Important IVC Student Information for the Fall 2014 Semester

- Effective Fall 2014 all new students who wish to earn priority registration must complete math and English assessments (or provide approved alternative), complete college orientation and must have an education plan.

- New students that do not meet the above criteria will enroll after the students who have earned priority.

- For priority registration continuing students must be in good academic standing (2.0 GPA) and have not exceeded 90 degree applicable units (not including units in basic English, basic math or English as a Second Language). We encourage students on probation to seek help to improve their academic standing. Student nearing 90 degree applicable units should carefully plan their remaining courses.

- Active-duty military and veterans, current and former foster youth, CalWORKS eligible students, followed by students in Extended Opportunity Programs and Services and Disabled Students Programs and Services will continue to have first priority for registration if they meet the same criteria listed above.

- Your priority registration date and time for Fall 2014 will be noted in the Student Portal in late June.

- California Community College regulations require that concurrently enrolled high school students receive a low enrollment date so as not to displace adult students.

- All students will be able to enroll in up to 16 units during priority registration. Additional units may be added up to 19 units during Open Registration.

- Students can now access DegreeWorks from any computer. DegreeWorks will provide you with an educational plan that determines which classes you may still need to take in order to graduate and/or transfer. Visit the Student Services Computer lab today to learn more about this very useful tool for students.

- Apply for Financial Aid ASAP – assistance with fee waivers, books and other educational expenses is available, but only if you have completed the FAFSA and all related IVC requirements. Check Webstar to determine the status of your financial aid file. You must complete your FAFSA and submit ALL required documents 6 weeks prior to the beginning of the Fall term to determine Fee Waiver and payment eligibility.

- Need an official copy of your transcript? Go to www.imperial.edu/docufide, this site now processes all official transcript requests for IVC.

HELP YOURSELF - READ ALL THESE PAGES BEFORE REGISTERING

Anyone who is a high school graduate, or who is 18 years of age or older and no longer enrolled in high school, is welcome to enroll in Imperial Valley College (IVC). Select high school students who excel in academic areas and are seeking advanced education also may be allowed to enroll.

FOLLOW THESE 7 E-Z STEPS

1. Students who were enrolled past the first 2 weeks of classes in Fall 2013 and Spring 2014 do not need to apply and should skip to Step # 2. **Students who have not attended IVC before or who did not attend one or more of these terms, must first apply for admission.** Go to the IVC homepage at www.imperial.edu and click on **Apply Now.**

   After your online application is received and processed (applications uploaded every hour), an e-mail will be sent to your email address informing you of your admission status or requesting additional information, if needed.

   Foreign students who wish to attend on an F-1 student visa also must submit a completed foreign student application packet in addition to the online application. Contact the Admissions and Records Office or go to www.imperial.edu, click on **For Students and select Admissions & Records.** The application for International Students can be found under **Forms.**

   Students who will still be in high school in Fall 2014 also must submit a **Special Student Application for 11-12 Concurrent Enrollment.** A link to the application packet is provided on the IVC web page at www.imperial.edu. Click on **For Students and select Admissions & Records from the drop down menu.** The Application for High School Concurrent Enrollment can be found under **Forms.** You may also obtain a copy from the IVC Admissions and Records Office or the counseling office of your local high school. Requirements for admission and deadlines are included in the application packet.

2. **Apply for financial aid if you wish to do so.** Many programs are available to help with your educational expenses. Visit the Financial Aid Office in Building 100 or call (760)355-6266 for more information. Staff will be happy to assist you.

3. **If you have attended another college or university, have your official transcript(s) sent to IVC:** Office of Admissions and Records, Imperial Valley College, P.O. Box 158, Imperial, CA 92251-0158. To be official, transcripts must be in unopened sealed envelopes or sent electronically from the reporting institution. If you have taken courses at other institutions which might meet prerequisite requirements, it is crucial you have your transcripts sent immediately. For complete information on transfer of credit to IVC from other colleges or universities please refer to the later section entitled **Transfer Credit.**

4. **Take the IVC assessment tests.** If you plan to take English or math courses, and have not completed course work in those subjects at IVC or another college, before registering you should take the assessment tests in reading, writing, and math. Contact the Assessment Center at (760)355-6447 or visit the IVC Web page at www.imperial.edu and select **For Students** on the top menu bar, then **Student Services** on the left, and then **Assessment Center** also on the left.

5. **Meet with a Counselor** for help in selecting classes to reach your goals. To make an appointment call (760)355-6246. If possible, take copies of your high school and other college transcripts with you.

6. **Register (sign up) for classes** – see following sections to determine when and how to register.

7. **Pay Fees** – see section on **Student Fees.**

WebSTAR - Student*Teacher*Automated*Resources

Application for admission and registration for classes is done online over the internet. Registration is done through **WebSTAR which is available seven days a week.** You may use any computer with an internet connection.

Computers are available for student use on campus in the Admissions & Records Office, Counseling Center or the Library Media Center. When possible, computers in labs also will be available. Employees are available to help students in the Admissions & Records Office.
REGISTRATION (Signing Up for Classes)

Registration is via the internet using WebSTAR except for students who will still be in high school.

Read E-Z Step number 1 on the previous page to determine if you need to complete the online application before signing up for classes.

Refer to the page at the beginning of this booklet entitled Important Dates and Deadlines to determine when registration begins and ends. Register as early as possible to have the best chance of getting the classes you want at the times you wish to take them.

**CAUTION:** Do not wait until deadline dates to register, add or drop classes. If you have any problems, you will need time to resolve them. Some deadline dates may fall on days when the College is closed. Staff members are available only during working hours. If you wait until the last minute to attempt to add or drop, you may not be able to get the help you need and will not be able to successfully complete your transaction.

For instructions on when and how to register read the following sections on: Plan Your Schedule of Classes; Priority Registration Assignments; Register or Add Classes.

**ALWAYS verify you completed the process correctly** after doing any registration transactions (initial registration, adding, or dropping) by reviewing and printing your schedule. See the later section on Review and/or Print Your Schedule. Then review your fees (see later section on Review Fees).

PLAN YOUR SCHEDULE of CLASSES

Pay close attention to when and where the classes meet. When selecting classes using WebSTAR, use the following key for class meeting days:

- M = Monday
- T = Tuesday
- W = Wednesday
- R = Thursday
- F = Friday
- S = Saturday
- U = Sunday

**Examples:**

- MTWR = class meets on Monday, Tuesday, Wednesday and Thursday
- MW = class meets on Monday and Wednesday
- TR = class meets on Tuesday and Thursday

**Some classes are offered off campus.** The six-digit building and room number follow the name of the instructor in the printed Class Schedule. The first three digits are the building and the last three are the room number. For example, 200-203 is Building #200, room 203. Refer to the page containing location codes before the listing of classes for off-campus designations. Most off-campus locations will have alphabetical abbreviations before the room number. For instance, SHS-C-10 is Southwest High School, room C-10.

**Not all classes are offered for the full semester.** In the Class Schedule, all start and end dates are indicated for each course. Each short-term class has an individual set of deadline dates to add, drop, be eligible for a refund, etc. Check with the Admissions and Records Office or your instructor for deadline dates.

By California State law, **you will not be allowed to register for courses that have any overlap of time, or for two classes with the ending time of one being the starting time of the other.** Exceptions will not be made. Plan your schedule so you have enough time between classes to get to the next one. If it meets on a different campus, you will need to allow travel time. Leaving class early or arriving late is not acceptable.

The **maximum number of units for which students may register** is 19 in Fall and Spring, and 9 in Summer. Exceptions might be made for students who have a cumulative GPA of 2.50 or higher and special circumstances. See the Counseling Center. A normal class load in the Fall and Spring Semesters is considered to be 12-18 units plus a PE activity class. Students working full time are encouraged to carry a reduced load.

**Once students have completed a proficiency in a subject area with a C or higher grade, they may not take a lower proficiency level in that subject area.** For example: A student may not enroll in English 009 after having successfully completed English 101. (This does not apply to vocational refresher courses.)

**Prerequisites** are requirements that must be met before courses may be taken. **Corequisites** require that two courses be taken in the same semester. **Recommended preparation** is strongly recommended by the faculty for the student to have a good chance of successfully completing the course. All such requirements are listed under the course title in this Class Schedule and the Catalog. **Prerequisite requirements** must be completed with a C grade or higher.
Course Reference Numbers (CRN) are required for each course for which you wish to register. If using the printed Class Schedule, the five-digit number is listed before the time each class section meets. **Use this worksheet to plan your classes:**

**NEW****PRIORITY REGISTRATION ASSIGNMENTS ****NEW**

Priority registration is available to continuing or former IVC students; assignments are based on the number of total units you have earned at IVC and at any other colleges from which we have received official transcripts and calculated total lower division transfer units (individual course evaluations may not be done yet). **Beginning in the Fall 2014 semester priority assignments will be based on the number of total degree-applicable units you have earned.** Students who have not attended IVC previously after leaving high school are considered “new” students and are not eligible for priority registration for Summer 2014, however **beginning in the Fall 2014 new students who have matriculated will be eligible for priority registration.**

**How to determine your priority registration time:**

1. You probably already know if you are an official participant in the Disabled Student Programs and Services (DSP&S), Associated Student Government (ASG), Athletic Program, ASPIRE & IVUP, CalWORKS or Extended Opportunity Programs and Services (EOPS). If you are uncertain, contact:
   - DSP&S  2100 Building  (760)355-6312  TDD  (760)355-4174
   - ASG, Student Affairs Office  1000 Building  (760)355-6455
   - Athletic Office  Gym  (760)355-6235
   - ASPIRE & IVUP  Transfer Center, 100 Building  (760)355-6274 or  (760)355-6206
   - EOPS  100 Building  (760)355-6407
   - CalWORKS  100  (760)355-6556 or  (760)355-6129

2. Armed Forces: Current or former members of the Air Force, Army, Coast Guard, Marine Corps, National Guard, or Navy are eligible for the first priority group. A request form must be completed one time only and documentation provided (military ID card for current members, DD214 for former members). Contact the Admissions and Records office on the main campus in the Administration Building #10.

3. Foster Youth: Current or former Foster Youth are eligible for the first priority group. A request form must be completed one time only and documentation provided verifying former or current Foster Youth status. Contact the Admissions & Records Office in the Administration Building #10.

4. If you are not a member of one of these special programs and are currently attending IVC or have previously attended after leaving high school, you are a “Current or Former” student.

5. Determine how many degree-applicable units you have earned at IVC and other colleges/universities from which official transcripts have been received and evaluated. Transfer units will include lower division course work only that transfers to IVC. Upper division credit units earned at four-year colleges/universities may transfer to IVC. Check with your counselor.

   Former and continuing students may determine their total by going to the Student Portal and after signing in, clicking on the following selections: WebSTAR, Student Services & Financial Aid, Student Records, Academic Transcript. Transcript Level should be All Levels; Transcript Type should be Web Transcript. Click on “Submit.” Your transcript will be displayed semester by semester. Scroll to the end and under “Earned Hours” review the degree-applicable total.

6. Find your registration day and time on the following **Priority Registration Times** chart or via the Student Portal.
### PRIORITY REGISTRATION TIMES – SUMMER 2014

**PLEASE NOTE:** You may begin the registration process at the time of your priority assignment or later. Students may register for up to 9 units. Priority registration criteria will change beginning Fall 2014. See the IVC website for more details.

Registration for full-term classes must be completed NO LATER THAN Wednesday, June 18 for Summer 2014 and Saturday, August 30 for Fall 2014. Do not wait until deadline dates to register, add or drop classes. If you have any problems, you will need time to resolve them. Staff members are available only during working hours. If you wait until the last minute to attempt to add or drop, you may not be able to get the help you need.

If you need assistance, visit the Admissions and Records Office in the Administration Building, Building 10 or call (760) 355-6101.

After following the instructions in the earlier section entitled Signing On To WebSTAR:

1. Click on Student Services menu.
2. Click on Registration.
3. Click on Add/Drop Classes.
4. If registration activities are on-going for more than one term, you will need to Select a Term. If only one term is possible, that term will be displayed automatically.
5. Click on Submit.
If you have not been enrolled past the first two weeks of classes for two or more semesters, you will receive an error message to inform you that you must apply for readmission before you may register. In that case, you must exit the program and return to the IVC homepage. Then, click on Apply Now. You will not be able to register immediately. After your online application is received and processed, you will receive an e-mail informing you if you have been readmitted or additional information is needed. Applications are uploaded every hour so check your email for messages. Contact the Admissions and Records Office if you have questions or concerns.

6. Scroll to the bottom of the screen.
7. Add Classes Worksheet: This is a handy form to use so you may register for more than one course at a time. If you have already reviewed the printed Class Schedule and know the Course Reference Number (CRN) of the course(s) for which you want to register, input each of them on the worksheet. Then click on Submit Changes.
8. If you do not know the CRNs, click on Class Search. (Instructions continued on next page.)
Class Search: You may search for classes in the Schedule by using any of the criteria offered. If you know the subject and class number such as BUS 126, under Subject, scroll to Business Administration. By Course Number, input 126. At the bottom of the page, click on Class Search.

9. All sections of BUS 126 will be displayed. Select the section you want by clicking in the box before the class.

10. Click on Add to Worksheet. This will return you to the screen showing your Add Classes Worksheet. Scroll to the bottom of the screen to see the CRN in your worksheet.

11. Repeat this process to select all classes for which you wish to register.

12. When done, click on Submit Changes.

13. This takes you back to the Add/Drop Classes screen. Scroll to the bottom. If you have received any registration errors, they will be displayed below the courses for which you were successful in registering. See Most Common Error Messages below.

14. **ALWAYS** verify you completed the process correctly after finishing your transactions by reviewing and printing your schedule. See the later section on Review and/or Print Your Schedule.

15. Review your fees. See later section on Review Fees.

Most Common Error Messages:

**DUPL EQUIV WITH SEC-.....:** You are attempting to register for more than one section of the same course, or for two cross-listed courses such as AG 110 and ENVS 110.

**MAXIMUM HOURS EXCEEDED:** You are attempting to register for more than the number of maximum units allowed: 19 for Fall or Spring Semester, 9 for Summer term.

**PREQ and TEST SCORE ERROR:** You are attempting to register for a course for which you have not met the prerequisite through course work completed at IVC, or accepted in transfer from another college or university (to be evaluated, transcripts must be on file in the Admissions and Records Office). Prerequisite requirements are listed under each course in the Class Schedule and catalog. You may not register for a course for which you do not meet the requirement. Grades of C or higher are required for meeting prerequisites unless otherwise noted.

**REPEAT COUNT EXCEEDS...** : See later section in this Class Schedule on Repeating Courses.

**TIME CONFLICT WITH...:** You are attempting to register for two classes that have an overlap of time or when one ends at the same time as another begins. Registration for both classes is not possible. No exceptions will be made.

### FILLED CLASSES

When classes are filled, a “C” will appear in place of the selection box in front of the class under the Class Search function of WebSTAR. If you attempt to register for a course and the maximum number of seats are already taken, you will receive a message telling you the class is filled. We suggest the following:

1. Go for the sure thing and try to find another class section of the course that still has seats available. Under the “Class Search” function, input the “Subject” and “Course Number” (for example, Art 160). Click on “Class Search at the bottom of the page and all class sections of the course offered will be displayed. Note the following headings:

   - **Cap** – the total capacity of the class; number of total seats possible.
   - **Act** – number of students actively registered at this time
   - **Rem** – number of seats remaining

   Select a class section with seats remaining. If no section with seats remaining is available and classes have not yet started, continue to check online to see if seats have opened up because students have dropped.

2. Students who attempt to register in a class that is closed may now select the option to have his/her name placed on a Wait List. *(Instructions on the next page.)*

3. As a last resort, attend the first class meeting to attempt to receive the instructor’s permission to enroll. If successful, you will be issued an add authorization code by the instructor. Go online immediately and use that code to register.
WAIT LIST PROCEDURES

Students who attempt to register in a class that is closed may select the option to have his/her name placed on a Wait List. Students cannot be added to a wait list IF: (1) it is prior to a student’s registration appointment; or (2) the student is already enrolled, or on a wait list for another section of the same class; or (3) the wait list is full; or (4) the class has started.

Students are added to the wait list for a class on a first-come, first-served basis. As seats become available, students are given the option via their IVC email to add the class in which they are wait-listed.

INSTRUCTIONS:
1. See the earlier sections on Signing On To WebSTAR and Register.

2. To determine if there are Wait List slots available for a class go to Look Up Classes to Add. Select the term and click Submit, Select the Subject and enter the course number (example: select English and 101 for course number). Look at the Wait List numbers under the WL columns. Scroll down and click register.

3. Input the CRN of the class you wish to Wait List.

4. Click on Submit Changes.

5. Click on the Action Box and select Wait Listed. (Note under Status it will list how many students are on the Wait List.)

6. Click on Submit Changes.

7. You will receive an email through your IVC email address if you clear a Wait List and are able to register for the class. Check your emails daily as you will only have 24 hours to register for the class once you clear the Wait List.

8. To drop a Wait Listed class go to the Add/Drop Classes section. Click on the Action Box and select Drop No “W” with a refund.

9. Click on Submit Changes.

Students will not be added to a class IF: (1) the class will cause a time conflict with another class on the student schedule; or (2) the class will cause the student to go over the maximum number of units allowed; or (3) another section of the same course is already on the student schedule; or (4) the student has a HOLD which prohibits registration. The student will be billed immediately once the student has been successfully moved from the wait list into the class and an email notice will be sent to the IVC student email address. Students are responsible for all fees generated from added classes.

The Wait List is only active up to the first day of the semester, after this point an Add Authorization Code from the instructor is required.

ADD AUTHORIZATION CODES

An Add Authorization code is required to register beginning on the first day a class meets whether it is filled or open. Codes may not be input (used) until the first day the class meets.

Add authorization codes are four-digit numerical codes available only from the instructor of the individual class section. Each code may be used by one student only to register for that specific class. Students should attend the first class meeting to request a code. If one is granted, the student to whom it is assigned must input it in WebSTAR to register. Use of Add Authorization code by any other student will be grounds for disciplinary action. Use the code as soon as you obtain it; do not wait until the last day to register. If you encounter a problem, you may not be able to resolve it before the deadline. ABSOLUTE DEADLINE FOR FULL-TERM CLASSES: Wednesday, June 18 for Summer 2014 and Saturday, August 30 for Fall 2014.

INSTRUCTIONS:
1. See the earlier sections on Signing On To WebSTAR and Register or Add Classes for step-by-step instructions for using WebSTAR. (Continued on next page.)
2. Input the CRN of the class for which you wish to register or add to your schedule. If this is a class you have Wait Listed click on the Action Box and select Registered via Web.

3. Click on Submit Changes.

4. You will then receive a message that the course status is INCOMPLETE with a box in which you must input the Add Auth Code. Type it in the box provided.

5. Click on Validate. The code will be checked to make sure it is assigned to the class CRN. If okay, APPROVED or VALIDATED will appear in the space under “Status.” YOUR REGISTRATION IS NOT COMPLETE.

6. Click on Submit Changes. If no other errors appear, “Registered via Web” will appear under “Status.”

7. Verify you completed the process correctly by reviewing your schedule. See the later section on Review and/or Print Your Schedule.

8. Review your fees. See later section on Review Fees.

---

**DROPPING CLASSES**

Maintain control of your own records. As soon as you know you will not be attending a class, DROP IT by using WebSTAR. You will receive grades of F for courses you are no longer attending and have not dropped and those grades will remain on your transcript forever.

Give your fellow students a break. Others may be trying to register for a class you know you will not be attending; drop it so they may be able to take it.

**DO NOT RELY ON ANYONE ELSE; PROTECT YOUR RECORDS.** Instructors MAY drop for nonattendance, but many do not. You are responsible for all classes for which you register. Do not assume you will be dropped for nonattendance. The failing grades you receive will not be changed because you quit attending. The following deadlines are for full-term classes. Short-term classes have unique deadlines – contact the Admissions and Records Office.

Refer to Important Dates and Deadlines at the beginning of this Student Guide.

CAUTION: Do Not Wait until these deadlines to drop. Some fall on days when the College is closed. If you have problems, no one will be available to assist and exceptions will not be made because you did not drop on time.

**WebSTAR Instructions:**

1. Follow the instructions for “Register or Add Classes” until you reach the Add/Drop Classes screen.

2. Click on the arrow in the Action box of the class you wish to drop. The drop status possible for the course at the time you are attempting to drop will be displayed. Click on that status.

3. Click on Submit Changes.

4. Verify you completed the process correctly by reviewing your schedule. See the later section on Review and/or Print Your Schedule.

5. Review your fees. See later section on Review Fees.

**CHANGE GRADING OPTIONS**

If you have registered for a course which allows you to select either the standard letter grading option or P/NP, on your current schedule in WebSTAR on the Add/Drop Classes screen “Standard Letter” will be underlined in the Grade Mode column. If you wish to change to P/NP grading, click on the underlined word. You will be taken to the Change Class Options screen. A drop-down box will appear in the Grade Mode box under the course. Click on the arrow in the drop-down box and select Pass/No Pass. You may also get to this screen by selecting Student Services & Financial Aid, Registration, Change Class Options. (Continued on next page.)
All changes in grading options for full-term courses must be done no later than **Saturday, February 1**. The deadline for short-term courses is the same deadline as to register for the class. Contact the Admissions and Records Office for a specific course deadline.

**CHANGE VARIABLE UNITS**

Some courses may be taken for an optional number of units, with a specific number of hours of participation required to earn the number of units for which you are registered. An example is WE 210, General Work Experience.

If you are uncertain how many units you wish when you register, you should select the smallest number of units. If you register for more units than you are able to complete required hours, you will receive a grade of NP. After meeting with the instructor, you may change the number of units. **The deadline to change is the same deadline as to register for the class.**

**VIEW AND UPDATE MAILING ADDRESS AND/OR TELEPHONE NUMBERS**

After signing into WebSTAR, click on *Personal Information Menu*. Then click on the option you wish to view or update, follow the instructions and provide the information requested. To change your permanent address this must be done in the Admissions & Records Office.

**CHANGE PIN**

If you wish to change your PIN at any time after signing into WebSTAR, click on *Personal Information Menu*. Click on *Change PIN* and follow the instructions and provide the information requested. Call (760) 355-6101 should you need assistance.

**To meet residency requirements for tuition and fee purposes, students must be U.S. citizens or have an immigration status which allows them to establish residency. In addition, they must physically reside in California for at least one year and a day before the first day of classes and establish intent to make California their permanent home at the beginning of that year. Any change in residency status must be dealt with during the first two weeks of the term. See catalog for additional information. A waiver of nonresident tuition may be granted to eligible California high school graduates. Please contact the Admissions and Records Office for more information.

The Student Representation Fee was approved and implemented by student vote. It is used to support student government representatives in stating their positions and viewpoints on behalf of the IVC student body before city, county, and district government, and before offices and agencies of the state and federal government.

The Health Fee is not related to health insurance and is required whether or not students choose to use the services. The Board of Governors (BOG) fee waiver will not cover this fee. Students receiving a BOG will need to pay the fee. Exemptions from the fee may be granted for the following:

- Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization.
- Students who are attending IVC under an approved apprenticeship training program.

The Parking Services/Transportation Fee is required for each vehicle parked on main campus including motorcycles and motorbikes. Vehicle Registration forms may be obtained from the Parking Control Office. The license plate number, make, model, year, and color are required. See section on Parking on Main Campus for more information.
### Malpractice liability insurance

Malpractice liability insurance is required for enrollment in classes with a clinical component such as Nursing, EMT, Paramedic, Nursing Assistant, Medical Assistant. The cost is subject to change without notice by the insurance company.

Students may purchase medical insurance for accidents or illness sustained while they are enrolled. Contact the Student Affairs Office for brochures and costs.

#### FEE PAYMENT

**Tuition and fees are due when you register.** Fees will be charged for all classes not dropped by the deadline to be dropped and be eligible for a refund or fee credit (for full-term classes see Important Dates and Deadlines at beginning of this Student Guide). You should pay as soon as you have registered and have your class schedule set.

Payment may be made by cash, credit card, check, or money order. Students may pay by credit card online through WebSTAR. See Pay by Credit Card in previous section. Payment also may be made by mail or in person at the Cashier’s window in the Administration Building. If paying by check or money order, include your Student ID (User) number (begins with G00) on your check. DO NOT MAIL CASH.

***Available for Spring and Fall Terms only*** IVC has a partnership with a company called Nelnet Business Solutions (FACTS e-Cashier) that provides monthly payment plans (handling fees apply). For more information on this option, please visit: FACTS (e-Cashier) at [www.imperial.edu](http://www.imperial.edu), log into the Student Portal and click on WebSTAR then make the following selections: Student Services Menu, Student Records, Account Summary and click on e-Cashier. Enrolling in this payment plan will not allow you to have access to your transcripts, enrollment verifications, grades, etc., but it will facilitate paying off your fees.

Agency payment: Paperwork for fees paid by outside agencies must be submitted to the Business Office.

#### REFUNDS AND FEES OWED

By California state law, refunds/fee credits can only be given for full-term classes dropped on or before **Wednesday, June 18** for the Summer Term and **Saturday, August 30** for the Fall 2014 semester. Tuition and fees will be owed for all full-term classes not dropped by that date, regardless of attendance. **Short-term classes must be dropped by the ten percent point of the class.** See the Admissions and Records Office or your instructor for specific deadline dates.

Students eligible for Financial Aid or who are due a refund will automatically receive an IVC Debit Card. A card will be mailed to the address the student has on file with the College. Students should make sure that their mailing address and e-mail address are correct in WebSTAR. Students will receive an e-mail from HigherOne telling them the card has been sent. As soon as you receive your card from HigherOne (the issuing bank), follow the instructions to activate it and select the method of payment preferred. Refunds and/or financial aid funds will not be issued until you have completed the activation process. If a student made a payment using a personal credit card and would like the refund made back into that same credit card, you must notify the cashier at 760-355-6478 or 760-355-6368 immediately. Unless you notify the cashier before refunds are processed, your refund will be paid through the IVC Debit Card.

**Imperial Valley College students receiving federal financial aid (Title IV funds) who do not attend any classes will be required to repay all of the funds they received.** Students who withdraw from all classes prior to completing more than 60% of the semester will have their financial aid eligibility recalculated based on the percentage of the semester complete, and will be required to repay any unearned financial aid they received. For additional information, contact the Financial Aid Office in the Counseling Center.

#### GRADES AND TRANSCRIPTS

You may view and print an unofficial transcript of grades earned at IVC using WebSTAR. Grade reports are not mailed.

Official transcripts must be requested through [Parchment](http://www.imperial.edu/docufide). Allow up to five working days for your request to be processed. A link to an informational flyer (which includes steps to creating an account and to request transcripts) is found at [www.imperial.edu](http://www.imperial.edu), click on Request Your Transcripts.

#### REPEATING COURSES

**Students who receive a grade of D, F, NC or NP in a course may repeat that course one time to earn a better grade.** To repeat a course a second time a student will need to petition to repeat. After the second and/or third grade is earned, the previous grades and
credits will no longer be included in the calculation of the GPA. All grades will continue to be shown on the student’s transcript. Also students now will only be allowed to repeat a class two times for a total of three enrollments to include the following evaluative and/or non-evaluative symbols: D, F, NC, NP or W.

Some courses, such as PE activity courses, are designated as repeatable in the Class Schedule up to a maximum number of times. Unless designated as repeatable, students are not eligible to repeat courses in which they have earned grades of A, B, C, CR or P except where special circumstances exist. Justifiable circumstances may include a significant lapse of time since the course was taken and the course is needed to meet a recency requirement on the course by the district or another institution of higher education to which the student seeks to transfer, extenuating circumstances or the course is needed for employment or licensure.

To petition for an exception based on special circumstances, obtain the necessary form from the Admissions and Records Office or Counseling Center. The forms are also found online at www.imperial.edu. Click on Admission, Registration, Student Records and then Repeat Petitions or Requests. Petitions submitted after the late registration period will not be considered for the current term. If permission to repeat a course in which a grade of C or higher has been earned is granted, the new grade will appear on the transcript but will not be computed in the GPA, nor will additional credit be granted. Refer to the college catalog for additional exceptions and regulations regarding repeating a class.

NAME, PERMANENT ADDRESS AND SOCIAL SECURITY NUMBER CHANGES

Changes must be requested in writing together with appropriate, required documentation. Contact the Admissions and Records Office for additional information.

PARKING ON CAMPUS

Parking permits are required for each vehicle parked on campus including motorcycles and motor bikes when classes are in session. Between semesters when classes are not being held, parking permits are not required for student spaces.

Tickets are issued for reserved (faculty/staff), disabled, metered, 15-minute, and no-parking spaces year around.

Ticketing for parking violations in student spaces begins Wednesday, June 18 for the Summer Term and Tuesday, September 2 for the Fall 2014 semester.

Parking Permits may be purchased online through Parking Plus. This enables students to order their semester parking permit online and have the permit directly mailed to them. From the IVC Homepage click on For Students, select Parking Control and then click on Buy your parking permit online. Step by step instructions will be given to order your permit online. Parking permits may also be purchased at the Parking Control Office. Students will be asked to complete a Vehicle Registration Form indicating the license plate number, make, model, year, and color of their vehicle. Refer to the section on Student Fees for costs of permits.

All vehicles utilizing disabled parking must have a state issued identification placard, i.e., Department of Motor Vehicles issued placard or DV plates. Rules regarding parking in Disabled Zones are governed by the California Vehicle code beginning in Section 22507.8 and 21458. Students who have a current California disabled placard are not required to pay for a semester parking permit (must park in disabled or student parking only).

AUDITING CLASSES

Auditing of classes is not permitted. All students attending a class at Imperial Valley College are required to be properly enrolled in that class for credit. Both auditing and casual attendance are prohibited.

Family Education Rights and Privacy Act (FERPA)

All educational records of students who enroll at Imperial Valley College are kept in accordance with the provisions of the Family Educational Rights and Privacy Act of 1974. The following are designated as directory information and are available from the Admissions and Records Office: name, address, phone number, class schedule, dates of attendance, major field of study, awards and degrees received, most recent institution attended, participation in official college activities and sports, weight and height of members of athletic teams, part-time or full-time enrollment status, and photographs. Students who want their information kept confidential must file a petition in the Admissions and Records Office. The entire policy can be found in the college catalog.
CRIME STATISTICS

Crime statistics are available online at www.imperial.edu. Click For Students, select Admissions & Records and then Crime Statistics.

CLASS ATTENDANCE

Students who do not attend the first class meeting WILL be dropped by the instructor immediately following that class. Should readmission be desired, the student’s status will be the same as that of any other student who desires to add a class. Students are expected to attend ALL sessions of the classes for which they are registered. It is the student’s responsibility to contact instructors regarding any absence.

A student may be excluded from further attendance in a class during any term when absences after the close of registration have exceeded the number of class hours which the class meets per week. However, it is your responsibility to drop yourself, not the instructor’s. Dropping after the deadline to drop classes will not be possible.

PROTECT YOUR RECORDS: go online and drop yourself from any course in which you no longer intend to participate. If you do not drop by the deadline to be eligible for a refund or fee credit, you will be required to pay for the class. If you do not drop by the last day to drop that class you will receive a failing grade which will remain on your record forever.

TRANSFER CREDIT

Imperial Valley College (IVC) grants credit for lower-division units earned at institutions of higher education regionally accredited by the Association of Schools and Colleges and/or hold another accreditation recognized by the Council for Higher Education Accreditation (CHEA).

To be considered for transfer credit, students must request that official transcripts be forwarded directly to the Admissions and Records Office from each institution where courses were taken, or present an official transcript in an unopened envelope sealed by the college/university. Transcripts that have been opened by anyone other than an IVC official will not be considered official and will not be evaluated.

Students should arrange for official transcripts to be received as soon as possible after they decide to attend IVC. In addition, an official evaluation to determine applicability of courses to IVC degree or certificate requirements is essential for effective advisement. Official transcripts from all institutions attended must be on file and evaluated by the Admissions and Records Office before students apply to receive a degree, certificate, or general education certification to a California university.

Questions regarding specific courses for which a student is seeking transfer credit should be addressed to the Counseling Center or Transfer Center at IVC.

Credit for Upper Division Course Work

Transfer credit for upper division courses completed at a four-year college or university will not be granted unless an equivalent course is offered at IVC. To be considered, students must complete a petitioning process requiring the recommendation of a counselor and the Division Chair of the appropriate academic subject area.

Credit for Correspondence and Extension Courses

Students may petition to be awarded a maximum of six transfer units for courses completed through correspondence or an extension program. Only lower division courses from regionally accredited institutions will be considered. These units will be applied toward IVC degree or certificate requirements as appropriate.
**Credit for Military Service**

Students who complete at least 180 days of active duty including basic training may receive credit for HE 100 (2 units) and PE 110 (2 units). Instructions for obtaining the credit will be provided by the Veterans Counselor in the Hector L. Lopez Student Services Center in building 100. A copy of the DD214 is required.

Up to a maximum of 12 additional units may be awarded for work completed successfully in military service schools beyond basic training as recommended by the American Council on Education in the *Guide to the Evaluation of Educational Experiences in the Armed Services*.

Students must provide a copy of the DD214 or military service school transcript with a petition for evaluation of military service.

A maximum of 16 units will be granted for military service including 2 each for HE 100 and PE 110, and up to 12 additional units for service schools/training completed.

**Credit for Advanced Placement (AP) Examinations**

Credit will be granted for scores of 3, 4, or 5 on exams of the Advanced Placement Program of the College Entrance Examination Board (CEEB) as listed below. Official transcripts sent directly from the CEEB to the Admissions and Records Office are required. Credit toward an IVC associate’s degree (AA or AS) will be granted according to the chart below. Credit will be granted only after students are enrolled in classes at IVC. After credit has been awarded, if students successfully complete the same course(s) for which they were granted AP credit, the AP credit will be removed from their transcript. Credit cannot be earned twice for the same course. Credit for AP Exams differs with each college or university. Although IVC grants credit for AP Exams, there is no guarantee institutions to which students transfer will do the same. Students will need to have their official AP results re-evaluated by the institution to which they transfer.

**Credit from Foreign Institutions**

Students seeking evaluation of course work completed at a foreign post-secondary institution must provide a transcript and evaluation completed by an approved evaluation and translation service. Information regarding recommended evaluation service companies is available in the Counseling Center and the Admissions and Records Office.
To be considered for possible transfer credit students must complete the following steps:

1. Meet with a Counselor to review the documentation from the evaluation service. The Counselor will make an initial determination regarding whether any of the courses completed may apply to degree requirements at IVC.

2. If the Counselor determines one or more of the courses might apply to a degree at IVC, complete a petition requesting the Division Chair of each academic department involved evaluate the request. The Counselor will assist in the completion of the petition form and referral to the appropriate Division Chairperson(s).

3. Discuss the request for transfer credit with the Division Chair(s). He/she will sign the petition form indicating whether he/she agrees or disagrees with the request.

4. If the Division Chair agrees with the request that credit be granted, submit the petition, transcript and evaluation from the evaluation service to the Admissions and Records Office for the final, official evaluation.

Courses completed at foreign institutions will not meet general education certification requirements for transfer to either of the California university systems, except to validate the foreign language portion of the certification for the University of California.

**BP 5052 Open Enrollment**  
Reference: Title 5 Section 51006

The policy of Imperial Community College District is that, unless specifically exempted by statute or regulation, every course, course section, or class, reported for state aid, wherever offered and maintained by the District, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites as may be established pursuant to regulations contained in Article 2.5 (commencing with Section 55200) of Subchapter 1 of Chapter 6 of Division 6 of Title 5 of the California Code of Regulations.

The policy will be published in the catalog and schedule of classes. See AP 5052

**California Nonresident Tuition Exemption**  
For Eligible California High School Graduates  
(The law passed by the legislature in 2001 as “AB 540”)

**GENERAL INFORMATION**

Any student, other than a nonimmigrant alien, who meets all of the following requirements, shall be exempt from paying nonresident tuition at the California Community Colleges, the California State University and the University of California (all public colleges and universities in California).

**Requirements:**
- The student must have attended a high school (public or private) in California for three or more years.
- The student must have graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam).
- An alien student who is without lawful immigration status must file an affidavit with the college or university stating that he or she has filed an application to legalize his or her immigration status, or will file an application as soon as he or she is eligible to do so.
- Students who are nonimmigrants [for example, those who hold F (student) visas, B (visitor) Visas, etc.] are not eligible for this exemption.
- The student must file an exemption request including a signed affidavit with the college that indicates the student has met all applicable conditions described above. Student information obtained in this process is strictly confidential unless disclosure is required under law.
- Students eligible for this exemption who are transferring to another California public college or university must submit a new request (and documentation if required) to each college under consideration.
- Nonresident students meeting the criteria will be exempted from the payment of nonresident tuition, but they will not be classified as California residents. They continue to be “nonresidents”.
- AB540 does not provide student financial aid eligibility for undocumented alien students. These students remain ineligible for state and federal financial aid.

**THE NONRESIDENT TUITION EXEMPTION FORM IS AVAILABLE IN THE ADMISSIONS OFFICE**

Distance Education

Online (Internet) courses are referred to as Distance Education. Distance Education is an interactive instructional experience in which the learner and the instructor are in separate physical locations for the majority or all of the instructional activities. The various technologies used for delivery of instruction may include some combination of print, voice, video, and data delivered via the Internet. Distance education classes are equivalent to traditional lecture based classes with no distinction made on transcripts to indicate the class was taken via distance education.

Distance education courses may be an attractive option for students:

- Whose work or family commitments do not allow them to attend classes on campus;
- Who cannot commute to campus to take face-to-face courses;
- Who are taking other classes on campus but wish to explore the flexibility distance education provides.

Distance education provides an alternative to the traditional classroom-based format; however, it does place more responsibility on the student to be self-disciplined and to apply solid independent study skills.

Online classes at Imperial Valley College use the Blackboard Learning System®. Blackboard is a web-based course management system. It is an easy-to-use, menu-driven application.

Students must be enrolled in a class to access its Blackboard website. To access Blackboard, go to https://imperial.blackboard.com and log in. Instructors may use a combination of various delivery methods and sites for their courses within the Blackboard learning environment.

How It Works

Students must have reliable access to the Internet to take an online class. Online classes meet on the Internet using a web browser. Features of the web, such as discussion boards, email, computer-based tests, and file uploads/downloads will be used in most classes. Some classes may require face-to-face meetings on campus in order to take tests. Some online classes include video lectures.

Online courses are identified in the schedule as ONLINE where the room number is located. For example:

CIS 050 Online Learning - An Orientation (1 UNIT)
CRN 20654 Time Arranged Days Arranged Instructor Martinez, A Room ONLINE

FINANCIAL AID

Financial aid programs are intended to help eligible students pay for college expenses including books, fees, transportation, and other necessities. Often students assume that they will not qualify for financial aid. The IVC Financial Aid Office encourages students to become informed about the variety of aid programs available to community college students.

Financial aid funds are administered in accordance with federal and state regulations governing financial assistance for education. The basis of the policy is that students and their parents have the primary responsibility for meeting educational costs. The amount of the expected contribution from students and their family is determined by careful analysis of family financial strength, taking into consideration information reported on the Free Application for Federal Student Aid (FAFSA).

Who Qualifies for Financial Aid?
To receive aid, you must:
1. Prove financial need based on federal and state guidelines.
2. Have a high school diploma or GED.
3. Be enrolled as a regular student working toward an eligible degree or certificate.
4. Be a U.S. citizen or eligible non-citizen.
5. Be making satisfactory academic progress.
6. Not be in default on any educational loan or owe a refund on an educational grant.
7. Register with the Selective Service System (applies to male students only).

Free Application for Federal Student Aid (FAFSA)
To apply for financial aid, students must complete the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov. The FAFSA is used to determine eligibility for all state and federal financial aid.

Satisfactory Academic Progress
Continued eligibility for financial aid at Imperial Valley College is dependent upon academic success. Students must maintain a 2.0 GPA or better and complete at least 67% of all coursework attempted, and complete their program within maximum timeframe standards. Failure to meet these standards will result in the loss of all federal and state aid. The BOG Fee Waiver is currently not subject to this academic progress standard.

Return of Title IV Funds
Federal law requires that all students who receive federal Title IV aid and leave school before completing 60% of the term may be required to pay back some or all of the aid received. Detailed information regarding the return of federal aid is available in the IVC Financial Aid Office or on the college website.

California Dream Act
Students who meet AB 540 criteria may apply for State aid by completing the California Dream Act Application. Please contact the Financial Aid Office for more information.

MATRICULATION PROCESS

Matriculation is a process that promotes and sustains the efforts of community college students to achieve their educational goals through a coordinated program of instruction and the use of appropriate college programs and services.

Enrollment at IVC constitutes an agreement in which the college is responsible for:
* Helping students to succeed in their college careers.
* Assisting students in making decisions based on accurate information.
* Offering services and resources for proper course selection.
* Providing an opportunity to develop a Comprehensive Student Educational Plan.

Students are responsible for:
* Selecting an educational goal or major by the semester following the completion of 15 semester units.
* Registering for classes.
* Attending class regularly.
* Taking college seriously.
* Meeting with a counselor to develop a Student Educational Plan.
* Requesting additional services when needed.
* Completing their educational goal.

The college may suspend or terminate services to any student who fails to fulfill their responsibilities. However, the college may never suspend or terminate any service for which a student is otherwise entitled under any other provision or law. In addition, any student may challenge any matriculation requirement or regulation using the student petition process.

New matriculating students who complete these basic steps of matriculation prior to enrollment will improve their priority registration, which provides the best opportunity to enroll in preferred classes.

**STEP 1** Complete an Admissions Application.
**STEP 2** Complete the assessment requirements for placement in English and Math classes.
**STEP 3** Complete the online orientation.
**STEP 4** See a counselor prior to registration for help in developing an abbreviated plan.

**EXEMPTIONS**

Students exempt from the matriculation process are those who:
* Have an associate degree or higher.
* Are enrolled in noncredit classes only.
* Are taking classes for personal enrichment or to upgrade job skills.
* Are currently enrolled in high school or another college.

**NOTICE:** Priority registration criteria will change beginning Fall 2014. Visit www.imperial.edu and click on Early Notification of Fall 2014 Priority Enrollment Criteria Changes for more details.

PROCESO DE MATRICULACION

Matriculación es un proceso que promueve y sostiene los esfuerzos de estudiantes de colegios comunitarios para lograr sus metas educacionales mediante un programa coordinado de instrucción y el uso apropiado de programas y servicios.

Inscripción en el colegio constituye un acuerdo en el cual el colegio es responsable de lo siguiente:
* Ayudar al estudiante a lograr éxito en sus estudios.
* Ayudar al estudiante a tomar mejores decisiones.
* Ofrecer servicios y recursos para seleccionar las clases apropiadas que vayan de acuerdo a la carrera del estudiante.
* Proporcionar al estudiante la oportunidad de desarrollar un plan de estudio comprensivo.

El estudiante es responsable de lo siguiente:
* Seleccionar una carrera después del semestre en el cual se cursaron 15 unidades.
* Inscrito en clases.
* Asistir a clases.
* Tomar en serio sus estudios.
* Consultar con un consejero académico para desarrollar un plan de estudio.
* Solicitar servicios adicionales cuando sea necesario.
* Terminar sus metas académicas.

Si el estudiante no cumple con sus responsabilidades el colegio puede suspender los servicios prestados al estudiante. Sin embargo, el colegio no puede suspender ningún servicio al cual el estudiante tiene derecho bajo cualquier otra provisión de la ley. Además, el estudiante tiene el derecho de disputar cualquier reglamento o requisito de matriculación utilizando el proceso de petición estudiantil.

Estudiantes de nuevo ingreso que terminen estos pasos básicos de matriculación antes de inscribirse mejorarán su prioridad de inscripción, la cual les dará la mejor oportunidad para inscribirse en sus clases.

**Primer Paso:** Llenar una solicitud de Admisión.
**Segundo Paso:** Tomar las pruebas de ubicación en lectura, escritura y matemáticas.
**Tercer Paso:** Ver a un consejero académico antes de inscribirse para que le ayude a seleccionar sus clases y desarrollar un plan abreviado.

**EXENCIAS**

Estudiantes a los cuales no se les requiere terminar los 4 pasos de proceso de matriculación son aquellos que:
* Poseen un diploma de colegio o de universidad
* Están inscritos en clases que no están acreditadas.
* Están tomando clases para enriquecimiento personal o para mejorar sus habilidades de empleo.
* Están inscritos concurrentemente en preparatoria o en otro colegio/universidad.

**AVISOS:** El criterio de prioridad de registración cambiará empezando el otoño 2014. Visite la pagina www.imperial.edu y haga clic en Early Notification of Fall 2014 Priority Enrollment Criteria Changes para obtener más detalles.
