

Behavioral & Social Sciences Department

Agenda

Tuesday, November 13, 2018

1. Holiday Party on Tuesday, December 4
2. Book orders for Winter and Spring are due – please get those to Elvia ASAP if you have not already done so.
3. BSS Department-wide policy regarding students' use of phones, tablets, and laptops during class for implementation beginning Spring semester - attachment
4. FERPA reminder – let's all make sure we are in compliance

You must keep students' personal information private, including grades and G numbers. That means that you should not pass around an attendance sign in sheet that identifies students by both name and ID number since any student can see other students' G numbers associated with their name. Also, if you publically post grades by G number the posting must be randomized and not posted in alphabetical order, even if the names are not included.

5. Fair Use Rules for Copyright – since we are talking legal issues, here's another one - attachment
6. Program Reviews

Comprehensive: Behavioral Science, Elementary Teacher Educ., Geography, and Sociology

Updates: Everyone Else

All program reviews must be completed and submitted by Nov. 30
