Cultural

Parliamentarian Whalen provided the following report on Veterans Day Celebration held Thursday, November 7, 2013:

1. We had a decent sized crowd present for most of the event.
2. Many students and faculty walked in and personally thanked the recruiters for their service.
3. We had a fast set up and take down. Thanks to DJ Rudy Robles, we had music playing at a good level for the entire event.

The recruiters felt welcome and told me should we desire to have them back for an event, they would. The students got to hear more about what it takes to be a Veteran and we were able to thank them with cards and gift certificates.

Parliamentarian Whalen provided the following report on the Art Exhibit held yesterday, Tuesday, November 12, 2013:

1. We were able to set up for the show incredibly fast.
2. We only had to spend fifty dollars for the cookies.
3. We had multiple students go through the gallery and even had a class go in.

Overall it was an unbridled success.

Dean Lopez thanked the Cultural Commission for a job well done on both events.
