ACTION ITEMS

1. Student Equity Plan – Second reading (Chronister/Alonso) (Attachment A)

Chair Gilison announced this second reading was a continuation of the action item at the last College Council meeting on November 17, 2014.

Dean Ceasar presented the updated version of the Student Equity Plan.

- He stated revisions were made to the Executive Summary, Evaluation and timelines sections.
- Attachments include the Board Policy 5300 regarding Student Equity and the Integrated Planning Model, which shows the plan's integration into the overall planning model of the college.
- He restated the plan addresses the disproportionate impact in student success on certain student populations including gender, ethnicity, age, economic status, veterans and foster youth.
- He identified the five student success areas as access, course completion, ESL and basic skills completion, degree and certificate completion, and transfers.

Dean Aguirre suggested that under the section entitled Campus-Based Research, Section C. ESL and Basic Skills Completion, some of the column headings be changed to clarify the data; specifically the data relating to male/female and ethnicity.

Dean Ceasar stated he would point out the suggestion to Researcher Jose Carrillo and make the necessary clarification.

M/S/C Chronister/Alonso to accept the Student Equity Plan with suggested changes.

Motion carried.
