCNA Discovery 4: Designing & Supporting Computer Networks
Term Hours: 54 Lec, 54 Lab
Letter Grade only
Prerequisite: CIS 164 with a grade of "C" or better.
This course introduces students to network design processes using two examples: a large stadium enterprise network and a medium-sized film company network. Students follow a standard design process to expand and upgrade each network, which includes requirements gathering, proof-of-concept, and project management. Lifecycle services, including upgrades, competitive analyses, and system integration, are presented in the context of pre-sale support. (Nontransferable, AA/AS degree only)

CIS 202  (3.0 UNITS)
Programming in Visual Basic
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: CIS 101
This course introduces event driven computer programming using the Visual Basic Programming language. Topics include building an interface with objects, modular design, programming structures, working with files, and other related topics. (CSU, UC)

CIS 210  (3.0 UNITS)
Programming in C++
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: CIS 101 and CIS 202
A course in programming using C++. Syntax of the language will be emphasized. Operating systems, comparative programming languages, data structures, graphics, numerical analysis, programming methodology, and scientific and business applications will also be covered. (CSU, UC)

CIS 212  (3.0 UNITS)
XHTML, CSS, and JavaScript
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: CS 101
This course introduces students to the Extensible Hypertext Markup Language (XHTML) and Cascading Style Sheets (CSS) languages used to create and style web pages. Topics include remote development using a web server, page construction using XHTML, page layout using CSS, selectors and the box model, creating accessible tables, getting user input using XHTML forms and other related topics. This course also includes adding interactivity to Web pages using JavaScript. (CSU)

CIS 214  (3.0 UNITS)
PHP and MySQL
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: CIS 101, CIS 212
This course introduces students to the PHP programming language, the MySQL relational database system commonly used to create dynamic websites. Topics include PHP syntax, using phpMyAdmin, creating tables and queries using SQL, web application security, frameworks, and other related topics. It also includes basics of using content management systems for managing website content. (CSU)

COMPUTER SCIENCE

CS 170  (3.0 UNITS)
Introduction to Unix/Linux
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: Familiarity with computers and at least one operating system: Windows, Mac OS, or Unix/Linux.
A hands-on introduction to Unix operating systems including Linux, Solaris, Android, and Mac and iPhone OS X. Topics include terminology, file structure, email, utilities, file management, and alternative editors. Includes usage of sed (stream editor), awk (a UNIX scripting language), and graphical user interfaces. (CSU, UC)

CS 220  (4.0 UNITS)
Introduction to Object-Oriented Programming Using Java
Term Hours: 54 Lec, 54 Lab
Letter Grade only
Recommended Preparation: MATH 091 or MATH 090 or equivalent, and CIS 202 or CIS 204 or CIS 208 or equivalent.
This course provides an introduction to object-oriented programming using the Java programming language. Topics included (but not limited to) in this course are fundamentals of structured computer programming, primitive data types, expressions, control statements, methods, arrays, searching, sorting, and debugging. Emphasis is on learning through hands-on programming exercise. (CSU, UC)
CS 230  (4.0 UNITS)
Intermediate Object-Oriented Programming Using Java
Term Hours: 54 Lec, 54 Lab
Letter Grade only
Prerequisites: CS 210 or CS 220 or equivalent with a grade of "C" or better.
This course provides an intermediate treatment of object-oriented programming using the Java programming language. Topics included (but not limited to) in this course are abstract classes, inheritance, polymorphism, interfaces, graphical user interfaces (GUI), graphics, event-driven programming, exception handling, file input, file output, and applets. Emphasis is on learning through hands-on programming exercises. (CSU, UC)

CS 280  (4.0 UNITS)
Assembly Language and Machine Organization
Term Hours: 54 Lec, 54 Lab
Letter Grade only
Prerequisites: CS 210 or CS 220 or equivalent, and MATH 091 or equivalent, with grades of "C" or better.
A course covering general concepts of internal organization of a computer, machine and assembly language. Topics include number system and data representation, primitive instructions and operations, program execution, addressing techniques, arrays, subroutines, macros, recursion, virtual memory, cache memory interrupt handling, and memory management. (CSU, UC)

CORRECTIONAL SCIENCE

CSI 100  (3.0 UNITS)
Introduction to Correctional Systems
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: Completion of ENGL 009 or ENGL 099 and ENGL 019 or ENGL 089
A study and survey of the history, philosophy and trends of adult and juvenile corrections processes. The relationship between corrections and other components of the judicial system will be examined. (CSU)

CSI 104  (3.0 UNITS)
Concepts of Probation and Parole
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: Completion of ENGL 009 or ENGL 099 and ENGL 019 or ENGL 089
A survey of the historical development of probation and parole from early court procedures through modern practices with an emphasis on the operation of probation and parole agencies in California including such topics as probation and parole laws and procedures. (CSU)

CSI 206  (3.0 UNITS)
Correctional Interviewing and Counseling
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: Completion of ENGL 009 or ENGL 099 and ENGL 019 or ENGL 089 An overview of the techniques available to practitioners in Corrections in counseling and interviewing. The student will learn the use of appropriate techniques and theories in confidence building which may be used by the correctional employee in client interviews and counseling. A basic course for students planning to enter or already employed within the Correctional Science Field. (Formerly CSI 106) (CSU)

CSI 208  (3.0 UNITS)
Control and Supervision of Inmates
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: Completion of ENGL 009 or ENGL 099 and ENGL 019 or ENGL 089
An overview of supervision of inmates in the local, state and federal correctional institutions. The issues of control in a continuum from institutional daily living through crisis situations will be introduced and discussed. The course will emphasize the role played by the offender and the correctional worker. Introduces inmate subculture, violence and effects of crowding on inmates and staff, addresses coping techniques for correctional officers in a hostile prison environment while discussing causes and effects of abusive tactics. (Formerly CSI 108) (CSU)

COUNSELING

COUN 100  (3.0 UNITS)
Personal and Career Development
Term Hours: 54 Lec, 0 Lab
Letter Grade or Pass/No Pass
This comprehensive course explores the issues and tasks related to personal and career development over the lifespan. Applying psychological, sociological, and physiological principles, students will utilize the career planning process to begin to prepare effectively for work in the 21st century global economy. Topics include assessment of interests, personality characteristics, transferable skills, and work values, career exploration, and decision-making strategies. Job search preparation includes development of a resume, cover letter, and interviewing skills. Prepares new and re-entry students to explore, identify, and integrate career and life planning goals. Emphasis is placed on the importance of actively managing one's career to achieve success in all life roles. A $6.00 lab fee will be charged. (CSU)

COUN 120  (3.0 UNITS)
College Success Skills
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course is designed to assist students in learning how to reach their educational and life planning goals. Topics covered will include orientation to Imperial Valley College, study skills, and personal adjustments to college life. Strategies covered will include skills such as creative goal setting, note-taking, listening, time-management, learning styles, test taking, library and financial resources and educational program planning. Course is recommended for new and continuing students. (CSU, UC)
DA 101 (3.0 UNITS)
Introduction to Dental Assisting
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Introduction to the dental assistant, dental terminology, basic anatomy of
the oral cavity, dental anatomy and physiology, oral embryology,

DA 102 (3.0 UNITS)
Beginning Radiology
Term Hours: 36 Lec, 54 Lab
Letter Grade only
This course teaches the fundamentals of radiation safety and the opera-
tion of dental radiology equipment, along with the clinical application
of procedures involved in exposing, processing, mounting and inter-
preting dental radiographs. (Nontransferable, AA/AS degree only)

DA 103 (3.0 UNITS)
Dental Materials for the Dental Assistant
Term Hours: 36 Lec, 54 Lab
Letter Grade only
This course teaches the composition and use of restorative materials,

DA 104 (1.0 UNIT)
Occupational Health for the Dental Assistant
Term Hours: 18 Lec, 0 Lab
Letter Grade only
This course teaches the Dental Assistant the rules and regulations in

DA 105 (2.0 UNITS)
Introduction to Chairside Dental Assisting
Term Hours: 18 Lec, 54 Lab
Letter Grade only
Introduction to the chairside dental assistant, preparing the patient for
dental treatment, positioning of patient, operator and assistant for four-
handed and six-handed dentistry. Obtaining patient health history and

DA 106 (2.0 UNITS)
Dental Specialties
Term Hours: 18 Lec, 54 Lab
Letter Grade only
Instruction in assisting and instrumentation for the following special-
ties in dentistry: orthodontics, endodontics, periodontics, removable
prosthodontics, pediatric dentistry and oral maxillofacial surgery, and
assisting in the administration of nitrous oxide. (Nontransferable, AA/AS
degree only)

DA 107 (2.0 UNITS)
Advanced Dental Assisting
Term Hours: 18 Lec, 54 Lab
Letter Grade only
Development of the pre-clinical skills required for the registered dental
assistant. Students are required to meet standards of competency for
each registered dental assistant task. Preparation for the practical com-
ponent of the California Registered Dental Assistant examination. Man-
nequins are used for most instruction. (Nontransferable, AA/AS degree
only)

DA 108 (3.0 UNITS)
Practice Management for the Dental Assistant
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Instruction in the non-clinical functions which dental assistants are re-
quired to perform with emphasis on: financial arrangements, collection
techniques, completing insurance forms, maintaining current records,
office mail, dental office computer systems, group practice, inventory,
marketing, purchasing, payroll tax records, disbursements and petty
cash. Students will learn soft dent integrated record system. (Non-
transferable, AA/AS degree only)

DA 109 (3.0 UNITS)
Clinical Dental Experiences
Term Hours: 18 Lec, 108 Lab
Letter Grade only
Practice in working in a private practice in all fields of dentistry. Experi-
ences in chairside and office management techniques, with emphasis
on performance of the Registered dental assistant tasks. Bi-weekly sem-
inars to evaluate and review clinical application and experiences. Writ-
ten reports are required. (Nontransferable, AA/AS degree only)

DA 110 (1.0 UNIT)
Ethics and Jurisprudence
Term Hours: 18 Lec, 0 Lab
Letter Grade only
The study of the fundamental factors necessary to be employed. Prac-
tice within the ethical and legal framework of the State Dental Practice
Act, and the Code of Ethics and the American Dental Association. (Non-
transferable, AA/AS degree only)

DA 111 (2.0 UNITS)
Dental Assisting Seminar
Term Hours: 36 Lec, 0 Lab
Letter Grade only
Review and preparation for the Dental Assisting Certificate Examina-
tion. (Non-Transferable, AA/AS degree only)
DA 112   (2.0 UNITS)
Dental Health Education
Term Hours: 36 Lec, 0 Lab
Letter Grade only
Course teaches the principle and practice prevention and control of dental disease with emphasis on nutrition, plaque control, motivation, and chairside patient education. (Nontransferable, AA/AS degree only)

DISABLED STUDENT PROGRAMS AND SERVICES

DSPS 018  (0.5 UNITS)
Educational Assessment and Evaluation
Term Hours: 0 Lec, 18 Lab
Pass/No Pass only
Recommended Preparation: Must be enrolled in at least one academic or vocational class.
This course is designed specifically to assist the learning disabled student who has the potential to succeed in a community college by assessing, interpreting, and diagnosing his/her learning strengths and weaknesses for the purpose of identifying learning disabilities. Guidelines mandated by the California Community College system will be utilized to determine eligibility for learning disabilities services and accommodations. Upon completion of this course, students will be better prepared to assert their needs and practice coping strategies pertinent to their unique situation. (Nontransferable, nondegree applicable)

DSPS 050  (1.0 UNIT)
Adapted Keyboarding
Term Hours: 0 Lec, 18 Lab
Pass/No Pass only
Prerequisite: A student must be eligible for services and instruction from the Disabled Student Programs and Services through appropriate verification of a primary disability by certificated personnel and be able to benefit from the programs and services offered by the High Tech Center. This course is designed to teach keyboarding basics to disabled students who must use adaptive learning technologies for successful access to computer hardware and software used for other mainstream basic skills support courses. (Nontransferable, nondegree applicable)

DSPS 052  (0.5 UNITS)
Computer Access Evaluation
Term Hours: 0 Lec, 18 Lab
Pass/No Pass only
Prerequisite: A student must be eligible for services and instruction from the Disabled Student Programs and Services through appropriate verification of a primary disability by certificated personnel and be able to benefit from the programs and services offered by the High Tech Center. This course is designed to help students with a disability or multiple disabilities, to understand their computer usage capabilities and to determine, through an instructor evaluation, the appropriate hardware and software. (Nontransferable, nondegree applicable)

DSPS 054  (1.0 UNIT)
Computer Access I
Term Hours: 0 Lec, 36 Lab
Pass/No Pass only
Prerequisite: A student must be eligible for services and instruction from the Disabled Student Programs and Services through appropriate verification of a primary disability by certificated personnel and be able to benefit from the programs and services offered by the High Tech Center. DSPS 036 is required if a student does not have adequate typing skills. Designed for students with visual, physical, language impairment, learning disabilities or deafness. This course provides training in the use of computer access technologies which enhance a disabled student's ability to access and use PCs which are used for other basic skills support courses. (Nontransferable, nondegree applicable)

DSPS 056  (2.0 UNITS)
Computer Access II
Term Hours: 18 Lec, 36 Lab
Pass/No Pass only
Prerequisite: A student must be eligible for services and instruction from the Disabled Student Programs and Services through appropriate verification of a primary disability by certificated personnel and be able to benefit from the programs and services offered by the High Tech Center. This course is designed for disabled students who have successfully completed Computer Access I (DSPS 054). Students will enhance their computer access skills through the completion of assignments and/or projects. This will allow them to use PCs in other basic skills support courses. (Nontransferable, nondegree applicable)

DSPS 058  (3.0 UNITS)
Computer Access Projects
Term Hours: 0 Lec, 72 Lab
Pass/No Pass only
Prerequisite: A student must be eligible for services and instruction from the Disabled Student Programs and Services through appropriate verification of a primary disability by certificated personnel and be able to benefit from the programs and services offered by the High Tech Center. Instructor permission is required.
The course is designed for students with a disability who require access to specialized adaptive technologies in order to complete assignments for other classes in which they are concurrently enrolled. (Nontransferable, nondegree applicable)
ECONOMICS

ECON 101 (3.0 UNITS)
Introduction to Micro Economics
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisites: MATH 091 or MATH 090 with a grade of "C" or better.
An introduction to economic concepts and the principles of economic analysis. Emphasis on economic institutions, issues of public policy, and microanalysis in the direction of production and the allocation of resources through the price-system. (CSU, UC)

ECON 102 (3.0 UNITS)
Introduction to Macro Economics
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisites: MATH 091 or MATH 090 with a grade of "C" or better.
An introduction to economic concepts and the principles of economic analysis. Emphasis on economic institutions, issues of public policy, and macroanalysis in gross domestic product, money and banking, international business, and economic stabilization. (CSU, UC)

EDUCATION

EDUC 202 (1.0 UNIT)
Tutor Training
Term Hours: 18 Lec, 0 Lab
Pass/No Pass only
Recommended Preparation: Successful completion of 12 college units with a "2.5" grade point average or better.
This course is designed to prepare college-level persons to tutor adult/college students. Introduction to adult learners, tutoring methods, use of appropriate written and mediated instructional materials, and supervised practice tutoring are included in this course. (CSU)

ELECTRICAL TRADES

ELTT 101 (4.0 UNITS)
Electrical Trades I
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Basic mathematical functions and computations as they pertain to electricity and electronics. Introduction to basic principles of electricity, AC/DC circuits, electromagnetism, symbols, schematic diagrams, and fundamental safety skills as they pertain to on-the-job-skills. (Nontransferable, AA/AS degree only)

ELTT 102 (4.0 UNITS)
Electrical Trades II
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: ELTT 101 with a grade of "C" or better.
Designed to give the apprentice an overview of transmission and distribution systems (T&D), and the various components used in the utility industry. Additional topics will include high voltage AC power, study of electrical diagrams, safety in the workplace, and a section on rope, rigging, and hand signals. (Nontransferable, AA/AS degree only)

ELTT 103 (4.0 UNITS)
Electrical Trades III
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: ELTT 102 with a grade of "C" or better.
An introduction to framing, setting, guying poles, installation of conductors and grounds, and the laying out and constructing of an underground line system. (Nontransferable, AA/AS degree only)

ELTT 104 (4.0 UNITS)
Electrical Trades IV
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: ELTT 103 with a grade of "C" or better.
Instruction in maintenance line distribution and underground line maintenance. Nontransferable, AA/AS degree only)

ELECTRICAL WIRING

EWIR 110 (4.0 UNITS)
Electrical Principles
Term Hours: 36 Lec, 108 Lab
Letter Grade only
This course provides the electrical student with instruction in the basic principles of electrical safety. Instruction will include an introduction to electrical theory and test equipment, the use of NEC boxes, fittings and conductors, and the interpretation of related electrical blueprints and commercial/industrial/residential symbols, diagrams, and schematics used for wiring. Electrical principles of residential wiring will be the focus of instruction. (Nontransferable, AA/AS degree only)

EWIR 115 (4.0 UNITS)
Electrical Wiring and Protection
Term Hours: 36 Lec, 108 Lab
Letter Grade only
Recommended Preparation: EWIR 110
This course covers wiring installation and connection for conductor termination and splices; use of cable pulling instruments and NEMA and NEC standards for cable tray; installation of electrical service and electrical protection components and equipment; use of material take-off methods and troubleshooting techniques; identification of ratings for current breakers and fuses; regulations for sizing use and installation of relay switches, conductors and overrides; and application. (Nontransferable, AA/AS degree only)
EWIR 125  (4.0 UNITS)
Electrical Feeder Service and Circuits
Term Hours: 36 Lec, 108 Lab
Letter Grade only
Recommended Preparation: EWIR 115
This course includes instruction in feeder service and branch load calculations for circuits and electrical appliances; introduction to and identification of electrical constructors; devices used for overprotection of loads, currents, circuits and fuses; fill requirements for boxes/raceways; principles of wiring devices, switches and receptacles and their locations; requirements for distribution equipment; settings for voltage, switch gear, circuits, and components; distribution system transformers and their characteristics; types of components; NEC requirements; methods for locating and troubleshooting problems. (Nontransferable, AA/AS degree only)

EWIR 135  (4.0 UNITS)
Electrical Equipment and Special Conditions
Term Hours: 36 Lec, 108 Lab
Letter Grade only
Recommended Preparation: EWIR 125
This course provides the electrical worker with instruction in basic lighting and NEC requirements for lighting fixtures for indoor and outdoor use; an introduction to motor basics, calculations, transformers, instruments for testing, wiring, protection, maintenance, and troubleshooting for various types of motors and motor controls; introduction to heating, ventilation, and air-conditioning (HVAC) systems, system maintenance equipment, and safety requirements for varied locations; principles of combustion, hazardous materials and their reactions in varied locations; and the use of safety equipment. (Nontransferable, AA/AS degree only)

EWIR 150  (3.0 UNITS)
Solar Energy Systems
Term Hours: 36 Lec, 54 Lab
Letter Grade only
This course provides students with instruction in the principles of photovoltaic technology. Instruction includes an overview of photovoltaics, electric principles, the solar resource, and electric load analysis, photovoltaic modules, batteries, and inverters; photovoltaic system wiring and sizing; utility-interactive systems, integrating photovoltaics into buildings and system applications; installation, maintenance and troubleshooting; and safety. (Nontransferable. AA/AS degree only)

EWIR 151  (4.0 UNITS)
Solar Electrical Systems
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: EWIR 150 with a grade of “C” or better.
Recommended Preparation: ELTR 110
This course focuses on the National Electrical Code (NEC), including grid and stand-alone calculations, grounding considerations and wiring sizing. Evaluate system performance under various operating conditions. Residential system design elements, including inter-row shading, controller, battery and inverter selection, data monitoring solution, including system design exercises. (CSU)

EWIR 160  (4.0 UNITS)
Alternative Energies
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ELTR 120 and EWIR 110
This course provides the student with instruction in basic principles of electrical Alternative Energy Systems. Instruction will include an introduction to energy usage, Hydropower, Solar Energy, Wind Energy, and sustainable systems. The interpretation of related electrical/electronic blueprints, diagrams, and schematics used in alternative energy systems installations. Energy efficiency principles of these systems will be the focus of instruction. (CSU)

ELECTRONICS

ELTR 120  (4.0 UNITS)
Electronic Devices
Term Hours: 54 Lec, 54 Lab
Letter Grade only
Recommended Preparation: MATH 081 or MATH 080
This course covers a study on basic electronics laws and components in dc circuits. It emphasizes voltage, current, and resistance relationships. An introduction to magnetism is also included. (CSU)

ELTR 140  (4.0 UNITS)
Electronic Circuits and Semiconductors
Term Hours: 54 Lec, 54 Lab
Letter Grade only
Recommended Preparation: ELTR 120
A continuation of ELTR 120. Topics will include: semiconductor devices, amplifiers, and solid state components. (CSU)

ELTR 220  (3.0 UNITS)
Digital Instrumentation Measurements
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: ELTR 140
Advanced concepts in electronics. Topics will include: additional devices included in circuits, instrumentation, various system designs, successive “generations.” (CSU)

ELTR 240  (3.0 UNITS)
Digital Logic Circuits
Term Hours: 36 Lec, 54 Lab
Letter Grade only
Recommended Preparation: ELTR 220
A continuation of ELTR 220. The advanced study of applied digital electronic systems such as those found in computing, audiovisual, and other electromechanical equipment. (CSU)
EMERGENCY MEDICAL TECHNICIAN

EMT 105 (7.5 UNITS)
Emergency Medical Technician I
Term Hours: 117 Lec, 54 Lab
Letter Grade only
A course designed for individuals who will come in contact with victims of illness or injury primarily in an emergency, pre-hospital environment. This course would be of value to all emergency service personnel, including ambulance personnel, law enforcement, fire services, hospital emergency department, and other rescue personnel. Topics will include roles and responsibilities, evaluation and treatment of illness and injury. Procedures for dealing with life threatening emergencies are presented. The student will be able to gain a functional understanding of assessment-based approaches to patient care as well as the interventions added to the EMT I scope of practice. Hazardous Material training and semi-automatic defibrillation training are included.

This course is approved by the Imperial County Emergency Medical Services Agency and is within the training guidelines of California Code of Regulations and the California Fire Service Training and Education Systems (CFSTES). Successful completion will result in eligibility for certification as an EMT I and EMT D. Successful completion will also result in a Training Institute (CSTI) through the Office of Emergency Services (OES). This is one of six courses required for an associate degree in Fire Technology and one of six courses toward eligibility for a Fire Fighter I certificate. (Same as FIRE 105) (CSU)

EMT 107 (2.0 UNITS)
Emergency Medical Technician I - Refresher
Term Hours: 36 Lec, 0 Lab
Letter Grade only
Prerequisites: Current EMT I certification or have possessed an EMT I certification within the past 4 years, and as mandated by the Imperial County EMS Agency, California Title 22, and/or CoAEMSP National Education Standards. This course is designed to fulfill the California EMT I refresher course requirements and will review basic life support topics and procedures to include cardiopulmonary resuscitation training. Topics specific to Imperial County will be presented, as well as changes in policies and procedures with updated and new materials. Successful completion of this course will satisfy continuing education requirements for the EMT I and will enable the EMT I to be eligible for recertification in the state of California. This course is approved by the Imperial County Emergency Medical Services Agency and is within the training guidelines of the California Code of Regulations and the California Fire Service Training and Education Systems (CFSTES). (Same as FIRE 107) (CSU)

EMERGENCY MEDICAL TECHNICIAN-PARAMEDIC

EMTP 200 (9.0 UNITS)
EMT - Paramedic Didactic 1
Term Hours: 144 Lec, 54 Lab
Letter Grade only
Recommended Preparation: AHP 100
Prerequisites: BIOL 090 with a grade of "C" or better. High school graduate or successful completion of GED. Possess a current American Heart Association basic cardiac life support card at the healthcare provider level. Current certification as an EMT I or NREMT-Basic registration or be currently registered as an EMT Advanced with the National Registry of Emergency Medical Technicians. One year of field or hospital experience as an EMT I. Successful completion of the paramedic program application process. Acceptance into program by the Paramedic Program Director and Paramedic Program Medical Director.

This course is the first phase of training to prepare individuals to render prehospital advanced life support within an organized EMS system based on course content that is equivalent to the U.S. Department of Transportation’s National Education Standards for Paramedics 2009. This course will cover: EMS Preparatory, including EMS systems, roles and responsibilities of the paramedic, the well-being of the paramedic, illness and injury prevention, medical/legal issues, ethics, general principles of pathophysiology, pharmacology, venous access and medication administration, therapeutic communications and life span development Airway Management and Ventilation. Patient Assessment, including history taking, techniques of physical examination, clinical decision making, communications and documentation. Trauma, including trauma systems, mechanism of injury, hemorrhage and shock, soft tissue trauma, burns, head/facial trauma, spinal trauma, thoracic trauma, abdominal trauma, and musculoskeletal trauma. This course teaches paramedic treatments and skills associated with the above core content. This course is an intense one, requiring the student’s total dedication for successful completion. The student must realize that more than usual study and TBA requirements must be met throughout the program. This program is accredited by the CAAHEP. (CSU)

EMTP 210 (9.0 UNITS)
EMT - Paramedic Didactic 2
Term Hours: 144 Lec, 54 Lab
Letter Grade only
Prerequisites: Successful completion of EMTP 200. Successful completion of all other requirements for entrance into and/or continuation in the IVC paramedic program and approval of the IVC Paramedic Program Director and IVC Paramedic Program Medical Director.
Recommended Preparation: NURS 214

This course is the second phase of training to prepare individuals to render prehospital advanced life support within an organized EMS system based on course content that is equivalent to the U.S. Department of Transportation’s National Education Standards for Paramedics 2009. This course is designed to allow progression of the paramedic student in advanced didactic and skills training. This course will cover all aspects of medical emergencies, including: pulmonology, cardiology, neurology, endocrinology, allergy & anaphylaxis, gastroenterology, urology & nephrology, toxicology & substance abuse, hematology, environmental emergencies, infectious disease, assault, the challenged patient, and acute interventions for chronic-care patients. Included in this course will be the Pediatric Education for Prehospital Professionals (PEPP) course, as well as paramedic treatments and skills associated with the above core content. This course is an intense one, requiring the student’s total dedication for successful completion. The student must realize that more than usual study and TBA requirements must be met throughout the program. This program is accredited by the CAAHEP. (CSU).
EMTP 215  (5.0 UNITS)
EMT - Paramedic Didactic 3
Term Hours: 72 Lec, 54 Lab
Letter Grade only
Prerequisite(s): Successful completion of EMTP 200 and EMTP 210; and successful completion of all other requirements for entrance into and/or continuation in the IVC paramedic program; and approval of the IVC Paramedic Program Director and IVC Paramedic Program Medical Director. This course is the third phase of training to prepare individuals to render prehospital advanced life support within an organized EMS system based on course content that is equivalent to the 2009 U.S. Department of Transportation’s National Education Standards for Paramedics. The student will progress through record keeping and increasing patient care responsibilities from observation of a team to working as a team leader to functioning as a team leader in actual patient care in the pre-hospital setting. The student experience will cover all aspects of medical and traumatic emergencies, advanced patient assessments, and advanced care on an ALS vehicle under the supervision of a licensed paramedic approved by the local EMS Authority. In addition, the student must complete 30 advanced life support contacts as defined in the Calif. Code of Regulations, Title 22, Div. 9. This course is an intense one, requiring more than usual study hours, TBA requirements, and the student’s total dedication for successful completion. This program is accredited by the CAAHEP. (CSU)

EMTP 225  (3.5 UNITS)
EMT - Paramedic Clinical I
Term Hours: 0 Lec, 189 Lab
Letter Grade only
Prerequisite(s): 1. Successful completion of EMTP 200, EMTP 210, EMTP 215; and, 2. Successful completion of all other requirements for entrance into and/or continuation in the IVC paramedic program; and, 3. Approval of the IVC Paramedic Program Director and IVC Paramedic Program Medical Director. This course provides the clinical training to prepare the paramedic student intern to render pre-hospital advanced life support within an organized EMS system based on course content equivalent to the U.S. Department of Transportation’s National EMS Education Standards (2009). The student will put together all didactic and skills training to address medical and traumatic emergencies in multiple hospital departments: critical care, emergency, obstetrics, nursery, pediatrics, and surgery. The student will observe overall administration of advanced life support care in a hospital and will assume responsibilities for advanced assessments, treatment, medication administration, use of equipment, and communication skills under the supervision of a registered nurse, physician assistant, or physician approved by the local EMS Authority. The course is intense, requires more than usual study hours, TBA requirements, and the student’s total dedication for successful completion. This program is accredited by the CAAHEP. (CSU)

EMTP 235  (6.5 UNITS)
EMT - Paramedic Field I
Term Hours: 0 Lec, 351 Lab
Letter Grade only
Prerequisite(s): 1. Successful completion of EMTP 200, EMTP 210, EMTP 215, EMTP 225 (or EMTP 220/EMTP 230); and, 2. Successful completion of all other requirements for entrance into and/or continuation in the IVC paramedic program; and, 3. Approval of the IVC Paramedic Program Director and IVC Paramedic Program Medical Director; and, 4. Student Intern may enter/re-enter EMTP 235 up to one year after completion of the previous prerequisites with prior mutual agreement between the IVC Program Director, IVC Medical Director and the Student Intern; and completion of all other paramedic training program requirements. This course provides the first phase of field internship training to prepare the paramedic student intern to render pre-hospital advanced life support (ALS) within an organized EMS system based on course content equivalent to the U.S. Department of Transportation’s National EMS Education Standards for Paramedics (2009). The student will progress through record keeping and increasing patient care responsibilities from observation of a team to working as a team leader to functioning as a team leader in actual patient care in the pre-hospital setting. The student experience will cover all aspects of medical and traumatic emergencies, advanced patient assessments, and advanced care on an ALS vehicle under the supervision of a licensed paramedic approved by the local EMS Authority. In addition, the student must complete 30 advanced life support contacts as defined in the Calif. Code of Regulations, Title 22, Div. 9. This course is an intense one, requiring more than usual study hours, TBA requirements, and the student’s total dedication for successful completion. This program is accredited by the CAAHEP. (CSU)

EMTP 245  (5.5 UNITS)
EMT - Paramedic Field II
Term Hours: 0 Lec, 297 Lab
Letter Grade only
Prerequisite(s): 1. Successful completion of EMTP 200, EMTP 210, EMTP 215, EMTP 225, and EMTP 235; and, 2. Successful completion of all other requirements for entrance into and/or continuation in the IVC paramedic program; and, 3. Approval of the IVC Paramedic Program Director and IVC Paramedic Program Medical Director. 4. Student Intern may enter/re-enter EMTP 245 up to one year after completion of the previous prerequisites with prior mutual agreement between the IVC program director, IVC medical director and the student intern; and completion of any required remedial training. 5. Student intern may petition for exemption from this course providing: a. student intern is currently certified as an EMT-II with a minimum of 1 year experience. b. student intern demonstrates completion of an EMT-II program with training and training hours equivalent to IVC’s EMT-II program. c. student intern completes all other paramedic training program requirements. d. student intern has approval of the IVC program director and IVC medical director. e. student intern successfully completes EMT-II proficiency exam.
This course is the second phase of field internship training, and the final segment of the paramedic program, to prepare individuals to render prehospital advanced life support within an organized EMS system based on course content that is equivalent to the U.S. Department of Transportation (DOT) Emergency Medical Technician-Paramedic National Standard Curriculum HS 808 862 March 1999. This course is designed to allow progression of the paramedic student intern in advanced skills training and didactic knowledge within the pre-hospital setting. This course will cover all aspects of medical and traumatic emergencies, enabling the student intern to perform total patient assessment and care under the supervision of a licensed paramedic approved by the local EMS Authority, on an Advanced Life Support vehicle. This phase of field internship provides the student intern with a progression to total patient care responsibilities, using all assessment skills, communication skills, all advanced life support equipment, medications, procedures and paramedic skills acquired through previous phases of the training program. The student intern will function as an entry-level paramedic at the completion of this training. This course is an intense one, requiring the student intern’s total dedication for successful completion. In addition to scheduled field time, the student must complete an additional 10 advanced life support contacts, for a total of 40 or more, as defined in the California Code of Regulations, Title 22, Division 9. The student intern must realize that more than usual study and TBA requirements must be met throughout the program. This program is accredited by the CAAHEP. (CSU)
ENGINEERING

ENGR 210  (3.0 UNITS)
Statics
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisites: PHYS 200 with a grade of "C" or better, and credit or concurrent enrollment in MATH 194.
Force systems, equilibrium, structures, distributed forces, friction, virtual work, moments of inertia, vector algebra. (CSU, UC)

ENGR 212  (3.0 UNITS)
Dynamics
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: ENGR 210 with a grade of "C" or better, and credit or concurrent enrollment in MATH 194.
Kinetics of a particle; central force motion; systems of particles; work and energy; impulse and momentum; moments and products of inertia; Euler's equations of motion; vibration and time response; engineering applications. (CSU, UC)

ENGR 240  (3.0 UNITS)
Electric Circuit Analysis
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisites: MATH 194 and PHYS 202 with grades of "C" or better.
Circuit analysis by reduction methods, source transformations, mesh and nodal analysis. Operational amplifier model, transient analysis, alternating current circuits, impedance, power, phasor diagrams, and three-phase balanced networks. (CSU, UC)

ENGLISH

ENGL 008  (4.0 UNITS)
Basic English Composition I
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: ESL 005 with a grade of "C" or better or appropriate placement.
Recommended Preparation: Concurrent enrollment in an appropriate reading class.
Preparation for ENGL 009. Provides developmental instruction approaching the college level in paragraph and short essay writing. (Nontransferable, nondegree applicable)

ENGL 009  (4.0 UNITS)
Basic English Composition II
Term Hours: 72 Lec, 0 Lab
Letter Grade or Pass/No Pass
Prerequisite: ENGL 008 or ENGL 097 or ENGL 098 with a grade of "C" or better or appropriate placement.
Preparation for ENGL 101. The course seeks to facilitate the student's mastery of the short essay at the college level. The course follows in sequence from ENGL 008 (ENGL 098). (Nontransferable, nondegree applicable)

ENGL 010  (4.0 UNITS)
English Composition - Accelerated
Term Hours: 54 Lec, 36 Lab
Letter Grade only
Accelerated class that prepares students for transfer-level English composition and associate-degree classes. Emphasizes and develops skills in critical reading and academic writing. Strongly recommended: participation in the writing placement (Accuplacer) process. (Nontransferable, nondegree applicable)

ENGL 018  (4.0 UNITS)
Reading I: Basic Development
Term Hours: 72 Lec, 0 Lab
Letter Grade or Pass/No Pass
Prerequisite: ESL 025 or ENGL 086 with a grade of "C" or better or appropriate placement.
This course is designed for the student needing additional instruction in comprehension, vocabulary, and study skills. Emphasis will be on fundamental understanding of texts and increasing word knowledge. Participation in instructor-assigned reading lab activities is a required part of the course. (Nontransferable, nondegree applicable)

ENGL 019  (4.0 UNITS)
Reading II: Intermediate Development
Term Hours: 72 Lec, 0 Lab
Letter Grade or Pass/No Pass
Prerequisite: ENGL 018 or ENGL 087 or ENGL 088 with a minimum grade of "C" or better or appropriate placement.
This course aims to build reading efficiency to college level for graduation from IVC and/or successful completion of transfer level courses. Course work includes practice in whole chapter note-taking, vocabulary building, study reading, informed reading of literature, and reinforcement of critical thinking skills. Participation in instructor-assigned reading lab activities is a required part of the course. (Nontransferable, nondegree applicable)
ENGL 051 (1.0 UNIT)
Individualized Writing Skills
Term Hours: 0 Lec, 36 Lab
Pass/No Pass only
Recommended Preparation: Eligibility for ESL 003 or higher by appropriate placement.
This is a course designed to provide supplemental work for students in regular writing classes or for independent study. Individual assignments are given for improving problem areas in grammar, usage, spelling, and rhetorical skills. Students can also work to eliminate non-English language interference. The course is designed to assist students in any course(s) writing skills. The 36 required hours will be set by the student and must be completed in the Reading/Writing Lab. Students must check in the lab in order to receive credit for the hours they have worked. This is class will begin in the fourth week of the regular semester, and students must check in at the Reading/Writing Lab during the fourth or fifth week of the semester. Maximum credit four units. (Nontransferable, nondegree applicable)

ENGL 059 (3.0 UNITS)
Grammar and Usage Review
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: Eligibility for ENGL 009
Review of traditional/structural grammar; review of usage rules regarding punctuation, mechanics, capitalization; review of spelling rules; practice with summary/report writing done by the student. (Nontransferable, nondegree applicable)

ENGL 060 (3.0 UNITS)
Practical English for the Workplace
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: Appropriate ESL placement recommendation and/or completion of ESL 003.
Multi-level, multi-content (such as employability skills, workplace survival skills, and workplace social skills) instruction in English as a Second Language for students wanting to have careers in vocational areas, such as Automotive Technologies, Office Technologies and Early Childhood Education. The course emphasizes the vocabulary and grammar of English within the context of the workplace. Maximum credit six units. (Nontransferable, AA/AS degree only)

ENGL 101 (3.0 UNITS)
Composition and Rhetoric
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: ENGL 009 or ENGL 010 or ENGL 099 with a grade of "C" or better or appropriate placement.
The standard course in freshman English. The course seeks to improve the student's ability to understand serious and complex prose and to improve the student's ability to write an exposition that is thoughtful and clear including the production of a well-documented research paper. (CSU, UC)

ENGL 102 (3.0 UNITS)
Introduction to Literature
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: ENGL 101 with a grade of "C" or better.
Introduction to the study of poetry, fiction and drama, with further practice in writing. (CSU, UC)

ENGL 111 (3.0 UNITS)
Reading IV: Analytical and Critical Reading
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: ENGL 101 with a grade of "C" or better and ENGL 019 or ENGL 089 with a grade of "C" or better or appropriate placement.
Designed to help adequate readers become superior readers. Recommended for college transfer students who wish to develop the critical reading and thinking skills necessary for all types of college level reading. (CSU)

ENGL 201 (3.0 UNITS)
Advanced Composition
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: ENGL 101 with a grade of "C" or better.
Emphasizes critical thinking in reading and writing beyond that achieved in ENGL 101. Written argumentation will focus on deduction and induction, an understanding of the fallacies of language and thought, the application of valid evidence, and refutation. (CSU, UC)

ENGL 220 (3.0 UNITS)
Survey of American Literature I
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: ENGL 101 with a grade of "C" or better.
Recommended Preparation: ENGL 102
This course is a survey of American Literature from its beginning through the Civil War, including the Colonial Period (1588-1765), the New Republic (1765-1829), and the American Renaissance (1829-1865). In addition to reading representative works of authors of these periods, students will address historical, social, political, cultural, and religious issues of the time. Reading assignments will include essays, novels, poetry, and short fiction of the time period, as well as criticism of the literature. Students will critically analyze these works in essays, exams, and research papers, as assigned. (CSU, UC)

ENGL 221 (3.0 UNITS)
Survey of American Literature II
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: ENGL 101 with a grade of "C" or better.
Recommended Preparation: ENGL 102
This course is a survey of American Literature from late 19th Century to the present, which includes representative works from Literary Realism (1865-1914), the Modern Age (1914-1945), and the Postmodern Period (1946-Present). In addition to reading representative works of authors of these periods, students will address historical, social, political, cultural, and religious issues of the time. Reading assignments will include essays, novels, poetry, and short fiction of the time period, as well as criticism of the literature. Students will critically analyze these works in essays, exams, and research papers, as assigned. (CSU, UC)
ENGL 222  (3.0 UNITS)  
Survey of World Literature  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Prerequisite: ENGL 101 with a grade of "C" or better.  
Recommended Preparation: ENGL 102  
Study of selected literature of the Greeks, Romans, Middle Ages, and the Renaissance. Emphasis is placed on literature of western culture. (CSU, UC)

ENGL 223  (3.0 UNITS)  
Survey of World Literature  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Prerequisite: ENGL 101 with a grade of "C" or better.  
Recommended Preparation: ENGL 102  
Study of selected literature of the Enlightenment, Romanticism, Naturalism and Realism, Symbolism and modern/contemporary schools. Emphasis is placed on a diversity of global cultures. (CSU, UC)

ENGL 224  (3.0 UNITS)  
Survey of English Literature  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Prerequisite: ENGL 101 with a grade of "C" or better.  
Recommended Preparation: ENGL 102  
Close study of works of major English writers up to the end of the 18th century, with consideration of the more salient aspects of English literary history. (CSU, UC)

ENGL 225  (3.0 UNITS)  
Survey of English Literature  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Prerequisite: ENGL 101 with a grade of "C" or better.  
Recommended Preparation: ENGL 102  
Close study of works of major English writers of the 19th and 20th centuries, with consideration of the more salient aspects of English literary history. May be taken before ENGL 224. (CSU, UC)

ENGL 226  (3.0 UNITS)  
Introduction to Mythology  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Prerequisite: ENGL 101 with a grade of "C" or better.  
Comparative themes and figures from various mythologies of the world. Interpretation of myths; the influence on art, culture, and history. (Same as HUM 226) (CSU, UC)

ENGL 230  (3.0 UNITS)  
Introduction to Film History and Criticism  
Term Hours: 36 Lec, 36 Lab  
Letter Grade only  
Prerequisite: ENGL 101 with a grade of "C" or better.  
The origin and development of movies as an entertainment industry, as a technological medium, and as an art form. Key films from different historical periods will be examined for their technological and artistic contributions to the art of film making. (Same as HUM 230) (CSU, UC)
ENGLISH AS A SECOND LANGUAGE

ESL001 (5.0 UNITS)
Grammar and Composition for ESL 1
Term Hours: 90 Lec, 0 Lab
Letter Grade only
Recommended Companion Courses: ESL001, ESL041, ESL042, ESL051, ESL052
ESL001 is a grammar class in an English-only environment designed for the beginning or false beginning ESL student. The course will cover grammar and simple sentence writing. (Formerly ENGL091) (Nontransferable, nondegree applicable)

ESL002 (5.0 UNITS)
Grammar and Composition for ESL 2
Term Hours: 90 Lec, 0 Lab
Letter Grade only
Prerequisite: ESL 001 or ENGL 091 with a grade of "C" or better or appropriate placement.
Recommended Companion Courses: ESL012
ESL002 is a grammar class in an English-only environment designed for the low-intermediate ESL student. The course will cover grammar and simple sentence writing. (Formerly ENGL 092) (Nontransferable, nondegree applicable)

ESL003 (5.0 UNITS)
Grammar and Composition for ESL 3
Term Hours: 90 Lec, 0 Lab
Letter Grade only
Prerequisite: ESL 002 or ENGL 092 with a grade of "C" or better or appropriate placement.
Recommended Companion Courses: ESL 013
ESL 003 is a grammar class in an English-only environment designed for the intermediate ESL student. The course will emphasize grammar, writing sentences, and short paragraphs. (Formerly ENGL 093) (Nontransferable, nondegree applicable)

ESL004 (5.0 UNITS)
Grammar and Composition for ESL 4
Term Hours: 90 Lec, 0 Lab
Letter Grade only
Prerequisite: ESL 003 or ENGL 093 with a grade of "C" or better or appropriate placement.
Recommended Companion Course: ESL 014
ESL 004 is a grammar class in an English-only environment designed for the high-intermediate ESL student. The course will emphasize grammar, writing sentences, and paragraphs. (Formerly ENGL 094) (Nontransferable, nondegree applicable)

ESL005 (5.0 UNITS)
Grammar and Composition for ESL 5
Term Hours: 90 Lec, 0 Lab
Letter Grade only
Prerequisite: ESL 004 or ENGL 094 with a grade of "C" or better or appropriate placement.
Recommended Companion Course: ESL 015
ESL 005 is a grammar class in an English-only environment designed for the advanced ESL student. The course will emphasize grammar and writing sentences and paragraphs in a variety of rhetorical modes. (Nontransferable, nondegree applicable)

ESL010 (1.0 UNIT)
ESL Language Laboratory
Term Hours: 0 Lec, 36 Lab
Pass/No Pass only
ESL 010 is a self-paced three semester course which provides individualized, interactive conversational English practice with appropriate software programs in the language laboratory. Students practice listening comprehension, vocabulary, pronunciation, and sentence development through interactive activities appropriate to their proficiency level. This course is a recommended supplement for all levels of ESL. This course may be repeated a maximum of three times for a total of 3 units. (Formerly ENGL 050) (Nontransferable, nondegree applicable)

ESL011 (5.0 UNITS)
Speaking and Listening for ESL 1
Term Hours: 90 Lec, 0 Lab
Letter Grade only
Recommended Companion Courses: ESL 001, ESL 041, ESL 042, ESL 051, ESL 052
ESL 011 is a grammar-based speaking class in an English-only Environment for the beginning or false-beginning ESL student. Listening comprehension and speaking skills will be developed through basic dialogues, modeled tasks, and communicative activities. (Nontransferable, nondegree applicable)
ESL 012 (5.0 UNITS)
Speaking and Listening for ESL 2
Term Hours: 90 Lec, 0 Lab
Letter Grade only
Prerequisites: ESL 011 or ENGL 062 with a grade of "C" or better or appropriate placement.
Recommended Companion Courses: ESL 002, ESL 041, ESL 042, ESL 051, ESL 052
ESL 012 is a grammar based speaking class in an English-only Environment for the low intermediate ESL student. Students will further develop listening comprehension and will increase fluency, accuracy, and confidence in oral production. (Nontransferable, nondegree applicable)

ESL 013 (5.0 UNITS)
Speaking and Listening for ESL 3
Term Hours: 90 Lec, 0 Lab
Letter Grade only
Prerequisites: ESL 012 or ENGL 063 with a grade of "C" or better or appropriate placement.
Recommended Companion Courses: ESL 003, ESL 043, ESL 044, ESL 053, ESL 054, ESL 055
ESL 013 is a grammar-based speaking class in an English-only Environment for the intermediate ESL student. Students will further develop listening comprehension and will increase fluency, accuracy, and confidence in oral production. (Nontransferable, nondegree applicable)

ESL 014 (5.0 UNITS)
Speaking and Listening for ESL 4
Term Hours: 90 Lec, 0 Lab
Letter Grade only
Prerequisites: ESL 013 or ENGL 064 with a grade of "C" or better or appropriate placement.
Recommended Companion Courses: ESL 004, ESL 043, ESL 044, ESL 045, ESL 053, ESL 054, ESL 055
ESL 014 is a grammar-based speaking class in an English-only Environment for the high-intermediate ESL student. Students will further develop listening comprehension and will demonstrate greater fluency, accuracy, and confidence in oral production. (Nontransferable, nondegree applicable)

ESL 015 (5.0 UNITS)
Speaking and Listening for ESL 5
Term Hours: 90 Lec, 0 Lab
Letter Grade only
Prerequisites: ESL 014 with a grade of "C" or better or appropriate placement.
Recommended Companion Courses: ESL 004, ESL 044, ESL 045, ESL 053, ESL 054, ESL 055
ESL 015 is a grammar-based speaking class in an English-only Environment for the advanced ESL student. Students will further develop listening comprehension and the ability to speak with greater fluency, accuracy, and confidence in oral production. (Nontransferable, nondegree applicable)

ESL 023 (3.5 UNITS)
ESL Reading 1
Term Hours: 54 Lec, 18 Lab
Letter Grade only
Prerequisites: Appropriate placement.
This course is designed to assist intermediate level ESL students in developing reading skills and reading efficiency in English. Focus will be placed on understanding text structure and overall comprehension of a variety of texts. Further development of reading skills will also be emphasized. Participation in instructor assigned reading lab activities is a required part of the course. (Nontransferable, nondegree applicable)

ESL 024 (3.5 UNITS)
ESL Reading 2
Term Hours: 54 Lec, 18 Lab
Letter Grade only
Prerequisites: ESL 023 with a grade of "C" or better or appropriate placement.
This course is designed to assist high-intermediate ESL students in developing reading skills and reading efficiency in English. Focus will be placed on understanding text structure and overall comprehension of a variety of texts. Further development of reading skills will also be emphasized. Participation in instructor assigned reading lab activities is a required part of the course. (Nontransferable, nondegree applicable)

ESL 025 (3.5 UNITS)
ESL Reading 3
Term Hours: 54 Lec, 18 Lab
Letter Grade only
Prerequisites: ESL 024 with a grade of "C" or better or appropriate placement.
This course is designed to assist advanced ESL students in further developing reading skills and reading efficiency in English. Focus will be placed understanding text understanding text structure and overall comprehension of a variety of texts. Further development of reading skills will also be emphasized. Participation in instructor reading lab activities is a required part of the course. (Nontransferable, nondegree applicable)

ESL 031 (1.0 UNIT)
Verb Review 1
Term Hours: 18 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ESL 001
This course is designed to review and reinforce proper use of the verbs "to be" and "to have", and the simple present and present progressive verb forms. It is a recommended supplement for students in Beginning and Low Intermediate ESL courses. (Nontransferable, nondegree applicable)

ESL 032 (1.0 UNIT)
Verb Review 2
Term Hours: 18 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ESL 002 with a "C" or better or ACCUPLACER score 4003
This course is designed to review and reinforce proper use of the simple present, present progressive, simple past, and past progressive verb tenses. It is a recommended supplement for students in Low Intermediate and Intermediate ESL courses. (Nontransferable, nondegree applicable)
ESL 033  (1.0 UNIT)  
Verb Review 3  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ESL 003 with a "C" or better or ACCUPLACER score 4004.  
This course is designed to review and reinforce proper use of the present and past perfect, and the present and past perfect progressive verb tenses. It is a recommended supplement for students in Intermediate and High Intermediate ESL courses. (Nontransferable, nondegree applicable)

ESL 034  (1.0 UNIT)  
Verb Review 4  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ESL 003 with a "C" or better or ACCUPLACER score 4004.  
This course is designed to review and reinforce proper use of the modal verbs in English. It is a recommended supplement for students in Low Intermediate and Intermediate ESL courses. (Nontransferable, nondegree applicable)

ESL 035  (1.0 UNIT)  
Verb Review 5  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ESL 004 with a "C" or better or ACCUPLACER score 4005.  
This course is designed to review and reinforce the use of the passive voice both form and function. It is also aimed at developing students' ability to use reported speech. It is designed as a supplement for students in High-Intermediate and Advanced ESL courses, as well as students in the developmental English courses. (Nontransferable, nondegree applicable)

ESL 036  (1.0 UNIT)  
Verb Review 6  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ESL 004 with a "C" or better or ACCUPLACER score 4005.  
This course is designed to review and reinforce proper use of advanced modal verbs in English. It is a recommended supplement for students in High-Intermediate and Advanced ESL courses, as well as for students in developmental English courses. (Nontransferable, nondegree applicable)

ESL 037  (1.0 UNIT)  
Verb Review 7  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ESL 004 with a "C" or better or ACCUPLACER score 4005.  
This course is designed to review and reinforce proper use of verb tenses in English. It is a recommended supplement for students in Advanced ESL courses, as well as for students in developmental English courses. (Nontransferable, nondegree applicable)

ESL 038  (1.0 UNIT)  
Verb Review 8  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ESL 004 with a "C" or better or ACCUPLACER score 4005.  
This course is designed to review and reinforce proper use of verb tenses in English. It is a recommended supplement for students in Advanced ESL courses, as well as for students in developmental English courses. (Nontransferable, nondegree applicable)

ESL 041  (1.0 UNIT)  
Conversation 1  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ESL 001 or ESL 002.  
ESL 041 is a short-term intensive course designed for students to participate in a variety of authentic exchanges in academic and workplace environments. Topics include opening, maintaining, and closing a conversation, describing things, places and people. (Nontransferable, nondegree applicable)

ESL 042  (1.0 UNIT)  
Conversation 2  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ESL 001 or ESL 002.  
ESL 042 is a short-term intensive course designed for students to participate in a variety of authentic exchanges in academic and workplace environments. Topics include asking for permission, help and advice, and opening/closing telephone conversations. (Nontransferable, nondegree applicable)

ESL 043  (1.0 UNIT)  
Conversation 3  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ESL 003 or ESL 004.  
ESL 043 is a short-term intensive course designed for students to participate in a variety of authentic exchanges in academic and workplace environments. Topics include offering and asking for directions, advice, help, and permission, and talking about past events. (Nontransferable, nondegree applicable)

ESL 044  (1.0 UNIT)  
Conversation 4  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ESL 003 or ESL 004.  
ESL 044 is a short-term intensive course designed for students to participate in a variety of authentic exchanges in academic and workplace environments. Topics will include using interview skills and reporting on daily responsibilities, and giving short, informative speeches. (Nontransferable, nondegree applicable)
ESL 045  (1.0 UNIT)  
Conversation 5  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ESL 004 or ESL 005.  
ESL 045 is a short-term intensive course designed for students to participate in a variety of authentic exchanges in academic and workplace environments. Topics include paraphrasing and summarizing, expansion of ideas, and supporting arguments. (Nontransferable, nondegree applicable)

ESL 051  (1.0 UNIT)  
Pronunciation 1  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Companion Courses: ESL 001 and ESL 011  
ESL 051 is a short-term intensive pronunciation course designed for students whose main interest is to focus and improve on the articulation of English vowels and consonants, and on the development of basic English patterns of stress and intonation. (Nontransferable, nondegree applicable)

ESL 052  (1.0 UNIT)  
Pronunciation 2  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Companion Courses: ESL 002 and ESL 012  
ESL 052 is a short-term intensive pronunciation course designed for students whose main interest is to focus on clearer articulation of English vowels and consonants, and on increased control of the stress, intonation, and rhythm of English. (Nontransferable, nondegree applicable)

ESL 053  (1.0 UNIT)  
Pronunciation 3  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Companion Courses: ESL 003 and ESL 013  
ESL 053 is a short-term intensive pronunciation course designed for students whose main interest is to focus on improved clarity of speech, and on increased control of the stress, intonation, and the rhythm of English. (Nontransferable, nondegree applicable)

ESL 054  (1.0 UNIT)  
Pronunciation 4  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Companion Courses: ESL 004 and ESL 014  
ESL 054 is a short-term intensive pronunciation course designed for students whose main interest is to focus on improved clarity of speech, and on control of the stress, intonation, and rhythm of English. (Nontransferable, nondegree applicable)

ESL 055  (1.0 UNIT)  
Pronunciation 5  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Companion Courses: ESL 005 and ESL 015  
ESL 055 is a short-term intensive pronunciation course designed for students whose main interest is to focus on improved clarity of speech, and on control of the stress, intonation, and rhythm of English. (Nontransferable, nondegree applicable)

ESL 060  (1.0 UNIT)  
Vocabulary 1  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ESL 001  
ESL 060 provides students additional review, practice, and instruction in basic vocabulary. Topics to be covered include: personal information, family, everyday activities, numbers, time, money, the calendar, and the home. Focus will be on written and communicative activities designed to increase fluency for learners at the low beginning level of English. (Nontransferable, nondegree applicable)

ESL 061  (1.0 UNIT)  
Vocabulary 2  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ESL 001  
ESL 061 provides beginning level students additional review, practice, and instruction in basic vocabulary. Topics to be covered include: community life, home, describing people and places, food, colors and clothing. Focus will be on written and communicative activities designed to increase fluency. (Nontransferable, nondegree applicable)

ESL 062  (1.0 UNIT)  
Vocabulary 3  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ESL 002  
ESL 062 provides students additional review, practice and instruction in basic vocabulary. Topics to be covered include: shopping, community services, health, and school. Focus will be on written and communicative activities designed to increase fluency for learners at the high beginning level of English. (Nontransferable, nondegree applicable)

ESL 063  (1.0 UNIT)  
Vocabulary 4  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ESL 002  
ESL 063 provides students additional review, practice, and instruction in basic vocabulary. Topics to be covered include: work, transportation and travel, recreation and entertainment, and nature. Focus will be on written and communicative activities designed to increase fluency for learners at the low-intermediate level of English. (Nontransferable, nondegree applicable)
ESL 064 (1.0 UNIT)  
**Vocabulary 5**  
**Term Hours:** 18 Lec, 0 Lab  
**Letter Grade only**  
Recommended Preparation: ESL 002  
ESL 064 provides intermediate level students with review, practice, and instruction that focuses on understanding and using vocabulary utilized in actions and processes in work, town, and national environments. Emphasis will be placed on development of dictionary skills and acquisition of vocabulary from the Academic Word List. (Nontransferable, nondegree applicable)

ESL 065 (1.0 UNIT)  
**Vocabulary 6**  
**Term Hours:** 18 Lec, 0 Lab  
**Letter Grade only**  
Recommended Preparation: ESL 003  
ESL 065 provides high-intermediate level students with additional review, practice, and instruction that focuses on understanding and use of vocabulary utilized in actions and processes in relation to personal life and experiences. Emphasis will be placed on development of dictionary skills and acquisition of vocabulary from the Academic Word List. (Nontransferable, nondegree applicable)

ESL 066 (1.0 UNIT)  
**Vocabulary 7**  
**Term Hours:** 18 Lec, 0 Lab  
**Letter Grade only**  
Recommended Preparation: ESL 003  
ESL 066 provides high-intermediate students with additional review, practice, and instruction that focuses on understanding and the use of vocabulary utilized in actions and processes in relation to personal life and experiences. Emphasis will be placed on development of dictionary skills and acquisition of vocabulary from the Academic Word List. (Nontransferable, nondegree applicable)

ESL 067 (1.0 UNIT)  
**Vocabulary 8**  
**Term Hours:** 18 Lec, 0 Lab  
**Letter Grade only**  
ESL 067 provides intermediate through advanced students with review, practice, and instruction that focuses on understanding the use of vocabulary as well as word building skills. Emphasis will be placed on development of dictionary skills and acquisition of vocabulary from the Academic Word List, specifically in the fields of Science and Technology. (Nontransferable, nondegree applicable)

ESL 068 (1.0 UNIT)  
**Vocabulary 9**  
**Term Hours:** 18 Lec, 0 Lab  
**Letter Grade only**  
ESL 068 provides intermediate through advanced students with review, practice, and instruction that focuses on understanding and use of vocabulary as well as word building skills. Emphasis will be placed on development of dictionary skills and acquisition of vocabulary from the Academic Word List, specifically in the fields of Criminology and Information. (Nontransferable, nondegree applicable)

ESL 069 (1.0 UNIT)  
**Vocabulary 10**  
**Term Hours:** 18 Lec, 0 Lab  
**Letter Grade only**  
ESL 069 provides intermediate through advanced students with review, practice, and instruction that focuses on understanding and use of vocabulary as well as word building skills. Emphasis will be placed on development of dictionary skills and acquisition of vocabulary from the Academic Word List, specifically dealing with time, movement, and other related topics. (Nontransferable, nondegree applicable)

ENVS 110 (3.0 UNITS)  
**Environmental Science**  
**Term Hours:** 54 Lec, 0 Lab  
**Letter Grade only**  
This course is designed to provide students with an overview and understanding of the relationships between human populations and the natural environment. The class will focus on basic concepts of science and ecosystem theory, human impacts on the biosphere, air, water, land, and environmental problems faced by the Imperial Valley that have regional and global consequences, and some of the proposed solutions. Field trips and activities may be included in this course. (Same as AG 110) (CSU, UC)

FIRE 100 (3.0 UNITS)  
**Fire Protection Organization**  
**Term Hours:** 54 Lec, 0 Lab  
**Letter Grade only**  
This course provides an introduction to fire protection; career opportunities in fire protection and related fields; philosophy and history of fire protection; fire loss analysis; organization and function of public and private fire protection services; fire department as a part of local government; laws and regulations affecting the fire service; fire service nomenclature; specific fire protection functions; basic fire chemistry and physics; introduction to fire systems; and an introduction to fire strategy and tactics. (CSU)

FIRE 101 (3.0 UNITS)  
**Fire Prevention Technology**  
**Term Hours:** 54 Lec, 0 Lab  
**Letter Grade only**  
This course provides fundamental information regarding the history and philosophy of fire prevention, organization and operation of a fire prevention bureau, use of fire codes, identification and correction of fire hazards, and the relationship of fire prevention with fire safety education, detection and suppression systems. This is one of six CORE courses required for an associate degree in Fire Technology. (CSU)
FIRE 102 (3.0 UNITS)
Fire Protection Equipment and Systems
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course provides information relating to the features of design and operation of fire detection and alarm systems, heat and smoke systems, special protection and sprinkler systems, water supply for fire protection and portable fire extinguishers. This is one of six CORE courses required for an associate degree in Fire Technology. (CSU)

FIRE 103 (3.0 UNITS)
Building Construction for Fire Protection
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course is the study of the components of building that relates to fire safety. The elements of construction and design of structures are shown to be key factors when inspecting buildings, preplanning fire operations, and operating at fires. The development and evolution of building and fire codes will be studied in relationship to past fires in residential, commercial, and industrial occupancies. This is one of six CORE courses required for an associate degree in Fire Technology. (CSU)

FIRE 104 (3.0 UNITS)
Fire Behavior and Combustion
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course provides theory and fundamentals of how and why fires start, spread, and are controlled. An in-depth study of fire chemistry and physics, fire characteristics of materials, extinguishing agents, and fire control techniques will be covered. This is one of six CORE courses required for an associate degree in Fire Technology. (CSU)

FIRE 105 (7.5 UNITS)
Emergency Medical Technician I
Term Hours: 117 Lec, 54 Lab
Letter Grade only
A course designed for individuals who will come in contact with victims of illness or injury primarily in an emergency, pre-hospital environment. This course would be of value to all emergency service personnel, including ambulance personnel, law enforcement, fire services, hospital emergency department, and other rescue personnel. Topics will include roles and responsibilities, evaluation and treatment of illness and injury. Procedures for dealing with life threatening emergencies are presented. The student will be able to gain a functional understanding of assessment-based approaches to patient care as well as the interventions added to the EMT I scope of practice. Hazardous Material training and semi-automatic defibrillation training are included. This course is approved by the Imperial County Emergency Medical Services Agency and is within the training guidelines of California Code of Regulations and the California Fire Service Training and Education Systems (CFSTES). Successful completion will result in eligibility for certification as an EMT I and EMT D. Successful completion will also result in a Training Institute (CSTI) through the Office of Emergency Services (OES). This is one of six courses required for an associate degree in Fire Technology and one of six courses toward eligibility for a Fire Fighter I certificate. (Same as EMT 105) (CSU)

FIRE 106 (1.0 UNIT)
First Aid/CPR - Public Safety First Responder
Term Hours: 18 Lec, 5 Lab
Letter Grade only
A course for individuals who must provide first aid and/or CPR prior to the arrival/availability of pre-hospital care personnel with advanced training and certification/licensure. This course is primarily for fire department and law enforcement personnel. It satisfies the minimum requirements for this type of personnel as outlined in the California Code of Regulations, approved by the California Emergency Medical Services Authority. Upon successful completion of this course, the participant will receive a completion certificate from IVC and a CPR course completion card through the American Heart Association. (CSU)

FIRE 107 (2.0 UNITS)
Emergency Medical Technician I - Refresher
Term Hours: 36 Lec, 0 Lab
Letter Grade only
Prerequisites: Current EMT I certification or have possessed an EMT I certification within the past 4 years, and as mandated by the Imperial County EMS Agency, California Title 22, and/or CoAEMSP National Education Standards.
This course is designed to fulfill the California EMT I refresher course requirements and will review basic life support topics and procedures to include cardiopulmonary resuscitation training. Topics specific to Imperial County will be presented, as well as changes in policies and procedures with updated and new materials. Successful completion of this course will satisfy continuing education requirements for the EMT I and will enable the EMT I to be eligible for recertification in the state of California. This course is approved by the Imperial County Emergency Medical Services Agency and is within the training guidelines of the California Code of Regulations and the California Fire Service Training and Education Systems (CFSTES). (Same as EMT 107) (CSU)

FIRE 108 (3.0 UNITS)
Fire and Emergency Services Safety/Survival
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course introduces the basic principles and history related to the national firefighter life safety initiatives, focusing on the need for cultural and behavior change throughout the emergency services. (CSU)

FIRE 109 (2.0 UNITS)
Hazardous Materials for First Responders
Term Hours: 36 Lec, 0 Lab
Letter Grade only
This course is designed for fire department personnel who may respond to releases or potential releases of hazardous materials as part of the initial response to the site for the purpose of protecting nearby persons, property, or environment from the effects of the release. This course will provide the hazmat emergency responder with the processes used in decontamination and the methods to limit the spread of hazardous materials contamination in a safe and competent manner. (CSU)
FIRE 117 (1.0 UNIT)
Auto Extrication
Term Hours: 18 Lec, 0 Lab
Letter Grade only
This course provides students with the information and skills necessary to operate within the procedures and systems utilized during an automobile extrication. Subjects covered include: auto extrication sizeup; types of incidents; safety precautions; ICS for auto extrication; types of hand and power tools; removing windows; opening doors; removing roofs; pulling steering wheels; moving foot pedals; raising dashboards; pulling seats; stabilization of vehicles; and simulated rescues of trapped victims. (CSU)

FIRE 121 (1.0 UNIT)
ICS-200 Basic Incident Command
Term Hours: 18 Lec, 0 Lab
Letter Grade only
Recommended preparation: ENGL 101
This course is designed for all emergency response personnel (fire, police, and EMS). This course consists of the Incident Command System (ICS) modules 2-6 and meets the training needs of wildland fire personnel and other emergency response personnel. Participants are introduced to the principles associated with the ICS and Standardized Emergency Management System (SEMS). Topics provide an introduction to and an overview of the ICS. The topics also introduce the participant to the interagency incident management system being adopted by the fire service and emergency organizations across the country. (CSU)

FIRE 122 (0.5 UNITS)
Confined Space Awareness
Term Hours: 9 Lec, 0 Lab
Letter Grade only
Recommended preparation: ENGL 101
This course is designed to introduce fire service personnel in the recognition of confined spaces and how to enter them properly, and the proper use of safety procedures within these areas. Students are introduced to the hazards, equipment, and operational positions of safe and legal confined space entry. This course also includes how following CAL/OSHA regulations are required in regards to confined space areas. (CSU)

FIRE 130 (5.5 UNITS)
Basic Fire Academy I
Term Hours: 83 Lec, 47 Lab
Letter Grade only
Prerequisites: Successful completion of application process. Acceptance into program by Fire Technology Coordinator. Pass Basic Fire Academy Entrance Exam with a proficiency score of 70% or better and a Physical Agility Test which is Pass/Fail.
Corequisites: Physical training is an important component of being a Firefighter. All candidates should be in good physical condition before entering into a career of being a firefighter.
Recommended preparation: ENGL 101
Basic Fire Academy I is the first of two courses of the Fire Academy designed for the individual who desires a career as a professional firefighter. This course includes instruction in basic firefighting skills, personnel rules and regulations in professional organizations, equipment operation and maintenance, elementary fire behavior, fireground safety and operations, self-contained breathing apparatus operation and maintenance, portable fire extinguisher operation and maintenance, firefighting tactics and strategies on the fireground. This course is intensive, requiring the students’ total dedication for successful completion. (CSU)

FIRE 131 (6.0 UNITS)
Basic Fire Academy II
Term Hours: 97 Lec, 27 Lab
Letter Grade only
Prerequisites: Successful completion of Basic Fire Academy I.
Corequisites: Physical training is an important component of being a fire fighter; all candidates should be in good physical condition before entering into a firefighting career.
Recommended Preparation: ENGL 101
Basic Fire Academy II is the second of two courses of the Fire Academy designed for the individual who desires a career as a professional firefighter. This course includes instruction in the operation and maintenance of fire service ground ladders, forcible entry tactics and strategies, rescue safety and operations, fire control techniques, salvage and overhaul operations, principles of fire protection water systems, fire investigation, fire prevention, vehicle extrication, and wild land firefighting. This course is intensive, requiring the students’ total dedication for successful completion. (CSU)

FIRE 220 (2.5 UNITS)
Fire Apparatus 1A - Driver
Term Hours: 45 Lec, 0 Lab
Letter Grade only
Recommended Preparation: Fire Fighting I training recommended.
Prerequisite: CA Class “B” firefighter restricted license minimum.
This course provides the student with information on driver responsibilities, recognized standards, and related laws for fire apparatus. Topics include basic inspections, documentation, maintenance, and troubleshooting fire apparatus, and techniques on driving and position fire apparatus. Each student also has the opportunity to increase his or her driving skills during simulated driving conditions. (CSU)

FIRE 221 (2.5 UNITS)
Fire Apparatus 1B - Pump
Term Hours: 45 Lec, 0 Lab
Letter Grade only
Recommended Preparation: Fire Fighting I training recommended.
Prerequisite: CA Class “B” firefighting restricted license minimum, and FIRE 220 with a grade of “C” or better.
This course provides the student with information on pump construction and theory of pump operations. Topics include: methods of performing basic hydraulics and techniques on basic inspections, documentation, maintenance, and troubleshooting fire pumps. Each student also has the opportunity to increase his or her pumping skills during simulated pumping conditions. (CSU)
FIRE 222 (2.5 UNITS)
Fire Investigation 1A
Term Hours: 45 Lec, 0 Lab
Letter Grade only
An introduction into fire investigation. This intense course will include principles of determining cause, recognizing and preserving evidence, interviewing witnesses and suspects, arrests, and detention procedures, point of origin determination, motives of the fire setter, and report writing. Successful completion will satisfy one of the State Fire Marshall's training requirements for certification as a Fire Investigator I. (CSU)

FIRE 223 (2.5 UNITS)
Fire Investigation 1B
Term Hours: 45 Lec, 0 Lab
Letter Grade only
Prerequisite: FIRE 222 with a grade of "C" or better.
This course provides the participant with information to achieve a deeper understanding of fire investigation. The course builds on Fire Investigation 1A and adds topics of discussion including the juvenile fire setter, in depth report writing, evidence collection and preservation procedures. Successful completion will satisfy one of the State Fire Marshall's training requirements for certification as a Fire Investigator I. (CSU)

FIRE 224 (2.5 UNITS)
Fire Management 1
Term Hours: 45 Lec, 0 Lab
Letter Grade only
A course designed for the transition from Firefighter to Fire Officer by presenting the skills and responsibilities required for the first level supervisors. This course provides an overview of supervision, management, and leadership concepts, practices and theories. The topics emphasize basic supervisory, management, and leadership skills required in decision making, delegating, personnel motivation, communication, time management, resources management, record keeping, team building, disciplinary functions, and dealing with change and stress. (CSU)

FIRE 225 (2.5 UNITS)
Fire Prevention 1A
Term Hours: 45 Lec, 0 Lab
Letter Grade only
This course is the study of fire prevention. Course will include introduction to organization and function of fire prevention inspections, surveying and mapping procedures and recognition of fire and life hazards. Material presented will focus on code use, improvements, enforcement and fire cause, considerations of various flammable materials, properties of plastics, and portable and fixed fire protection equipment. Successful completion fulfills one of the fire prevention requirements for California State Officer Certification. (CSU)

FIRE 226 (2.5 UNITS)
Fire Prevention 1B
Term Hours: 45 Lec, 0 Lab
Letter Grade only
Prerequisite: FIRE 225 with a grade of "C" or better.
This course is a continuation of the study of fire prevention. Topics include a continuation of fire and life hazards, enforcing the solution, and public relations as affected by fire prevention. Other focuses include building construction, flame spread classification, fire doors, exiting standards, calculations of occupant load, smoke proof enclosures, sprinkler system design, electrical hazards, fire alarm and detection systems and devices. Successful completion of this course and FT 204 A fulfills the fire prevention requirements for California State Officer Certification. (CSU)

FIRE 229 (2.5 UNITS)
Fire Command 1A
Term Hours: 45 Lec, 0 Lab
Letter Grade only
Prerequisite: FIRE 121 with a grade of "C" or better.
Recommended Preparation: Completion of Core Fire Technology Courses.
A course designed for the initial response, "first in" officer at emergency scenes. This officer may be a company officer, senior engineer, captain, lieutenant, or acting officer. This course provides the Fire Company Officer with information and experience in command and control techniques at the scene of an emergency. The topics emphasize managerial and decision making skills required for command. The managerial concepts of this course are applicable to all types and sizes of incidents. The course emphasis is centered on structural fire fighting. This course will satisfy one of the prerequisites for Fire Command 2B presented through the State Fire Academy. (CSU)

FIRE 230 (2.5 UNITS)
Fire Command 1B
Term Hours: 45 Lec, 0 Lab
Letter Grade only
Prerequisites: FIRE 121 and FIRE 229 with a grade of "C" or better and experience as mandated by State Fire Training Course Information & Required Materials Manual, California Department of Forestry & Fire Protection, May 2008.
This course provides the student with information on tactics, strategies, and scene management for multi-casualty incidents, hazardous materials incidents, and wildland fires. Each student also has the opportunity to increase his or her knowledge and skills by handling initial operations at these types of incidents through simulation and class activities. (CSU)

FIRE 231 (1.5 UNITS)
Incident Command System (ICS) 300
Term Hours: 27 Lec, 0 Lab
Letter Grade only
Prerequisite: FIRE 121 with a grade of "C" or better.
This course is designed to enable personnel to operate efficiently using ICS in supervisory roles on expanding for Type 3 incidents. (CSU)

FIRE 232 (2.5 UNITS)
Public Education 1
Term Hours: 45 Lec, 0 Lab
Letter Grade only
Key topics include systematic planning process for public education, use of CFIRS to analyze local fire problems, communication skills, program evaluation, working with the media, integrating programs into schools, gaining community support, fire safety for children, interviewing and counseling juvenile fire settings, creating and using audio/visual resources, and idea and resource sharing. (CSU)
FIRE 233 (2.5 UNITS)
Fire Command 1C
Term Hours: 45 Lec, 0 Lab
Letter Grade only
Prerequisites: FIRE 121 and FIRE 229 with a grade of "C" or better, and experience as mandated by State Fire Training Course Information Materials Manual, California Department of Forestry & Fire Protection, May 2008.
Recommended Preparation: FIRE 230
This course is designed around the responsibilities of the Company Officer at a wild land/urban interface incident. It will bring the structural Company Officer out of the city and into the urban/interface; in other words, from his or her comfort zone into an area that would very well be quite unfamiliar. (CSU)

FIRE 234 (2.5 UNITS)
Fire Prevention 1C
Term Hours: 45 Lec, 0 Lab
Letter Grade only
Prerequisites: FIRE 225 and FIRE 226 with a grade of "C" or better.
This course focuses the participants on the special hazards associated with flammable and combustible liquids and gases. Some topics of discussion include bulk storage and handling transportation of flammable gases and liquids, and more. (CSU)

FIRE 240 (1.5 UNITS)
Training Instructor 1A: Cognitive Lesson Delivery
Term Hours: 27 Lec, 0 Lab
Letter Grade only
This is the first of a three-course series. Topics include methods and techniques for training in accordance with the latest concepts in career education; selecting, adapting, organizing, and using instructional materials appropriate for teaching cognitive lessons; criteria and methods to evaluate teaching and learning efficiency; and an opportunity to apply major principles of learning through teaching demonstrations. Two (2) student instructor teaching demonstrations are required of all. (CSU)

FIRE 241 (1.5 UNITS)
Training Instructor 1B: Psychomotor Lesson Delivery
Term Hours: 27 Lec, 0 Lab
Letter Grade only
Prerequisite: FIRE 240 with a grade of "C" or better.
This is the second of a three-course series. Topics include methods and techniques for training in accordance with the latest concepts in career education; selecting, adapting, organizing, and using instructional materials appropriate for teaching psychomotor lessons; criteria and methods to evaluate teaching and learning efficiency; and an opportunity to apply major principles of learning through teaching demonstrations. Two (2) student instructor teaching demonstrations are required of all students.

FIRE 242 (1.5 UNITS)
Training Instructor 1C: Instructional Development Techniques
Term Hours: 27 Lec, 0 Lab
Letter Grade only
Prerequisite: FIRE 240 and FIRE 241 with a grade of "C" or better.
This is the third of a three-course series. Topics include methods and techniques for developing lesson plans, ancillary components, and tests in accordance with the latest concepts in career education. The course offers the opportunity to develop, receive feedback, and finalize instructional materials and deliver a teaching demonstration. Two (2) student instructor teaching demonstrations are required of all.

FIRE 245 (2.5 UNITS)
Fire Instructor 2A
Term Hours: 45 Lec, 0 Lab
Letter Grade only
Prerequisites: FIRE 240, FIRE 241 and FIRE 242 with a grade of "C" or better.
This course provides the instructor and/or supervisor with the techniques of evaluation. It includes: Construction of written (technical knowledge) and performance (manipulative skills) tests, as well as test planning, test analysis, test security, and evaluation of test results to determine instructor and student effectiveness. Essential course for writing valid objective tests. (Formerly FIRE 235) (CSU)

FRENCH

FREN 100 (5.0 UNITS)
Elementary French I
Term Hours: 90 Lec, 0 Lab
Letter Grade only
A beginning course stressing the basic skills of listening comprehension, speaking, reading and writing to develop control of the sounds and the basic forms and structure of French. Introduction to aspects of French culture and civilization. Students must plan for an hour of individual language laboratory by arrangement. Not open to students who have completed three years of high school French. (CSU, UC)

FREN 110 (5.0 UNITS)
Elementary French II
Term Hours: 90 Lec, 0 Lab
Letter Grade only
Recommended Preparation: FREN 100
Continues the development of all four language skills, emphasizing vocabulary building, increasing fluency and control of correct pronunciation, basic forms and structure. Students must plan for an hour of individual language laboratory by arrangement. (CSU, UC)

FREN 201 (5.0 UNITS)
Intermediate French I
Term Hours: 90 Lec, 0 Lab
Letter Grade only
Recommended Preparation: FREN 100 and FREN 110
French 201 is designed as a third semester in French. It is open to students who complete French 100 and French 110 or their equivalent. It provides instruction in the four language skills of listening comprehension, speaking, reading and writing at the beginning intermediate to intermediate levels. Intensive study of linguistic structures and vocabulary is emphasized to build communication skills in French. In addition, the study of authentic materials from a wide variety of sources including, text, images, audio recordings, video and film acquaints students with the diversity of French and francophone culture and civilization. The instructor will also guide students in their investigation of French and francophone history and literature through readings and lectures to prepare them for a major in French or to provide them with a strong general background in French and francophone studies. (CSU, UC)
FREN 211 (5.0 UNITS)
Intermediate French II
Term Hours: 90 Lec, 0 Lab
Letter Grade only
French 211 is designed as a fourth semester in French. It is open to students who complete French 100, French 110 and French 201 or their equivalent. It provides instruction in the four language skills of listening comprehension, speaking, reading and writing at the intermediate to advanced-intermediate levels. Intensive study of linguistic structures and vocabulary is emphasized to build communication skills in French. In addition, the study of authentic materials from a wide variety of sources including, text, images, audio recordings, video and film acquaints students with the diversity of French and francophone culture and civilization. The instructor will also guide students in their investigation of French and francophone history and literature through readings and lectures to prepare them for a major in French or to provide them with a strong general background in French and francophone studies. (CSU, UC)

FREN 230 (3.0 UNITS)
Intermediate Conversational French I
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: Concurrent enrollment in FREN 201. Practical conversational skills are developed through listening exercises, directed conversations on assigned readings from newspaper and magazine articles, current topics, simple dialogues and plays. Emphasis on contemporary life in countries where French is spoken. Student must plan for an additional hour of individual language laboratory by arrangement. (CSU)

GEOGRAPHY

GEOG 100 (3.0 UNITS)
Physical Geography
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An introduction to the physical characteristics of the earth. Topics include: climate, landforms, natural vegetation, and the water and mineral resources of the earth. (CSU, UC)

GEOG 102 (3.0 UNITS)
Cultural Geography
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An introduction to the regions and cultures of the world. Emphasis on the contemporary demographic, linguistic, religious, and economic characteristics of major regions in the world. May be taken before GEOG 100. (CSU, UC)

GEOG 108 (3.0 UNITS)
World Regional Geography
Term Hours: 54 Lec, 0 Lab
Letter Grade only
World Regional Geography is a survey course which introduces students to the physical and cultural geographic aspects of the world’s realms. Geography’s interdisciplinary approach is used to analyze regions and illustrate their interdependence. (CSU, UC)

GEOLOGY

GEOL 100 (4.0 UNITS)
General Geology
Term Hours: 54 Lec, 54 Lab
Letter Grade only
This course is designed as an introduction to Earth’s physical processes, structures and composition, and includes coverage of Earth’s internal processes, such as those that cause earthquakes, volcanoes and mountain building; surface processes, such as rivers and waves, wind, glaciers and the landforms that result from these processes; the nature and origin of rocks and minerals that form the Earth’s crust; and structures related to folding and faulting, will be studied. (CSU, UC)

GEOL 110 (3.0 UNITS)
Earth and Space Science
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This introductory earth and space science course covers basic principles from the fields of geology, astronomy, oceanography, and meteorology. Minerals and rocks, natural processes acting at the earth’s surface and within the Earth, plate tectonics, geologic time and dating, composition and motions of the Earth, solar system, phases of the moon, origin and life cycles of stars, galaxies, water movements, ocean floor, weather and climate, along with other related topics, will be studied. (CSU) (UC credit limited. See a Counselor.)

HEALTH EDUCATION

HE 100 (2.0 UNITS)
Health Education - Military Service
Term Hours: 0 Lec, 0 Lab
Pass/No Pass only
Prerequisite: The satisfactory completion of basic or recruit training and 180 days or more active service in the military of the United States of America.

The student wishing credit for military service must present his/her DD214 or equivalent supporting document to the Veterans Assistant and register for the credit. If the student registers for military credit and does not submit verification of service, he/she will be dropped as a No-Show and will not receive credit. HE 100 does not count for units toward VA, Financial Aid, or full-time student status. These are not contact hours. May receive credit only once. (CSU)

HE 102 (3.0 UNITS)
Health Education
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course studies aspects of physical, intellectual, social, emotional, spiritual and environmental health. Emphasis is placed on the development of attitudes and practices of a preventive lifestyle for healthy living and optimal wellness. Specific instructional areas include chronic diseases, physical activity, nutrition, weight management, birth control methods, human sexuality, alcohol, tobacco, illicit drug abuse, stress, and factors that contribute to wellness and longevity. Experience in personal health assessment and the changing of health behaviors is also stressed. This course satisfies the State of California Health Education requirement for a teaching credential. (CSU, UC)
HE 104  (3.0 UNITS)
First Aid
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This class is designed to prepare students to take the American Red Cross First Responder certification test. Giving the students the confidence to respond to emergencies with the knowledge and the skills necessary in an emergency to help sustain life, reduce pain, and minimize the consequences of injury or sudden illness until professional medical help arrives. (CSU, UC)

HIST 100  (3.0 UNITS)
Early World History
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Early World History is a broad survey of the diverse societies of Africa, Asia, Europe, the Americas, and Oceania from prehistory through the 1400s. This course seeks to describe the emergence and development of civilizations, societies, trade, religions and cultures, and to recognize the interconnections between different peoples and across time. (CSU, UC)

HIST 101  (3.0 UNITS)
Modern World History
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Modern World History is a broad survey of the diverse societies of Africa, Asia, Europe, the Americas, and Oceania from the 1400s to the present. This course emphasizes the political, cultural, social, imperial, and trade connections between western and non-western societies of the modern era. (CSU, UC)

HIST 110  (3.0 UNITS)
Early Western Civilization
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course is a survey of the major developments in the Western heritage from the world of the ancient Greeks to 16th century Europe. Emphasis will be placed on the foundations of Western culture, religion, politics, economics, and society. (CSU, UC)

HIST 111  (3.0 UNITS)
Modern Western Civilization
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course is a study of the major developments in Western civilization from the 17th century to the present. Emphasis will be placed on the political, economic, cultural, social and intellectual changes and developments in Western society which have led to our modern global society. May be taken before HIST 110. (CSU, UC)

HIST 120  (3.0 UNITS)
United States to 1877
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course is a survey of American history from the pre-Columbian era to the end of Reconstruction. This course will cover the major political, economic, social, gender, racial, cultural and intellectual transformations of the colonial and early American eras. At the completion of this course students will have a broad understanding of the most important ideas, personalities, movements, and events in the colonial and early American periods. (CSU, UC)

HIST 121  (3.0 UNITS)
United States from 1877
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course is a survey of American history from the end of Reconstruction to the present. This course will cover the major political, economic, social, gender, racial, cultural and intellectual transformations of the modern American eras. Of special note will be an examination of America’s rise to global power. At the completion of this course students will have a broad understanding of the most important ideas, personalities, movements, and events in the modern period. (CSU, UC)

HIST 130  (3.0 UNITS)
Early Latin America
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 019
This course compares the different regions of Latin America from prehistory through the Early National Period, including Mexico, Central America, South America and the Caribbean. The course explores pre-Columbian American civilizations, European exploration and conquest, the colonial era, the independence movements, and the creation of nations. Emphasis is given to the economic and social changes, the political and legal struggles, and the cultural and intellectual evolution generated by the encounter of two cultures and the creation of a third distinctive culture. (Same as LAS 130) (CSU, UC)

HIST 131  (3.0 UNITS)
Modern Latin America
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 019
This course compares the nations and cultures of Latin America from the Early National Period to the present by studying the economic, social, political, and cultural evolution of the different regions, including Mexico, Central America, South America and the Caribbean. The region's changing interactions with and place in the international community and various other world factors are also explored. Emphasis is placed on the influence of various ethnic groups in the development of the different cultures of the region. (Same as LAS 131) (CSU, UC)
HIST 132 (3.0 UNITS)
History of Mexico
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 019
This course is a one semester survey of Mexican history from prehistory to the present. The course will explore the Native American cultures of Mesoamerica, the period of colonization, the struggle for independence and nationhood in the 19th century, the Mexican Revolution, the era of population, and political and economic crisis during the 20th century, and national rebirth in the 21st century. (Same as LAS 132) (CSU, UC)

HIST 140 (3.0 UNITS)
East Asian History
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course is an introductory survey of the major cultures of East Asia, including the political, social and economic developments of China, Korea, and Japan from the ancient period to the present. This course will illustrate not only the regional differences of East Asia, but also the commonalities that are shared, especially with regard to the major Asian philosophies and religions. The course will also look at the impact of Western culture on Asia and problems of political and economic modernization. (CSU, UC)

HIST 150 (3.0 UNITS)
Survey of African History
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An introductory survey of African history from prehistory to the present. Emphasis will be on Africa's place in world history since 1500, with special attention paid to the legacy of colonialism, the interaction of Africans and the outside world, and the challenges faced by Africans since independence. (CSU, UC)

HIST 160 (3.0 UNITS)
Middle East From 600
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course examines the history of the Middle East from the rise of Islam in the 600's through the present. It discusses the interplay of various peoples and cultures, and the powerful Islamic empires of the Caliphs, Seljuks, and Ottomans. Special emphasis is given to the impact of European and American political and economic imperialism, the spread of Arab nationalism and Islamic fundamentalism, and the region's current strategic position in global affairs. (CSU, UC)

HIST 220 (3.0 UNITS)
Women in American History
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: Eligible for placement in college English (ENGL 101); any college level course in American History or Political Science.
A general survey of women's changing roles, status and contributions in American history from colonial times to the present. This course will analyze the social, political and economic aspects of women's lives and explore the ways in which race, ethnicity, and class influenced the American female experience. (CSU, UC)

HIST 222 (3.0 UNITS)
History of California
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: Eligible for placement in college English (ENGL 101); any college level course in American History or Political Science.
A survey of the historical development of California from its earliest times to the present. The course provides an overview of both the physical characteristics and the diverse peoples of California and how they interacted and influenced the history of this state and its economic, social, cultural, and political institutions. This course may be of special interest to students planning a career in education. (CSU, UC)

HIST 223 (3.0 UNITS)
History of the American West
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: Completion of ENGL 009 or ENGL 099 or equivalent; any college level course in American History or Political Science.
A historical survey of the trans-Mississippi American West with an emphasis on expansionism; race and ethnic relations; economic development; political and legal trends; the shift from rural to urban settlement; social and cultural patterns; labor and economic issues; gender roles; immigration; and significant environmental changes. (CSU, UC)

HIST 225 (3.0 UNITS)
Mexican American History
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 101
Survey of Mexican American history from colonization to the present. Examines the Spanish and native Mexican roots of people in the American Southwest, the Mexican War of 1846-48 and its aftermath, the interrelationship of Mexico and United States histories between 1860 and 1910, the effects of the Mexican revolution (1910) on Mexican Americans in the United States, and the Chicano experience of the 20th century. (Same as LAS 225) (CSU, UC)

HIST 280 (3.0 UNITS)
Research Topics in History
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: Eligible for placement in college English (ENGL 101). Any college level course in American or World History.
An in-depth study of selected topics in history. These topics may be in the realm of cultural, economic, intellectual, political, or social history. Topic, time period, and region to be determined by the instructor. This course includes introductory historiography and historical methods and a significant research component. This course is designed to be taken by students in their last semester in the history major program. (CSU)
HUMANITIES

HUM 100  (3.0 UNITS)
Introduction to the Humanities
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An exploratory course designed to introduce students to the major disciplines in the Humanities: art, architecture, literature, music, and dance. Examination of humanistic values and how they are reflected in the arts of world cultures. (CSU, UC)

HUM 226  (3.0 UNITS)
Introduction to Mythology
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: ENGL 101 with a grade of "C" or better.
Comparative themes and figures from various mythologies of the world. Interpretation of myths; the influence on art, culture, and history. (Same as ENGL 226) (CSU, UC)

HUM 230  (3.0 UNITS)
Introduction to Film History and Criticism
Term Hours: 36 Lec, 36 Lab
Letter Grade only
Prerequisite: ENGL 101 with a grade of "C" or better.
The origin and development of movies as an entertainment industry, as a technological medium, and as an art form. Key films from different historical periods will be examined for their technological and artistic contributions to the art of film making. (Same as ENGL 230) (CSU, UC)

HUM 262  (3.0 UNITS)
Introduction to Chicano/a Studies
Term Hours: 54 Lec, 0 Lab
Letter Grade or Pass/No Pass
This course offers an introduction to Chicano/a studies as an academic discipline, with a focus on the cultural values, social organization, urbanization patterns of the Chicano/a in the U.S., as well as their struggles in education, politics and legislation. Due to the nature of the subject, students will be exposed to some Spanish phrases, words, and expressions. (Same as SPAN 262) (CSU, UC)

JOURNALISM

JRN 100  (3.0 UNITS)
Introduction to Journalism
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 101
The course focuses on the newspaper as a vehicle for communication within a community. Students study basic components of journalism, including types of articles, writing style, interview techniques, and ethics. (CSU)

JRN 101  (3.0 UNITS)
Multimedia News Writing and Reporting
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: JRN 100 with a grade of "C" or better.
Recommended Preparation: ENGL 101 and ART 160
This course will provide students with in-depth instruction in interactive journalism. It builds on the skills of researching, interviewing, and reporting as they apply to multimedia storytelling via the internet and other electronic media. (CSU)

LATINA/LATINO STUDIES

LAS 130  (3.0 UNITS)
Early Latin America
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 019
This course compares the different regions of Latin America from prehistory through the Early National Period, including Mexico, Central America, South America and the Caribbean. The course explores pre-Columbian American civilizations, European exploration and conquest, the colonial era, the independence movements, and the creation of nations. Emphasis is given to the economic and social changes, the political and legal struggles, and the cultural and intellectual evolution generated by the encounter of two cultures and the creation of a third distinctive culture. (Same as HIST 130) (CSU, UC)

LAS 131  (3.0 UNITS)
Modern Latin America
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 019
This course compares the nations and cultures of Latin America from the Early National Period to the present by studying the economic, social, political, and cultural evolution of the different regions, including Mexico, Central America, South America and the Caribbean. The region's changing interactions with and place in the international community and various other world factors are also explored. Emphasis is placed on the influence of various ethnic groups in the development of the different cultures of the region. (Same as HIST 131) (CSU, UC)

LAS 132  (3.0 UNITS)
History of Mexico
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 019
This course is a one semester survey of Mexican history from prehistory to the present. The course will explore the Native American cultures of Mesoamerica, the period of colonization, the struggle for independence and nationhood in the 19th century, the Mexican Revolution, the era of population, and political and economic crisis during the 20th century, and national rebirth in the 21st century. (Same as HIST 132) (CSU, UC)
LEGAL ASSISTANT

LEGL 115 (3.0 UNITS)
Legal Procedures
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 101. In addition, students are expected to have a basic familiarity with computer terms, to be able to use applications such as word processing, spreadsheets, and email, and to do online research. These skills can be learned in CIS 100.
This course provides an overview of various legal specialties offered under the legal assistant program and the job functions performed in them. Topics include an introduction to the litigation process, bankruptcy, family law, contract law, corporate law, estates, trusts and wills, federal court practices and procedures, legal communications, and legal research. Students also learn specialized legal terminology. (CSU)

LEGL 116 (3.0 UNITS)
Law Office Management
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended preparation: ENGL 101. In addition, students are expected to have a basic familiarity with computer terms, to be able to use applications such as word processing, spreadsheets, and email, and to do online research. These skills can be learned in CIS 100.
This course introduces systems and procedures for administration and management of a law office. Course emphasizes file management, personnel issues, law library maintenance, computer systems, ordering supplies, financial analysis and billing, risk management, and legal ethics. (CSU)

LEGL 117 (3.0 UNITS)
Criminal Litigation and Procedures
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 101. In addition, students are expected to have a basic familiarity with computer terms, to be able to use applications such as word processing, spreadsheets, and email, and to do online research. These skills can be learned in CIS 100.
This course will provide students with an understanding of criminal litigation practice and procedure, including the criminal court system, criminal investigation and prosecution, discovery and investigation, pre-trial motions, trial preparation and procedures, and post-trial motions and relief. (CSU)

LEGL 119 (3.0 UNITS)
Civil Procedures and Discovery
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 101. In addition, students are expected to have a basic familiarity with computer terms, to be able to use applications such as word processing, spreadsheets, and email, and to do online research. These skills can be learned in CIS 100.
This course covers theory, concept, and rules of civil procedures. It includes types of evidence, prima facie cases, rules governing witness testimony, federal and state court systems, procedures for the removal of state court actions for transfer to the federal court system, initiation of federal and state court actions, remedies available under law and equity, alternative dispute resolution methods, drafting and filing complaints, answers, counterclaims, pre-trial motions, and in-court trial procedures. It also provides an examination of the rules of civil evidence and the admissibility of evidence, depositions, interrogations, admissions, notices to produce, and related rules of discovery and evidence. (CSU)

LEGL 120 (3.0 UNITS)
Corporations
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 101. In addition, students are expected to have a basic familiarity with computer terms, to be able to use applications such as word processing, spreadsheets, and email, and to do online research. These skills can be learned in CIS 100.
This course reviews the types of business formation and law office procedures for selecting and setting up the correct type of business, including sole proprietorship, partnership, LLC, and corporations. (CSU)

LEGL 121 (3.0 UNITS)
Legal Research
Term Hours: 54 Lec, 0 Lab
Letter Grade or Pass/No Pass
Recommended Preparation: ENGL 101. In addition, students are expected to have a basic familiarity with computer terms, to be able to use applications such as word processing, spreadsheets, and email, and to do online research. These skills can be learned in CIS 100.
This course provides an introduction to legal research and writing, including a comprehensive working knowledge and understanding of legal research materials and tools. The course covers the traditional and basic methods of legal research, sources of applicable statutory law and case law information, including use citations and computerized legal search systems. Students will learn to develop research strategies and to write legal memoranda and briefs. (CSU)

LEGL 125 (3.0 UNITS)
Real Estate Law for Legal Assistants
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 101. In addition, students are expected to have a basic familiarity with computer terms, to be able to use applications such as word processing, spreadsheets, and email, and to do online research. These skills can be learned in CIS 100.
This course provides legal background in property ownership with special reference to the law of California as it applies to community property, conveyances, deeds, trust deeds, mortgages, homesteads and estates, etc. (CSU)
LEGL 126 (3.0 UNITS)
Wills, Trusts, Probate, and Estate Administration
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 101. In addition, students are expected to have a basic familiarity with computer terms, to be able to use applications such as word processing, spreadsheets, and email, and to do online research. These skills can be learned in CIS 100. Course covers definition of technical terms used in probate, trusts and estate administration, sources of law relating to wills, trusts, and estate administration, types and forms of property and property ownership, the specific duties of a probate legal assistant, rules and general patterns of succession under the UPC, the effect of prior transactions on interstate succession, process for determining validity of wills and the basic requirements of a valid will, various types of wills authorized by law, papers and other evidences that are components of a will, preparation and execution of a formal attested will, revocation of wills, disposition of property under will, methods for settling a decedent’s estate, informal estate proceedings under the UPC, specific tasks performed by a legal assistant in formal estate administration, procedures for payment of decedent’s debts and claims, special proceedings in probate, preparation and filing of tax returns, procedural requirements of formal accountings, role of legal assistant in the distribution of testate estates, nature and administration of trusts, guardianships, and conservatorships, and the professional responsibilities of a probate legal assistant. (CSU)

LEGL 127 (3.0 UNITS)
Family Law
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 101. In addition, students are expected to have a basic familiarity with computer terms, to be able to use applications such as word processing, spreadsheets, and email, and to do online research. These skills can be learned in CIS 100. This course covers elements of family law, including elements of marriage under the law, relationships that can exist when one party enters into an invalid marriage, ante nuptial agreements, dissolution of marriage, child-support rights, division of community property in community and non-community property states, and the uniform child custody jurisdiction act. (CSU)

LEGL 128 (3.0 UNITS)
Bankruptcy
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 101. In addition, students are expected to have a basic familiarity with computer terms, to be able to use applications such as word processing, spreadsheets, and email, and to do online research. These skills can be learned in CIS 100. This course examines the types of bankruptcies including bankruptcy laws and procedures with topics on creditors’ rights, debtors’ exemptions, and secured transactions. (CSU)

LEGL 129 (3.0 UNITS)
Torts
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: ENGL 101. In addition, students are expected to have a basic familiarity with computer terms, to be able to use applications such as word processing, spreadsheets, and email, and to do online research. These skills can be learned in CIS 100. A study of the fundamental principles of the law of torts, and examination of the techniques of investigation involved in the lawyers handling of tort claims, including the various forms of pleading. (CSU)

MATHEMATICS

MATH 060 (1.0 UNIT)
Math Lab
Term Hours: 0 Lec, 36 Lab
Pass/No Pass only
Concurrent enrollment in MATH 071, MATH 081, or MATH 091 required. A laboratory where students work on material that accompanies the remedial mathematics course in which they are enrolled. Involves individualized instruction and use of media and computers. This course is offered on a Pass/No Pass basis. The 36 required hours must be undertaken in the Math Lab. Maximum credit 4 units. (Non-transferable, Non-degree applicable)

MATH 061 (3.0 UNITS)
Basic Mathematics
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An introduction the concepts needed for further study in Mathematics. Topics covered include operations with whole and rational numbers, decimals, percents, ratio and proportions, and their applications. (Non-transferable, nondegree applicable)
MATH 071 (3.0 UNITS)
Pre-algebra
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: MATH 061 with a grade of "C" or better or appropriate placement.
An introduction to the mathematical concepts needed for further study in Algebra. Topics covered will include the real number system, variable expressions, solving equations, measurement and conversions, and geometry. (Nontransferable, nondegree applicable)

MATH 081 (4.0 UNITS)
Beginning Algebra
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: MATH 071 or MATH 070 with a grade of "C" or better or appropriate placement.
An introduction to the concepts of Algebra. Topics covered include solving equations, polynomials, factoring, rational expressions, graphs and linear equations, systems of linear equations, and inequalities. (Nontransferable, nondegree applicable)

MATH 091 (5.0 UNITS)
Intermediate Algebra
Term Hours: 90 Lec, 0 Lab
Letter Grade only
Prerequisite: MATH 081 or MATH 080 with a grade of "C" or better or appropriate placement.
A further study of the concepts of algebra. Topics covered include linear and quadratic equations, relations, functions and graphs, systems of equations, logarithms and exponential functions, conic sections, and sequences and series. (Nontransferable, AA/AS degree only)

MATH 101 (3.0 UNITS)
Number Systems in Elementary Mathematics
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: MATH 091 or MATH 090 with a grade of "C" or better.
Recommended for students who are working towards a teaching credential in elementary education. Topics discussed are sets and relations, development of the number system from the natural numbers including whole, rational and real numbers, decimals and percents, number theory, ratio and proportion. (CSU) (UC credit limited. See a counselor)

MATH 110 (3.0 UNITS)
Geometry in Elementary Mathematics
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: MATH 091 or MATH 090 with a grade of "C" or better.
Recommended for students who are working towards a teaching credential in elementary education. Topics discussed are probability and statistics, geometry, geometric constructions, rotations, translations, measurements and problem solving. (CSU) (UC credit limited. See a counselor)

MATH 114 (1.0 UNIT)
Children’s Mathematical Thinking
Term Hours: 18 Lec, 0 Lab
Letter Grade only
Recommended Preparation: Concurrent Enrollment or Completion of MATH 110 with a grade of "C" or better.
Explore children’s mathematical thinking with in-depth analysis of their understanding of operations, place value, algorithms, and multiple representations of problems. Examine interviews of children to assess understanding of mathematics topics, then plan tutoring sessions on basis of interviews. (CSU)

MATH 119 (4.0 UNITS)
Elementary Statistics
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisites: MATH 091 or MATH 090 with a grade of "C" or better or appropriate placement.
Recommended Preparation: ENGL 101 or ENGL 111
Graphical representation of statistical data, calculations, and uses of various averages, measures of variability, introduction to probability, probability distributions, confidence intervals, sample size determination and hypothesis testing, ANOVA, linear regression and Chi-square analysis. Students will learn to use technology to find confidence intervals, test statistics, regression lines, and to produce graphics. This course also provides supervised practice in the appropriate use of technology designed to assist students in calculations required in beginning statistics. (CSU, UC)

MATH 122 (3.0 UNITS)
Finite Mathematics
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: MATH 091 or MATH 090 with a grade of "C" or better.
Finite mathematics is a course designed to introduce interesting, relevant, and realistic applications for a variety of fields including, business and economics. This course incorporates the use of technology to allow increased visualization and a better understanding of concepts. It satisfies the mathematics general education requirement and is transferable. It is an excellent course for those students who will not need any other mathematics classes for their degree. Topics included in this course are linear processes, matrices, graph theory, probability, statistics, game theory, and finance. The mathematics of finance involves compound interest, present and future values, annuities, etc. (CSU, UC)

MATH 140 (3.0 UNITS)
Trigonometry
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: MATH 091 or MATH 090 with a grade of "C" or better.
Right angle trigonometry and applications, unit circle trigonometry, graphs of trigonometric functions, inverse trigonometric functions, trigonometric identities, solving triangles using the Laws of Sines and Cosines, and polar coordinates. (CSU)
MATH 150 (4.0 UNITS)  
**College Algebra**  
Term Hours: 72 Lec, 0 Lab  
Letter Grade only  
Prerequisite: MATH 091 or MATH 090 with a grade of "C" or better.  
A continuation of the study of algebra. Attention will be paid to polynomial and rational functions, Exponential and Logarithmic functions, and Matrix Algebra. Additional topics include systems of equations, Linear Programming, and Analytic geometry. (CSU) (UC credit limited. See a counselor)

MATH 170 (4.0 UNITS)  
**Introductory Calculus with Applications**  
Term Hours: 72 Lec, 0 Lab  
Letter Grade only  
Prerequisite: MATH 150 with a grade of "C" or better.  
To prepare for courses for which calculus is recommended and/or required. To study the ideas and concepts of advanced mathematics as applied to a modern computerized society. Topics covered include pre-calculus concepts, functions, differentiation, integration, differential equations, and functions of several variables. (CSU) (UC credit limited. See a counselor.)

MATH 190 (5.0 UNITS)  
**Pre-Calculus**  
Term Hours: 90 Lec, 0 Lab  
Letter Grade only  
Prerequisite: MATH 140 or equivalent with a grade of "C" or higher or appropriate placement.  
This is a course intended for students who need a thorough foundation before attempting calculus. Included will be the study of the real number system, exponential, logarithmic, and trigonometric functions, the complex numbers, theory of equations, and systems of equations. (CSU) (UC credit limited. See a counselor.)

MATH 192 (5.0 UNITS)  
**Calculus I**  
Term Hours: 90 Lec, 0 Lab  
Letter Grade only  
Prerequisite: MATH 190 or equivalent with a grade of "C" or better or appropriate placement.  
Concepts dealing with limits, continuity, differentiation and applications, integration and applications, exponential and logarithmic functions, and other transcendental functions. (CSU) (UC credit limited. See a counselor.)

MATH 194 (5.0 UNITS)  
**Calculus II**  
Term Hours: 90 Lec, 0 Lab  
Letter Grade only  
Prerequisite: MATH 192 with a grade of "C" or better.  
Concepts dealing with integration applications, methods of integration, infinite series, plane analytic geometry, parametric equations and polar coordinates. (CSU, UC)

MATH 210 (5.0 UNITS)  
**Calculus III**  
Term Hours: 90 Lec, 0 Lab  
Letter Grade only  
Prerequisite: MATH 194 with a grade of "C" or better.  
Concepts dealing with partial differentiation, multiple integration, vectors and vector analysis. (CSU, UC)

MATH 220 (3.0 UNITS)  
**Elementary Differential Equations**  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Prerequisite: MATH 194 with a grade of "C" or better.  
An elementary differential equations course covering: First, second, and higher order differential equations and their applications. Methods include variation of parameters, Laplace transforms, and series solutions. (CSU, UC)

MATH 230 (3.0 UNITS)  
**Introduction to Linear Algebra with Applications**  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Prerequisite: MATH 194 with a grade of "C" or better.  
A first course in linear algebra intended for students majoring in mathematics, the physical sciences, engineering or business. Topics included are: systems of linear equations, matrices and determinants, vector spaces, linear transformations, eigenvalues and eigenvectors, and selected applications. (CSU, UC)

MATH 240 (3.0 UNITS)  
**Discrete Mathematics**  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Prerequisite: MATH 192 with a grade of "C" or better.  
This course is an introduction to the theory of discrete mathematics and introduces elementary concepts in logic, set theory, graph theory, number theory and combinatorics. This forms a basis for upper division courses in mathematics and computer science, and is intended for the transfer student planning to major in these disciplines. The topics covered in this course include methods of proof, sets permutations, combinations, and graph theory. (CSU, UC)

MATH 241 (1.0 UNIT)  
**Mathematics Software - MATLAB**  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Prerequisite: Completion of MATH 192 with a grade of "C" or better.  
An introduction to MATLAB. MATLAB will be used to perform tasks in Algebra, Calculus, and Linear Algebra. There will be an emphasis on writing programs using MATLAB to perform these tasks. (CSU)
MUSIC

MUS 100  (3.0 UNITS)
Introduction to Music Foundations
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An introduction to basic concepts of music. The development of the
skills and knowledge needed to read music, to hear music, and to use
some instrument (including the voice) with skill. (CSU) (UC credit lim-
ited. See a counselor.)

MUS 102  (3.0 UNITS)
Introduction to Music Literature and Listening
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An introduction to music literature with emphasis on the listening ex-
perience. Students study the expressive materials of music and the
major forms of music literature. Emphasis placed on the skills and un-
derstanding necessary for lifelong music listening experiences. (CSU,
UC)

MUS 104  (3.0 UNITS)
Introduction to Twentieth-Century Music
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An introduction to contemporary music. Study includes twentieth-cen-
tury art music, country western, and popular music with emphasis on
the social and artistic factors that influence the development of each.
(CSU, UC)

MUS 110  (2.0 UNITS)
Beginning Musicianship I
Term Hours: 36 Lec, 0 Lab
Letter Grade only
Required of all music majors. A course designed to present basic skills
and theory of music for persons interested in a background for appre-
ciation of or further studies in music. Skills to be studied and developed
are sight-singing, ear-training, keyboard harmony, and basic piano skills.
(CSU, UC)

MUS 112  (2.0 UNITS)
Beginning Musicianship II
Term Hours: 36 Lec, 0 Lab
Letter Grade only
Continuation of MUS 110. (CSU, UC)

MUS 120  (3.0 UNITS)
Beginning Harmony I
Term Hours: 54 Lec, 0 Lab
Letter Grade or Pass/No Pass
Sight-singing, dictation and keyboard harmony. Traditional diatonic
harmony, four-voice writing, analysis. (CSU, UC)

MUS 122  (3.0 UNITS)
Beginning Harmony II
Term Hours: 54 Lec, 0 Lab
Letter Grade only
A continuation of MUS 120. (CSU, UC)

MUS 140  (1.0 UNIT)
Beginning Group Piano I
Term Hours: 18 Lec, 36 Lab
Letter Grade only
A course structured to correlate those musical skills, techniques and un-
derstanding which are basic to comprehensive keyboard musicianship
at the early level of study. (CSU, UC)

MUS 142  (1.0 UNIT)
Beginning Group Piano II
Term Hours: 18 Lec, 36 Lab
Letter Grade only
A continuation of MUS 140. (CSU, UC)

MUS 150  (1.0 UNIT)
Beginning Voice I
Term Hours: 18 Lec, 36 Lab
Letter Grade only
The student receives guidance in the performance and appreciation of
the various types of solo songs while acquiring the facilities for good
vocal technique. Principles are applied through group and individual
singing. (CSU, UC)

MUS 152  (1.0 UNIT)
Beginning Voice II
Term Hours: 18 Lec, 36 Lab
Letter Grade only
A continuation of MUS 150. (CSU, UC)

MUS 154  (1.0 UNIT)
Chamber Singers
Term Hours: 36 Lec, 18 Lab
Letter Grade only
A study and performance representative of music of all styles, sacred
and secular, a cappella, and accompanied. A minimum of six outside
performances required each semester. Maximum credit four units.
(CSU, UC)

MUS 156  (1.0 UNIT)
College - Community Chorus
Term Hours: 36 Lec, 18 Lab
Letter Grade only
Open to all students who have an interest in learning to sing and who
enjoy music. Breath control, tone placement, articulation and enun-
ciation. Rehearsal, performance and study of choral literature. introduc-
tion to music theory as a means of learning to read music rather than
learning by rote. Maximum credit four units. (CSU, UC)

MUS 160  (1.0 UNIT)
Beginning Guitar I
Term Hours: 18 Lec, 36 Lab
Letter Grade only
A basic course on how to accompany with the guitar. Stress will be
placed on tuning, chording, different types of strums and elementary
transposition. (CSU, UC)
MUS 162  (1.0 UNIT)
Beginning Guitar II
Term Hours: 18 Lec, 36 Lab
Letter Grade only
A continuation of MUS 160 with the following additions: 1. Reading music (standard musical notation); 2. A thorough presentation of bar chords including sevenths, ninths, diminished, augmented, and various altered chords; 3. Advanced picking techniques. (CSU, UC)

MUS 171  (1.0 UNIT)
Chamber Orchestra
Term Hours: 36 Lec, 18 Lab
Letter Grade only
A study and performance of literature for a small orchestra. Performances in local communities and on campus are required. Fieldtrips to other musical events will be included to help performers develop efficient listening and evaluating practices. Solo and ensemble rehearsals and performances are included. Maximum credit four units. (CSU, UC)

MUS 172  (1.0 UNIT)
College - Community Band
Term Hours: 36 Lec, 18 Lab
Letter Grade only
A performance organization specializing in a wide range of literature for the wind band. The primary objective will be to provide the continuing music performing experiences needed by community adults, music educators, and advanced high school students. Maximum credit four units. (CSU, UC)

MUS 175  (1.0 UNIT)
Instrumental Ensemble
Term Hours: 36 Lec, 18 Lab
Letter Grade only
A performance organization specializing in literature for string, brass, woodwind, and percussion ensembles, or any combination thereof. Designed for musicians who wish to explore, rehearse, and perform literature of all styles and periods. Maximum credit four units. (CSU, UC)

MUS 177  (1.0 UNIT)
Stage Band
Term Hours: 36 Lec, 18 Lab
Letter Grade only
A performance ensemble specializing in the literature of the stage and jazz band tradition. Students will be provided ensemble experiences necessary for developing and refining improvisation techniques and performance practices appropriate to jazz, rock, blues, and swing music traditions. Maximum credit four units. (CSU, UC)

MUS 178  (1.0 UNIT)
Symphony Orchestra
Term Hours: 36 Lec, 18 Lab
Letter Grade only
The study and performance of literature for full symphony orchestra in a wide variety of styles. Performances in local communities and on campus are required. Maximum credit four units. (CSU, UC)

MUS 179  (1.0 UNIT)
Applied Music
Term Hours: 18 Lec, 9 Lab
Letter Grade only
A course designed to provide students with a concentrated sequence of private instruction in music within a particular performing medium. One section meeting per week on campus, in addition to private instruction. As required conditions, the student must: 1. Secure a teacher approved by the College. 2. Take a minimum of one 30 minute lesson per week. 3. Meet one hour of class per week on campus for performance as scheduled and turn in weekly lesson attendance form. Maximum credit four units. (CSU, UC)

MUS 182  (2.0 UNITS)
Introduction to Recording Techniques
Term Hours: 36 Lec, 18 Lab
Letter Grade only
This course is a study in the art of digital audio recording and how to record in the IVC Digital Recording Studio. The curriculum will cover the signal flow the mixing console as it applies to recording, microphones and techniques of application, signal processing, digital recording operation and the use of digital audio/sequencing software. (CSU)

MUS 200  (3.0 UNITS)
History and Literature of Music I
Term Hours: 54 Lec, 0 Lab
Letter Grade or Pass/No Pass
The historical development of music with a study of various types of music from stylistic periods as a medium of cultural development. Intended as a background toward further studies in music for the music major and persons interested in a thorough background for enjoying music. (CSU, UC)

MUS 202  (3.0 UNITS)
History and Literature of Music II
Term Hours: 54 Lec, 0 Lab
Letter Grade or Pass/No Pass
A continuation of MUS 200. (CSU, UC)

MUS 210  (2.0 UNITS)
Intermediate Musicianship I
Term Hours: 36 Lec, 0 Lab
Letter Grade only
A continuation of MUS 110 and MUS 112. To increase skills in sight-singing, ear-training, and keyboard harmony. (CSU, UC)
MUS 212  (2.0 UNITS)  
Intermediate Musicianship II  
Term Hours: 36 Lec, 0 Lab  
Letter Grade only  
A continuation of MUS 210. (CSU, UC)

MUS 220  (3.0 UNITS)  
Intermediate Harmony I  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
A comprehensive study of the theory of music to include skills and creative experiences in traditional harmony. An introduction to 20th century harmonic and melodic systems. (CSU, UC)

MUS 222  (3.0 UNITS)  
Intermediate Harmony II  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
A continuation of MUS 220. (CSU, UC)

MUS 240  (1.0 UNIT)  
Intermediate Group Piano I  
Term Hours: 18 Lec, 36 Lab  
Letter Grade only  
A course structured for those students who have attained the performance skill competencies required in Beginning Group Piano. (CSU, UC)

MUS 242  (1.0 UNIT)  
Intermediate Group Piano II  
Term Hours: 18 Lec, 36 Lab  
Letter Grade only  
A continuation of MUS 240. (CSU, UC)

MUS 250  (1.0 UNIT)  
Intermediate Voice I  
Term Hours: 18 Lec, 36 Lab  
Letter Grade only  
A continuation of MUS 152. (CSU, UC)

MUS 252  (1.0 UNIT)  
Intermediate Voice II  
Term Hours: 18 Lec, 36 Lab  
Letter Grade only  
A continuation of MUS 250. (CSU, UC)

MUS 260  (1.0 UNIT)  
Intermediate Guitar I  
Term Hours: 18 Lec, 36 Lab  
Letter Grade only  
A continuation of MUS 162. (CSU)

MUS 262  (1.0 UNIT)  
Intermediate Guitar II  
Term Hours: 18 Lec, 36 Lab  
Letter Grade only  
A continuation of MUS 260. (CSU)

NURSING: ASSOCIATE DEGREE

NURS 089  (1.0 UNIT)  
Individual Studies: Nursing Associate Degree  
Term Hours: 0 Lec, 54 Lab  
Pass/No Pass only  
Prerequisite: Admission to the Nursing Program. This course is designed to facilitate the learning of nursing knowledge, skills, and concepts through individualized, computer enhanced and mediated instructions. It is open to students in the Nursing Program and recent graduates from the Nursing Program who seek additional NCLEX-RN preparation. Maximum credit six units. (Nontransferable, nondegree applicable)

NURS 090  (1.0 UNIT)  
Nursing ReEntry Skills Laboratory I  
Term Hours: 0 Lec, 54 Lab  
Pass/No Pass only  
Prerequisite: Successful completion of First Semester Nursing Level Skills and Clinical Courses  
Corequisite: Enrollment in appropriate level nursing theory course.  
This course builds on theory, skills and clinical applications learned in previous semester(s). Tactile skills essential to safe nursing practice will be demonstrated in the nursing skills laboratory. Students will have the opportunity for supervised and individual practice followed by a skills check-off by an instructor. A competency skills exam will be administered prior to completion of the course to assure that the student has met conditions of reentry into the appropriate nursing course(s). This course is intended for students who have successfully passed a nursing skills and clinical course, but earned a below passing score in a theory course that must be repeated, or for students who have dropped out of a semester of nursing and are now attempting to return to the program. (Nontransferable, nondegree applicable)

NURS 092  (1.0 UNIT)  
Nursing ReEntry Skills Laboratory II  
Term Hours: 0 Lec, 54 Lab  
Pass/No Pass only  
Prerequisite: Successful completion of Second Semester Nursing Level Skills and Clinical Courses.  
Corequisite: Enrollment in appropriate level nursing theory course.  
This course builds on theory, skills and clinical applications learned in previous semester(s). Tactile skills essential to safe nursing practice will be demonstrated in the nursing skills laboratory. Students will have the opportunity for supervised and individual practice followed by a skills check-off by an instructor. A competency skills exam will be administered prior to completion of the course to assure that the student has met conditions of reentry into the appropriate nursing course(s). This course is intended for students who have successfully passed a nursing skills and clinical course, but earned a below passing score in a theory course that must be repeated, or for students who have dropped out of a semester of nursing and are now attempting to return to the program. (Nontransferable, nondegree applicable)
NURS 094  (1.0 UNIT) 
Nursing ReEntry Skills Laboratory III  
Term Hours: 0 Lec, 54 Lab  
Pass/No Pass only  
Prerequisite: Successful completion of Third Semester Nursing Level Skills and Clinical Courses. 
Corequisite: Enrollment in appropriate level nursing theory course. 
This course builds on theory, skills and clinical applications learned in previous semester(s). Tactile skills essential to safe nursing practice will be demonstrated in the nursing skills laboratory. Students will have the opportunity for supervised and individual practice followed by a skills check-off by an instructor. A competency skills exam will be administered prior to completion of the course to assure that the student has met conditions of reentry into the appropriate nursing course(s). This course is intended for students who have successfully passed a nursing skills and clinical course, but earned a below passing score in a theory course that must be repeated, or for students who have dropped out of a semester of nursing and are now attempting to return to the program. (Nontransferable, nondegree applicable)  

NURS 096  (1.0 UNIT) 
Nursing ReEntry Skills Laboratory IV  
Term Hours: 0 Lec, 54 Lab  
Pass/No Pass only  
Prerequisite: Successful completion of Fourth Semester Nursing Level Skills and Clinical Courses. 
Corequisite: Enrollment in appropriate level nursing theory course. 
This course builds on theory, skills and clinical applications learned in previous semester(s). Tactile skills essential to safe nursing practice will be demonstrated in the nursing skills laboratory. Students will have the opportunity for supervised and individual practice followed by a skills check-off by an instructor. A competency skills exam will be administered prior to completion of the course to assure that the student has met conditions of reentry into the appropriate nursing course(s). This course is intended for students who have successfully passed a nursing skills and clinical course, but earned a below passing score in a theory course that must be repeated, or for students who have dropped out of a semester of nursing and are now attempting to return to the program. (Nontransferable, nondegree applicable)  

NURS 100  (1.0 UNIT) 
Medication Mathematics  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Recommended preparation: MATH 091 or MATH 090 or higher  
This course focuses on those components of safe medication calculation and administration. The emphasis is on accuracy of calculation and the critical thinking involved in client safety. This is an intense class on med math calculations that is required of all nursing majors. Clinical application is integrated into the clinical nursing course. A CD with the class syllabus can be purchased for $2.00. (CSU)  

NURS 110  (4.5 UNITS) 
Nursing Process I  
Term Hours: 81 Lec, 0 Lab  
Letter Grade only  
Prerequisite(s): ENGL 101; Demonstration of Math Competency; Demonstration of Reading Competency; PSY 101; BIOL 200 and 202 OR BIOL 204 and 206; BIOL 220; SOC 101 OR ANTH 102; SPCH 100; NURS 100 with grades of "C" or better and admission to the Nursing program. 
Corequisite(s): NURS 111; NURS 112; NURS 113  
This course is designed as the introductory course in the nursing program and incorporates previous science, psychology, and communication theory. Theoretical concepts basic to the provision of safe nursing practice are introduced. The Scope of Practice of the Registered Nurse and other members of the health care team are examined. Components of the nursing process are reviewed. Through utilization of developmental theories (primarily Erikson) and the Roy Adaptation Model, this course focuses on the nursing role as communicator, provider of care, and client teacher for individuals experiencing adaptation problems across the lifespan in the physiologic mode, psychologic mode, and selected adaptation problems. Parameters of health are defined and philosophies of nursing are investigated. The aging process is introduced. The physical and psychological needs of the normal and ill individual are explored. Pain assessment, interventions, and evaluation are discussed. Basic nutrition is introduced as one of the caring practices involved in client care. Stress, adaptation, and communication skills are stressed as important nursing roles. Variations in nursing care for individuals of different socio-economic and cultural backgrounds will be considered. (CSU)
NURS 113 (1.5 UNITS)
Pharmacology I
Term Hours: 27 Lec, 0 Lab
Letter Grade only
Prerequisites: Demonstration of Math Competency, Demonstration of Reading Competency, ENGL 101, PSY 101, SOC 101 or ANTH 102, BIOL 220, BIOL 204 and BIOL 206 or BIOL 200 and BIOL 202, and NURS 100, all with a grade of "C" or better.
Corequisite(s): NURS 110, NURS 111, NURS 112.
This course focuses on those components of pharmacology related to safe nursing care and the reduction medication errors. The course includes information about the general classifications of drugs and principles of therapy related to the effects, actions, and therapeutic use of each drug. Nursing actions and rationale for nursing actions are explored. This class will cover drug administration throughout the lifespan, including psychosocial, gender, and cultural influences. Clinical application is integrated into the clinical nursing courses. (CSU)

NURS 121 (1.0 UNIT)
Nursing Skills Laboratory II
Term Hours: 0 Lec, 54 Lab
Letter Grade only
Prerequisite(s): NURS 110; NURS 111; NURS 112; NURS 113.
Corequisite(s): NURS 123, NURS 125.
This course builds on theory, skills and clinical applications learned in first semester. Tactile skills essential to safe nursing practice will be demonstrated in the nursing skills laboratory. Students will have the opportunity for supervised and individual practice followed by skills check-off by the instructor. Skills will be part of the demonstration. Additional materials fee applies. (CSU)

NURS 123 (1.5 UNITS)
Pharmacology II
Term Hours: 27 Lec, 0 Lab
Letter Grade only
Prerequisites: NURS 100, NURS 110, NURS 111, NURS 112, NURS 113, all with a grade of "C" or better.
Corequisite(s): NURS 121 and NURS 125.
The course addresses the principles of medication therapy for acute and complex conditions including the effects, actions, algorithms and recommended use of drugs in the treatment of complex patient problems. Safe administration practices and reduction of medication errors will be covered. The student will learn to manage complex medication administration through various routes including intravenous routes. Nursing actions and rationale for nursing actions are explored. Clinical applications are integrated into the clinical nursing courses. (CSU)

NURS 125 (8.5 UNITS)
Nursing Process and Application II
Term Hours: 81 Lec, 216 Lab
Letter Grade only
Prerequisites: NURS 110, NURS 111, NURS 112, NURS 113.
Corequisite(s): NURS 121, NURS 123.
This course is designed to integrate previous science and nursing course theory. This course provides theoretical perspective, science-based knowledge and principles needed by students to guide their application of the nursing process and choice of nursing interventions for individuals with common physiological alterations. Professional, legal and ethical issues are explored. Through utilization of development theories (primarily Erickson) and the Roy Adaptation Model, this course focuses on the nursing role as communicator, provider of care, and client teacher for individuals experiencing adaptation problems across the lifespan in the physiologic mode, psychologic mode, and selected adaptation problems for persons with common and/or chronic medical and/or surgical conditions related to surgery, respiratory system, reproductive system, and integumentary system. Maternal nursing care is presented, including antenatal, intrapartal and postpartum normal and abnormal adaptation. Normal and high-risk neonatal care are examined. Components of infusion therapy will also be discussed. Variations in nursing care for individuals of different socio-economic and cultural backgrounds will be considered. This course involves clinical application of both theoretical concepts taught in Nursing Process I and II and tactile skills taught in Nursing Skills Laboratory I and II. All aspects of the nursing process will be applied to client situations. (CSU) (Replaces NURS 120 and NURS 122)

NURS 126 (3.0 UNITS)
Physical Assessment Skills
Term Hours: 54 Lec, 0 Lab
Letter Grade or Pass/No Pass
Prerequisite: Admission in the Registered Nursing Program or Completion of RN Program.
This course is designed to delineate assessment parameters and variations common to the adult patient. Students will be given the opportunity to learn how to make rapid, accurate patient assessments. They will identify and discuss common findings, observe assessment techniques, and do return demonstrations. Individuals who wish to improve their physical assessment skills are the focus of this course. (CSU)

NURS 204 (3.0 UNITS)
Transition to A.S. Degree Nursing
Term Hours: 45 Lec, 27 Lab
Letter Grade only
Prerequisite: Completion of advanced placement requirements which include an Active California LVN license and at least 6 months of work experience or permission of the instructor.
Co-requisite: BIOL 220 for ADN applicants or BIOL 092 for students seeking the 30-unit option.
Recommended Preparation: MATH 090 or MATH 091 or higher.
This course facilitates the transition of advanced placement students (Licensed Vocational Nurses) into the associate degree nursing program. It provides an introduction to becoming a provider of care and a member of the discipline in the various roles of the RN. The course provides an introduction to the nursing process and critical thinking as a process to learn and improve nursing practice. Emphasis is placed on the acquisition and utilization of the nursing process as a basis for care. Concepts related to program philosophy, conceptual framework, cultural sensitivity, growth and development, and role expectations are emphasized. Advanced assessment knowledge, skills, and practice in the classroom and laboratory are completed. (CSU)
NURS 211  (1.0 UNIT)  
Nursing Skills Laboratory III  
Term Hours: 0 Lec, 54 Lab  
Letter Grade only  
Prerequisite(s): NURS 121, NURS 123, NURS 125  
Corequisite(s): NURS 231 (formerly NURS 210 and NURS 212), NURS 224, NURS 225.  
Tactile skills essential to safe nursing practice will be demonstrated in the nursing skills laboratory. Students will have the opportunity for supervised and individual practice followed by skills check-off by the instructor. Mastery of previous learned skills will be assessed. Skills theory will be part of the demonstration. Additional materials fee applies. (CSU)

NURS 221  (1.0 UNIT)  
Nursing Skills Laboratory IV  
Term Hours: 0 Lec, 54 Lab  
Letter Grade only  
Prerequisite(s): NURS 211, NURS 231 (formerly NURS 210 and NURS 212), NURS 224, NURS 225.  
Corequisite(s): NURS 230 and NURS 241 (formerly NURS 220 and NURS 222).  
Tactile skills essential to safe nursing practice will be demonstrated in the nursing skills laboratory. Students will have the opportunity for supervised and individual practice followed by skills check-off by the instructor. Mastery of all previous learned skills will be assessed. Skills theory will be part of the demonstration. Additional materials fee applies. (CSU)

NURS 224  (2.0 UNITS)  
Psychiatric & Mental Health Nursing  
Term Hours: 36 Lec, 0 Lab  
Letter Grade only  
Prerequisites: NURS 121, NURS 125, NURS 123, all with a grade of "C" or better.  
Corequisite(s): NURS 231, NURS 211, NURS 225.  
This course provides the theoretical principles and science-based knowledge for the application of the nursing process to the care of clients with existing and potential pathophysiology and psychopathological adaptational problems relating to mental health and the individual’s response to stressors and crises. Utilization of the nursing process via the Roy Adaption Model focuses the course on the role of a nurse as a communicator, care plan developer, provider of care, and educator for clients experiencing psychiatric or mental health problems. Throughout the course, cultural, social, age related, legal and ethical attitudes toward behaviors which deviate from accepted norms are discussed. The promotion of mental health through primary prevention, intervention in maladaptive disorders, and rehabilitation of chronic disorders is presented in concurrent classroom and clinical settings. (CSU)

NURS 225  (1.0 UNIT)  
Psychiatric & Mental Health Nursing Applications  
Term Hours: 0 Lec, 54 Lab  
Letter Grade only  
Prerequisites: NURS 121, NURS 125, NURS 123, all with a grade of "C" or better.  
Corequisite(s): NURS 231, NURS 211, NURS 224.  
This course provides the clinical applications of theoretical concepts taught in Psychiatric and Mental Health Nursing. Emphasis is on the nursing process, communication, psychopathology, and the principles of psychiatric/mental health nursing, in a variety of clinical settings. (CSU)

NURS 230  (1.0 UNIT)  
Nursing Trends  
Term Hours: 18 Lec, 0 Lab  
Letter Grade only  
Prerequisites: NURS 211 and NURS 231.  
Corequisite(s): NURS 221 and NURS 241.  
The course is designed to integrate previous science and nursing course theory as students review and scrutinize current issues affecting nursing and health care community. Legal and ethical issues, health care in current society, nursing educational pathways, health care delivery systems, and the California Nurse Practice Act are explored. The course explores the profession of nursing and the transition from student to professional nurse. (CSU)

NURS 231  (8.5 UNITS)  
Nursing Process and Application III  
Term Hours: 81 Lec, 216 Lab  
Letter Grade only  
Prerequisite(s): NURS 121, NURS 123, NURS 125, with a grade of "C" or better.  
Corequisite(s): NURS 211, NURS 224, NURS 225.  
This course is designed to integrate previous science and nursing course theory. This course provides theoretical perspective, science-based knowledge and principles needed by students to guide their application of the nursing process and choice of nursing interventions for individuals with common physiological alterations. Professional, legal and ethical issues are explored. Through utilization of developmental theories (primarily Erikson) and the Roy Adaptation Model, this course focuses on the nursing role as communicator, provider of care, and client teacher for individuals experiencing adaptation problems across the lifespan in the physiologic mode, psychologic mode, and selected adaptation problems for person with common and/or chronic medical and/or surgical conditions related to the Cardiac, Gastrointestinal, Endocrine and Renal Systems. Nursing Care related to non-reproductive oncology will be Variations in nursing care for individuals of different socioeconomic and cultural backgrounds will be considered. Theories of leadership and management as related to nursing in the acute care setting is introduced. This course involves clinical application of both theoretical concepts and tactile skills tango in Nursing Process and Nursing Application I and II, Nursing Skills Laboratory III, II, and I, and Pharmacology. All aspects of the nursing process will be applied to client situations. (CSU)

NURS 240  (2.0 UNITS)  
Intravenous Therapy Techniques  
Term Hours: 36 Lec, 0 Lab  
Letter Grade only  
Prerequisite: Permission of instructor and/or License as Vocational Nurse  
A course of instruction in the practice and regulation of blood withdrawal, venipuncture, and intravenous therapy. Course content covers the anatomy and physiology of the vascular system; IV solutions, electrolytes, nutrients, vitamins, and blood/blood products; devices or equipment required to start and monitor; the role and regulations for RN, LVN, or other healthcare providers; and preparation of the client and family. At completion of the course, each participant will demonstrate successful venipuncture. (Same as VN 240) (CSU)
NURS 241  (8.5 UNITS)
Nursing Process and Application IV
Term Hours: 81 Lec, 216 Lab
Letter Grade only
Prerequisite(s): NURS 211, NURS 231, NURS 224, NURS 225, with a grade of "C" or better.
Corequisite(s): NURS 221, NURS 230.
This course is designed to integrate previous science and nursing course theory into an in-depth study of clients with increasingly complex health problems. Complex, multisystem, acute and emergency nursing theory is presented. This course provides theoretical perspective, science-based knowledge and principles needed by students to guide their application of the nursing process and choice of nursing interventions for individuals. Professional, legal and ethical issues are explored. Through utilization of developmental theories (primarily Erickson) and the Roy Adaptation Model nursing care for individual experiencing adaptation problems across the lifespan in the physiologic mode, psychologic mode and selected adaptation problems for person with acute, complex medical and/or surgical conditions related to neurologic system adaption, adaptations problems of special senses, cardiac, respiratory, and endocrine systems. Multisystem stressors are presented. Community nursing, and home health nursing are discussed. The nurse as leader of the nursing team and case management in nursing is explored. (CSU)

NURSING: VOCATIONAL

VN 089  (1.0 UNIT)
Individual Studies: VN
Term Hours: 0 Lec, 54 Lab
Pass/No Pass only
Prerequisite: Admission to the Vocational Nursing Program. This course is designed to facilitate the learning of nursing knowledge, skills, and concepts through individualized, computer enhanced and mediated instruction. It is open to students in the nursing program and recent graduates from the nursing program who seek additional NCLEX-PN preparation. Maximum credit six units. (Nontransferable, non-degree applicable)

VN 100  (5.0 UNITS)
Introduction to Patient Care I
Term Hours: 36 Lec, 162 Lab
Letter Grade only
Prerequisite(s): Admission to the vocational nursing program, AHP 100, BIOL 099, PSY 101, ENGL 101, current CPR certification (American Heart Health Care Provider Course only). Corequisite(s): PSY 204, VN 114, VN 116
Theory and skills basic to the provision of safe nursing care are introduced in the classroom, skills laboratory, and clinical. Components of the nursing process are studied. Parameters of health are defined and the physical and psychological needs of the normal individual are explored. Additional materials fee applies. (CSU)

VN 102  (5.0 UNITS)
Introduction to Patient Care II
Term Hours: 36 Lec, 162 Lab
Letter Grade only
Prerequisite: VN 110
Corequisite(s): VN 114, VN 116, PSY 204
Communication skills are presented in this course. Basic psychological and physiological concepts related to stress that cause disruptions in the individual's ability to adapt to his/her environment are presented in the classroom. Concurrently, in clinical sessions, the student relates learned skills and theory to the care of clients with well-defined commonly occurring illnesses in the hospital setting. (CSU)

VN 114  (1.5 UNITS)
Pharmacology I
Term Hours: 27 Lec, 0 Lab
Letter Grade only
Prerequisite: Admission to the Nursing Program or permission of the instructor. Corequisite(s): VN 110, VN 112, VN 116, PSY 204
Recommended Preparation: MATH 090
An introductory course in Pharmacology designed to assist the student to acquire basic skills in drug dosage calculations and the administration of medications. A skills laboratory requirement is included. Clinical application will be integrated into VN 112. (CSU)

VN 116  (2.5 UNITS)
Patient Care Management and Critical Thinking
Term Hours: 45 Lec, 0 Lab
Letter Grade only
Prerequisite: Admission to the nursing program or permission of the instructor. To be taken concurrently with VN 110 and 112. An overview of the leadership and management process as it relates to management of patient care is presented. Clinical application is integrated into VN 130 and VN 132 and all subsequent nursing courses. (CSU)

VN 120  (5.5 UNITS)
The Maternity Cycle
Term Hours: 45 Lec, 162 Lab
Letter Grade only
Prerequisite: VN 112 or permission of instructor. The nursing process is used to assess the needs of and devise a plan of care for the pregnant woman through the maternity cycle. Consideration is given to the physiological, psychosocial, cultural, and economic factors which have impact on the mother, infant, and the family as a whole. Concurrent classroom and clinical experience are provided. (CSU)
VN 122  (5.5 UNITS)
Common Health Problems I
Term Hours: 45 Lec, 162 Lab
Letter Grade only
Prerequisite: VN 112 or permission of the instructor.
The first of three eight-week courses designed to provide a progressive and sequential study of common, well-defined health problems of the respiratory, reproductive, and special senses systems are presented. Transition from wellness to illness is emphasized. Concepts acquired to previous courses are applied with increasing complexity to caring for individuals of all ages. Physiological, psychological, emotional, cultural, and social concepts are integrated into the planning and implementation of nursing care. Concurrent classroom and clinical experiences are provided. (CSU)

VN 124  (2.0 UNITS)
Pharmacology II
Term Hours: 36 Lec, 0 Lab
Letter Grade only
Prerequisite: VN 112, VN 114 or permission of instructor.
This course focuses on those components of pharmacology related to safe nursing care. It includes information about the general classification of drugs and principles of therapy related to the effects, actions, and therapeutic use of each drug. The nursing actions and rationale for nursing actions are covered. Clinical application is integrated into the clinical nursing courses. (CSU)

VN 130  (5.5 UNITS)
Common Health Problems II
Term Hours: 45 Lec, 162 Lab
Letter Grade only
Prerequisite: VN 120, VN 122, and VN 124, or permission of the instructor.
The second of three nine-week courses designed to provide a progressive and sequential study of common, well-defined health problems is presented. Emphasis is placed on the immune, endocrine, hematological, cardiovascular, and musculoskeletal systems. Concepts acquired in previous courses are applied with increasing complexity in caring for individuals of all ages. Physiological, psychological, emotional, cultural, and social aspects are integrated into the planning and implementation of nursing care. Concurrent clinical experiences are provided whenever possible. In conjunction, appropriate nursing skills are learned in the classroom. (CSU)

VN 132  (5.5 UNITS)
Common Health Problems III
Term Hours: 45 Lec, 162 Lab
Letter Grade only
Prerequisite: VN 130 or permission of the instructor.
The final nine-week course designed to provide a progressive and sequential study of common, well-defined health problems is presented in VN 132. The concepts from previous courses are applied with increasing complexity to the caring of individuals throughout the lifespan. The pathophysiology, treatment, and nursing management of common disorders involving the neurological, integumentary, gastrointestinal, and renal systems are studied in a progressive sequence across the lifespan. Principles of growth and development are reinforced. The nursing process is utilized by the student to identify the problems and nursing interventions needed for selected patients in the clinical setting. (CSU)

VN 240  (2.0 UNITS)
Intravenous Therapy Techniques
Term Hours: 36 Lec, 0 Lab
Letter Grade only
Prerequisite: Permission of instructor and/or License as Vocational Nurse.
A course of instruction in the practice and regulation of blood withdrawal, venipuncture, and intravenous therapy. Course content covers the anatomy and physiology of the vascular system; IV solutions, electrolytes, nutrients, vitamins, and blood/blood products; devices or equipment required to start and monitor; the role and regulations for RN, LVN, or other healthcare providers; and preparation of the client and family. At completion of the course, each participant will demonstrate successful venipuncture. (Same as NURS 240) (CSU)

PHILOSOPHY

PHIL 100  (3.0 UNITS)
Introduction to Philosophy I
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Man’s interpretation of the nature and meaning of reality. Emphasis placed upon the existence of God, free will, and mind-body problems. (CSU, UC)

PHIL 102  (3.0 UNITS)
Introduction to Philosophy II
Term Hours: 54 Lec, 0 Lab
Letter Grade only
The place of philosophy in intelligent living and the methods and significance of philosophical inquiry. Emphasis is placed upon problems of value and human nature. PHIL 102 may be taken before PHIL 100. (CSU, UC)

PHIL 104  (3.0 UNITS)
Ethics
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An introduction to significant and typical value theories and systems, and of the concrete problems such theories seek to explain. Emphasis placed upon teaching students to critically analyze their own value systems. (Same as RELS 104) (CSU, UC)

PHIL 106  (3.0 UNITS)
Logic
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: ENGL 101 with a grade of “C” or better. An introduction to deductive and inductive logic. Attention focused upon the relationship between logic and language fallacies, and the use of logic in everyday life. (CSU, UC)
PHYSICAL EDUCATION

PE 100 (2.0 UNITS)
Lifetime Exercise Science
Term Hours: 18 Lec, 36 Lab
Letter Grade only
This course is designed to emphasize a comprehensive understanding of the entire scope of the fitness for life process. The student will be equipped to assess their present fitness status; with the ability to write a personalized fitness program; and engage in that fitness program. The course will focus on five areas: cardiovascular endurance, weight control, strength, flexibility, and relaxation. (CSU) (UC credit limited. See a Counselor.)

PE 102 (1.0 UNIT)
Physical Fitness
Term Hours: 0 Lec, 36 Lab
Letter Grade only
This course is designed to emphasize physical conditioning and development. Equips the student with a repertoire of exercises and conditioning activities which can be used to maintain physical fitness throughout college and adult life. (CSU) (UC credit limited. See a counselor)

PE 103 (1.0 UNIT)
Physical Fitness, Women
Term Hours: 0 Lec, 36 Lab
Letter Grade only
This course is designed to emphasize physical conditioning and development. Equips the student with a repertoire of exercises and conditioning activities which can be used to maintain physical fitness throughout college and adult life. (CSU) (UC credit limited. See a counselor)

PE 104 (1.0 UNIT)
Weight Training
Term Hours: 0 Lec, 36 Lab
Letter Grade only
A course designed to present the basic fundamentals of weight training such as the weight apparatus, proper lifting techniques and basic knowledge of specific muscle groups. Equips the students with a variety of exercises and conditioning activities which can be used to maintain physical fitness throughout college and adult life. Maximum credit two units. (CSU) (UC credit limited. See a counselor)

PE 105 (1.0 UNIT)
Public Safety Fitness
Term Hours: 0 Lec, 36 Lab
Letter Grade or Pass/No Pass
The purpose of this course is to assist students with their physical fitness conditioning specific to Public Safety agencies. Students will engage in a variety of exercises and conditioning activities designed to help them pass the required physical fitness standards used by Public Safety agencies in hiring and/or promoting. Emphasis will be placed on aerobic, anaerobic, strength, and flexibility activities which will assist the student in meeting and/or maintaining the physical fitness levels demanded by their chosen careers. (CSU)

PE 106 (1.0 UNIT)
Walking/Jogging Fitness
Term Hours: 0 Lec, 36 Lab
Letter Grade only
This course provides the knowledge and skills necessary to improve cardiovascular endurance and fitness through walking and/or jogging exercise. Class may be held on land or in the water. Topics will include general fitness principles, and aerobic endurance, muscle endurance and flexibility training exercises. (CSU) (UC credit limited. See a counselor.)

PE 107 (1.0 UNIT)
Aquatic Exercise
Term Hours: 0 Lec, 36 Lab
Letter Grade or Pass/No Pass
Course will include the development of fundamental elements of fitness in the aquatic environment. Progressive instruction will include more strenuous exercises for cardiorespiratory fitness, muscular endurance and flexibility. Exercises will be performed in shallow and/or deep water. Maximum credit two units. (CSU) (UC credit limited. See a counselor.)

PE 110 (2.0 UNITS)
Physical Education Activity - Military Service
Term Hours: 0 Lec, 0 Lab
Pass/No Pass only
Prerequisite: The satisfactory completion of basic or recruit training and 180 days or more active service in the military of the United States of America. The student wishing credit for military service must present his/her DD214 or equivalent supporting document to the Veterans Assistant and register for the credit. If the student registers for the class for military credit and does not submit verification of service, he/she will be dropped as a No-Show and will not receive credit. PE 110 does not count for units toward VA, Financial Aid, or full-time student status. These are not contact hours. May receive credit only once. (CSU)

PE 111 (1.0 UNIT)
Aerobics - Step
Term Hours: 0 Lec, 36 Lab
Letter Grade only
Step aerobics involves stepping up and down from a 4 to 12 inch bench, while performing various upper body movements to the accompaniment of music. This course is a simple introduction to basic steps, leading to simple patterns of step choreography. Offers cardiovascular conditioning and strength training. (CSU) (UC credit limited. See a counselor.)

PE 112 (1.0 UNIT)
Basketball - Men
Term Hours: 0 Lec, 36 Lab
Letter Grade only
An introduction to the fundamental skills and strategy of the game. Rules and class competition are included in the course. (CSU) (UC credit limited. See a counselor.)

PE 113 (1.0 UNIT)
Basketball - Women
Term Hours: 0 Lec, 36 Lab
Letter Grade only
Designed for women students interested in basketball. To offer basic and advanced fundamentals, team play, and strategy. (CSU) (UC credit limited. See a counselor.)
PE 120  (1.0 UNIT)  
Softball  
Term Hours: 0 Lec, 36 Lab  
Letter Grade only  
This course is designed to emphasize the fundamentals, knowledge of rules, coaching techniques, and basic knowledge of the game of softball. Maximum credit two units. (CSU) (UC credit limited. See a counselor.)

PE 121  (1.0 UNIT)  
Beginning to Intermediate Swimming  
Term Hours: 0 Lec, 36 Lab  
Letter Grade only  
This course is concerned with teaching the student to successfully execute the proper strokes for swimming. Skills, fundamentals, and safety knowledge are stressed from the beginner to the intermediate swimmer. Maximum credit two units. (CSU) (UC credit limited. See a counselor.)

PE 122  (2.0 UNITS)  
Lifeguard Training  
Term Hours: 27 Lec, 27 Lab  
Letter Grade or Pass/No Pass  
Prerequisites: Demonstrated swimming proficiency.  
This course provides the most current instruction in the American Red Cross (ARC) lifeguard training techniques, first aid and CPR skills required to prepare for a lifeguard position. Upon successful completion, a student will earn certifications in both ARC Lifeguard Training and CPR for the Professional Rescuer. (CSU) (UC credit limited. See a counselor.)

PE 123  (2.0 UNITS)  
Water Safety Instructor Training  
Term Hours: 18 Lec, 36 Lab  
Letter Grade only  
Prerequisite: Demonstrated swimming proficiency.  
This course provides the most current instruction in the American Red Cross (ARC) Water Safety Instructor (WSI) course. Upon successful completion, students earn ARC WSI certification. (CSU) (UC credit limited. See a counselor.)

PE 126  (1.0 UNIT)  
Tennis  
Term Hours: 0 Lec, 36 Lab  
Letter Grade only  
Tennis offers training in the basic fundamentals of the game including history, rules, and etiquette. Social etiquette of the game is stressed along with the worthy use of leisure time. Tournament competition in singles and doubles is emphasized. (CSU) (UC credit limited. See a counselor.)

PE 127  (1.0 UNIT)  
Tennis - Advanced  
Term Hours: 0 Lec, 36 Lab  
Letter Grade only  
Review and practice of forehand, backhand, serve and volley, overhead smash, and lob. Emphasis on court strategy and tactics for singles and doubles competition. Maximum credit two units. (CSU) (UC credit limited. See a counselor.)

PE 128  (1.0 UNIT)  
Volleyball  
Term Hours: 0 Lec, 36 Lab  
Letter Grade only  
This class is designed to provide the student with the appropriate level of knowledge and skills involved with beginning volleyball. As a result of this class the student will improve his or her general physical fitness and volleyball skill performance. Principles, techniques, safe practices and strategies of volleyball will be taught throughout this class. (CSU) (UC credit limited. See a counselor.)

PE 129  (1.0 UNIT)  
Volleyball - Advanced  
Term Hours: 0 Lec, 36 Lab  
Letter Grade only  
Recommended Preparation: Completion of four semesters of PE 128 and demonstrate competency in advanced skills.  
Continuation of PE 128. More advanced volleyball skills. More emphasis on tournament play and advanced strategy. More emphasis will be placed on spiking and blocking. Maximum credit two units. (CSU) (UC credit limited. See a counselor.)

PE 130  (1.0 UNIT)  
Adapted Physical Exercise  
Term Hours: 0 Lec, 36 Lab  
Letter Grade only  
Prerequisite: A signed physician's medical release form is required. Level of strength and ability sufficient to avoid injury to the student and others in course activities is required.  
Open only to students who are unable to participate in the regular physical education program. The course is specifically designed to meet the individual needs of these students. Maximum credit two units. (CSU) (UC credit limited. See a counselor.)

PE 131  (1.0 UNIT)  
Adapted Sports  
Term Hours: 0 Lec, 36 Lab  
Letter Grade or Pass/No Pass  
Prerequisite: A signed physician's medical release form is required. Level of strength and ability sufficient to avoid injury to the student and others in course activities is required.  
Open only to students who are unable to participate in the regular physical education program. The course is specifically designed to meet the individual needs of students with disabilities. Maximum credit two units. (CSU) (UC credit limited. See a counselor.)

PE 140  (1.0 UNIT)  
Baseball - Advanced  
Term Hours: 0 Lec, 36 Lab  
Letter Grade only  
Recommended Preparation: Participation on high school (or equivalent) baseball team.  
This course is designed for those students of advanced ability in baseball skills who have an interest in playing competitive baseball at the college level. Instruction will cover the development of fundamental offensive and defensive skills with an emphasis on advances techniques, strategies, physical training, and team preparation. Maximum credit two units. (CSU) (UC credit limited. See a Counselor.)
PE 141 (1.0 UNIT)
Softball - Women
Term Hours: 0 Lec, 36 Lab
Letter Grade only
This course is designed to emphasize the basic fundamentals, skills and rules of the game of women's softball. Maximum credit two units. (CSU) (UC credit limited. See a counselor.)

PE 142 (1.0 UNIT)
Advanced Swimming
Term Hours: 0 Lec, 36 Lab
Letter Grade or Pass/No Pass
Prerequisite(s): Student must be able to jump in deep water and swim 50 yards nonstop, including 25 yards of Front Crawl.
Recommended Preparation: Completion of PE 121. Previous swim training.
Supervised swim workouts designed to improve competitive strokes and turns and to enhance cardiovascular fitness. Pre- and post-tests of cardiovascular fitness levels will be incorporated. Maximum credit two units. (CSU) (UC credit limited. See a counselor.)

PE 143 (1.0 UNIT)
Advanced Basketball - Men
Term Hours: 0 Lec, 36 Lab
Letter Grade only
Recommended Preparation: Participation on the competitive high school (or equivalent) basketball team.
This course is designed for those students of advanced ability in basketball skills who have an interest in playing competitive basketball at the college level. Instruction will cover the development of fundamental offensive and defensive skills with an emphasis on advanced techniques, strategies, and team preparation. Maximum credit two units. (CSU)

PE 144 (1.0 UNIT)
Advanced Basketball - Women
Term Hours: 0 Lec, 36 Lab
Letter Grade only
Recommended Preparation: Prior experience in basketball is strongly suggested.
This class is designed for students with previous basketball knowledge. This class is a preparatory for intercollegiate participation. Advanced principles, techniques, safe practices and strategies of basketball will be taught. Sportsmanship and enjoyment of the game will be emphasized. Maximum credit two units. (CSU) (UC credit limited. See a counselor.)

PE 161 (1.5 UNITS)
Pre-Season Conditioning for Athletes
Term Hours: 0 Lec, 54 Lab
Letter Grade only
This course is designed to prepare athletes for the competitive season. Emphasis will be placed on the development of speed, cardiovascular endurance, strength, and flexibility. A wide variety and combination of activities will be utilized to help athletes to work out with sport specific exercise programs. Maximum credit three units. (CSU) (UC credit limited. See a counselor.)

PE 162 (1.5 UNITS)
In Season Conditioning for Athletes
Term Hours: 0 Lec, 54 Lab
Letter Grade only
This course is designed to help athletes maintain top physical condition throughout the competitive season. Emphasis will be placed on sustaining high levels of speed, cardiovascular endurance, strength, and flexibility. A wide variety and combination of activities will be utilized to help athletes avoid injuries and perform at optimum levels. Maximum credit three units. (CSU) (UC credit limited. See a counselor.)

PE 170 (1.0 UNIT)
Beginning Bowling
Term Hours: 0 Lec, 36 Lab
Letter Grade only
This course emphasizes skill development and acquisition of knowledge about a life-time sport, bowling. The students will be introduced to bowling skills such as: approach, delivery, scoring, and league experience. Class meets off-campus at Brunswick XL Bowling Alley, located at 950 North Imperial Ave., El Centro. Phone 482-0554. Additional materials fees required. (CSU) (UC credit limited. See a counselor.)

PE 171 (1.0 UNIT)
Intermediate Bowling
Term Hours: 0 Lec, 36 Lab
Letter Grade only
Recommended Preparation: PE 170.
This course emphasizes skill development and acquisition of knowledge about a life-time sport, bowling. The students will continue to develop in bowling skills such as: approach, delivery, scoring, and league experience, in addition to being able to analyze, evaluate and modify technique to improve performance. Class meets off-campus at the Brunswick XL Blowing Alley located at 950 North Imperial Ave., El Centro. Phone 482-0554. Additional materials fees required. (CSU) (UC credit limited. See a counselor.)

PE 172 (1.0 UNIT)
Advanced Bowling
Term Hours: 0 Lec, 36 Lab
Letter Grade only
Recommended Preparation: PE 170 and PE 171.
This course is designed for the avid bowling, having thorough knowledge of bowling principles. Competition in tournament play will be initiated encouraging league experience. Class meets off-campus at the Brunswick XL Blowing Alley located at 950 North Imperial Ave., El Centro. Phone 482-0554. Additional materials fees required. Maximum credit 2 units. (CSU)

PE 200 (2.0 UNITS)
Theory of Baseball
Term Hours: 36 Lec, 0 Lab
Letter Grade only
A history of the game, knowledge of rules, current and possible future trends in the game, coaching techniques, and scouting. Recommended for physical education majors, potential coaches, and recreation majors. (CSU) (UC credit limited. See a counselor.)
PE 201 (2.0 UNITS)
Theory of Basketball
Term Hours: 36 Lec, 0 Lab
Letter Grade only
This course is designed for physical education majors, recreation majors, and potential coaches. Coaching techniques and theories, history rules and current possible future trends in the game will be offered. (CSU) (UC credit limited. See a counselor.)

PE 202 (2.0 UNITS)
Theory of Softball
Term Hours: 36 Lec, 0 Lab
Letter Grade only
This course is recommended for physical education majors, recreation majors, and potential coaches. History of the game, rules, coaching techniques, practice organization, strategies and theories, and possible future trends in softball will be offered. (CSU) (UC credit limited. See a counselor.)

PE 203 (2.0 UNITS)
Theory of Volleyball
Term Hours: 36 Lec, 0 Lab
Letter Grade only
This course is recommended for physical education majors, recreation majors, and potential coaches. History of the game, rules, coaching techniques, offensive and defensive strategies, practice organization, and possible future trends in volleyball will be offered. (CSU) (UC credit limited. See a counselor.)

PE 209 (3.0 UNITS)
Introduction to Physical Education
Term Hours: 54 Lec, 0 Lab
Letter Grade only
History, philosophy and principles of physical education. Study of the aims and objectives of modern physical education with emphasis on the development of basic philosophy and background for professional development. (CSU)

PE 211 (3.0 UNITS)
Physical Education in the Elementary School
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course is designed to prepare the elementary school teacher to teach the whole child through physical education. (CSU)

PE 219 (3.0 UNITS)
Introduction to Athletic Training
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course introduces the profession of athletic training and covers the care and prevention of common athletic injuries. It includes bandaging and/or taping techniques, rehabilitation of injuries, and the use of therapeutic modalities. (CSU)

PHYSICAL SCIENCE

PHSC 110 (3.0 UNITS)
Physical Science
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: MATH 090 or MATH 091
This course is designed to give an understanding of the fundamental principles of physics and chemistry as they relate to the structure and properties of matter and the principles of motion and energy, for the liberal studies student. (CSU) (UC credit limited. See a counselor.)

PHYSICS

PHYS 200 (5.0 UNITS)
General Physics I
Term Hours: 72 Lec, 54 Lab
Letter Grade only
Prerequisite: MATH 192 with a grade of "C" or better.
This course is designed to give an understanding of the fundamental principles of physics in the area of mechanics. (CSU, UC)

PHYS 202 (5.0 UNITS)
General Physics II
Term Hours: 72 Lec, 54 Lab
Letter Grade only
Prerequisites: PHYS 200 or equivalent with a grade of "C" or better and MATH 194 with a grade of "C" or better or concurrent enrollment in MATH 194.
This course is designed to give an understanding of the fundamental principles of physics in the areas of electricity, magnetism, atomic, and nuclear physics. (CSU, UC)
**PHYS 204** (5.0 UNITS)
*General Physics III*
Term Hours: 72 Lec, 54 Lab
Letter Grade only
Prerequisites: PHYS 200 with a grade of "C" or better and MATH 194 with a grade of "C" or better or concurrent enrollment in MATH 194. This course is designed to give an understanding of the fundamental principles of physics in the areas of waves, heat, light, relativity, quantum mechanics and atomic physics. (CSU, UC)

**POLITICAL SCIENCE**

**POLS 100** (3.0 UNITS)
*Introduction to Political Science*
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An introduction to the theories, principles, and problems of modern political life and the methods of studying and acquiring political knowledge. Illustrative materials drawn primarily from the American experience. (CSU, UC)

**POLS 102** (3.0 UNITS)
*American Government and Politics*
Term Hours: 54 Lec, 0 Lab
Letter Grade only
The origin, development and operation of local, state and national political institutions within the United States emphasizing the contemporary operations of the American political system. (CSU, UC)

**POLS 104** (3.0 UNITS)
*Comparative Politics*
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: POLS 100 or POLS 102
A comparative study of modern political systems. Emphasis upon patterns of political action and problems of decision-making in various cultural contexts. (CSU, UC)

**POLS 106** (3.0 UNITS)
*Introduction to International Relations*
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An introductory course stressing the techniques of analysis of the basic factors making for conflict and adjustment in contemporary international relations. Problems of nationalism and imperialism, elements of national power, causes of war, methods of seeking peace, the role of international organizations, and the foreign policies of the major powers will be considered. Emphasis will be upon contemporary developments. (CSU, UC)

**PSYCHOLOGY**

**PSY 101** (3.0 UNITS)
*Introduction to Psychology*
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: Twelfth grade reading level highly recommended.
An introduction to the study of human behavior and cognition. Includes consideration of many of the major topics in psychology including, but not limited to, the biology of behavior, learning, human development, sleep and consciousness, personality, mental disorders and therapy, and social processes. (CSU, UC)

**PSY 104** (3.0 UNITS)
*Child Growth and Development*
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course examines the major physical, psychosocial, and cognitive/language developmental milestones for children, both typical and atypical, from conception through adolescence. There will be an emphasis on interactions between maturational processes and environmental factors. While studying developmental theory and investigative research methodologies, students will observe children, evaluate individual differences and analyze characteristics of development at various stages. (Same as CDEV 104) (CSU) (UC credit limited. See a counselor.)

**PSY 120** (3.0 UNITS)
*Introduction to Counseling*
Term Hours: 54 Lec, 0 Lab
Letter Grade only
A study of the theory, process, and practice of interviewing and counseling in community service and other counseling situations. The course is designed to assist the student to gain knowledge and develop skills in order to help a client or interviewee in counseling situations. Theories of counseling and basic helping skills will be presented, demonstrated, and practiced. (Same as ADS 120) (CSU)

**PSY 130** (3.0 UNITS)
*Group Leadership and Group Process*
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course will introduce the student to group theory and process, and how groups affect the whole social scene. It will examine membership in, and leadership of, various kinds of groups, emphasizing group process. Consideration will be given to goals and strategies of social change and the necessity for social change in relation to personal and social values. The factors involved in problems of communications, effective emotional responses and personal growth also will be highlighted, emphasizing the group process as a means of changing behavior. (Same as ADS 130) (CSU)
PSY 142 (3.0 UNITS)  
Psychology of Adjustment  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: Twelfth grade reading level strongly recommended.  
A study of the development of effective behaviors. Focuses on individual behavior such as self-control, stress and emotional reactions; self-image, motivation, self-deception, lifespan development and the major psychological theories, which address these behaviors. Effective group behaviors including interpersonal relationships, marriage, sex, and society are also examined. (CSU)

PSY 144 (3.0 UNITS)  
The Psychology of Interpersonal Relationships  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
An exploration of the dynamics of interpersonal relationships. Starting, developing, understanding, and improving one’s relationships with self and others will be the focus of this course. Topics will include love, jealousy, acceptance, listening skills, communication skills, perception of self and others, and self-disclosure. The course involves lecture, discussion, and experiential techniques. (CSU)

PSY 146 (3.0 UNITS)  
Psychology of Human Sexuality  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
A study of the psychology of Human Sexuality. Includes anatomy and physiology of sexual function, sexual dysfunctions, sexually transmitted diseases, infertility, contemporary sexual attitudes and behaviors, sexual deviations, and controversies and implications for the individual and the society. (CSU, UC)

PSY 200 (3.0 UNITS)  
Biological Psychology  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: Successful completion of PSY 101 strongly recommended and twelfth grade reading level highly recommended.  
An exploration of the biological basis of human behavior. The development, structure and functions of the nervous system is thoroughly examined to provide insight into its complex relationship with human behavior, thought, and feelings. The history of neuroscience and methods of scientific inquiry are reviewed. (CSU, UC)

PSY 202 (3.0 UNITS)  
Learning  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: Successful completion of PSY 101 strongly recommended and the twelfth grade reading level highly recommended.  
This course will explore the role of learning in the adaptation of humans and other animals to their changing environment. Research methodology, Pavlovian and operant theories, applications and implications, and higher cognitive processes will be examined. (CSU, UC)

PSY 204 (3.0 UNITS)  
Developmental Psychology: Conception to Death  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
A study of human development from conception to death, including conception, prenatal development, infancy, toddlerhood, preschool years, middle childhood, adolescence, early adulthood, middle adulthood, later adulthood, and death. The course covers psychodynamic theories of development, current research, and major developmental tasks. (CSU) (UC credit limited. See a counselor.)

PSY 206 (3.0 UNITS)  
Social Psychology  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
The study of how personality and behavior are influenced by the social environment. The conceptual and research focus is on the relationship between the individual and society. This course includes such topics as: self-concept and social identity, group behavior and group membership. (Same as SOC 206) (CSU, UC)

PSY 208 (3.0 UNITS)  
Abnormal Psychology  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: Twelfth grade reading level highly recommended, PSY 101, PSY 142 and PSY 200 recommended.  
Covers the major categories of mental disorders listed in the latest version of the "Diagnostic and Statistical Manual of Mental Disorders" (DSM). Draws upon important contributions from various disciplines and theoretical stances. Case studies and research-based explanations are examined. Controversial topics related to mental disorder are explored. (CSU, UC)

PSY 210 (3.0 UNITS)  
Crisis Intervention and Referral Techniques  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Techniques used for brief therapy crisis intervention, intake interviewing and referral will be studied and practiced. Special attention will be given to the process of intervention, admitting, and recording of information as it pertains to alcohol and drug abuse clients. Through an experiential format, participants will learn and practice skills in brief therapy, different levels of client communication and intake interviewing. (Same as ADS 210) (CSU)

PSY 212 (3.0 UNITS)  
Research Methods in Psychology  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: Successful completion of PSY 101 strongly recommended.  
This course introduces students to psychological research reports, as well as methods and critical analysis techniques that may be applied to diverse research studies and issues. (CSU, UC)
PSY 220  (3.0 UNITS)
Practicum
Term Hours: 18 Lec, 108 Lab
Letter Grade only
Recommended Preparation: PSY 101, ADS/PSY 120 or SOC 101
A course designed to provide opportunity for the student in Psychology, Human Relations, or Alcohol and Drug Studies to gain experience under supervised conditions such as those involving mental health, child development, youth corrections, welfare, homes for the neglected, homes for the aged, youth recreation, rehabilitation centers for people with physical limitations, and educational settings. Students will be supervised by qualified instructional staff and professionally trained personnel. (Same as ADS 220) (CSU)

PSY 221  (3.0 UNITS)
Practicum
Term Hours: 18 Lec, 108 Lab
Letter Grade only
Prerequisite: ADS/PSY 220 with a grade of "C" or better.
A continuation of ADS/PSY 220 with emphasis in gaining further experience in the same institution or agency or a different institution or agency. (Same as ADS 221) (CSU)

**SOCIOLOGY**

SOC 101  (3.0 UNITS)
Introduction to Sociology
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An introductory course to the study of society. Major ideas, concepts, and methods in the study of society to include culture, social structure, social stratification, deviance and social control, social change, and marriage in the family. (CSU, UC)

SOC 102  (3.0 UNITS)
Contemporary Social Problems
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course deals with contemporary social problems and will cover those areas that are currently being defined by our society as problem issues. Emphasis will be given to understanding these problems on the societal level, the group level, and from the standpoint of the individual. (CSU, UC)

SOC 110  (3.0 UNITS)
Marriage and the Family
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An introductory course to marriage and the family. Major ideas and concepts include: the history of love and marriage, myths and hidden realities, sex roles, singlehood and pairing, communication and conflict resolution, separation and divorce, remarriage. (CSU)

SOC 150  (3.0 UNITS)
Sociology of Minority Groups
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course includes the study of the theories of prejudice and discrimination of different groups within American society. It will cover an historical analysis of the problems of these groups and typical areas will include racism, sexism, ageism, and ethnic and religious discrimination. (Same as ADS 150) (CSU, UC)

SOC 206  (3.0 UNITS)
Social Psychology
Term Hours: 54 Lec, 0 Lab
Letter Grade only
The study of how personality and behavior are influenced by the social environment. The conceptual and research focus is on the relationship between the individual and society. This course includes such topics as: self-concept and social identity, group behavior and group membership. (Same as PSY 206) (CSU, UC)

SOC 224  (3.0 UNITS)
Criminology
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Recommended Preparation: Completion of ENGL 009 or ENGL 099 and ENGL 019 or ENGL 089
This course explores the nature of crime, measurement and research of crime, the extent of crime, major theories of crime causation, criminal typologies, criminal justice system response to crime, and societal reaction to crime. (Same as AJ 224) (Formerly AJ/SOC 124) (CSU)

**RELIGIOUS STUDIES**

RELS 100  (3.0 UNITS)
Religions of the Modern World
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An introduction to the various contemporary religions of the world with an emphasis on their historical development. Study of the basic beliefs in religions such as Hinduism, Buddhism, Taoism, Confucianism, Judaism, Christianity, and Islam. (CSU, UC)

RELS 104  (3.0 UNITS)
Ethics
Term Hours: 54 Lec, 0 Lab
Letter Grade only
An introduction to significant and typical value theories and systems and of the concrete problems such theories seek to explain. Emphasis placed upon teaching students to critically analyze their own value system. (Same as PHIL 104) (CSU, UC)

**SOCIAL WORK**

SW 220  (3.0 UNITS)
Introduction to Social Work
Term Hours: 54 Lec, 0 Lab
Letter Grade only
A survey course that introduces the field of social work as a profession within the context of the institution of social welfare. Development of an understanding of social work principles, goals, values, and methods through readings and class discussion. An unpaid assignment in an agency setting is required. (CSU)
SPANISH

SPAN 100  (5.0 UNITS)
Elementary Spanish I
Term Hours: 90 Lec, 0 Lab
Letter Grade or Pass/No Pass
Prerequisites: The student must be able to speak and read English. Not open to students with native ability in Spanish. (See SPAN 220). For additional oral practice, concurrent enrollment in SPAN 113 is recommended. The beginning Spanish course is based on a contrastive analysis between Spanish and English and is designed to develop in the English-speaking student rudimentary abilities in the four basic language skills: hearing, speaking, reading, and writing. The main emphasis is on the present tense of both regular and irregular verbs. The student will be familiarized with those features of Hispanic culture which reflect the different frame of reference from which the native speaker of Spanish views the world. (CSU, UC)

SPAN 110  (5.0 UNITS)
Elementary Spanish II
Term Hours: 90 Lec, 0 Lab
Letter Grade or Pass/No Pass
A continuation of SPAN 100 with the main emphasis on the imperfect, preterit, and present perfect forms for both regular and irregular verbs. (CSU, UC)

SPAN 113  (2.5 UNITS)
Beginning Conversational Spanish and Culture I
Term Hours: 45 Lec, 0 Lab
Letter Grade or Pass/No Pass
A course designed to give the student a basic ability in everyday Spanish. The course will emphasize vocabulary building, conversational skills, listening and comprehension, and culture. (CSU)

SPAN 200  (5.0 UNITS)
Intermediate Spanish I
Term Hours: 90 Lec, 0 Lab
Letter Grade or Pass/No Pass
Prerequisite: The student must be able to speak and read English. The student can be successful in SPAN 200 only after having achieved all of the minimal performance objectives specified for both SPAN 100 and SPAN 110. Either a recent course in SPAN 110 or a recent 3 year high school Spanish course with good retention should enable the student to succeed in SPAN 200. A continuation of SPAN 110 covering the uses of all Spanish tenses with special emphasis on the subjunctive and imperative modes. (CSU) (UC credit limited. See a counselor.)

SPAN 220  (5.0 UNITS)
Bilingual Spanish I
Term Hours: 90 Lec, 0 Lab
Letter Grade or Pass/No Pass
Prerequisite: Spanish speaking fluency, native or near-native or 3 years of high school Spanish. The course is designed to develop in the student the four basic language skills of listening, speaking, reading, and writing with a constant comparison between Spanish and English usage. Emphasis will be on the indicative tenses: present, preterit, imperfect, and future. These skills will be explored through reading in the contemporary culture of Spain, Latin America, and the Spanish speaking communities in the United States - Mexican, Cuban, Puerto Rican, and Sephardic. (CSU) (UC credit limited. See a counselor.)

SPAN 221  (5.0 UNITS)
Bilingual Spanish II
Term Hours: 90 Lec, 0 Lab
Letter Grade or Pass/No Pass
Continuation of SPAN 220. Emphasis on the conditional and the subjunctive forms. (CSU) (UC credit limited. See a counselor.)

SPAN 222  (3.0 UNITS)
Bilingual Oral Spanish
Term Hours: 54 Lec, 0 Lab
Letter Grade or Pass/No Pass
An intensive course in oral Spanish for students who have learned Spanish as a native language. It is intended for students who may read well and have good grammar but need more practice in oral structures. This course will include a brief grammar review and discussion of relevant everyday topics of social concern. Concurrent enrollment in SPAN 221 is recommended, but not required. (CSU, UC)

SPAN 223  (4.0 UNITS)
Spanish Reading and Writing
Term Hours: 72 Lec, 0 Lab
Letter Grade or Pass/No Pass
Recommended Preparation: SPAN 210 or SPAN 221. This course is designed to develop reading and writing skills for the student of Spanish. Emphasis will be placed on the process of writing as preparation for upper division work. In addition, the student will review grammar, punctuation, and spelling. Selected readings from Chicano, Spanish American, and Spanish literature will be included. (CSU, UC)

SPAN 225  (3.0 UNITS)
Introduction to Spanish American Literature
Term Hours: 54 Lec, 0 Lab
Letter Grade or Pass/No Pass
Introductory survey of representative movements, authors, and works of Spanish American literature from the Spanish Discovery to the present. Course conducted in Spanish. (CSU, UC)

Imperial Valley College Catalog 2012-2013  www.imperial.edu 297
SPAN 262  (3.0 UNITS)  
Introduction to Chicano/a Studies  
Term Hours: 54 Lec, 0 Lab  
Letter Grade or Pass/No Pass  
This course offers an introduction to Chicano/a studies as an academic discipline, with a focus on the cultural values, social organization, urbanization patterns of the Chicano/a in the U.S., as well as their struggles in education, politics and legislation. Due to the nature of the subject, students will be exposed to some Spanish phrases, words, and expressions. (Same as HUM 262) (CSU, UC)

SPCH 100  (3.0 UNITS)  
Oral Communication  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ENGL 009 or ENGL 099 or higher  
Training in the fundamental processes involved in oral communication with emphasis on organizing material, outlining, constructing, and delivering various forms of speeches. (CSU, UC)

SPCH 110  (3.0 UNITS)  
Advanced Oral Communication  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Prerequisite: SPCH 100 with a grade of "C" or better.  
Advanced training in the preparation and delivery of public speeches with an emphasis on audience analysis and adaptation, and a consideration of the role of public discourse in a democratic society. (CSU, UC)

SPCH 120  (3.0 UNITS)  
Interpersonal Communication  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
This course gives students an opportunity to learn, apply, and improve the practical principles of interpersonal communication. Emphasis is placed on personal, situational and cultural influences on interaction, with attention given to human perception, interpersonal dynamics, listening, conflict management, verbal and nonverbal symbol systems. (CSU, UC)

SPCH 130  (3.0 UNITS)  
Small Group Communication  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: SPCH 100  
This course is designed to assist students in the development of critical thinking and decision-making skills in the small group communication context. An emphasis is placed on the basic elements of critical thinking, such as evidence, reasoning, and language. In addition to examining these basic elements, students become familiar with leadership strategies, discussion techniques and conflict management skills used in groups. (CSU, UC)

SPCH 150  (3.0 UNITS)  
Intercultural Communication  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: ENGL 009 or ENGL 099 and SPCH 100  
This Intercultural Communication course focuses on the study of communication between people of different cultures. The discipline discusses the relationship between culture and communication. An emphasis on social, verbal and nonverbal language codes, communication breakdowns and conflict resolution will be examined. This course is critical to study of all fields that require contact with others and/or awareness of cultural distinctions especially those pursuing a career in speech communications, international business, business, education, social sciences, nursing, mass communications and teaching. (CSU, UC)

SPCH 180  (3.0 UNITS)  
Argumentation and Debate  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
Recommended Preparation: SPCH 100  
An introduction to debate, with emphasis on the creation and refutation of arguments concerning current social, political, and legal issues. (CSU, UC)

THEA 100  (3.0 UNITS)  
Introduction to Theatre  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
An introduction to the art of theatre to include the nature of theatrical presentation, elements of dramatic structure, and the contributions of the playwright, actor, director, designer, technician, and audience. (CSU, UC)

THEA 120  (3.0 UNITS)  
Fundamentals of Acting  
Term Hours: 54 Lec, 0 Lab  
Letter Grade only  
An introduction to the interpretation of drama through the art of the actor. Development of individual insights, skills, and disciplines in the presentation of the dramatic materials to an audience. (CSU, UC)
WATER TREATMENT TECHNOLOGY

WT 110  (4.0 UNITS)
Water Treatment Plant Operator I
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Recommended Preparation: WT 120
This course will provide information needed to operate a basic fresh-water treatment plant as efficiently as possible. Course will consist of water sources and treatment, coagulation and flocculation, sedimentation, filtration, disinfection, corrosion control, taste and odor control, laboratory procedures, and plant operation math. (CSU)

WT 120  (3.0 UNITS)
Computational Procedures Operator I
Term Hours: 54 Lec, 0 Lab
Letter Grade only
This course is designed to give water and wastewater treatment operators a general knowledge of basic mathematics as applied to treatment plant operations. This course includes calculation of treatment plant problems, fractions, decimals, percentages, ratios, proportions, averages, areas, volumes, metric system conversions, and estimation. (CSU)

WT 130  (4.0 UNITS)
Wastewater Treatment Operator I
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Recommended Preparation: WT 120
This course is designed to train operators in the effective operation and goals of the wastewater treatment process. The course will consist of the fundamentals of water cycle, wastewater treatment daily operations, sources and pretreatment of domestic and industrial wastes, interpretation of laboratory results, and process control. (CSU)

WT 140  (4.0 UNITS)
Water Distribution Systems
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Recommended Preparation: WT 120
This course is designed to provide operators with the necessary skills required for the proper installation, inspection, operation, maintenance, repair, and management of water distribution systems. Among the topics covered are: distribution system mathematics, system hydraulics, system design, water mains and valve installation, fire hydrants, water services and meters, backflow and cross-connection control, pumps and motors, occupational safety, utility management, and federal regulations. (CSU)

WT 150  (4.0 UNITS)
Wastewater Collection Systems
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Recommended Preparation: WT 120
This course covers proper installation, inspection, operation, maintenance, and repair of wastewater collection systems. It provides the knowledge and skills to effectively operate and maintain collection systems. It also provides knowledge as to why collection systems affect treatment facilities and how they have a significant impact on the operation and maintenance costs and effectiveness of these systems. (CSU)

WT 210  (4.0 UNITS)
Water Treatment Plant Operator II
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: WT 110 with a grade of "C" or better.
Recommended Preparation: WT 220
This course is designed to give water plant operators a comprehensive understanding of freshwater treatment plant safety, iron and manganese control, fluoridation, softening, demineralization, handling, disposal of process wastes, instrumentation, maintenance, groundwater plant operations, advanced math, rules and regulations, laboratory procedures, and supervisory practices. (CSU)

WT 220  (3.0 UNITS)
Computational Procedures Operator II
Term Hours: 54 Lec, 0 Lab
Letter Grade only
Prerequisite: WT 120 with a grade of "C" or better.
This course provides instruction in entry-level to advanced-level mathematical calculations used in the operation and evaluation of conventional water/wastewater treatment processes and water distribution systems. Course will cover basic geometry, metric conversions, flows, pressure, and chemical dosage as it relates to the water/wastewater industry. Material will parallel some of the problems found on State Certification examinations. (CSU)

WT 230  (4.0 UNITS)
Wastewater Treatment Operator II
Term Hours: 72 Lec, 0 Lab
Letter Grade only
Prerequisite: WT 130 with a grade of "C" or better.
Recommended Preparation: WT 220
This course covers wastewater treatment operations related to maintenance, plant safety, sampling procedures, laboratory procedures, hydraulics systems, process control, activated sludge plants, sludge digestion, solids handling, solving operational problems, record keeping and report writing. (CSU)
WELDING

WELD 100  (5.0 UNITS)
Welding Technology
Term Hours: 54 Lec, 108 Lab
Letter Grade only
A complete basic study of welding technology and safety, the student practices welding techniques for skill development in Shield Metal Arc Welding (SMAW), Gas Metal Arc Welding (GMAW), Gas Tungsten Arc Welding (GTAW), Oxy/Acetylene welding and cutting (OFW, OFC) and Plasma Arc Cutting (PAC). All the welding and cutting processes require proper use of Personal Protective Equipment (PPE) and following shop safety, electrical safety, and safe tool usage. (CSU)

WELD 101  (3.0 UNITS)
Gas Tungsten Arc Welding on Plate
Term Hours: 36 Lec, 72 Lab
Letter Grade only
Recommended Preparation: WELD 100
Theory, practice, and application of Gas Tungsten Arc Welding process on mild steel plate, aluminum, and stainless material. Safe equipment set up, welding symbols, and its application in GTAW process is taught and applied. (CSU)

WELD 102  (5.0 UNITS)
Arc Welding on Plate
Term Hours: 54 Lec, 108 Lab
Letter Grade only
Recommended Preparation: WELD 100
Shield Metal Arc Welding on carbon steel plate. The student develops welding skills to a professional entry level. Follow proper shop safety practices and PPE. Review of Oxy/Acetylene cutting, filler electrode application, blueprint interpretation, welding symbols, joint designs, and proper use of filler gauges to follow the specifications required for fusion and heat input throughout drawing. (CSU)

WELD 103  (3.0 UNITS)
Arc Welding on Pipe
Term Hours: 36 Lec, 72 Lab
Letter Grade only
Recommended Preparation: WELD 100 and WELD 102
Emphasis is on skill development for Shield Metal Arc Welding on carbon steel pipe (open-root) with use of E6010 and E7018 electrodes. Proper use of filler metal and welding joint designs are emphasized throughout the course. Oxy/Acetylene cutting process is used for preparing welding coupons. Safety and PPE (Proper Personal Equipment) is enforced throughout the course. (CSU)

WELD 104  (3.0 UNITS)
Gas Tungsten Arc Welding on Pipe
Term Hours: 36 Lec, 72 Lab
Letter Grade only
Recommended Preparation: WELD 103
Emphasis is on advanced Gas Tungsten Arc Welding on carbon steel, and stainless purged pipe. Proper pipe cleaning, preparation, and fitting along with heat input are emphasized throughout the course. Students will be required to demonstrate safe welding equipment setup, pipe welding in a 6G, 5G and 2G fixed position. (CSU)

WELD 105  (3.0 UNITS)
Flux Core Arc Welding Techniques
Term Hours: 36 Lec, 72 Lab
Letter Grade only
Recommended Preparation: WELD 100
Complete study course in Flux Core Arc Welding process and safety. The course is created to prepare the student for entry welding performance test in manufacturing, fabrication, structural, and shipyard industries. Student will practice welding to build skills in FCAW process. Safety, equipment setup, trouble-shooting, and proper use of measuring tools will be complementing this course. (CSU)

WORK EXPERIENCE

WE 201  (1.0 UNIT)
Employment Readiness
Term Hours: 18 Lec, 0 Lab
Letter Grade or Pass/No Pass
A course that may be taken as a stand-alone or as a companion course related to WE 210 or WE 220. Skills development in the areas of job search, employer contact, résumé writing, applications and cover letter, interviewing techniques, appropriate dress, job-holding practices and on-site learning objectives. A review of factors relating to or contributing to job success, including motivation, attitude, human relations, leadership, personal, as well as, group relationships, and behavior. May be repeated for a total of four units. (CSU)

WE 210  (1.0 UNIT)
General Work Experience
Term Hours: 0 Lec, 63 Lab
Letter Grade or Pass/No Pass
Corequisite: Must be taken in conjunction with WE 201.
A sequence of on-the-job learning experiences designed to assist the student in acquiring desirable work habits, attitudes and career awareness. Current employment for volunteer/unpaid experience need not be related to the students’ educational goal. One unit of credit is earned for each 60 hours of volunteer/unpaid work or 75 hours of paid work, with a maximum of three units per session, students must complete one other course in addition to Work Experience. May be repeated a maximum of three times for a maximum of six units. (CSU)

WE 220  (1.0 UNIT)
Internship
Term Hours: 0 Lec, 63 Lab
Letter Grade or Pass/No Pass
Corequisite: Must be taken in conjunction with WE 201.
A course that is supervised employment extending classroom-based occupational learning at an on-the-job learning site relating to the students’ educational or occupational (major or career) goals. One unit of credit is earned for each 60 hours (3.8 to 15 hours a week) of volunteer/unpaid work or 75 hours (4.7 to 18.8 hours a week) of paid work, with a maximum of 4 units per semester. During a regular semester, students must complete a minimum of 7 units, including Internship. During the summer session, students must complete one other course in addition to Internship. Maximum credit sixteen units. (CSU)
# Mathematics Prerequisite Chart

**IVC Graduation Requirements and Transfer Level Courses**

All Mathematics courses require a grade of "C" or higher to progress to the next level.

### IVC Graduation Requirement - Math 091 or 090 or higher level with "C" or better.

Transfer level courses have a minimum prerequisite of MATH 090 with a grade of "C" or better or a higher level mathematics course. See a Counselor for assistance.

NOTE: Transfer level math course offerings are limited during winter and summer terms. Please check with a Counselor for course availability.
All English courses list a prerequisite that must be met before course may be taken.

All English courses must be completed with a grade of "C" or higher.

Students desiring a higher degree should consult with a Counselor.
NURSING APPENDIX
ASSOCIATE DEGREE (ADN) REGISTERED NURSING

The student who completes the Registered Nursing (RN) Program, approved by the California Board of Registered Nursing, will be eligible to take the National Council Licensure Examination and if successful will be able to provide nursing care to patients and/or clients in a variety of health care agencies as a registered nurse. The curriculum consists of support course work in general education, nursing didactic work, and nursing clinical experience in local hospitals or health care agencies and facilities outside of the county. Admission to the Nursing Program is by application only with defined multi-screening criteria. Applications are available online at www.imperial.edu or in the Nursing and Allied Health Department.

ADMISSION PROCESS
Eligibility and Application *
1. Determine compliance with eligibility requirements and submit proof with application:
   a. Eligible for admission to Imperial Valley College.
   b. Proof of high school graduation or General Educational Development (G.E.D.) certificate.
   c. Be at least 18 years of age at the time of admission.
   d. Meet the Reading competency requirement for graduation.
   e. Meet the Math competency requirement for graduation.
   f. Meet the minimum academic GPA scores:
      1). “Fixed Set” College cumulative GPA of 2.5 or higher:
         • Psychology 101 (PSY 101) (and PSY 204 if taken)
         • English 101 (ENGL 101) (and ENGL 111 or ENGL 201 if taken)
         • Mathematics 090 (MATH 110 or higher if taken)
         • Speech 100 (SPCH 100)
         • Anthropology 102 (ANTH 102) or Sociology 101 (SOC 101)
         • Nursing 100 (NURS 100)
      2). Core Science **: cumulative GPA of 2.5 or higher on each of the following:
         • BIOL 220 Microbiology
         • BIOL 200 Human Anatomy & Physiology I and
         • BIOL 202 Human Anatomy & Physiology II
         OR
         • BIOL 204 Human Anatomy
         • BIOL 206 Human Physiology

2. Re-entry students and advanced placement students must meet all requirements listed above.

3. Transfer students requesting acceptance into the IVC Nursing Program must meet all requirements listed above and comply with the following:
   a. Transfer students must present a letter from the director of the former nursing program, stating the circumstances necessitating the transfer and an evaluation of clinical safety.
   b. Transfer students are not eligible for the IVC Nursing Program, if they were deemed unsafe in the clinical area.
   c. Transfer students are not eligible for the IVC Nursing Program, if they received two or more nursing course grades less than a “C”.

4. Applications will only be accepted during the following two applications periods:
   a. March 1 through March 31 for Fall Admission.
   b. September 1 through September 30 for Spring Admission.
   c. If the last date of the application period falls on a weekend, the following business day at 5:00 PM will serve as the deadline.
   d. Students not accepted to the program will need to resubmit another application. Students are not placed on a wait list.
   e. Applications must be submitted to Nursing and Allied Health Department.

5. Additional Requirements include
   a. Making an appointment with the nursing counselor to discuss transcripts and obtain a ‘major sheet’.
   b. Obtaining a valid social security number prior to entering the program.
   c. Attending a nursing information session when available. Information on the dates and times will be posted on the Nursing page of the IVC website at www.imperial.edu.

6. Credit by Exam:
   Academic credit by examination may be obtained by those whose prior education and/or experience provides the knowledge and skills required to meet the objectives of one or more of the nursing courses. Courses that have a lab component are not open for credit by exam. Students who believe they may be eligible for credit should contact the Nursing Office for advisement. For further information on Credit by Examination refer to the college catalog.

Selection
1. The selection process includes a formula based on the California Community College Chancellor’s Office recommended multi-screening criteria. Contact the Nursing and Allied Health Office for further information.
2. Selections are done by May for Fall entry and November for Spring entry.
3. Students will receive notification at the end of June or end of December, whichever is applicable.

* NOTE: Meeting eligibility does not guarantee admission and the Nursing Program does not maintain a wait list.
** Core science courses: Anatomy must be completed within 10 years and any Physiology or Microbiology must be completed within seven (7) years.
Admission into the Program

1. Prior to starting the program, the student must successfully pass:
   a. Test for Essential Academic Skills (TEAS) exam. Although the TEAS may be repeated 1 time, only the initial TEAS score will be used for points on the selection criteria.
   b. A health examination by a licensed physician or nurse practitioner to determine physical and mental fitness for the role and duties of a student nurse. Available at the Student Health Center
   c. An American Heart Association Basic Life Support course and submit a current copy of the card.
   d. Criminal background clearance and drug screen:
      1) Students who do not pass the background check may not be eligible to participate in clinical training, and may, therefore, be dropped from the program. Students wishing to obtain more information on completing the background check can logon to the American Databank website at [www.sdnebackground.com](http://www.sdnebackground.com)
      2) Students who are known to be actively involved in child, spouse, or elder abuse or involved with drugs, WILL NOT be admitted to the program. Students in the program who are found to be involved with the above, face dismissal from the program.
      3) Students who have been convicted of a misdemeanor or felony are required to disclose this information on their application to take the RN licensure exam. A conviction may affect eligibility to take this exam.
      4) Students who have concerns about these circumstances should contact the CA Board of Registered Nursing at (916) 322-3350 or logon at [www.rn.ca.gov](http://www.rn.ca.gov) before starting the program.

2. Identified alternates for the Program:
   a. Should vacancies become available prior to the start of the term, that space will be made available for those students chosen as alternates.
   b. Alternates will be selected from the remaining list of eligible students based on the stated selection criteria and the number of vacancies available.
   c. If not admitted into that term, the alternates must resubmit another application.

Additional Courses Recommended for Student Success

Students are encouraged to take the following additional requirements for transfer to San Diego State University, if a Bachelor's of Science in Nursing (BSN) degree is desired. Please work with a Counselor regarding the transfer requirements for other institutions.
   a. A Critical Thinking Course: ENGL 111 or ENGL 201 or PHIL 106 or SPCH 180 (3.0)
   b. CHEM 160 Introductory General, Organic & Bio Chem. (5.0)
   c. MATH 119 Elementary Statistics (4.0)
   d. POLS 102 American Government and Politics (3.0).
   e. HIST 120/121 United States to 1877 or United States from 1877
   f. PSY 204 Developmental Psychology: Conception to Death (3.0)

Advanced Placement for LVNs seeking admission to the RN Program:

Imperial Valley College offers three (3) options for LVNs wishing to advance to the RN level. All options are open to students who have an active California LVN license and who meet all requirements for admission as identified in the IVC Catalog; i.e. application, prerequisites, TEAS exam, background check, and drug screen. Admission is based on space availability and prioritization as outlined in the Nursing Handbook. Applications are accepted throughout the year. It is strongly recommended that Advanced Placement students meet with a counselor prior to applying to the nursing program and especially if considering advanced placement Option I or II.

1. LVNs seeking to complete the ADRN Program under Option 1, submit proof of completion of an accredited LVN Program or Armed Services nursing courses deemed equivalent to the LVN level, and a copy of a current LVN California license.

2. Prerequisites

Courses required for the Associate Degree must be complete with a grade of "C" or better and minimum admission criteria is a GPA of 2.5 for the following:
   - SPCH 100 Oral Communication (3.0)
   - PSY 101 Introduction to Psychology (3.0)
   - MATH 090 Intermediate Algebra (4.0)
   - SOC 101 Introduction to Sociology (3.0)
   - ANTH 102 Cultural Anthropology (3.0)
   - ENGL 101 Composition and Rhetoric (3.0)
   - BIOL 220 General Microbiology (5.0)
   - BIOL 200 Human Anatomy & Physiology I (4.0); AND
   - BIOL 202 Human Anatomy & Physiology II (4.0)
   - OR
   - BIOL 204 Human Anatomy (4.0); AND
   - BIOL 206 Human Physiology (4.0)

NOTE: Anatomy must be completed within 10 years and any Physiology or Microbiology must be completed within 7 years.

Math Competency: A score of 7006 or 2006 or higher on the ACCUPLACER™ College Level Mathematics Test OR MATH 091 or 090 (Intermediate Algebra) OR an advanced level mathematics courses with a grade of "C" or higher.

Reading Competency: A score of 6010 or 3006 on the ACCUPLACER™ Reading Test OR ENGL 101 (Composition and Rhetoric) with a grade "C" or higher.

4. Recommended for the major:
PSY 204 Developmental Psychology: Conception to Death (3.0)
(Students wishing to complete a Bachelors of Science in Nursing Program [BSN] may be required to complete such a course)

5. Nursing Program Admission Requirements:
   **Background Screen:** Must pass a criminal background check as a requirement of the clinical agencies.
   **Drug Screen:** Must pass a drug screen as defined by the Nursing Program as a requirement of the clinical agencies.
   **American Heart BLS/CPR Certification:** Must be current.

6. Progression Policy:
   All nursing courses must be taken in sequence and must be completed with a "C" or better with skills and clinical experience courses receiving the equivalent of a 'C' or 'Satisfactory' or better to progress to the next level. Nursing Program graduates must submit a transcript demonstrating successful completion of all course work and graduation prior to sitting for the National Council Licensure Examination for Registered Nurses.

7. Registered Nursing Program Option I Required Courses:
   **Entry into VN to RN Transition**
   NURS 204 Transition Course 3.0
   Student standing at end of course will determine the best placement in the program for student success and includes:
   a. Assessment testing in the areas of OB/Maternal Child and Nursing Fundamentals. A fee is charged for each test which includes study materials.
   b. A medication administration exam which must be passed with a 92% score. Students will have three (3) attempts to pass this exam.
   c. A practical skills test to determine safety and proficiency regarding basic principles of nursing practice.
   d. Course grade, exams, assessments, skills test, and instructor recommendation will determine the student's most appropriate placement in the RN program.

   **Semester 3:**
   NURS 224 Psychiatric Nursing 2.0
   NURS 225 Psych. Nursing Applications (Clinical) ** 1.0
   NURS 211 Nursing Skills Laboratory III 1.0
   NURS 231 Nursing Process and Application III 8.5

   **Semester 4:**
   NURS 221 Nursing Skills Laboratory IV 1.0
   NURS 230 Nursing Trends 1.0
   NURS 241 Nursing Process and Application IV 8.5

   **Clinical experience may include a rotation outside of county**

   Total Nursing Units 26.0
   Total Prerequisites and Degree Requirements 31.0
   Total Units for Degree 57.0

8. Option II - 30-Unit Option (Non-degree)
   1. This option was established by the CA Board of Registered Nursing for LVNs seeking to become eligible for their RN license. More information is available on the Board of Registered Nursing website at www.rn.ca.gov

   2. LVNs seeking the 30-Unit Option must submit proof of completion of an accredited LVN Program or Armed Services nursing courses deemed equivalent to the LVN level, a copy of a current LVN California license, and a signed Disclaimer Form indicating the requirements and limitations of the 30-Unit Option are understood.

   3. The program requires students to complete eight (8) units of prerequisite courses. All courses required for Option II – 30 Unit Option must be completed with a grade of "C" or better.

      a. BIOL 220 General Microbiology (5.0)
         and
      b. BIOL 202 Human Anatomy & Physiology II (4.0)
         or
      c. BIOL 206 Human Physiology (4.0)

   Core science courses must be completed within seven (7) years

   *Human Physiology cannot be substituted with the Human Anatomy course.
   Note: Anatomy must be completed within 10 years and any Physiology or Microbiology must be completed within 7 years.

4. Non-Associate Degree status: Students who complete Option II may apply to take the National Council Licensure Examination (NCLEX) only as a Non-Degree candidate. If successful, the student will become licensed as a RN by the Calif. Board of Registered Nursing. Endorsement of a non-degree RN in other states is questionable. At the time of application, students must sign and submit a Disclaimer Form indicating they understand the requirements and limitations of this option.

5. Nursing Program Admission Requirements:
   **Background Screen:** Must pass a criminal background check as a requirement of the clinical agencies.
   **Drug Screen:** Must pass a drug screen as defined by the Nursing Program as a requirement of the clinical agencies.
   **American Heart BLS/CPR Certification:** Must be current.

6. Progression Policy
   All nursing courses must be taken in sequence and must be completed with a "C" or better with skills and clinical experience courses receiving the equivalent of a 'C' or 'Satisfactory' or better to progress to the next level. Students completing Option II – 30 Unit Option must submit a transcript demonstrating successful completion of all course work prior to sitting for the National Council Licensure Examination for Registered Nurses.
7. Registered Nursing Program **Option II Required Courses:**

**Semester 3:**
- NURS 224 Psychiatric Nursing 2.0
- NURS 225 Psych. Nursing Applications (Clinical)** 1.0
- NURS 231 Nursing Process and Application III 8.5
- NURS 211 Nursing Skills Laboratory III 1.0

**Clinical experience may include a rotation outside of county**

**Semester 4:**
- NURS 241 Nursing Process and Application IV 8.5
- NURS 221 Nursing Skills Laboratory IV 1.0

**Total Nursing Units** 22.0
**Total General Education/Support Courses** 8.0
**Total Units for Degree** 30.0

Highly recommended for successful completion of the major:
- NURS 204 Nursing Transition 3.0
- NURS 230 Nursing Trends 1.0

**OPTION III - Generic Program**
The LVN may choose the option of taking the entire Registered Nursing curriculum. Applicants are encouraged to consider Option I or Option II unless they have been away from nursing for a prolonged period and feel the need to consider this option.

**VOCATIONAL NURSING (VN) PROGRAM**
The Vocational Nursing Program, approved by the California Board of Vocational Nurse and Psychiatric Technicians, is a three (3) semester program designed to qualify the student to take the National Council Licensure Examination (NCLEX) for Licensed Vocational Nurses (LVNs). If successful, the student may then be employed as a LVN in a variety of settings. Duties within the scope of practice of an LVN typically include, but are not limited to, provision of basic hygiene and nursing care, measurement of vital signs, basic client/patient assessment, medicated intravenous therapy and blood withdrawal (with VN Board certification).

**Admission Process**
Admission to the VN Program is by special application, which is available in the Nursing Education Office or from the IVC website at www.imperial.edu. Applications are accepted every three semesters during the month of March for a fall admission or September for a spring admission. Please contact the Nursing Education Office to verify the fall or spring admission.

**Eligibility and Application** *
1. To be eligible for consideration, the applicant must:
   a. Be eligible for admission to Imperial Valley College.
   b. Submit proof of high school graduation or General Educational Development (G.E.D.) certificate.
   c. Be at least 18 years of age at the time of admission.
   d. Be in adequate health to perform the duties of a nurse.
   e. Submit copies of college transcripts indicating completion of the following college level courses, with an overall College GPA of 2.0 or higher:
      1) ENGL 101 Composition and Rhetoric (3.0)
      2) BIOL 090 Anatomy & Physiology for Health Occupations** (3.0)
      3) AHP 100 Medical Terminology (3.0)
      4) PSY 101 Introduction to General Psychology (3.0)

   * NOTE: Meeting eligibility does not guarantee immediate admission and the Nursing Program does not maintain a wait list.
   ** Core science courses must be completed within seven (7) years.

2. Additional Requirements include
   a. Making an appointment with the nursing counselor to discuss transcripts and obtain a 'major sheet'.
   b. Contacting the Nursing and Allied Health for further details.
   c. Ensuring the student has a valid social security number prior to entering the program.

3. **Credit by Exam:**
   Academic credit by examination may be obtained by those whose prior education and/or experience provides the knowledge and skills required to meet the objectives of one or more of the nursing courses. Courses that have a lab component are not open for credit by exam. Students who believe they may be eligible for credit should contact the Nursing Education Office for advisement. For further information on Credit by Examination refer to the college catalog.

**Selection for Admission:**
1. Applicants are considered by a selection committee. Students are encouraged to complete all course work before submitting an application. More information is available on the IVC website at www.imperial.edu Nursing and Allied Health.

2. Prior to starting the program, the student must successfully pass:
   a. A health examination by a licensed physician or nurse practitioner to determine physical and mental fitness for the role and duties of a student nurse.
   b. Criminal background clearance and drug screen:
      1) Students who do not pass the background check may not be eligible to participate in clinical training, and may, therefore, be dropped from the program. Students wishing to obtain more information on completing the background check can logon to the American Databank website at www.sdnsebackground.com
      2) Students who are known to be actively involved in child, spouse, or elder abuse or involved with drugs, WILL NOT be admitted to the program. Students in the program who are found to be involved with the above, face dismissal from the program. In the State of California, a convicted child abuser will never be allowed to obtain an RN license.
      3) Students who have been convicted of a misdemeanor or felony are required to disclose this information on their application to take the LVN licensure exam. A conviction may affect eligibility to take this exam.
4) Students who have concerns about these circumstances should contact the CA Board of Vocational Nursing and Psychiatric Technicians or logon at www.bvnpt.ca.gov before starting the program.

   c. An American Heart Association Basic Life Support course and submit a current copy of the card.

3. Identified alternates for the Program
   a. Should vacancies become available prior to the start of the term, space will be made available for those students chosen as alternates.
   b. Alternates will be selected from the remaining list of eligible students based on the stated selection criteria and the number of vacancies available.
   c. If not admitted into that term, the alternates must resubmit another application.

**Associate Degree or Certification Options for Vocational Nursing**

The Vocational Nursing Associate Degree Program is designed to provide the education necessary for licensure and practice as a Licensed Vocational Nurse (LVN). The VN Program has two options for completion and the decision should be made after meeting the academic counselor.

1. An Associate of Science Degree in Vocational Nursing requires additional degree courses along with all required courses for the program
   
   SPCH 100 Oral Communication 3.0
   PE 100 Lifetime Exercise Science 2.0
   PE Elective Activity Course 1.0
   Humanities Elective 3.0
   American Institutions Requirement 6.0
   Meeting the Reading competency requirement for graduation.
   Meeting the Math competency requirement for graduation.

2. The Certification in Vocational Nursing requires additional degree courses. All required courses must be completed with a minimum grade of “C.”
   * Prerequisites
   * Vocational Nursing Program Required Courses.

**Vocational Licensure:**

More information on the vocational nurse licensure process can be obtained from the California Board of Vocational Nurse & Psychiatric Technicians’ website at www.bvnpt.ca.gov.
PEACE OFFICER STANDARDS AND TRAINING (POST) APPENDIX

The California Commission on Peace Officer Standards and Training (POST) has established training criteria that is used in the training and education of all law enforcement officers in the State of California. POST directs the training and presentation requirements based on the legislative language and each certification requirements. The student who completes the courses listed below will be eligible to take the course specific certification exams as outlined by the Commission on POST and if successful, to act at the level authorized by that specific certification level.

Imperial Valley College, through the Public Safety Department and the Health and Public Safety Division, has joined with POST in presenting that training at the college. The Training Center at IVC currently presents three Certificate Programs through the Administration of Justice Degree Program. Those Certificate Programs are:

- **AJ-141 Arrest and Control/Firearms**  
  (Earns a 832 P.C. Certificate)

- **AJ-160 (Formerly AJ 142) Regular Basic Course Modular Format Level III**  
  (Earns a Level III Reserve Certificate)

- **AJ-162 (Formerly AJ 144) Regular Basic Course Modular Format Level II**  
  (Earns a Level II Reserve Certificate)

The California Reserve Peace Officer Program (RPOP) is composed of members of our society who choose to dedicate a portion of their time to community service by working as part-time employees or volunteers with law enforcement agencies. These officers work with full-time regular officers to provide law enforcement services at the city, county, district and state levels. Approximately 600 law enforcement agencies currently employ nearly 6200 reserve officers.

Reserve peace officers may perform a number of general and specialized law enforcement assignments, including but not limited to: uniformed patrol, investigations, search and rescue, special events, translators, and computer specialists.

Additionally, those candidates that complete the Regular Basic Course Modular Format Level I Certificate Training Program are eligible for employment as full-time Law Enforcement Officers. The training provided through the Modular Format is the exact same training that is provided in every POST regulated training program in the State of California. It is broken down into a training format that allows working adults and full-time students to participate in the program without giving up their full-time jobs or quitting school.

The following courses have mandated eligibility requirements that must be completed prior to enrolling. Please contact the Administration of Justice/POST Department for further information.

Eligibility Requirements for AJ 141 Arrest and Firearms

AJ 141 Arrest and Firearms meets the requirements for a PC 832 Arrest and Firearms Course and is the minimum training standard for California peace officers as specified in POST Regulation 1005.

The student who would like to enroll into AJ 141 must meet ALL eligibility requirements listed below.

1. **Department of Justice (DOJ) Clearance Letter**  
   The DOJ clearance must be completed prior to the start of the Arrest and Firearms course (AJ 141).
   a. Students, who do not pass the DOJ clearance process, will not be admitted to the course.
   b. A Department of Justice clearance letter is good for 90 days.
      i. If the 90 days expires prior to the start of class, the student must obtain a new clearance letter.
      ii. Student who change from one AJ 141 class to another in the same semester, same school, and within 90 days, do not need a new clearance letter.
   c. For further information contact the Administrative Justice/POST Department Office

2. Valid California driver’s license.

3. Ability to successfully participate in physical requirements of course.

4. U.S. citizen or have filed for U.S. citizenship.

5. Must have a valid social security number prior to admission

6. Proof of high school graduation or GED

7. Be at least 18 years of age at the time of admission

Eligibility Requirements for AJ 160 (Formerly AJ 142) Regular Basic Course Level III

AJ 160 (Formerly AJ 142) Regular Basic Course Level III – successful completers that have been appointed by a law enforcement agency may perform specified limited support duties, and other duties that are not likely to result in physical arrests, while supervised in the accessible vicinity by a Level I reserve officer or a full-time regular officer. Additionally, Level III reserve officers may transport prisoners without immediate supervision. See specified requirements in Penal Code sections 830.6(a) (1) and 832.6(a) (2).

The student who would like to enroll into AJ 160 must meet ALL eligibility requirements listed below.

1. Complete and submit an application with all requested information attached 2 weeks prior to the start of the semester.

2. **Department of Justice (DOJ) Clearance Letter**  
   The DOJ clearance must be completed prior to the start of the course.
   a. Students, who do not pass the DOJ clearance process, will not be admitted to the course.
   b. A Department of Justice clearance letter is good for 90 days.
      i. If the 90 days expires prior to the start of class, the student must obtain a new clearance letter.
      ii. Students who change from one AJ 160 class to another in the same semester, same school, and within 90 days, do not need a new clearance letter.
   c. For further information contact the Administrative Justice/POST Department Office
3. Valid California driver's license.
4. Ability to successfully participate in physical requirements of course.
5. U.S. citizen or have filed for U.S. citizenship.
6. Must have a valid social security number prior to admission
7. Proof of high school graduation or GED
8. Be at least 18 years of age at the time of admission
9. Highly Recommended – Completion of AJ 141 Arrest and Firearms prior to starting AJ 160

**Eligibility Requirements for AJ 162 (Formerly AJ 144) Regular Basic Course Level II**

AJ 162 (Formerly AJ 144) Regular Basic Course Level II – successful completers who have been appointed by a law enforcement agency may perform general law enforcement assignments while under the immediate supervision of a peace officer who has completed the Regular Basic Course. These officers may also work assignments authorized for Level III reserve officers without immediate supervision. Specified in Penal Code sections 830.6(a)(1) and 832.6(a)(2)

The student who would like to enroll into AJ 162 (Formerly AJ 144) must meet ALL eligibility requirements listed below.

1. Complete and submit an application with all requested information attached 2 weeks prior to the start of the semester.
   a. Verification of completion of AJ 160 (Formerly AJ 142) RBC Level III or Reserve Peace Officer Level III certification as a Level III officer is required
   b. If the student has obtained their Level III at another college then the student needs to request a free POST profile at [http://www.post.ca.gov/general-questions.aspx](http://www.post.ca.gov/general-questions.aspx).
   c. If a student does not enroll into the Reserve Officer Level II course for over a year, they must take the End of Course Proficiency Examination for Modular III. The student can make an appointment with the POST Coordinator at 760-355-6279 to schedule an appointment to take the examination. Upon successfully passing this Examination, the student will be able to enroll into the Reserve Officer Level II course.
   d. The completion date of the Level III course is the date listed on the POST profile.
2. Department of Justice (DOJ) Clearance Letter
   The DOJ clearance must be completed prior to the start of the course.
   a. Students, who do not pass the DOJ clearance process, will not be admitted to the course.
   b. A Department of Justice clearance letter is good for 90 days.
      i. If the 90 days expires prior to the start of class, the student must obtain a new clearance letter.
      ii. Student who change from one AJ 162 class to another in the same semester, same school, and within 90 days, do not need a new clearance letter.
   c. For further information contact the Administrative Justice/POST Department Office

**RESERVE PEACE OFFICER PROGRAM**

The State Legislature and the Commission on Peace Officer Standards and Training (POST) have established three levels of reserve peace officer to provide flexibility to law enforcement agencies. Imperial Valley College offers Level III and Level II training. Reserve peace officers are required by Commission Regulations 9050-9055 to meet the same selection standards (e.g. personal history investigation and medical and psychological screening) as full-time regular officers. Commission Regulation 1007(a) outlines the minimum training requirements for reserve peace officers. Please contact the Administrative Justice and POST Department Office for further information regarding the requirements.

Associate Professor, English as a Second Language
M.A., Minnesota State University
M.E, Kaluga State Teacher's Training University
B.A., Kaluga State Teacher's Training University

GRETZ, SUZANNE
Professor, History
M.A. California State University, Fullerton
B.A. University of California, Santa Barbara

HANSINK, TODD
Professor, Business
M.P.A., Brigham Young University
B.S., Brigham Young University

HARRIS, DIANE
Professor, English as a Second Language
M.A., California State University, Fresno
B.A., California State University, Fresno

HEGARTY, CAROL
Associate Professor, Art
M.F.A., School of the Art Institute of Chicago
B.F.A., School of the Art Institute of Chicago

HERNANDEZ, OSCAR
Assistant Professor, Mathematics
B.S., San Diego State University

HEUMANN, MICHAEL
Associate Professor, English
Ph.D., University of California, Riverside
M.A., University of California, Riverside
B.A., University of California, Riverside

HOLT, STEVE
Associate Professor, Emergency Medical Technologies
A.S., Imperial Valley College

HOPPE, FRANK
Reference Librarian, Assistant Professor
M.L.I.S., University of California, Los Angeles
B.A., Antioch University

HORTON, SIDNE
Professor, Exercise Science, Wellness & Sports
M.S., California State Polytechnic University, Pomona
M.A., California State University, Sacramento
B.A., California State University, Long Beach

HOWELL, KEVIN
Assistant Professor, English as Second Language/Reading
M.S., Suny Cortland
M.A., Suny Binghamton
B.A., Temple University

JACOBSON, ERIC
Professor, History
M.P.A., California State University, Hayward
B.A., California State University, Hayward

JEPPSON, ROSALBA
Assistant Professor, Nursing
M.S., University of Phoenix
B.S., University of Phoenix
A.S., Imperial Valley College

KALIN, JANEEN
Counselor, Professor
B.A., California Polytechnic State University
M.A., California Polytechnic State University, San Luis Obispo

KELLY, NANNETTE
Professor, Art and Humanities
Ph.D., The Union Institute
M.A., Southern California School of Theology, Claremont
B.A., California State University, Fullerton

KITZMILLER, JILL
Assistant Professor, Mathematics
M.A., San Diego State University
B.A., University of California, San Diego

KNAAK, MANFRED
Associate Professor, Anthropology
M.A., San Diego State University
B.A., San Diego State College

LAVERY, RUSSELL
Associate Professor, Astronomy/Physical Science
Ph.D., University of Hawaii, Manoa
M.A., University of Hawaii, Manoa
B.S., University of Massachusetts

LAY, NANCY
Associate Professor, English
M.A., San Diego State University
B.A., San Diego State University

LEHTONEN, ERIC
Professor, Mathematics
M.A., San Diego State University
B.A., San Diego State University

LEON, ALLYN
Associate Professor, Mathematics
M.S., Texas A&M University
B.A., University of California, San Diego

LOFGREN, MARY
Counselor, Professor
M.A., University of Redlands
B.A., University of Redlands

LOPEZ, JOSE
Professor, Automotive Technology
A.S., Imperial Valley College
Cert. Auto Tech., Los Angeles
Trade Technology College
Automotive Master Technician Certification
Automotive Factory Training Certification
B.S., Long Beach State University

LOPEZ, ROSALIE
Counselor, Upward Bound Project Director, Professor
M.Ed., University of San Diego
B.A., San Diego State University

LOVITT, PAIGE
High Tech Center Specialist, Professor
B.S., California State University, Fresno
B.A., California State University, Fresno

LUOMA, CRAIG
Professor, Nursing
B.S.N., Pacific Lutheran University

MARQUEZ, RALPH
Counselor, Professor
M.Ed., University of San Diego
B.A., University of California, San Diego

MARTINEZ, ANDRES
Instructional Media Designer/CIS Associate Professor
M.S., National University
B.A., San Diego State University
A.S., Imperial Valley College

MARTINI, DONALD
Professor, English as a Second Language
M.A., State University of New York
B.A., Louisiana State University, Baton Rouge

MARTY, KEVIN
Associate Professor, Geology
M.S., University of New Orleans
B.S., Central Washington University

MAZEROLL, LORRAINNE
Counselor, Professor
M.A., University of Redlands
B.A., San Francisco State University

MECATE II, JAMES
Professor, Exercise Science, Wellness & Sports
M.S., Brigham Young University
B.S., Brigham Young University

MENDOZA, LIISA
Assistant Professor, American Sign Language
B.S., University of Arizona

MERCADO, MARIA LOURDES
Counselor, Professor
M.A., Point Loma Nazarene University
B.A., San Diego State University
A.A., Imperial Valley College

MILLER, FONDA
Professor, Child, Family, and Consumer Sciences
M.S., Iowa State University
B.A., Otterbein College

MIRANDA, FRANK
Associate Professor, Air Conditioning & Heat Ventilation
Contractors State License

MORRELL, THOMAS
Associate Professor, Biology
Ph.D., Pennsylvania State University
M.S., University of Nevada
B.S., University of Montana
A.A., Columbia Community College

MORRIS, AUDREY
Assistant Professor, English
M.S., Buffalo State University
M.S., University of Oklahoma
B.A., Mercer University

MOSIER, LAURA
Associate Professor, Speech
M.A., San Diego State University
B.A., San Diego State University
A.A., Grossmont Community College
MOSS, SUSAN
Associate Professor, Biology
M.S., University of Florida
M.S., University of Oklahoma
B.A., Mercer University

NAVÉ, NORMA
Counselor, DSP&S Project Director, Professor
M.S., San Diego State University
B.S., San Jose State University

NELIPOVICH, JILL
Assistant Professor, Mathematics
M.A., San Diego State University
B.S., San Diego State University

NILSON, BARBARA
Professor, Mathematics
B.A., San Diego State University

PATTERSON, JAMES
Professor, English
Ph.D., The Union Institute
M.A., Arizona State University
B.A., Grand Canyon University

PAULEY, PATRICK
Associate Professor, Agriculture
Ed.D., Texas Tech University
M.S., California State Polytechnic University
B.S., California State Polytechnic University
A.S., West Hills Community College

PITONES, ROSA
Reference Librarian, Instructor
M.A., University of Arizona
B.A., San Diego State University

PLASCENCIA, JOSE
Counselor, Professor
M.S.W., San Diego State University
B.A., San Diego State University
A.A., Imperial Valley College
A.S., Imperial Valley College

POLOCK-BLEVINS, DIEDE
Professor, Nursing
M.S.N., University of Phoenix
B.S.N., Consortium of California State Universities & Colleges

PONCE, JOSEFINA
Professor, English as a Second Language
M.A., Northern Arizona University
B.A., San Diego State University
A.A., Imperial Valley College

PRADIS, RICARDO
Professor, Automotive Technology
Universal Technical Institute, Phoenix AZ

RANGEL, JAVIER
Assistant Professor, Spanish
Ph.D., University of California, Los Angeles
B.S., California State University, San Diego
A.A., California State University, San Diego
A.A., Imperial Valley College

RAPP, FRANK
Professor, English
M.A., San Diego State University
B.A., San Diego State University

RICE, SYDNEY
Assistant Professor, English as a Second Language
M.A., California State University, Long Beach
B.A., Whitworth College

RIEHELE, BETSY
Professor, Mathematics
B.A., San Diego State University
A.A., Imperial Valley College

ROMERO, YOLANDA
Counselor, Professor
M.A., United States International University
B.A., San Diego State University
A.A., Imperial Valley College

ROWEY, DEIRDRE
Professor, English
M.A., Northeastern University
B.A., University of New Hampshire

RUIZ, ANGELICA
Professor, Business
M.A., California State University, San Bernardino
B.A., Loma Linda University
A.A., Imperial Valley College

RUIZ, JOSE
Associate Professor, Spanish
Ph.D., University of California, San Diego
B.A., San Diego State University
B.A., San Diego State University

SAMPANIEGO, OLIVIA
Assistant Professor, English
M.A., National University
B.A., San Diego State University

SANCHEZ-DOMINGUEZ, ROMANO
Assistant Professor, Spanish
M.A., University of California, San Diego
B.A., University of California, San Diego

SANDOVAL-NEIDIFFER, LILIA
Counselor, Professor
M.A., Point Loma Nazarene University
B.S., San Diego State University
A.S., Imperial Valley College

SCHUEERELL, EDWARD
Professor, English as a Second Language
M.A., University of Illinois
M.A., (Spanish) University of Illinois
B.A., University of Illinois

SHANER, CHRISTINA
Associate Professor, English
M.A., Carnegie Mellon University
B.A., Texas Christian University

SHEPPARD, DAVID
Professor, Child, Family, and Consumer Sciences
M.S., San Diego State University
B.S., Cal State University Fullerton

SHOKOUFI, MARDJAN
Professor, Mathematics
M.S., San Diego State University
B.S., California State University, Northridge

SIGALA, ANA
Counselor, Professor
M.A., Point Loma Nazarene University
B.A., San Diego State University

SIMPSON, SCOTT
Professor, English as a Second Language
M.A., University of Illinois
M.A., Michigan State University
B.A., University of Maine

SOLOMON, LISA
Associate Professor, History
M.A., California State University, Stanislaus
B.A., California State University, Fresno

STATON, M. ROBIN
Professor, Psychology
M.A., West Virginia University
B.A., University of Charleston

SWADON, GLENN
Assistant Professor, French
Ph.D., Universidad Nacional Autonoma de Mexico
M.A., University of California, Berkeley
B.A., University of California, Berkeley

TIRADO, XOCITIL
Assistant Professor, English
M.A., National University
M.S., San Diego State University
B.A., San Diego State University
A.A., Imperial Valley College
Emeritus Faculty

AKERS, H. RUSSELL
Physically Limited
1973-1987

ALBERDA, STANLEY
Dean of Learning Services
1969-1993

ANDERSON, LESLIE
Law Enforcement
1967-1983

ARAGON, RAUL †
Counselor, Professor
1973-2006

ARCHULETA, JOE
Math
1974-2008

BACON, JEANNE
Physically Limited
1973-1985

BANKS, STANLEY †
Sociology
1966-1987

BARKALOW, N.C. †
Law Enforcement
1974-1981

BARKER, MICHAEL †
Anthropology
1968-1979

BEOPE, FRANCES
Counselor, Professor
1975-2012

BERNARD, WILLIS C.
Art
1969-1988

BILEY, PATTI
English
1990-2011

BILLINGS, LANELLE
Business

BILLINGS, ROBERT C.
Physical Ed, Auto Tech
1968-1999

BORCHARD, MARY KAY
Professor, Administration of Justice
P.O.S.T. Coordinator
1983-2006

BRUNARDT, MARTHA †
Nursing
1972-1985

BUCKEL, EILEEN
Dean of Learning Services
1993-2005

CARLSON, MARYLYNN †
Nursing
1984-2009

CARNES, DENNIS †
Biology
1995-2009

CERDA, ERNESTINE
English
1974-2003

CHAMPAGNE, PHILIP
Welding
1971-1989

DePAOLI, JOHN A. †
Superintendent/President
1965-1995

DOMINGUEZ, GILBERT
Superintendent/President
1996-2002

DUFF, JACK
Counseling
1981-1985

FARRAR, LLOYD †
History
1968-1992

FARRIER, PAUL
History
1970-1994

FIELDS, MAX
Health Education/Physical Education
1969-1994

FINLEY, LUTHER †
Engineering
1960-1981

FINNEY, DEE
Physical Education
1967-1981

FISCHER, FRED †
English
1982-2009

FUESSLER, JACK †
Music
1964-1989

GAGE-MOSHER, RONALD
Psychology
2000-2010

GALAMGAM, ADELE †
Assistant Librarian
1969-2003

GARTIN, HERBERT †
Psychology
1966-1978

GENTRY, GLENN A. †
Work Experience
1967-1981

GERARD, ROBERT †
Coord, Special Populations
1988-1993

HANN, CAROL
Professor, English
1975-2006

HANN, RICHARD
Humanities
1967-2003

HEBERT, ROGER
Physical Education
1968-1994

GRIFFIN, WILLIAM †
Business
1961-1992

GUZMAN, CESAR
Counselor, Professor
1975-2011

HIGGINSON, JANE
Environmental Science
2005-2012

HIGGINSON, JAN
Allied Health
2002-2012

HILHOUSE, ROSANNE
English
1963-1999

HUGHES, MERRLYNN
Nursing
1986-1997
