Spring Awards Banquet

Awards for the ASG Student Awards Banquet were discussed. Jeff agreed to develop a biography for Veronica Chavez, the student selected for the Business Division Award. Craig will submit information for Nate Buckner.

Technology Issues

Technology issues were discussed. Jeff asked that Javier check Room 906 to ensure that the computer has been returned to the demonstration cart. Craig informed the group the computer in Room 810 would not hold favorites. Val agreed to follow up with Javier.

Other

Craig inquired about funds to purchase clicker technology for use in his economics courses. Having instant feedback from students during the lecture/discussion would improve instruction and thus learning. Val indicated that Angie Ruiz had also inquired about using clicker technology. Val will inquire if the Title V ACCESO Project is willing to loan their clickers to the Business Division.

The meeting adjourned at 12:30 p.m.
