\_\_\_\_\_ The Financial Aid Office **reserves the right** to verify all documents submitted for your file along with information provided on your FAFSA **at any time**. During the review process, it may be determined that more documentation or information is needed to resolve conflicting information. Until the additional information is provided, no further processing will be done on your file.

\_\_\_\_\_ Financial aid awards are processed on the basis of fulltime attendance (12 or more units). Your payments will be adjusted if you are enrolled in less than 12 units at the enrollment status freeze date. If you are awarded after the freeze date, your enrollment status will be frozen at that time of award. If you add units after the freeze date, you **will not** receive an increase or additional payments. Pell Grants are paid in 2 payments over the semester. **Please refer to the Financial Aid Disbursement section on our website for more information and the specific payment dates for each semester.**

\_\_\_\_\_ If you were paid aid and failed to begin attendance in the courses, you will owe a repayment of 100% of the funds. If you do not attend a late start class and have received payment for these classes, your eligibility will be recalculated to determine if funds must be repaid.

\_\_\_\_\_ You must be enrolled in an approved program of study leading to a degree, certificate or transfer to a four-year college. If you have not done so, see an academic counselor to officially declare a major.

\_\_\_\_\_ You must maintain Satisfactory Academic Progress. Your academic history will be reviewed **annually**, even if you have not received financial aid before. To be in "Good Standing" for Financial Aid, you must meet all of the standards of Satisfactory Academic Progress (SAP). **Please refer to the Satisfactory Academic Progress section on our website for more information.**

\_\_\_\_\_ You will not be eligible for aid if you owe a repayment or overpayment on a Pell Grant, SEOG, or any other grant from any college.

\_\_\_\_\_ You will not be eligible for any Federal aid if you are in "Default" on a Stafford, Direct, PLUS, SLS, or Perkins Loan or other loans from any institution. You may regain eligibility by providing proof that you have made satisfactory repayment for six (6) consecutive months, consolidated, or paid your loan(s) in full.

\_\_\_\_\_ If you receive a federal grant and you drop or withdraw from all classes before the 60% point of the semester, you may owe a repayment. You will be ineligible for any additional Title IV funds until repayment is made in full.

\_\_\_\_\_ You are required to notify the Financial Aid Office of any outside scholarships or other resources that you receive for or during the academic year. Federal financial aid regulations require that we record your outside funding as a financial resource and add it to the total financial aid package we have offered you. If your total aid from all sources (including the outside funds) exceeds your cost of attendance, we are obligated to reduce your total aid to avoid exceeding the budget limit.

By signing below, you certify that all of the above information is true and correct and that you:

- read and understood the Student Terms and Conditions as listed above, and
- authorize IVC to deduct from your federal, state and other financial aid awards any debt owed to the college for the 2013-2014 award year and understand that you may rescind this authorization in writing.

**Note:** IVC reserves the right to withhold all further services until the debt is paid in full. Services include but not limited to official release of grades or academic transcript.
