

By California State law, to be classified as a state resident for tuition and fee purposes students must prove they have been living physically in California and intend to make California their permanent home for at least one year and one day before the first day of the term. Below is a listing of documentation which may be used to prove residency. If you have additional documentation you think will help, please include it. If you are not a US citizen, also bring documentation of your status as instructed in Part C on previous page. After your request is reviewed, you may be asked to provide additional documents which may or may not be included in the list below.

- All documents must cover at least one year before the beginning of the term.
- As many as possible are needed from the following list.
- Bring in your original documents plus one copy together with this completed questionnaire.
- Do not mail or fax.
