

PRONTO

A STUDENT'S GUIDE

Pronto is the easy-to-use, already-connected communication tool provided by your school. It's like having your favorite chat app, with all your teachers and classmates. Except With Pronto, you don't have to share phone numbers or wait for a special invite. Simply follow the steps below, and start connecting with your class.

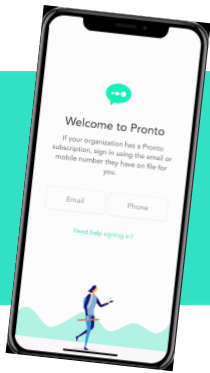

DOWNLOAD THE APP

Scan the QR code here or search for Pronto: Team Communication in the App Store or Google Play Store. You can also visit pronto.io/download.

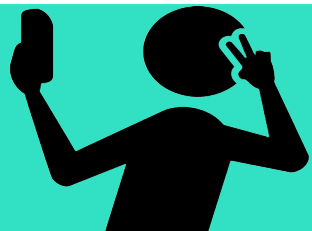

LOG IN WITH YOUR CANVAS EMAIL

At the login screen, use your preferred Canvas email to sign in. A verification code will be sent to your inbox. Copy the code from your email and paste it into Pronto to complete the log in process. If you don't see the email, check spam or junk mail!

UPLOAD A PROFILE PIC

Choose whatever photo you feel represents you the best! This could be a picture of yourself, your dog, your favorite flower, or even just your favorite color.

YOUR COURSE CHATS ARE READY FOR YOU

In the top left corner of your screen, you'll see three lines, this is your drawer! From here, you can navigate between your different course chats. You're now already connected to all of your classmates and teachers.

GET THE MOST OUT OF PRONTO

Click [here](#) to watch a short video tutorial about using Pronto with Canvas!
