

Language Lab

Improve English skills

Fulfill requirements for your ESL/Language class

Take advantage of tutorial help in completing your assignments

Program Purpose

The Language Lab at Imperial Valley College serves as a support service for classroom instruction in ESL and languages to assist students in achieving their educational goals.

Program Description

The Learning communities served by the Language Lab include students of English as a Second Language (ESL) and students of other languages, including Spanish, French, and Arabic. Some instructors bring the whole class into the Lab regularly or as needed throughout the semester to work on a variety of computer-based assignments for the class. Students are also welcome to come to the Lab independently to work on those assignments. Tutors are available to help students with computer and program issues.

Lab Rules

- Have an IVC ID card to check into and out of the Lab
- Turn cell phones and pagers off before entering the Lab.
- Leave any food or drink on the shelves by the Lab entrance.
- Don't disturb other students by talking or making other disturbances.
- Don't use personal listening devices (iPods, etc). The only headphones that can be used are those intended for listening to the instructional programs, and used only for listening to those programs.
- Use computers in the 2600 Building for academic (school work) purposes only (Board Policy 3720, Administrative Procedure 3720, 5500).
