Description of the Initiative:

Imperial Valley College is currently modifying curriculum and enrollment procedures in order to be AB705 compliant by Fall of 2019. The California Acceleration Project is having their annual conference in Sacramento February 21-24. This conference is open to all 114 California community colleges and provides opportunities for colleges to learn from each other and to share strategies and materials as we move forward to full AB705 compliance.

New approaches to placement in English, Math, and ESL

- Replacing remedial courses with transfer-level corequisite/concurrent support models
- Redesigned math pathways, including SLAM, BSTEM, and contextualized math for CTE
- ESL curricular structure, placement, pedagogy; supporting students' transition to English classes
- Addressing the reading/writing divide and the role of reading departments post-AB705
- Addressing AB705 implementation challenges
- High-challenge, high-support curricular materials and pedagogy for post-AB705 classrooms
- Supporting students' affective and non-cognitive needs
- Professional development to help faculty teach a broader population of students
- Equity-minded remediation design and instruction
- Providing concurrent support through online/hybrid modes
- Cross-college partnerships for supporting students (e.g., counseling, learning centers, disabled student services)
- Learning from student voices and student work

IVC is sending a team of two math faculty, four English, two ESL, representatives from DSPS, student support services, and possibly two representatives from counseling.

Potential Outcomes:

The goal is to support math, English, ESL, SDSP, student support services, and counseling as we move forward with meeting the AB705 guidelines by Fall 2019.

Expenses:

12 Team Members Hotel and Transportation	\$ 14,000.00
Registration fees	\$ 3,500.00
Total	\$ 17,500.00

Funding Source: Basic Skills Grant
