IVC Student Health Center

As an Imperial Valley College student your pre-paid session health fee entitles you to a variety of Student Health Services. Pioneers Memorial Healthcare District was selected as the provider for our basic health services such as first aid and care for minor illnesses. The services also include health screenings, health promotion, vaccinations and mental health counseling. Walk-in and appointment services are available and can be accessed by visiting or contacting the Student Health Center (SHC), (760) 355-6310. Services are not available when IVC is not in session.

To access the on-campus or off-campus services offered, every student must:

- 1) bring a current IVC Identification Card,
- 2) bring a current copy of WebSTAR classes, and
- 3) inform the healthcare staff you are a student at IVC.

All students are strongly encouraged to carry outside insurance coverage for situations or issues not covered by Student Health Services. Students needing additional, non-covered services can visit the following locations listed on the right.
