Imperial County Application to Participate in Hemp Research

Grower Contact Information:

Name:

Address:

Phone:

Email:

Field Location: [Include map]

Grower must consent to and comply with the following for the County of Imperial to recommend participation in hemp research to the Imperial Community College District:

- (1) County review of zoning and planning compliance, agricultural compliance, air pollution control compliance and environmental health compliance.
- (2) County site review of the location to verify the identified grower fields.
- (3) Submittal to County of seed records.
- (4) Consent to County to perform random site checks during growing.
- (5) Submittal to County of tests from grower to verify that the crop qualifies as industrial hemp and is in compliance with both state and federal law.

Submit completed application to the Imperial Community College District, specifically to Dr. Christina Tafoya at christina.tafoya@imperial.edu.
