We're pleased to be your partner in maintaining great oral health. The Delta Dental PPO[†] plan makes it easy for you to find a dentist and control your costs when you visit a network dentist. Here are some of the great things you'll need to know about enrolling with Delta Dental:

- **Save with a PPO dentist.** Our PPO network dentists accept reduced fees for covered services, so you'll usually pay the least when you visit a PPO network dentist. Non-Delta Dental dentists may balance bill you the difference between the contracted fee and their usual fee.
- **Large dentist network.** Since Delta Dental offers access to some of the largest dentist networks in the U.S.,[‡] chances are there's a wide choice of PPO dentists near your home or office. Use your desktop or mobile device to search for a dentist at deltadentalins.com.
- **Visit the dentist of your choice.** Want to visit a non-Delta Dental dentist? No problem. You can visit any licensed dentist, but your costs are usually lowest with a PPO dentist.
- **Log in to Online Services.** Check benefits, eligibility and claims status, view or print an ID card and use our "Fee Finder" tool to check average costs in your area. You can also change your Profile preference to go paperless. Use your mobile device to access many of these tools on the go; show the dental office your ID card information instead of carrying a printed card.
