Get Your Zoom On

What is Zoom?

ConferZoom is a video conferencing system that many IVC instructors use to check in with students for virtual office hours, one-on-one meetings, and even group conferences and presentations. The cool part: it's totally free and easy to use!

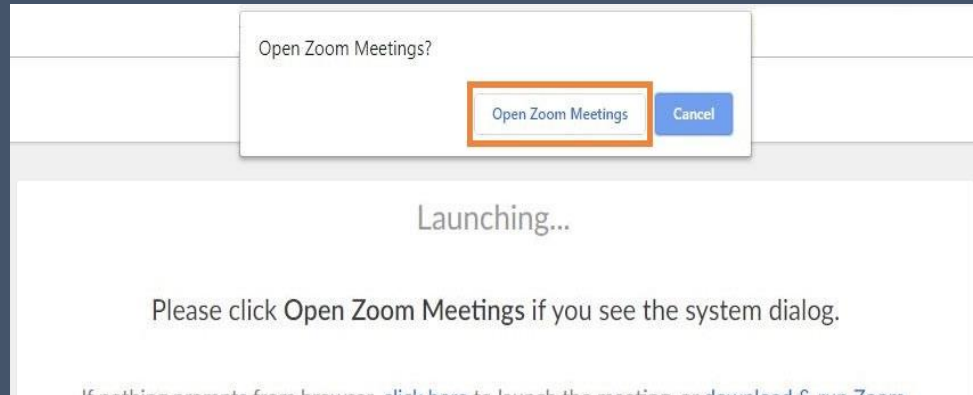

Join a Zoom Meeting

Computer:

1. Click on Zoom link or paste meeting URL link into internet browser
2. Download Zoom software when asked
3. Open meeting

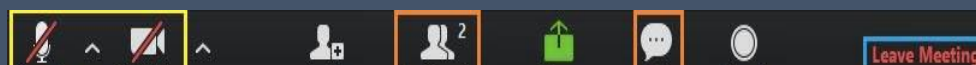

Once you click or type a meeting link, you'll be asked to open your Zoom meeting:

You can join the meeting with or without video. Then, hover your mouse at the bottom of the screen to access the Zoom toolbar and participate in your meeting:

- Adjust audio and video (choose device and mute/unmute options)
- Expand "Participants" to see who's in the meeting
- Open "chat" to ask questions, see what others are saying, access web links and download files your instructor might provide to you
- Click "Leave Meeting" when done with the meeting

Mobile?? No Problem!

Download the Android or iOS Zoom app for easy meeting access!

1. Download the app, then simply click on the Zoom link to open meeting in app
2. Select the settings tab to update your screen name, add a profile pic and adjust audio/video settings
