

Embedded Tutor Program Proposal Winter 2018

Overview

The Learning Services department would like to request funds through the student success committee to continue providing and expanding the Embedded Tutor Program. The Embedded Tutor program (ETP), is committed to improve our students' success and retention rates. Our goal is to use the momentum that we have gained, with instructors and students, and expand our services to increase the impact across campus. Winter courses serve many students to avoid falling behind in their academic pursuit. The following chart shows the number of students repeating courses in the Winter 2017 intersession.

Winter 2017
