WHEREAS the “Agreement between the Imperial Community College District and the Imperial Valley College Chapter of the Community College Association of the California Teachers Association of the National Education Association (IVCC/CCA/CTA/NEA) for Academic Years 2013-2015” states in Article 15.5 “All unit members as part of contract requirements are required to serve on one (1) [sic] recognized campus committee or as the advisor to a recognized, active student club or organization, during each academic year,” and

WHEREAS the number of committee positions combined with the number of club or organization advisor positions at Imperial Valley College is less than the number of full-time faculty at Imperial Valley College,

THEREFORE BE IT RESOLVED that the Academic Senate of Imperial Valley College recommends that the negotiators for the Imperial Community College District and the negotiators for the IVCC/CCA/CTA/NEA reopen negotiations on Article 15.5 to include alternatives to the requirement for all unit members to serve on a committee or as a club advisor, including the possibility of approved special projects to benefit the college as well as the possibility of a discipline or division designee of one or two faculty members to establish and provide expertise in equivalency within each discipline in order to better expedite the equivalency review process.
