

STANDING COMMITTEE ASSIGNMENTS 2025-26

Working Document

Last Update: May 5, 2026

STANDING COMMITTEES

The Participatory Governance and decision-making structure at Imperial Valley College is defined by the partnership of its constituency groups as well as our strong commitment to the shared vision of student success.

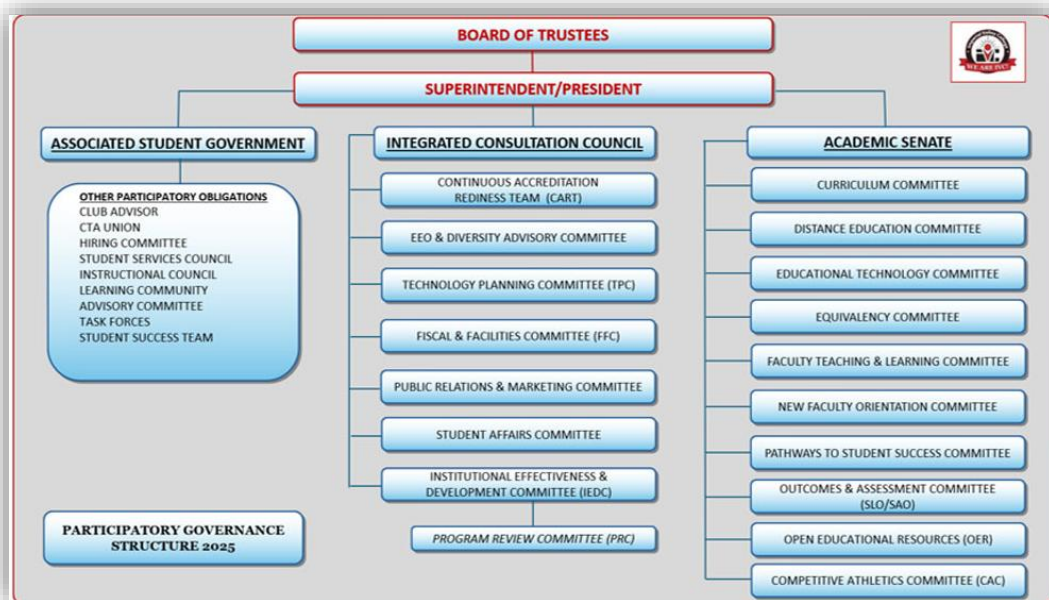

The Standing Committees of Imperial Valley College represent specific constituencies and are intended to formalize the collegial process, facilitate communications, develop plans and processes, and provide input for the effective planning and operation of the College District.

The Academic Senate participates in developing recommended policies for Board action, and administrative procedures for CEO action on academic and professional matters, as defined by law. (See BP 2510 Participation in Local Decision Making)

The Integrated Consultation Council (ICC) serves as the College District’s participatory planning and decision-making body by providing recommendations directly to the Superintendent/President based on input from all constituent groups in four areas: (1) strategic planning; (2) policy, procedure review and recommendation; (3) problem management, and (4) campus communication. ICC communicates those recommendations to all constituents’ groups. (See AP 2510 Participation in Local Decision-Making)

- Each year faculty members fill out a Participatory Governance Preference Sheet (PGPS) to help with committee assignments.
- Faculty appointments to some committees are subject to ratification by the Academic Senate. (Academic Senate Contacts: Ric Epps, President at ric.epps@imperial.edu, or Jia Sun, Secretary at jia.sun@imperial.edu)
- The Participatory Governance Structure, Participatory Governance Handbook, Standing Committee List can be found in Team Dynamix: [Team Dynamix Hub](#)
- All Committee use the BoardDocs Platform to house Agenda/Minutes. Click on the dropdown Tab top right corner  : <https://go.boarddocs.com/ca/caiccd/Board.nsf/Public>
