

STEP DIRECTLY INTO UNIVERSITY

CTE ASSOCIATE OF ARTS AND ASSOCIATE OF SCIENCE DEGREES FOR TRANSFER.

AA-T /AS-T
AS-T Administration of Justice
AS-T Business Administration
AS-T Early Childhood Education

WHAT IS AN AA-T/AS-T?

AA-T and AS-T degrees are recognized by both the California Community College and CSU systems as a measure of preparation and readiness for transfer to upper-division course work at the CSU.

HOW WILL THIS HELP ME AT THE UNIVERSITY?

Students who have completed an AA-T or AS-T and are admitted to a CSU major that has been deemed similar are guaranteed admission at junior standing, and the opportunity to complete a baccalaureate degree with 60 additional semester (90 quarter) units completed at university.

GET A JUMP START IN HIGH SCHOOL WITH CREDIT BY EXAM!

Currently credit by exam opportunities are available to high school seniors enrolled in articulated courses at their high school in the areas of Administration of Justice and Early Childhood Education.

EARN PRIORITY ADMISSION FOR A CALIFORNIA STATE UNIVERSITY!

Students completing an AA-T or AS-T degree at the community college receive priority admission to the CSU system.

OTHER AA-T AND AS-T'S AVAILABLE AT IMPERIAL VALLEY COLLEGE!

Pathway To Your Career...

EXPLORE IVC'S CAREER TECHNICAL EDUCATION PROGRAM

Career Technical Education (CTE) provides students the opportunity for hands-on learning and a way to figure out where they want to go in life. A CTE education leads to more than just graduation. Students develop the technical skill necessary to be successful on the job. Applied learning is what CTE is all about, and learning and doing go hand in hand. Solid academics, combined with strong technical skills, provide students a more seamless transition from school to work. IVC CTE programs start students on the road to career success by providing the knowledge and skills necessary to move on to a higher education and get a good job.

PREPARE FOR COLLEGE IN HIGH SCHOOL...

CREDIT BY EXAM

Credit by Exam (CBE) allows students enrolled in approved high school courses to complete a comprehensive exam for college credit. Students must satisfactorily pass both the exam and their high school course to receive college credit. The process of earning credit at IVC is only available during the Fall semester. The High School Articulation CBE process is only available to high school seniors. If you have questions about the process please contact the CTE counselor.

WHY PARTICIPATE?

Credit by Exam is a great way to jump start earning your technical degree or certificate program at Imperial Valley College.

HOW DOES CBE WORK?

Through the articulation process, area high schools and Imperial Valley College work together to identify high school and ROP courses comparable to those offered at Imperial Valley College. When courses are similar enough, articulation agreements are established.

2013-14 IMPERIAL VALLEY COLLEGE - HIGH SCHOOL ARTICULATION CHART
