a. Agriculture Plant Science Certificate

M/S/C (Gilison/Leon) to approve the revision to the Agricultural Crop Science Certificate to the Agriculture Plant Science Certificate, effective 2015-2016, as presented. The motion carried.

III. Discussion Items

None.

IV. Information Items

1. Nursing Transfer Model Curriculum – Susan Carreon

Susan Carreon explained that the template still needs to come from the Chancellor's Office but the Nursing Department would like to work toward National Accreditation and we would need to try to get to 70 units. Prerequisites to prerequisites would be a concern. More information will be brought to the committee in the fall.

V. Other Items

Michael Heumann – at the senate meeting the committee schedule was discussed; one item was that curriculum would be moved to 12:50 to 1:50 on the first and third Thursday's.

- Frank Rapp commented, as one of the original proponents of campus hour, that the intention was to provide a united campus in providing professional development and to bring students and faculty together through opportunities that could be held during that time. This committee should not be quick to decide to move the time.
- One hour may not be enough time to cover meeting agenda items
- Faculty have selected classes based on being able to attend meetings during campus hour
- There will be opportunities for professional development offered throughout the week for faculty to attend on days they are not attending meetings
- Nicholas Akinkuoye explained that part of the reason for trying to have meetings during this time had to do with the request of ACCJC to have more faculty involvement. This was an opportunity to provide that avenue.

The Spanish for Transfer Degree (ADT) has been approved by ACCJC.

Norma Nunez – reminder about event on Saturday. This is the first year of this event.

VI. Next Regular Meeting: May 21, 2015, 3:05pm in the Board Room

VII. The meeting adjourned at 3:52 p.m.
