Once you have read this document you must return to WebSTAR to accept your Terms and Conditions

1. The Financial Aid Office **reserves the right** to verify all documents submitted for your file along with information provided on your FAFSA **at any time**. During the review process, it may be determined that more documentation or information is needed to resolve conflicting information. Until the additional information is provided, no further processing will be done on your file.
2. Your financial aid information is maintained on WebSTAR and information may be communicated using your IVC email account. It is your responsibility to check WebSTAR and your IVC email account often.
3. Federal regulations require that you and/or your parents file the appropriate Federal Tax Return if your income and/or your parents' income exceeds the IRS filing requirements. If you fail to file a Federal Tax Return when required by the IRS then our office will not be able to continue processing your application.
4. Financial aid awards are processed on the basis of fulltime attendance (12 or more units). If you enroll in less than 12 units per semester your financial aid payments will be adjusted based on your enrollment status at the time of payment according to the chart below:

Enrollment Status	Units
Full-Time	12 or more
$\frac{3}{4}$ -time	9 to 11.5
$\frac{1}{2}$ - time	6 to 8.5
Less than $\frac{1}{2}$ -time	.5 to 5.5

5. Financial aid disbursements will be based on your enrollment status which is determined by the courses you are currently attending or you are scheduled to begin the following week. Enrollment status will be adjusted for late starting classes when those classes are scheduled to begin. Enrollment status will be adjusted down for courses that you drop before the 60% point of the term and funds paid for those courses may be need to be repaid. **Please refer to the Financial Aid Disbursement section on our website for more information and the specific payment dates for each semester.**
6. There is a 600% limit (6 years or 12 full-time semesters) or until you earn a Bachelor's Degree, whichever comes first. If you have received over 600% in Pell Grant for your lifetime, you will no longer be eligible for a Pell Grant. This is federal law and not subject to appeal.
7. You must be enrolled in an approved program of study leading to a degree, certificate or transfer to a four-year college. If you have not done so, see an academic counselor to officially declare a major.

To be in "Good Standing" for Financial Aid, you must meet all of the standards of Satisfactory Academic Progress (SAP). In addition, you may only receive aid for one repeat of a previously passed course and only receive aid for up to 30 remedial units. **Please refer to the Satisfactory Academic Progress section on our website for more information.**

12. You are required to notify the Financial Aid Office of any outside scholarships or other resources that you receive for or during the academic year. Federal financial aid regulations require that we record your outside funding as a financial resource and add it to the total financial aid package we have offered you. If your total aid from all sources (including the outside funds) exceeds your cost of attendance, we are obligated to reduce your total aid to avoid exceeding the budget limit.
13. If your legal or mailing address is located in a state other than California or Arizona and you are enrolled in all online (web) classes, you will not be eligible for federal financial aid.
