*M/S/C Baukholt/Mazeroll to approve the minutes from April 26, 2016 as submitted.
M/S/C Beckley/Campos to approve the agenda as submitted*

III. NEW BUSINESS

Dean Martinez-Inzunza introduced himself to the committee and expressed his excitement in being part of the college.

a. Review Mission Statement

The committee's mission statement was reviewed. Dean Martinez-Inzunza emphasized the primary function of the committee which is student life and discipline hearings. No major activity shall be held without having a policy in place.

The Disciplinary subcommittee reviews discipline hearings. Hearings are scheduled as an on-needed basis.

b. Cultural Festivities on Campus for Community Wide Participation

Several cultural festivities will be taking place this semester. The Associated Student Government will be coordinating and inviting all the campus clubs to participate. This serves as motivation and enhancement for students. Community involvement is important and the ASG will reach out to them to show what the students are doing. Dean Martinez will work in writing a purpose statement for cultural activities which will then be presented to this committee for review.

The ASG invites Committee members to join them in celebrating National Hispanic Heritage, Friday, September 30, 2016 from 6:00 p.m. to 8:00 p.m. in the Amphitheater area. Several activities are being planned for this particular event. Mariachi Mixteco will perform the first hour. The first 150 attendees will receive two free crunchy tacos. Additional tacos will be provided at a discounted price.

c. Student of the Month award for each Academic Department, Division and IVC

Dean Martinez-Inzunza would like to begin a Student of the Month award. Each department within their division will nominate a student which will then be submitted to Student Affairs. The student selected will be recognized in our local newspaper with their photo and brief bio as well as the faculty member who submitted the nomination.

ASG President Bermudez volunteered to share this with Academic Senate and will report back to this committee.

d. IVC House of Student Delegates

Dean Martinez-Inzunza expressed his enthusiasm in being able to begin a House of Student Delegates on campus. Student delegates will be elected by alumni of their graduated high school and will then serve as delegates at the high schools. Student delegates will be like mentors and will represent future IVC students. Committee member Mazeroll objected to this idea due to the fact that students often times are trained and still misinformed students. Dean Martinez-Inzunza stated that student delegates will be very well assessed and trained. This is still at the beginning stage and nothing has been yet finalized.

e. Foundation scholarship participation, Academic Scholars

Scholarships for high academic achievements will be available for students soon. This scholarship will also be made available for vocational courses.

IV. ANNOUNCEMENTS

There was consensus to select Dr. Jeff Beckley as the Disciplinary Appeals Hearing Chairperson for the 2016-2017 academic year.

V. ADJOURNMENT - The meeting was adjourned at 1:39 p.m.

VI. NEXT MEETING – Thursday, October 13, 2016 @ 12:50 p.m.
