| Discussion of Workshop: | The committee discussed the results of the workshop held in August of 2009. | | | |
| | Daniel Gilison shared that he thought the workshop went very well however was dissatisfied with certain illustrations (i.e. scare tactics) that the guest speaker used. Lisa Solomon agreed with Daniel's point of view. Pfister commented on another topic shared at the workshop and asked for assistance from the committee to help focus more on it: The fact that as a campus we can accomplish the SLO requirements and not on the possibility that the government may have to take over the SLO process. | | | |
| | Pfister also reported on the results of a survey taken at the end of the workshop. | | | |
| Discuss Program Level SLO's: | Pfister emphasized the importance of program level SLO being tied into the program reviews. She briefly explained that it may help tie to resource allocations. | | | |
