IMPERIAL COMMUNITY COLLEGE DISTRICT
IMPERIAL VALLEY COLLEGE
WATER AND WASTEWATER PLANT IMPROVEMENTS

ADDENDUM #04

THE FOLLOWING ITEMS ARE LISTED AS CORRECTIONS OR CLARIFICATIONS TO THE CONSTRUCTION DOCUMENTS.

ELECTRICAL

1. IID TRANSFORMER

- a. In addition to work shown, IID is requiring a separate transformer for the Fire Pump Service. Provide a 6'x8' concrete pad as specified by IID for IID installed transformer. Provide 5" PVC conduit only from existing IID sector box to new transformer pad adjacent to existing transformer with a rough distance of 70 ft. Route secondary shown on drawing to new transformer.
All work is to be coordinated with IID. Transformer location and point of connection for new transformer is to be verified with IID as drawings are available.

END OF ADDENDUM #04
